U6 Red vs **Wentworthville Uniting Blue** **3 - 0**

For the first time in a while we had a completely full team. Today against Wenty the kids played the best I have ever seen them play. I can't single out anyone as each member of our team contributed in one way or another to secure a well deserved 3-0 win over a team that we have previously been defeated by. Very proud of the kids, they show immense sportsmanship every week and are developing skills that show in the game. Keep up the excellent work.

U6 White vs **OLQP Falcons Blue**

A mistake in the newsletter had the team at the ground late. Humblest apologies.

U7 Red vs **Greystanes United** **0 - 6**

U7 White vs **St Columbas Castle Hill** **5 - 1**

Under 7 White won 5-1 against St Columbus this morning. If St Columbus had a full team we would have struggled to win. We need to pass the ball around like the opposition. Jeremias scored all the goals. Arad was player of the match as today he was more involved in the game and kicked the ball. Mithesh was given the encouragement award for his efforts in defence and understanding his position a little bit better.

Goal scorer: Jeremias Ezenwa-Ndukaky 5

U8 Red vs **Lidcombe Churches Gold** **1 - 5**

A disappointing game today for the U8 Reds. Playing on the much bigger field at Everley and having our coach on the sidelines for the first time didn't help. A free kick against us landed Lidcombe their first goal. The kids were

bunching up, playing in a line formation and a few made the mistake of passing the ball across our goal. Antonio was kept busy saving several balls but the opposition had one strong player who dominated the field. Akeel was awarded player of the match for his excellent defence and his persistence. But not to worry, we know what to work on so just means more to build on at our training sessions! Player of the match: Akeel
 Goal scorer: Gabriel Aigbologa 1

U8 White vs Kings Old Boys 1 – 0

Unfortunately today the team were all over the place in first half and not very focused. We were bunching up and did not stick to our positions well. We had to start the game with only 7 players but managed to keep the score 0-0 at half time. During second half we did a bit better. We listened more to coach orders and managed to score from a nice cross in by Julian and finished off by Mahmoud taking the lead in the game. We did have more opportunities but seemed have difficulty finding the back of the net. Man of Match: Julian Azar
 Goal scorer: Mahmoud Hussein 1

U9 Red vs OLQP Falcons Red 3 - 1

Kids were showing the effects from lack of training, they were back to their old habits. They slowly started to listen and follow instructions. Danielle, Rodney, Mardin, and Zayd pressured and held a tight defence. Yusuf was dribbling and dodging well. Jesse and Daniyal were in the middle chasing, they just need to attack the ball more. Lual came in second half fresh and determined. Gethyn was at the front passing and assisting, he still need to watch his offside though. Kids still need to work on being aware of where the opposition is and look at placement options to attack and/or defend. Player of match - Yusuf for his strong play Coach's encouragement award - Gethyn for assisting and Zayd for covering the back and passing up the side
 Goal scorer: Yusuf Hadi 3

U9 White vs Wentworthville Uniting Gold 6 – 2

Great first half with 3 attempts at goal in first 3 minutes sealed with a successful one by Daniel minutes later. Yusuf took the ball from half way line and scored shortly before half time leading 2-0. A lucky goal by the opposition kept

us on our feet. Mustafa defended in goals ensure a 2-0 lead in first half. Second half, a great pass by Zen allowed Yusif to take the ball to the goal and score. The opponents followed soon after before Daniel and Yusif took quick revenge. George and Aayan, Jacob and Aaban worked hard in defence sending the ball to the strikers. A near goal by Alex impressed the crowd while. A final goal by Yusif in the second gave us a 6-2 win. Goal scorers - Daniel Alouche 3, Yusif Saleem 3

U9 Onyx vs Wentworthville Uniting Blue 4 – 1

An awesome result from the boys today given we had no subs. We were strong from the outset and worked together to challenge our opponents. Lucas was relentlessly chasing and winning the ball back and got us on the score board early. This was followed up by a pinpoint free kick by Aaron that rocketed into the top right corner of the goal. Aaron got his second goal late in the second half from a well-taken corner. Mykal did well to repel our oppositions attacks in the middle of the field and kept getting the ball forward to create opportunities for scoring. Jason was the leader on the field, making sure everyone was in position and marking. He played a key role in supporting the attack and defence, and scored a great goal in the second half. Except for some small moments, our defence was solid due to the efforts of Aydin, Omar, Jonathon and Rushil. This is Omar's first year playing soccer and it has been wonderful to see his confidence grow as a tough defender each week. As usual Stefan was exceptional as goal keeper and it was great to see him communicating with the defenders to protect our goal. The Player of the Match was Lucas for his fearlessness on the field. Well done Onyx! Goal scorers: Lucas Harper 1, Aaron Kidane 2, Jason Azar 1.

U9-11 Girls vs **OLQP Falcons Blue** **6 - 0**

Another win for our girls today, great effort and team work by all. Girls are improving week to week and we are extremely proud of all their hard work.

Goal scorer – Soman Saleem 6

U10 vs **OLQP Falcons Blue** **5 - 2**

I'll be 100% honest I went into today not very confident. We were up against OLQP Blue, a team that has dominated the competition all season and that has beaten us 4-1 and 3-1 during our last 2 encounters. We had the bare minimum on kick off, no subs, and more were to arrive so at least we wouldn't lose from just tired legs. We went out lost the toss but got the kick off. We have been practicing just booting it forward and pushing up straight into their half. A tactic that hasn't paid off for us in the past but why change it now. Ali Sena launched the ball forward and Michael was gone. Next thing you know he's beaten 1,2,3 defenders and he's one on one with the keeper. The keeper slips and the ball takes a deflection off him. BAM we are 1- nil up 30 seconds into a game against a team who hasn't been trailing in a game all season. This ignited a fire within the team; our confidence soars. Our backs William, Husein, Fidaa, Hasan and Charbel (who is new to his position and doing a heck of a good job) were very solid. The ball came to them and it was quickly cleared every time. Our Midfielders were doing great; Akram and Abayann were getting involved in every play and Sunday and Mohamed came up with great crosses. There was 1 player really giving us strife but Ali Sena stepped up and completely marked him out of the game. We never thought Sunday would stop running and Mohamed was winning every ball. Within the first 10 mins Michael had a hatrick, one from a ball cleared from the backs and another from an excellent cross from Mohamed. Hassan was called upon 3 times in goals and every time he was calm and made the save like a pro. We walked up at half time with smiles beaming. 3 nil up against an undefeated team we were all pretty proud. We walked back on and within the first couple minutes we gave away a silly free-kick. BAM they got their first and within another few minutes, some lazy marking turned into a second. Usually this is the part where we buckle, we get tired and they overrun us, but not this time. Sunday ran the ball the whole length of their half and scored an amazing goal to put us in a safer lead 4-2. Our fifth goal came from an amazing cross from Ali Sena and some short passes by Akram and Mohamed to set Mohamed up for the final goal, cementing our win. We're so proud of you guys, good work!

U11 Red vs **OLQP Falcons** **3 - 1**

This week's game vs the falcons didn't show the quality of our players nor the strength and stability we have shown during the season. We drew 1-1 and let the opposition controls the second half while we didn't use our skills nor our speed to reach the other half.

Man of the match goes to both our solid defenders Omaid and Wek.

Goal scorer- Jagger Cunningham 1

U11 White vs **Lidcombe Churches** **0 - 1**

Tough loss to take today where the game could have gone either way. We had plenty of players today and the game was evenly poised through the first goalless half. That was thanks to some outstanding goal keeping from Lochlan who did a world cup level goal keeping stop with an outstretched hand deflecting the ball which was solidly on target to send it out wide. He followed this up with multiple additional saves, which earned him player of the match. Mark ran all over the park putting in his usual hard yakka efforts and Hussain continues to improve with every game. Their efforts earning them coaches awards for the week. However the strong efforts by the kids to keep Lidcombe out was finally broken by a thundering boot from the opposition which put them 1-0 up. We shortly after had an opportunity with a penalty, but despite an excellent solid kick the ball struck the side post. It just didn't go our way today and that's how the game finished.

U12 vs **Toongabbie Demons Black** **14 - 2**

We were 3 players down today but Unfortunately Toongabbie were just no match for us. We flew out of the gates with our first goal in the first minute of the game and another 2 not long after. Our boys are playing amazing but our defence still needs a little work. We let them score 2 goals in the first half but still finished the half 6-2. Alex moved back to defence to help out in the second half and our goals kept flowing. Our defence picked up and nothing got past us. Great team work and passing saw us finish up 14-2. M.O.M - Hussan for all the passes he made to help score all the goals!

U13 Red vs **Pendle Hill Tigers** **3 - 6**

Disappointing game from the team today. We were up against a strong Pendle Hill team today, so we knew it was going to be tough. Despite this the boys came out hard, making strong runs at the opposition defence and were rewarded with plenty of opportunities. Our relentless attack and two mistakes from the opposition keeper, put us up 3-0 early in the first half. We conceded late in the first because of poor marking at a corner. However, we came into the break with the momentum our way. Unfortunately, we were unable to replicate our form in the first half. Failure to mark up in set pieces and our inability to shutdown the player on the ball resulted in Pendle Hill scoring 5 second half goals. Hopefully the boys learn from this loss and have the chance to redeem themselves when we play Pendle Hill again on Wednesday for our catchup game. MOM Sean Sacriz.

Raahauge Cup Reserves vs **St Columbas Castle Hill Orange** **0 – 4**

Reserves started with 7 players and controlled the game very well. Stand outs were Agey, Beshere & Nick. Only conceding from set pieces we played well till full time against a top St Columbas team

Raahauge Cup Firsts vs St Columbas Castle Hill Orange **0 - 13**

Premier League Reserves vs Lidcombe Churches **4 - 0**

Today we were a bit rushed to start the game, trying to force attacks but we calmed down and really screwed our heads on. Once we relaxed, we were a class above scoring freely.

Premier League vs Lidcombe Churches **5 - 2**

Second win in a row which is building great momentum but we made it harder than we needed too. Should've scored twice as many giving away clear chances and need to tighten up defensively against stronger teams.

All Age Ladies vs Marayong **5 - 0**

We actually didn't play that well today. The quality of the field didn't help, but we were pretty pedestrian early and not really up for a tough game. 20 minutes in the coach got more animated and the players responded. Destiny scored a really good goal following some nice pressure on Marayong's defence and not long after Jenna set Mika free down the right for goal number 2. Happily we didn't switch back to cruise control in the second half, and whilst we were far from scintillating we maintained our brick wall defence and scored at the other end too. Last round we struggled to a 2-1 win over Marayong, this round we played a lacklustre match and scored 5 unanswered. Strong games from Jenna and Nyanut and nice to see Nancy get one.

U12 vs Parramatta City **3 – 3 (penalties 7 – 6)**

We are so proud of every one of these boys and how far they have come as a team. Parramatta City gave us our hardest game all season and really made us fight for the ball. With 3 of our experienced players out due to injury and illness we knew we had to play as a team today to have any chance against them. Our team work paid off and we managed to get the first goal. Our opponents were very tough though and came back to level the score after a lot of fight from both sides. We came back to get up 2-1 at half time. In the second half we didn't back down. We kept fighting and using each other well however they fought just as hard and came up with another goal to level the score. Our boys fought back in attack and defended well. With a lot of fight from Parramatta we managed another goal getting the score to 3-2. Both sides kept fighting very hard with the ball back and forth from both sides of the field but the opposition came back to level the score 3-3 by the full time whistle. Thank GOD we practiced penalty shots at training!! Penalty shootout we had Lachlan in goals as not to put so much pressure on Simon who had been an amazing goalie all game. Lachlan was the hero saving us and even scoring a penalty shot with the shootout going to 10-9 M.O.M Lachlan for being the hero of today's game saving all the penalty shots and even scoring one!!

U16/1 vs Pendle Hill Tigers Black **1 - 2**

We just simply turned up today against a team that wanted it more. They were first to every ball and we were lazy. Not shooting more often has finally cost us a game. We can't keep refusing to shoot and expecting results to go our way. Nevertheless let's focus on the competition on Saturdays and work hard for the rest of the season.
