**U6 Red** vs Wentworthville Uniting **3 - 5**

Everyone played a fantastic game today. Aakash made a hat-trick. Mawien, Noha and Muhammad did some very good passes and defended a few attacks. A new player, Aleena, joined our team this week and played a wonderful game. Ghani as usual did an awesome job as a goal keeper and saved a few attempts. Sireen was player of the match. Well done team.

Goal scorer – Aakash Gurung 3

**U6 White** vs Kings Old Boys **0 - 9**

Today we were out-played by an opposition team that fielded 5 players. Trying hard, our defence could not hold them out and our attack could not find their net. Emily and Kayra, shared goal keeper duties and although were kept busy still made some good saves. Michael, Sudev and John played better in the second half and made some breaks. Arad and Harley also kept trying in defence around the middle of the field. A good try today.

**U7 Red** vs McCredie White **4 - 4**

What a thrilling game! U7 Reds played exceptionally well today considering how strongly their opponents have been in the division this season, but the Reds were determined to show that that does not mean they are better than us. Christian continues to be an outstanding player and was relentless today, what a joy to watch. Sebasjin and Aiden dominated midfield and refused to give up the ball to the opposition (Sebasjin even took a ball to face for his team!) which left the Whites scrambling for new ideas to get the ball forward. Counter-attacks were blocked brilliantly by Logan, and when Logan came off for a break, it was Antonio to the rescue as he refused to let the ball through his goal! Amazing keeping from him today! No one can forget about Gabriel and his skill on the field, he scored 2 beautiful goals simply because he was better than his opponents. It's good to see him go for the ball, not shy away, and be rewarded! Definite errors that were pointed out today which we will work on at training. Well done Reds!

Player of the match: Sebasjin

Goal scorers: Gabriel Aigbologa 2, Ameer-Ahmad Khan 1, Christian Sleiman 1

**U7 White** vs McCredie Red **4 - 4**

Today was a very exciting game and was nail biting right until the closing minutes. Our goal scorers today were Anthony, who scored an amazing 3 goals today along with Daniel who also scored us a goal. All players played a solid game today. Akshan demonstrated great kicking skills, Lukacs defended well as always, Ahmad Z saved three great goal attempts as goalie and Ahmad A was a strong runner to the goal as always. Mahmoud rounded out the team today with a strong performance of getting the ball to the goal. All up our boys played better than last week but we are needing to work on our strategy and skills when the ball is in goal. Player of the match was Anthony for his awesome effort today and magic goals in the game.

Goal scorers: Anthony Mansour 3, Ahmad Agha 1.

## **U8 Red vs McCredie White 2 - 5**

The team were passing and tackling really well at the beginning of the match. Jacob, Danielle and Gethyn kept a tight defensive line and were blocking successfully. Aaban, Yusuf and Brandon were spread out ready to push forward. Lual squeezed in a goal and Izaak's shot was deflected by a white player into the net for us. The whites were on fire in the second half. Ahmed's first time as goalie was a trial by fire. Izaak, Lual and Abatar were strategically passing and filling in the gaps. Mardin, Hussein, and Stefan were in the thick of things trying to push the ball forward. The team got a bit overconfident at the beginning and so lost focus in the second half. We forgot our training and we couldn't change our mind set. Sage advise from coach Andy: Learn from mistakes; brush off the losses; re-focus to do the best job you can do. It was heart-warming to see all the players and parents being very supportive and encouraging. Well done team. Player of match: Izaak for always being where the team needed him the most. He filled in the gaps. Coach's encouragement award: Ahmed for trying something new and having the courage to be goalie, Stefan for being a good stopper (between midfield and back) and blocking the balls

Goal scorers – Lual Deng 1, Izaak Chung 1

## **U8 White vs McCredie Red 5 - 2**

Great performance overall by the U8 Whites against U8Reds with a win for the Whites 5-2. First half looked shaky for us as the Reds put on a great show with 2-0 their way at half time . The whites were determined to come back and lifted their game with Daniel scoring 3 goals in the first 5 minutes of the second half. Abdullah and Saif impressed the crowd as they continuously defended and set up goals. Alex, George Tangi and Joshua worked tirelessly defending the goals with big boots!

Goal scorers - Daniel Alouche 4, Saif Al-Kanaani 1.

## **U8 Onyx vs Lidcombe Churches 5 - 0**

Well done Onyx, you all played really well and got a well deserved win. Today I had to adjust to being on the sidelines, but it so nice to see how well you strung plays together and defended. Jason and Ayden were the leaders on the field, either leading the attack or coordinating the defence. Aaron and Bentley provided the support play in the middle or on the wing, and provided well-timed passes. Mohammed made some good runs down the middle, and scored a nice goal today. Farouz, Moussa and Yonathon worked hard in defence, limiting Lidcombe's scoring opportunities. Nikolas was relentless, chasing the ball, making tackles and scoring a hat trick. He was the 'Player of the Match' for his efforts today. Stefan and Farouz were bored in goals thanks to our defence, but they both put in wonderful efforts outside of goal. Honourable mentions also go to Rushil and Sarim, both returning from injury and playing really well. Thank you to the cheer squad (parents) that braved the early morning cold to support our team!

Goal scorers: Nikolas Dimitriou 3, Aaron Kidane 1, Mohammed Al Musawi 1.

## **U9 Red vs Wentworthville Uniting Blue 0 - 1**

Some forced changes in field due to players being out for the game cost us. With everyone shuffling to fill positions we just lack confidence. We struggled to get the ball out of our own most the game and where luck to have only conceded 1 goal. Hopefully after 6 a side and our bye everyone will have their head back in the game. Play of The Match was Bentley who filled in for the team in a position his not use to and did excellent.

## **U10 Red** vs Wentworthville Uniting Gold **4 - 3**

We almost lost today. We were down 3-2 half way through the second half and had to work hard to regain the lead we had in the first half. Thankfully everyone pulled it together to score 2 more goals and win the game. The team learnt today that our defence is critical - without it working properly, we can easily lose the game. Everyone needs to do the job they have, and every job is important. Player of the match - Lachlan Lin for some great goals Coach's Award - Omaid Ahmadzy for playing hard at the back.  
Goal scorers - Adhar Yaac 2, Lachlan Lin 2

## **U10 White** vs Wentworthville Uniting Blue **0 - 5**

First half we played well. Though letting 1 goal through. Second half, not sure what happened. Once the whistle blew, Wentys scored within a minute, running straight down the middle through our whole team. From there it didn't look good. We need to bounce back. 3 straight losses now! Will get better!

## **U11 Red** vs OLQP Falcons **2 - 0**

Great game by the team today. Awesome team work helped us to win by 2-0. Special mention to Yusuf and Dylan who did not let the ball past them all game. Amazing efforts by Tilangi who was man of match for the awesome second goal to secure us the game and finally a goal from Tom which we hope is one of many more to come. Once again our mid field helped keep control of the game. The boys are all playing amazingly. Let's hope this is another of many more wins to come!!  
Goal scorers – Tom Allen 1, Tilangi Penitani 1

## **U12 Red** vs Greystanes FC **2 - 0**

Very windy game today! Passing to each other was shocking and the wind had something to do with that. It was the 2nd half before we scored. A beautiful kick from Mohammad which went in effortlessly. Than Sebastian scored a header from a corner kick. Well played boys.  
Goal scorers – Mohammed Al-Kanaani 1, Sebastian Kerr 1

## **U12 White** vs Lidcombe Churches **1 - 2**

The morning started with everyone arriving on time. Then chaos. Nets going up late. No game shirts. Team running everywhere and not listening. No pregame warm up. Late for team photos. Then 15 minutes late for game. Today is a good example of the need for parent helpers to set the nets up so the coach and manager can focus on the kids. Thanks to those that did help. At least the game didn't suffer. Everyone played well. Passing is getting better. Still losing the midfield which is giving the opposition more chances at scoring.  
Goal scorer – Anthony Alam 1

## **U13** vs Toongabbie Demons **3 - 5**

Freezing morning. Too windy and too cold. We played a different game today. Our defenders were strikers and we controlled most of the game. Too many unsuccessful attempts but Samuel managed to get his two goals through within few minutes of the kickoff and in second half. We needed strong defence and more focused kicks. Hard luck Woody but it was a good try indeed! And we went for another goal at the last minute with Matthew.  
Good effort all together!  
Goal Scorers - Samuel Kidane 2, Matthew Youssef 1

## **U14** vs Toongabbie Demons **0 - 3**

We had a great start to the game with some promising mid field work but for some reason it just fell apart after an early goal by the opposition. The rest of the match was very disappointing as the boys put their heads down and couldn't recover. Better luck next game.

**U15/1** vs Auburn FC **1 - 1**

These guys seem to be our bogey team. We were unstoppable in the first 20 minutes having all the possession and spending most of our time in their half. These barrages of attacks were rewarded when Hamid finished a lovely free kick. I don't know why but we then started to take our foot off the pedal and let Auburn get back into it. They scored a goal off a deflection and we were unable to capitalise on our numerous attacks. Strong games from Deng, Abulfazel, Ryan and Peter. Man of the match - Jackson, he was Mr Everywhere man today as he continuously made attacking options as well as breaking up numerous Auburn attacks.

Goal scorer - Hamid Azimi 1

**U15/3** vs Granville Waratah **3 - 4**

The opposition was first to score before Garang put Elias in the clear to even the score. Our opposition scored again so we went into half time trailing 1-2. In the second half our opponent scored again quickly 1-3. Elias scored again from a well worked Sajjad pass, 2-3. About 10 minutes later, Elias streamed down the left side of field, before crossing into the 6 metre box for Jude to place a good header past the goalie for a well deserved goal. Shortly after our equaliser, our opponent took advantage to score quickly after the restart, which proved ultimately to be the match winner. Strong game from Angus, Aurelly, William & Elias. Ruben & Liem acquitted themselves well in goals on a very windy day.

Player of match Jude Wall

Goal Scorer: Elias Matta 2, Jude Wall 1

**U16** vs Toongabbie Demons **4 - 5**

Scoring 4 goals against the top team and still losing says a bit about our defence. To proceed in this competition we will need to get better positionally when defending, commit to taking responsibility for our role in defence and deal with defensive challenges decisively. On the positive, we played better in attack today, being prepared to move the ball around and finding our strikers with the ball more regularly.

Goal scorers – Mohamed Alizada 1, Mahmoud Jalloh 1, Joe Azzi 1, Mehdi Jaffari 1

**Sydney Cup Reserves** vs St George Rowing **3 - 1**

**Sydney Cup** vs St George Rowing **1 - 5**

**Premier Reserves** vs Kings Old Boys **6 - 0**

This score could've been tripled if we scored all of the one on ones that were on offer but a win is a win and the 3 points is what matters. One step closer to semi final football, keep going lads

Goal scorers - William Wark 3, Malvyn Walton 3

**Premier League** vs Kings Old Boys **0 - 5**

It's hard to compete when the same boys who have just played one whole game have to back up and play again against a fresh team.

**U11 Girls** vs Guildford County **0 – 2**

Better second half. Millen, Baneen and Alethia did well keeping the defensive line tight. Anika tried hard all game as did Stella unfortunately to no avail. Huda had a better second half in goals coming out to the ball and saving us on many occasions. Guildford County coach at the end of the game commented on Huda's performance. Keep your heads up girls. A lost game makes us aware that we still have room for improvement.

**All Age Ladies** vs St Patricks Blacktown **1 – 1**

This was a really good effort. The conditions were difficult (I thought Everley was dry and bumpy before today – but Greystanes is worse). This was the same score as last week but this was a very different result. St Pats were on top – they aren't any more! For the final 20 minutes we were on fire and they had clocked off. 0-1 down but you wouldn't have known that as we were all over them. Talisha was outstanding and her goal was much deserved, coming not long after copping one in the face. The modelling career is done now, but perhaps a career up front is just starting. Great interplay between her and Mika. In the midfield Tahlia and Nyanut took full control and kept sending the ball back to the two shorties up front. But don't forget the backs, awesome as usual, with the conceded goal from a direct free kick – there is certainly no way through our defence. Happy coach. Goal scorer – Talisha Diaz 1

**Please be aware that parking at Everley on Monday will be VERY difficult.**

**It is advised that parking at the other end (Boundary Rd) will be easier and is actually closer to the U8, 9, 10 fields anyway.**

**Please allow at least 30 minutes to park. I'm not even joking!**

**This day is a very important one for our club and our Association.**

**Please offer to assist where you can – Canteen, BBQ, setting up fields, cleaning up.**

**Just arriving on time is a huge help.**

**This is a fun day, most especially for the kids. Remember that it is about them, not you. Don't get frustrated if things run late as they inevitably will. Sit back, enjoy each other's company, enjoy watching some great football, support McCredie's teams and relax!**

**Oh, and eat lots of sausages (if you aren't fasting).**
