### Competition results

**U13 Red** vs Auburn District Black **0 - 5**

**U13 White** vs Toongabbie Demons White **4 - 3**

A night game in the freezing cold. I guess everyone wanted to keep warm because everyone was running. We defended well and attacked well. Gotta watch those offsides though. It was anyone's game to win but we came out victorious for our first win of the season. Congratulations team.

Goal scorers: Hassan Mirzaei 2, Jayson Nguyen 1, Nek Sultan 1

### State Cup results

**Premier League** vs Castle Hill Baptist **2 - 0**

Scoring early is so important in these games so the 2-0 lead after 15 minutes was just what we needed to secure this win. Adem scored the best goal I've seen him score - 22 yard curler with his left into the top corner, great hit!

Goal scorers – Femi Ogunsiji 1, Adem Stevens 1

U12 girls played against Greystanes FC for the relaunched Lyn Nielsen cup. The girls dominated the game and didn't let any balls pass them. Thank you parents for scrambling quickly to get players to game. Special thank u to Tim for collecting kids and standing in as coach. Get well soon Peter.

**U6 Red** vs **OLQP Falcons Blue** **4 - 0**

It was quite an intense game today, it was like we were watching kids far more experienced than under 6's. The kids are really starting to gel as a team and it shows on the field. Everyone contributed something great, Joshua saved 3 goals that were amazing, he has no fear and jumps on the ball even when the opposition are right in front. Ali used a lot of his skills today to get around players and was running back in defence when needed, I didn't see him stop whilst he was on the field. Zachariah lost focus for a while but once he got motivated there was no stopping him, he made runs, did great tackles and assisted when needed. Ghani was on fire today he made so many runs and stayed in position to receive the ball multiple times and scored 3 times due to his persistence. Utkrist showed us how fast he was getting past the opposition just missing the goal each time, again he made nice passes that led to goals. Aleena was goalie second half and also saved 3 amazing goals. Safe to say we have the best 2 goalies in the comp and they are only getting better. Our player of the match was Noah. While everyone was up front eager to score he held back at half way to ensure that any ball that came his way he was ready to defend. That showed great teamwork and leadership. Great work.

Goal scorers – Ghani El-Ekdawy 2, Ali Dbouk 2

**U6 White** vs **Lidcombe Churches**

**U7 Red** vs **Kings Old Boys Blue** **0 - 8**

Yousuf and Farzad played very well and man of the match. Team performance was good a lot of improvement seen. Will more focus on passing the ball during practice.

## U7 White vs Kings Old Boys White 3 - 0

Today it was good to come away with the win but we did lose focus on playing in our positions and passing the ball to our team mates. Kayra and Michael scored our goals. Emaan, Sudev and Mithesh kept on the attack with John and Arad worked in defense. Emily had a quiet first half as goalie but played well in attack second half. Our player of the match was Emaan and Encouragement award went to Arad.

Goal scorers – Kayra Mete 2, Michael Commodore 1

## U8 Red vs OLQP Falcons Blue 7 - 0

It was great to see a full attendance at the match today. We had a strong start in the first half with Gabriel scoring 2 goals in succession, easily dribbling past our opponents. He added 2 more goals to his tally before the end of the first half. Our defenders kept the defence line strong, moving with the ball in play, which was good to see.

Ameer's agility sees him best as a midfielder where he is always ready to attack but also allowed him to score 2 goals for the team today. Khoder and Carissa played their first time in goals, but luckily there wasn't too much action on their end. Our performance slowed in the second half when we became a bit too eager on trying to score goals and ended up taking the ball off our own team and bunching up. We were caught off side a few times, but I'm sure in time the kids should learn how to play by this rule. Congratulations to Ali on his first goal, our final one for the match. I'm not sure I've seen a more excited reaction. We had to remind him the game was still in play and to stay on the field. We tried the kids in different positions which was a good opportunity to identify where they played best. Overall the kids played well and most importantly they enjoyed themselves. A big thank you to our temporary coach Alex for filling in Rana's shoes for the last 2 weeks. 10 out of 10 for "trying" to get the kids to remember your clear instructions!

Goal scorers: Gabriel Aigbologa 4, Ameer Ahmad Khan 2, Ali Al Amidi 1

**U8 White** vs **OLQP Falcons Red** **0 - 2**

Unfortunately we were few players down today but that didn't stop us from fighting. First half was a bit disappointing as we ran after one another rather than playing our positions. Today Jonah our Goal keeper did excellent stopping 2 great penalty kicks. However, it only took silly mistakes to break through our defence and bring us down 2-0 at half time. Second half we played a lot better and held our ground. Most of the time we had possession of the ball and Julian, Akshan, Daniel, Jacob and Ali were attacking. We had three great opportunities but unfortunately missed all 3. Arham and Danyel held back our defence really well making sure to clear the ball when the other team was attacking. Well done team.

Player of the match: Arham for blocking the opponents attacks and defending well.

**U9 Red** vs **OLQP Falcons Blue** **0 - 4**

The blues attacked early and didn't let up. The midfielders and sweepers were scrambling, but our attackers just could not get a break. Our defenders were chasing their hearts out, especially borrowed u7 player Michael. Team still need to practice jockeying in front of the ball and not stepping in too early.

Good effort team. Player of match - Gethyn for stepping out as goalie and organising the defence

Coach's encouragement award - Jesse for his excellent jockeying and tackling

**U9 White** vs **Wentworthville Uniting Blue** **3 - 5**

We started off strong today against Wentworthville Blue. It showed when Daniel scored a goal in the first few minutes. Our opponents were no push overs and were able to hustle and score a goal shortly afterwards.

Unfortunately our team dropped their guard for the remaining of the first half and we found ourselves down 3-1 due to lack in concentration and focus. We lifted in the second half and were far more competitive with both teams scoring two more goals each. We finished off on a positive note but unfortunately could not recover from the large deficit in the first half.

Goal scorer – Daniel Alouche 3

**U9 Onyx** vs **OLQP Falcons Red** **2 - 1**

We started off strong and held position of the ball really well in the first half. Nikolas, Aaron and Lucas had many shots at goal and Jason made several break away runs down the sideline. Jonathon, Mykal and Moussa relentlessly tackled and kept getting the ball forward. Omar, Farooz, Ayden and Rushil shut down the Falcons attacks, and Stefan made excellent saves as goal keeper. However, the second half was not our best work as we seemed to become more selfish. We kept getting in each others way instead of communicating with each other, and holding the ball for too long instead of passing it. These issues resulted in many scoring opportunities squandered. We played as individuals rather than as a team in the second half. I'm proud of the team for remaining undefeated but we need to work on our team work. The Players of the Match were Omar for his defensive efforts and Stefan for his perseverance.

Goal scorer: Nikolas Dimitriou 2.

**U9-11 Girls** vs **OLQP Falcons Red** **5 - 0**

Another win for our girls today against the Falcons. All girls played well and coach couldn't be any happier. Great team and great effort by all.

Goal scorer - Soman Saleem 5

**U10** vs **Wentworthville Uniting Gold** **3 - 1**

We played hard and were unlucky not to score more goals. Our defence worked really well together for most of the game. William played fantastically in defence, getting to every ball and playing them nicely for the strikers. Ali Sena made some strong runs and came back when needed, holding the back line together well. Our player of the match was Hassan, for all his running, strong passes and solid defence as well as his stint in goals, making one of the greatest saves we've seen all season. Goal scorers: Sunday Makuedi 2, 1 Mohamed Dbouk 1

**U11 White** vs **OLQP Falcons** **2 - 4**

It was one of those games that we should have and could have won as we have done so in the last game we played them, but just didn't do enough today to actually win. Leon & Talitha played an excellent game today, with Leon in almost every attacking move and Talitha in every big defensive play. Their efforts earnt them both players of the match. With OLQP jumping away to a quick start, our kids fought back strongly and had many opportunities of their own. Goals from Leon and Xavier kept us in game but chasing down a defect from 1-4 was always going to be tough late in the game. All players tried hard to support one another and playing to coach Andy's formation. Jamil put in a very solid effort on the defensive end in the first half and then in goals for the 2nd half. His efforts were recognised with today's coaches award.

Goal scorers: Leon Munro 1, Xavier Kaarsberg 1

**U12** vs **Toongabbie Demons White** **7 - 0**

With the last minute changes to the draw we only had 1 reserve today. The boys played really well today and even with 2 of the boys not feeling well we still played a great game. We had our first goal within the first 5 minutes from some great passing up field. A beautiful header from Tom off a corner kick from Hassan gave us our 2nd goal not long after. Our goal keeper Simon was outstanding today and really put his body on the line to make sure Toongabbie could not score. By half time we were 3 nil up with still lots in the tank. We changed things up in the 2nd half and gave a chance for a few guys to play up front who are usually in defence. They all played well and passed the ball as a team and we ended up with another 4 goals by full time to finish on 7-0. M.O.M - Hussain and Hassan as we could not chose who was better

Goal Scorers – Hussain Mirzaei 3, Hassan Mirzaei 2, Tom Allen 1, Joey Semaan 1

**U13 Red** vs **Granville Waratah** **0 - 1**

Unlucky game from the boys today. They were coming up against one of the top 4 teams with only 10 players and we made them look ordinary. The boys did well early in the first half keeping their shape and moving the ball around. In defence, we were solid and were able to easily snuff out the opposition's attack. We weren't able to capitalise on the numerous 1 on 1s we had (including a penalty) to take the lead. This cost us as Granville scored a goal off their only shot in the first half. Going into the second, the boys continued their dominance over Granville and continued to generate chances. However, our finishing was not up to scratch today and we were unable to get an equaliser. An undeserved loss today.

MOM Mark Sorojevic

**U13 White** vs **Auburn FC** **0 – 5**

Well we had no subs. Our passing let us down, we were not supporting each other and our marking needs more work. On the bright side Jayson score a fantastic goal from 20 yards out, in the air and through the keeper's hands. Hassain made several great saves and Ayub was solid in the backs. Zienat improved in the second half to deny their smallest player any time on the ball.

Goal scorer - Jayson Ngyuen 1

**U15** vs **Ermington United** **0 - 3**

We defended so well today for 50 minutes only to concede one, drop our heads and concede two more. Mohammed was so impressive defending today and Omid was on fire creating opportunities for his team mates. But the real stars were Aaran in midfield and Ziyan in goals. Aaran was everywhere and created headaches for the opposition while Ziyan worked very hard today (shaking off the disappointment of Pakistan's loss to the Windies overnight!).

**U16/1** vs **Merrylands SFC** **2 - 0**

Honestly we played most of the game pretty flat today. We scored off a well worked set piece and a moment of brilliance from Abulfazel but other than that, we couldn't stick the ball into the back of the net. Nevertheless a win is a win. Man of the match - Abulfazel

Goal scorers – Abulfazl Mirzaei 1, Mounir Hadid 1

**U16/2** vs **Ermington United** **0 - 9**

The first five minutes were fairly even, until an unlucky own goal from a deflection off our sweeper beat our goalie. It was downhill from there. We then conceded another 4 goals before halftime. Second half was a continuation of the first, with our opponent scoring 4 more goals before the referee mercifully blew the fulltime whistle.

**Raahauge Cup Reserves** vs **Wentworthville Uniting** **3 - 6**

**Raahauge Cup Firsts** vs **Wentworthville Uniting** **2 - 1**

**Premier League Reserves** vs **Greystanes United** **2 - 0**

Great win to put resses up to first place on the ladder. Richo scored a goal of the season contender slotting it into the top corner from a free kick.

Goal scorers - Nicholas Massih 1, Daniel Richardson 1

**Premier League** vs **Greystanes United** **0 - 1**

Very frustrating afternoon as we were the better side. We just need to simply score more. We can't create all these chances without putting them in the back of the net.

**U12 Girls** vs **Pendle Hill Tigers** **3 - 0**

The girls were still on a high from winning the Lyn Nielsen cup in Friday. They were there early (due to team photos) and raring to go. Anika broke away to score in the first 5 minutes and then again 5 minutes later. The mid fielders were all over the ball and worked hard to push it forward, but they need to come back and help defend. Pendall Hill put the pressure on in the second half, but Stella and Aroha tackled them or kicked it to safety. Tamara and Huda kept a clean sheet. Thanks Simon and Jenna for coaching today. Praying that Peter gets out of the hospital and feels better soon. Player of match: Rianna was always in the right spot to scoop the balls and also scored. Coach's encouragement award: Rhiannyn for chasing the ball. She just needs to keep on going instead of pulling up short.

Goal scorers: Anika Penitani 2, Rianna Alame 1

**All Age Ladies**

vs

**Plumpton**

**2 – 2**

I thought we played really strongly in the first half. We were attacking a lot but then conceded on the break through some naïve defending, (pushing up too high against a quick striker). We learnt from this though and fought back with an equaliser before half time. Our midfield was working well together and our strikers were receiving plenty of ball. The nature of the small field and a packed defence meant that it was hard to get through though. We continued our momentum into the second half and after numerous attacking raids Destiny found the net again for her second. We then committed a cardinal sin, clocking off before the final whistle. With less than 10 minutes to go we grouped together for a chat in midfield, leaving our wing exposed and our full backs suddenly under immense pressure which they were unable to repel. Plumpton had their equaliser. They are a good side and a draw isn't terrible – until you remember that we had the game in our control with 10 to go, their striker in the back trying to stop our raids and their chances dried up to nothing – until we went to sleep.

Goal scorer – Destiny Joseph 2
