U6 Red vs **McCredie White** **0 - 5**

Under 6 Red's battled hard as always but unfortunately we lost to the better team today. The team has improved with ball skills over the season and have a very proud coach as a result. Emily was an amazing keeper for us today, as was Charlie, who also demonstrated excellent ball control on the field. Christian stepped up for Logan today and defended without giving up. Amir was the player of the match today, he was outstanding. Good job Red's!

U6 White vs McCredie Red 5 – 0

Today our last round was a victory for the under 6 White's however we were sad to beat our fellow McCredie team. They played a great game against us but our man of the match, Daniel Depares, was on fire today scoring four goals on his own. Julian scored our last goal taking us to a total of five! All players played a good game today. Lukacs did some great kicking and defending, Akshan took the lead with the ball and William was our reliable and fantastic goal keeper for the game. Ahmad worked his magic on the field and Noah did a great throw in helping to keep us in front. All in all our team played well together today, a great end to the round. Here's to getting to the grand final.

U7 White vs Lidcombe Churches 5 - 0

Welcome back to star of the match Joshua who returned with a bang. McCredie played Lidcombe today and saw a 5-1 victory. Congratulations to the entire McCredie team on an outstanding well executed strategy. George E, Mustafa and George T impressed with their defence while Simon showed off his striking skills. Daniel impressed the crowd with another week of striking and strategically passing to see the team stay in the lead. Alex was also impressive as he cleared every ball that dared come his way. Zen's defence was also impressive today. He demonstrated commitment and good sportsmanship. Also want to acknowledge Charbel who worked tirelessly to defend those goals.

U7 Grey vs St Columbas Castle Hill Orange 7 – 0

Definitely one of our best performances this year. Everyone gave 110% and all deserve to be named 'Man of the Match' today. Our defensive and attacking efforts were strong throughout the match. Mohammad had a great game up front, scoring 5 goals. Aaron and Jason also scored a goal each and never stopped chasing the ball and helped us maintain possession. Stefan had a 'clean-sheet' as goal keeper in the first-half and in the second-half chased and tackled well (with a look of passion on his face as he ran). Nikolas, Sarim and Moussa were all brave in defence and made some excellent passes that set-up goals. Moussa also maintained a clean sheet as goal keeper in the second half. Thank you to the parents for your support today and throughout the season. I am definitely a lucky coach to have players and families passionate about the team. U7 Black vs St Columbas Castle Hill Black 3 – 3 (lost by a corner kick)

We saved our best game until last with a 3 all draw. We were unlucky to lose on corners. Yusuf scored 3 cracking goals even scoring 1 with his left boot. Special mention to G for sticking it out in goals all game he kept us in the game today with his quick hands. As usual we could rely on Rushel and Aiden's defence to shut down any attacking play. Bentley had some nice runs and was unlucky not to score. Well done to Brendon our player of the match. He made some great tackles and great passing. Telissa-lee was quiet today still a little under the weather but she gave it her all. A big effort from Zac who made sure every throw in was to be his whether it was our ball or not lol and Farooz was strong with the ball and displayed nice dribbling skill. All in all it was another great season with you kids so thank you everyone and also a big thank you to our manager Zoe for doing our paperwork, keeping parents informed and washing the jerseys every week. Hope to see everyone back next season.

U8 vs Western Sydney Academy 1 – 4

Today was a really great game. Everyone played really well, keeping positions and working together. Noel was our player of the match, getting a lot of ball, running hard and never giving up. It got a little bit chaotic at the end and we just need to remember to stay focused the whole time we're on the field. If we work hard and meet them again in the Grand Final, we can really give Western Sydney a run for their money; bring on Semi-Finals!

U9 Red vs Lidcombe Churches 0 – 1

Maybe this score wasn't what we wished for but the team truly did their best. Lidcombe were just lucky and the morning wind was on their side. They could have been a bit faster than us but we fought till the last whistle. Everyone in his position was a champ and earned player of the game showing sportsmanship, commitment to the team and lots of love to the game. U9 red you played a good game and we wish you the best of luck at the semis.

U9 White vs Wentworthville Uniting Blue 3 – 2

It's been a while since we've had a back to back wins and it's come at the right time in the season. We had to win today to have any chance of making the semi's and the game was a nail biter for us. After jumping to a 1-0 lead by half time, we thought we raced away with the win after scoring 2 more quick goals in the second half. But Wenty Gold had other ideas, getting a goal back after a penalty kick due to a hand ball from our team and then soon after another soft goal getting through our bad defence. The momentum felt like it was running away from us, but with only 2 mins on the clock our kids held on to win 3-2. It was important that the kids were able to grind it out to win games where we haven't played our best and today was a good example. Now having secured our win, we needed another result to go our way with St Columbus having to either lose or draw their game. Coach Dean in the true spirit of scouting the opposition went to watch their game and maybe extend our golden run. Alas the script was going our way with St Columbus losing 2-1 and our mighty U9's now through to the semi's. YOU BEAUTY!

U10 vs Wentworthville Uniting Gold 0 – 1

It was the last game of the regular season and we were playing Wentworthville Gold, who are leading the competition. All the games that we have played against each other have been very close and this game was no exception. The first half was a very tight struggle with both teams creating scoring chances but the defence of both teams was also very good in being able to halt the attacking stride. In the last 7 minutes of the first half, Wentworthville were awarded two penalties and fortunately for Guildford, Sam the goal keeper, saved the first shot while the second shot went wide of the post. Guildford was very lucky not to concede a goal in the last few minutes of the first half as Wentworthville pressured our goal area. The teams walked in at half time with no scores on the board. The beginning of the second half was as tight as the first half with both teams creating their chances but unable to capitalize due to the defence. Guildford had their best chance when Paulo beat his defenders and beat the goal keeper but his shot went wide. In the last ten minutes of the game Guildford players seemed to tire causing some defensive short falls. And in the end Wentworthville got their opportunity, running up through the middle of the field and placing their shot into the goal net. All in all a very good effort against a good team although still a very disappointing loss. Player of the match was given to Sam Hannouch, the goal keeper for his very good play and saving a penalty. As for the rest of the team, Stella Fitzpatrick played very well on the left wing, beating defenders at will as she took the ball forward and defended well when required. Lucy and Taylor, sharing the right wing duties did their part and getting the ball forward. Paulo tried hard all game as did the defensive line consisting of Yusuf, Thomas, Hussain, Dylan and Koray. As for Alex and Joseph who shared roles as forwards and as centre backs, they ran themselves in the ground as they ran all over the park chasing the ball all day, saving Guildford from many dangerous attacking raids and creating their own opportunities. Next week end will be a semi-final game. As a team we will need to sure up our defence and ensure that we finish off our goal scoring opportunities. All players to attend training this Tuesday. Please don't bring your attitudes with you. Just bring your passion and your will to learn and listen.

U13 vs Merrylands SFC 5 - 0

Well that's a wrap on the 2017 season. I wasn't a pretty game, but ugly games are just as exciting. I decided to rotate position today and gave everyone a go in positions they haven't tried. Merrylands were an aggressive team. So much so, they ended up with 3 yellow cards. But we all kept our heads screwed on and just put their keeper to the test. 4 well worked team goals and a fantastic solo effort from Adam made today an enjoyable game even though we were just playing for a bit of pride. I can't thank the parents enough for all their efforts this season coming to early cold games and cheering the team on no matter what. A great season finished off with 3 points was just the way we wanted to finish. Man of the Match : Adam Depares

U14/1 vs Parramatta City 3 - 1

The boys played very well today and poor Parramatta were on the receiving end of the dominance. Strong games from man of the match John-Luke, Jalloh and Ibrahim. This is good momentum for the semis boys which are next week.

U14/3 vs Lidcombe Waratah 0 - 2

Another match where we had our chances, but in the end we were unable to convert these into goals. At half time with the scores locked at 0-0 it was still anybodies game. Everybody worked hard, and tried their best, but the bounce of the ball favoured our opponents. A solid effort again, where we were competitive and in the game.

U16 vs Greystanes FC 3 - 0

Still struggling to get some of the basics right but pleasingly just played our game today without getting distracted by some of the nonsense. These last couple of rounds can be dangerous, playing teams who's season is over when ours still has semis to come. Three nice goals and untroubled defence, led to today's win.

Sydney Cup Reserves vs St Barnabas Broadway 3 - 1

Tough opponent as to be expected in semi-finals. But we were strong and got the result we deserved. Solid performances by everyone. We played for each other, held our position, always supported our team mates, great energy running off the ball and basically did everything that was required to win the game. Final next week – be ready to lift it another level 😊

Premier League vs Greystanes United 0 - 1 (golden goal in extra time)

We were super keen and were playing really well for the first 20 minutes creating opportunities and looking really dangerous. However Greystanes slowly got their way back into the game and we spent the last 20 minutes of the game defending and keeping them out. Unfortunately in the 2nd minute of extra time they scored which was heartbreaking however we have next week still to make the grand final which is what we will do.

RESULTS – 13th August 2017

U14/1 vs **Greystanes FC** **3 – 1**

We were flawless in the first half creating many opportunities, passing really well and playing unselfish football leading 3-0 at halftime. However football is a game of two halves and unfortunately all 5 players in the midfield decided to go to sleep and we played the doughnut formation. The defence did very well to keep them to only a penalty in the second half. Rahman was the stand out today giving his all throughout the whole game.
