U6 Red vs **OLQP Falcons Red** **0 - 4**

Good performance by U6 Red and gave really tough time to Falcons Red. Aleena played as goal keeper and saved a few goal attempts. Noah, Zakariah, and Aakash provided a strong defence and kicked the ball out of the danger zone. Sireen and Aakah made a few goal attempts but Falcons defended the attacks well. Player of the match: Aakash

U6 White vs **OLQP Falcons Blue** **0 - 0**

Under 6 white played very well today. Kayra made some great clearing kicks from goal kicks and sending in great shots from corners. Sudev got involved and chased the ball all game. Arad slowly got into the game and did his best to get involved. In the second Arad played goal keeper in the second half and didn't touch the ball because of our great defence. Emily playing keeper in the first half made a few saves and kept a clean sheet. In the second half Emily made some attacking runs and played well up front with Kayra and Sudev. Michael as usual, played a great game getting involved in everything. Attacking and creating chances for the team and when defending kept the back tight. And our player of the match and the birthday boy who turned 6 yesterday, Johnny, played the best defensive game we have seen him play all season. In the second half the opposition did not get the ball in our half due to Johnny tackling or clearing the ball everytime the opposition tried to get ball into our half.

The team played extremely well today showing great team work and all their effort during training paid off! We were proud of all the passing throughout the match. They all listened to instructions and played their position well leading to our goals. Hasib, Jawad and Christian played well upfront, stayed in their positions and kept the opposition busy. Sebasjin and Antonio are always reliable as our goal keepers and stay focused on their roles. We had a solid defence with Logan at the back and he scored his first ever goal from a free kick! Ameer came late but had an immediate impact scoring our first and last goals. Akeel never gave up and finally scored a goal after several close goal attempts. All the parents are very proud of the team, not for the win but more for the team work they showed. Coach Alex was ecstatic to retire on a win!

Goal scorers: Ameer-Ahmad Khan 2, Logan Chen 1, Akeel Al Amidi 1

U7 White vs **Lidcombe Churches Blue** **6 - 1**

Everyone played well today. The boys are developing their passing skills and are really coming together as a team. Mahmoud today demonstrated fancy footwork and was able to score us two goals throughout the game. Ahmad A scored an excellent goal and set up a second goal with mahmoud in the first half. Akshan scored two goals over the course of the game and was today's player of the match for his efforts. Anthony scored two goals also and was able to focus his game to score the second goal on an opportunity. Lukacs and Daniel played well as always. William was a great goal keeper and Julian who has recently returned from injury played well throughout the game as a team player.

Goal scorers: Akshan Maskey 2, Anthony Mansour 2, Mahmoud Hussien 1, Ahmad Agha 1

U8 Red vs **Western City** **1 - 1**

Coach Andy tried lots of different things today, so, the players were playing out of their comfort zone. They rose to the challenge and developed as players. Jacob, Aaban, and Danielle were working hard in the middle. They were tenacious with the ball and pressured the opposition. Izaac strategically coordinated Gethyn, Ahmed, Hussein, and Stefan in the back. They were narrowing the gap and tackling bravely. Lual, Abatar and Yusuf were everywhere that they need to be. They passed well and used the full width of the field. Good job team for executing instructions and having a good go at something new. Player of match: Jacob for being focused as centre mid Coach's encouragement award: Stefan for working hard in the middle

Goal scorers – Abatar Gurung 1, Yusuf Hadi 1

U8 White vs **Western City** **2 - 0**

McCredie whites played a strong game against Western City FC, winning 2-0. Daniel scored both goals for the team. There were a couple of other great strike attempts by Kaan and Saif which were almost on target - so close!! Our goalkeeper, Danton, made an excellent save to prevent the other team from scoring at all. Mostly they were held off by great defense on the whole team's part. We saw fantastic partnership work from Mya and Lilyana with Mya supporting Lilyana from behind when she was tackling in case she couldn't get the ball off them. Abdullah excelled in some great attacks up field and getting the ball away from the team. Josh did an awesome tackle which got the ball well away from the other team at a critical juncture. Great defence also by Alex, Zen, George T and George E. We saw big kicks from George T and Alex as usual and great tackling by Zen and George E. George T and Lilyana also did a great job stealing the ball off one of the players. All in all, it was a fun match and an improvement on our last score where we drew against this team.

U8 Onyx vs Western Sydney Youth 0 - 2

Our winning streak ended with a very tough game and loss today. In spite of this I am proud to say that all of our players put in their best efforts. This game was a good indicator of how far we have developed as a team, as this result/performance was significantly better compared with the last time we played WSA. WSA put the pressure on early and kept it up throughout the game. Even though we struggled getting the ball out of our half, we managed to keep WSA scoreless until the later part of the second half. However, playing defence for most of the game meant we did not have many opportunities to find the back of the net. There is a lot that we can learn from this game to help us through the rest of the season and finals. The Player of the Match title went to the whole team for their efforts today. However, special mentions go to Ayden and Jason for their strong defence, Aaron and Bentley for impressive tackling and making some good breaks with the ball, and Stefan for his heroic efforts in goal. The score line would have been significantly worse without Stefan's saves. You all deserve to be proud of yourselves, and don't worry we'll get them next time.

U9 Red vs OLQP Falcons 2 - 0

Oh how much better it is to have the whole team turn up. We started with a full team today and didn't have to bring in any subs from other teams for the first time in over a month and it really made a difference on the field. We started our normal positions and then decided to mix it up and give our backs and goal keeper a go up front. In the first half Sunday slotted in a excellent goal right in the corner to put us in the lead. Second half we let our goal keeper Fidaa have a run up front over and over he took the shot just missing the target. Then an excellent through ball from Noel sent him running 50metres and Fidaa calmly took the shot and hit the back of the net. His first goal after 4 years with team Congratulations Fidaa. We also saw Kuae's best game by far so many excellent passes and she was so unlucky not to also score a goal. Player of the Match Was Fidaa.

U10 Red vs **Western City** **1 - 1**

Wow, what a game of 2 very different halves! The first half saw us attacking strongly, breaking through the opposition's defence again and again and taking numerous shots at goal. Patrick, Lachlan Adhar and Joey all having multiple shots. Our only goal also came from a team effort with Omar, Joey and Lachlan fighting it out in front of the goal with Lachlan finally managing to get the ball over the line. Well done! With so many chances to score in the first half it was disappointing to not end up with more goals! Our opposition came out stronger and determined to turn the game around in the second half, attacking strongly and keeping our defence working hard. George, Laith, Amir, Wek, Talitha and Andrew were kept busy chasing down the opposition to win back the ball and protect our goal. We also had a good number of shots at goal but unfortunately didn't manage to score again. We need to work at passing the ball into the centre to make use of the available players in front of the goals. The highlight of the second half, and really of the whole game, was Andrew in goals - an unfamiliar position for him but boy did he bring his everything to it! He saved at least 4 goals, with the last save the most impressive, as he came out to meet the opposition and blocked 2 successive shots with his body and kicked the 3rd to safety! It was spectacular to watch. He definitely saved us from losing the game today. There was no question about him deserving Player of the Match today and the coach also couldn't go past him for the Coach's award for his amazing efforts! Congratulations Andrew! U12 Red vs **Greystanes FC** **0 - 0**

The boys started the game slow this week. Not controlling the ball and looking up before passing, cost us possession repeatedly and we could not get a foothold on the game. After halftime the boys sharpened up and kept the ball in the opposition's third for the rest of the game. However luck wasn't on our side and we couldn't capitalise on the multiple opportunities we had. MoM Anthony Germanos.

U12 White vs **Lidcombe Churches** **0 - 5**

3rd plays 4th today. We haven't beaten Lidcombe all season and we wanted a win but it just didn't happen for us today. What we practiced in training could not be executed in the game. I feel like Zac had his best game of the season and was therefore our player of the match for his great defending.

U13 vs Auburn District **0 - 4**

Getting toward the end of the season we can see some obvious improvement in our team. More confidence and more understanding of what soccer really is. Last week versing Auburn district we put so much effort in that game to keep the opponent who one day won us by many, many goals at 2 goals only. And today what I consider another win in keeping Paramatta district under 5 goals. The boys played an awesome game. They held the opponent on 0 goal first half and due to some mistakes that we are aware of and will defenatly work on it they won the game. Armin deserve MAN of the match by far and every single player in his position did really well. It has been a hard season but the main thing is that we hung on and kept doing our best. So proud of my boys 🙌.

U14 vs Greystanes FC **2 - 0**

Once again great effort by the boys and again with 9 players, we dominated all over the park by playing smart and decisive passing, some awesome attempts at goal and great defence by the whole team, well played very proud. Goal scorers - Abdul Agha 1, Fayez Kabout 1.

U15/1 vs Auburn District **0 - 2**

The boys should be very proud of themselves for this effort as Auburn usually score 6-7 goals every week. We showed a lot of grit and determination in defence for the full 70 minutes, not parts of it. This is very exciting considering semis are two weeks away and we are playing our best football. Great time to hit our best!

U15/3 vs Granville Waratah 1 - 7

Today's game kicked off under a beautiful lunar, winter's day, however, it was not to be Guildford McCredie's day. With Granville Waratahs kicking off, we conceded our first goal in the 7th minute, after a missed clearance by Aurelly putting one past his own Goalkeeper, to make it 0-1. Another 8 minutes later and we were down 0-2. The boys continued to push forward and were rewarded in the 18th minute with a goal by Sajjad, from a through ball from Aurelly to Ruben, who pushed the ball through to Sajjad, and on to score. Another goal to the Opposition just before half-time saw them come off the field trailing 1-3. McCredie were still in it at this stage, however their fitness and stamina always let them down unfortunately. Granville scored another 5 goals in the second half, however, one was declared Off-side by The Referee, thus ending the Game at 1-7. Our Goalkeeper, Ruben, had to be substituted late in the second half after saving the ball low to the ground and the Opposition player's boot colliding with his right ear. Our Boys tried hard but were out-classed on the day. Another strong game by Aurelly, Liem, Ruben, along with a good game from Angus, Jude and Angelo. Man of the Match goes again to Ruben for some fine Goalkeeping and his efforts out in the field during the First Half.

Goal Scorer : Sajjad Musawi -1

U16 vs Rydalmere FC 1 - 2

This was a closely fought match. We conceded early through poor marking and fought back early in the second half to grab an equaliser. Unfortunately we switched off for 10 seconds, not marking and then kicking the ball aimlessly in panic gifting Rydalmere a second goal. If that wasn't bad enough we compounded everything by having a player sent off a few minutes later. Joe played a strong game today running to meet the ball and getting shots on target. Salman as usual played very strongly in midfield.

Sydney Cup Reserves vs St George Rowing 2 - 2

Sydney Cup vs St George Rowing 4 - 1

Premier Reserves vs Kings Old Boys 6 - 1

It's good to have a nice and easy game where goals were scored and the ball was moved really nicely as the opposition started to fall away.

Goal scorers - Angus Chance 2, Malvyn Walton 2, William Wark 1, Tim Rosandi 1

Premier League vs Kings Old Boys 0 - 8

We actually had some reserves today but unfortunately tired legs was again the reason we lost to a team that move the ball so quickly and shut you down as soon as you gain possession

U11 Girls vs Guildford County **2 - 1**

It was a great feeling for everyone winning against Guildford County because we haven't been able to beat them all season. There were some powerful kicks, but a few fumbles as well, but in the end everyone pulled together to come out strong. Anika scored our first goal in the first half and Huda our second goal in the second half. Talitha Chung was named player of the match for her all round good performance.

Next week the girls play in an all Girls Soccer Gala Day to finish off the season.

Goal Scorers : Anika Penitani 1 Huda Alsankari 1

All Age Ladies vs Wentworthville Uniting **1 - 0**

We controlled the ball nicely. We passed to our own and we were rewarded with a goal after a cross from Nancy to Jenna to draw the keeper and score in the 40th minute. We won't tell Greg that Elise played up front in the last 5 minutes. I don't know whose idea that was but it wasn't mine. Excellent game from everyone. Thank you Christian Diaz for helping with coaching.
