**U6 Red vs McCredie White 5 - 0**

Today we changed our tactics to allow Noah and Aleena to act as defenders. Most balls that came towards the goal aleena or Noah would get back to our players, one goal came from Aleena kicking the ball up the sideline to utkrist who then scored. It was nice seeing positional play from such young kids. Ghani and Utkrist played really well together, they were passing off one another to make some great goals, 2 from which Ghani assisted nicely. Utkrist just kept taking it around players with his speed and shooting which allowed 5 goals. Zachariah was supporting Ghani and Utkrist and made some great passes and was defending well. The most impressive plays of the day came from Joshua. He is absolutely fearless in goals and is willing to put his body on the line every time. He dove on the ball even when 3 defenders were running at pace towards him. Because of his efforts Joshua was awarded player of the match . Every player contributed today and it was such a strong team effort.

Goal scorers - Utkrist Nepal 5

**U6 White vs McCredie Red 0 - 5**

Good effort from the team as we only had 5 players on the field.

**U7 Red vs Bye**

## U7 White vs Lidcombe Churches 5 - 3

The Under 7 Whites today played against Lidcombe Churches and came away with a 5-3 win. The game could have gone either way, but we held on thanks to five goals from Jeremias Lidcombe had two dangerous players that caused us problems throughout the game, the number 4 and 7. Between them they scored Lidcombe's three goals. Emily played well in goals in the first half and then played a good second half in the forwards. Johnny and Michael played a great defensive game and quickly worked out who the dangerous Lidcombe players were and outplayed them in the backs. Sudev, Mithesh, Xavier, Arad and Jeremias played up in the forwards and tried all game. Sudev ran tirelessly throughout the game. Xavier played with intent today and kicked the ball and did his part for the team. Mithesh tries every game, he did a few things right but needs to learn to pace himself in the game as the game is not won in the first 10 minutes. Arad also showed that he is capable of kicking a ball and tackling. In the second half he replaced Emily in goals and did a fine job with only one getting past him. Jeremias turned up late to the game, but made sure he let everyone know that he had arrived by scoring five goals. Player of the match was shared between Xavier and Jeremias today. Well done team.

Goal scorer: Jeremias Ezenwa-Ndukaky 5

## U8 Red vs Lidcombe Churches Blue 3 - 2

The Reds started our game today full of energy and challenging their opponents for the ball in our attacking half. Christian and Gabriel worked well as a duo up front by passing the ball to each other. Aiden had a few good runs but he needs to know when to release the ball and to have confidence in shooting. The team knows that he can do it, show us Aiden! We had some good passing happening in the midfield with Carissa, Sebasjin and Aiden. Gabriel scored our first goal with a brilliant strike and then the Reds became too comfortable. We let Lidcombe score 2 goals by being lazy in defence and not contesting for the ball. It's really important that we continue to work until the final whistle. Gabriel and Ali fought hard up front in the second half to bring us back by 2, giving Gabriel a hat trick today - well done! The end score should have been 3-0 in our favour so I guess training will be defensive work! Player of the match: Gabriel

Goal scorer: Gabriel Aigbologa 3

### U9 Red vs McCredie Onyx 1 - 0

The team were anxious to go against undefeated onyx today. They attacked aggressively, but Izaak, Danielle, Stefan and Gethyn held a tight defence line. The kids applied the skills they learnt at monday training, a defender on the ball and the other covering. This made sure an attacker would get intercepted or tackled. Daniyal and Mardin had some of their best touches all season. Lual and Brandon were reading the game very well and were in position to take advantage. The only goal of the game was from Brandon, who was lucky to be in the right position to tap it thru the legs of the defenders. Yusuf tried hard to break thru, but he seemed to be tackled by at least 3 onyx every time. He hurt his wrist, but played on. Later we found out it was broken and so he's out for rest of season. The team will need to fill in the void next week. Zayd played goalie all game. He was fearless and quick to get his hands on the ball. He withstood the pressure and kept a clean sheet. Team played their positions well today and did their job. Still need to work on moving balls away from our danger zone. Player of match - Zayd was focused all game and made so many saves. Coach's encouragement award - Mardin for kicking in the right direction and jockeying. - Brandon in centre mid was very switched on

### U9 White vs OLQP Falcons Blue

### U9 Onyx vs McCredie Red 0 - 1

It has taken 13 rounds to register our first loss for this season. A very disappointing result given we had many many opportunities to score, but we became our own worst enemies by losing focus and making poor decisions in those crucial moments. Our performance on the field was the only reason for our loss today. In spite of the loss, there were some highlights: Moussa returned and played with intensity and kept the defence solid when he was on the field. Aaron was instrumental in setting up many scoring opportunities from passes and corners. Farooz also had a huge impact in attack in the first half, constantly winning the ball and almost got a couple of goals himself. We have some soul searching to do Onyx.

### U9-11 Girls vs Wenty Saints Pink 2 - 2

A 2-2 draw today with Wenty Pink who are currently first on the ladder. A tough game for both teams especially for our girls as we had no subs. We still need few improvements in few areas which coach Mika will focus more on at training. Overall a brilliant performance from the whole team.

Goal scorers - Soman Saleem 2

### U10 vs Wentworthville Uniting Blue 0 - 4

We just weren't even in it today. We didn't hold our positions and let Wenty run all over us. When we did get in there half we wasted our opportunities. Very hard game to watch as I know we are better than that.

### U11 Red vs Wentworthville Uniting Blue 0 - 1

### U11 White vs Wentworthville Uniting Gold 4 - 0

It was nice to see mostly the full team today and playing an opposition who only managed 9 players on the field meant that it was going to be up to us to ensure we managed the game well to seal a victory. And that's what the team did. Holding good position through the game and good team work meant we were able to control much of the game in both halves and keeping the opposition scoreless. Jamil had one of his best matches scoring a brace and was well support in attack with Xavier and Mark bagging one each as well. Defensively we were able to stop them from causing any real trouble with Talitha very reliable and strong in the back line. Player of the match Jamil, coaches award Leon.

Goal scorers: Jamil Al Qass 2, Xavier Kaarsberg 1, Mark Sorojevic 1

**U12** vs **Wentworthville Uniting** **3 - 0**

The week off and the early game did not do anything good for the boys today. Although everyone had a turn on the bench today, We were very flat and seemed to forget how to play football. We bunched up and forgot how to spread out and use the space of the field. We scored a very scrappy goal after 10mins and managed a couple more to be 3-0 up at half time. In the second half Hussan and Hussain spent some time on the bench and we all wanted to score goals again instead of being a team. This did not help as we could not score again. We did well though to defend Wenty and keep them scoreless at full time with the final score being 3-0. M.O.M Alex for great team work, passing attack and defence. Goal scorers: Hussain Mirzaei 2, Alex Rusu 1

**U13 Red** vs **Silverwater Flamingoes** **1 - 6**

Disappointing day today for the team. We were coming up against a team we beat comfortably at home in round 1. But with only 10 players on the field, we knew we would be up against it. The opposition used this to their advantage and passed the ball well. The team did their best to keep up, but being a man down, fatigue caught up with us. A positive of the day, was Sean's goal after a good run off a through ball. MOM Sean Sacriz

**U13 White** vs **Lidcombe Churches** **2 - 1**

OMG we have a game today. After a few weeks off due to rain and holidays we were hungry for a game and a win. We started well keeping the ball in the opposition's half. Passing was going good, we had plenty of shots at goal and we topped of a tiring 2nd half with a win. They had a few breakaways but we held them out until some sloppy play sent them in for a goal. Hussain made some great 1 on 1 saves but player of the match is Omar today for never giving up and for his 2 assists.  
Goal scorers - Jayson Nguyen 1, Mohsin Akhtari 1

**U15** vs **Toongabbie Demons** **5 - 0**

We scored from the first kick off and never backed off. This was our most dominant performance this year and is a reward for good attendance and strong training since before the season started. As a coach I couldn't be prouder of this team. Defensively Samuel and Armin were strong. Ziyen pulled off two saves early which, had they been scored, would have changed the complexion of the match. It is easy to overlook the importance of these. Mujtaba and Omid played well in midfield, as did Alex and Aaran was simply unstoppable – scoring 5. But player of the match was Rody, who assisted in attack and defence, and when asked to drop into the backs and defend in the second half, did this without question and was simply outstanding. Well played all.  
Goal scorer – Aaran Batth 5

**U16/1** vs **Pendle Hill Tigers Black** **3 - 0**

I'm glad we achieved this result because we worked really hard at training for two weeks to get ourselves back on the winning side of things. A great header from Jayden who score our first goal off a corner. A great play between Jackson and Naseri before Naseri played it through to Krish who played it across for Koroma to finish. Koroma returned the favour and played a lovely ball through to Krish to make it 3. Could've been a lot more if their keeper hadn't had made numerous great saves. Man of the match - Naseri - neutralised everything Pendle Hill had in their midfield and rarely ever gave the ball away.  
Goal scorers - Jayden Daily 1, Ibrahim Koroma 1, Krish Shrestha 1

**U16/2** vs **Granville Waratah** **2 - 7**

A disappointing game and result. Our goalies today, Liem & Ruben, saved plenty. There were a few flashes of brilliance when they actually used the sideline. Our two goals were from penalties in the box.

## **Raahauge Cup Reserves vs St Matthews Baulkham Hills 1 - 5**

Once again lack of players caused a mix of positioning ultimately leading to our loss. Rc reserves played well with 8 players stand outs being brad in goals and Nick out in the left back position

## **Raahauge Cup Firsts vs St Matthews Baulkham Hills 2 - 2**

Firsts started the game strong controlling most areas of the game however fell behind from sloppy set piece defence. Paul and George scoring for us to come back. Unlucky for the boys a bad offside call lead to a last minute goal.

Goal scorers– Paul Youssef 1, George Azzi 1

## **Premier League Reserves vs Wentworthville Uniting 2 - 2**

Today we were let down by letting our opposition score two soft goals and having to always chase the result. Being short of players and only having one central midfielder available, we managed to control a lot of the game. Kojo and Ahmed Dbouk claimed man of the match as they were powerhouses in the midfield today dictating all the plays.

Goal scorers - Kojo Owusu 1, own goal 1

## **Premier League vs Wentworthville Uniting 5 - 0**

Today we had a point to prove to ourselves and Wenty as we have given them a generous 6 points so far this season. Today we made a statement. Amar scoring early with a hit from 30 yards out definitely showed our winning intentions from the start. From there, we were all over them. We should've scored 10+ goals but a 5-0 win is sound. We are now in 3rd place and 5 wins in a row. Marconi is waiting!

Goal scorers - Adem Stevens 2, Amarvir Batth 1, Muhammad Alizada 1, own goal 1

### U12 Girls vs Glenwood Redbacks

First half the girls were passing, winning 50-50 balls, and looking up for free players. Rhia kicked a curve ball to score. Huda was a little out of position, but she broke thru and scored. Stella was in front of the box and dribbled past all defenders. She also made another break, but was unlucky. Anika found the space and flicked one pass the goalie. Soman was tackling well in the middle. Lucy on the right front was dribbling well, just need to look up and pass long. Rianna, Renee and Aroha were protecting well and they won most of the 50-50 balls. Tamara and Huda kept a clean sheet. Player of match: Stella for trying 100% all the time. Managers encouragement award: Huda for playing forward and scoring on her birthday. Riana for her quick scrambling and chasing

Goal scorers: Rhia Alame 1, Huda Alsankari 1, Stella Fitzpatrick 1, Anika Penitani 1

## All Age Ladies vs Lidcombe Waratah 1 – 1

We played really well two weeks ago, but need to find that level of intensity again if we want to finish this comp off as we deserve. We didn't play poorly today as we dominated possession and field position, but for one well taken goal by Mika we couldn't finish the opportunities and resorted to long shots and keeper catching practice. In fact, Lidcombe only had two real chances. They scored one and were denied late in the first half by a magnificent save from Henny. Truly wonderful. When the tough moments in the game come we need to step up, not sure we did that today. If their striker slips her marker and finds full backs out of position just once, it can be terminal. If we are tired and don't run for the one ball the keeper drops or the full back miskicks – same thing, opportunity lost. Alicia ran herself into the ground and continues to develop. Nyanut found the energy when we needed it late in the second half, Tahlia NEVER gives up and Sarah Irving had a strong game. Mika though was pretty outstanding today and created opportunity after opportunity and shares the player of the match with Henny. Goal scorer – Mika Oo 1
