## Competition results

**Raahauge Cup Firsts**      vs      Kings Old Boys White      **0 - 16**

**Premier League Reserves**      vs      Greystanes United      **1 - 2**

Disappointing result for the boys as we scored first but then conceded two goals late in the game giving away 3 points.

Goal scorer - Francis Hoang 1

**Premier League**      vs      Greystanes United      **1 - 1**

It was a top game played by all. We scored an absolute cracking goal with Louie providing the killer cross before Adem swiftly headed into the back of the net. Unfortunately Greystanes equalised with 30 yard fluke. Positive signs as they had their full team and we were missing 3 key players.

Goal scorer - Adem Stevens 1

## Competition results

**U6 Red** vs **Lidcombe Churches** **4 - 0**

While we had some issues in the first half with the kids too excited and taking the ball off each other, the second half they really got it together and worked together as a team like we normally see. We dominated the entire game and our goalies were bored. Aleena did not touch the ball in goals but when she was on the field was attacking strong and supporting upfront. Zachariah did some amazing through balls and took some runs which was great and only had the chance to get the ball in goals just before the full time whistle went off. Ali had a very strong game and his team mates had a lot of nice things to say about him today, he chased back almost every ball that the opposition kicked into our half. Ghani was great in attack and made multiple attempts to score. Noah has the ball a lot today and was great support to our attack and defended when needed. Joshua was doing plenty of tricks today and doing some nice dribbling, good to see him playing in the field and not giving up even when tired. Utkrist was our player of the match for being a great support upfront and following through on every ball he could and even got a goal from doing that. Great energy from McCredie

Goal scorers – Ali Dbouk 2, Utkrist Nepal 2

**U6 White** vs **Wentworthville Uniting** **3 - 1**

The team played well together keeping good possession, good passing and great teamwork. Great attack and defense from Jabari, and excellent shooting from Isaac to take the win 3-1. Player of the match: Isaac

Goal Scorers: Isaac Ibrahim 2, Jabari Uno 1

**U7 Red** vs **St Columbas Castle Hill** **4 - 1**

After so much effort team Won the match. Lots of improvement seen in the team. The team played their positions and passed the ball to each other. All team played well and showed good defence and forward game. We played with full team and had a high spirit to perform. Finally we won with a great margin.

Goal scorer – Aakash Gurung 2, Zayn Kanjou 1, Raphael Cortese 1

**U7 White** vs **OLQP Falcons Blue** **1 - 2**

This was one game that sadly got away. We had plenty of goal scoring opportunities but were unable to find the back of the net. Today the team fell back into some old habits of just following the ball and not working on positional play. Mithesh and Sudev played well up front but need to focus on positional play and not using up energy chasing the ball. Arad played well, setting up a great scoring opportunity but with no back up it was a chance we missed. Xavier showed good skill second half as our goal keeper making a great save. Emily also had some good saves as goalkeeper in first half and worked on attack in second half. Michael and John worked well in defence but needed to run the ball down the sideline more and not hand it back in the middle. Jeremiah found the net in the second half but could have scored more if slowed down to focus kicks.

Goal scorer: Jeremias Ezenwa-Ndukaky 1

**U8 Red** vs **Bye**

**U8 White** vs **OLQP Falcons Blue** **4 - 1**

Today we had a great game. It was all about playing together and strong team effort. There were great passes between the players giving us plenty of opportunities for the strikers to score. However, we still need to work on our aim a little to find the back of the net. Our defenders were strong and worked hard clearing the ball from our half making it harder for the opposition to attack in first half. The few chances from the opposition attacks in second half, our goal keeper wasn't afraid off and made sure was ready for and jumped at the ball. Well done boys keep it up. MOM: Jacob Leke for defending strong.

Goal Scorers: Julian Azar 2; Anthony Mansour 2.

## **U9 Red vs Wentworthville Uniting Blue 2 - 3**

The team started off well, attacking and tackling. Lual ran thru and scored. However, our defence started to crumble and wenty came thru. In addition, we had to concede a penalty from a hand ball in the box. Players needed to jockey and communicate more. Defence was better second half with Izaac, Zayd, Rodney, Gethyn, and Daniyal re-applying their training of 'go ball and other to cover'. Danielle, Jesse, Mardin, Brandon and Stefan were pushing hard and had some nice touches at the front. Lual managed to tap in a ball after it got deflected from a corner kick. We were even-stein. A minute to full time, wenty did the same. Everyone was all in, but we ran out of time. Players need to run for ball (not the player) and get between attacker and goal. Player of match - Lual for reading the game and supporting defence Coach's encouragement award - Mardin for facing right direction and better kicks - Izaac for his rescues and safeties

Goal scorer - Lual Deng 2

## **U9 White vs St Columbas Castle Hill 9 - 1**

We approached the game with a great deal of confidence from last week and knowing we were pretty strong in previous meets with this team. We switched up the positions a little and tried different tactics so the boys won't get too complacent. We started off a little slow, lacking concentration and focus. It took several minutes but they gradually adapted and gelled quite well. Finally the goals started piling in. George and Ayaan were solid at the back with every ball coming there way. Danton, Karthik, Zen and Jacob demonstrated great cover defence to feed the ball to our three strikers Daniel, Yusif and Alex who were ever dominating. Good collective effort to win 9-1. Keep it up lads.

Goal scorers – Daniel Alouche 4, Yusif Saleem 4, Alex Azar 1

## **U9 Onyx vs OLQP Falcons Blue 2 - 0**

It was wonderful to get a win against one of our biggest rivals. Great effort from all of the boys - they were determined from the outset of the match and demonstrated it on the field. It was a tight game with possession and momentum constantly shifting but our strikers seized on key moments and our defence was impenetrable. Aaron, Jason, and Nikolas kept challenging QLQP's defence with strong runs and when needed came back to help hold the back line together well. Mykal, Lucas and Stefan worked hard in the middle, constantly trying to win the ball and playing it nicely to our strikers. Aydin, Moussa, Rushil and Omar were fantastic in defence, stopping QLQP's attacks and getting the ball outside of the danger zone. Farouz showed no fear as goal keeper, making crucial saves and keeping a clean-sheet. Player of the Match honours belong to every Onyx player this week as they all gave 110% on the field - special mentions do go to Aaron and Jason for their tenacity and leadership on the field, as well as Nikolas for scoring his 30th goal for the season during this game. Well done Onyx!

Goal scorer: Nikolas Dimitriou 2

## **U9-11 Girls vs OLQP Falcons Blue 5 – 1**

5-1, a win for our girls today. Great game, girls did exactly as they were told to do, great defence by Faith Taliauli and Georgia Farah. Most of our girls have never played in any soccer comp prior to this team and they have improved tremendously since their first game this season. Looking forward to what they will bring next year.

Goal scorer – Soman Saleem 4, Liyana Hussien 1

## **U10 vs OLQP Falcons Blue 1 - 3**

We were very unfortunate today everyone played amazingly the score board just didnt quiet reflect that. 2 early goals from the opposition and 2 disallowed goals by us in the first half completely put us off but we cam back in the second half fighting. A brilliant goal straight form the corner from Husein gave us some hope but unfortunately despite all the attacking we just couldn't find the back of the net. Goal Scorer- Husein Abdikarin 1

## **U11 Red vs OLQP Falcons 2 - 1**

It was a very important game for us to test the new look OLQP with their amazing tough fought game against us. We had too many chances that we didn't secure but coming to half time 1-0 down from a silly miscommunication between our defenders and goal keep gave the opposition the lead... but during half time our players made sure to raise their spirit up and started the second half with their heads up aiming to win the game. Man of the match goes to Wek for his hard work at the back line. Goal scorers – Adhar Yaac 1, Omar Elbizri 1

## **U11 White vs Lidcombe Churches 6 - 0**

Good win today. With the opposition down some players we had to take advantage and ensure we controlled the game. And we did. The whole team played really well today and the passing was between players was excellent throughout the game. Ryan had a strong game with freedom to move around he was Mr Everywhere. This effort earnt him player of the match. Leon caused alot of trouble whenever he touched the ball scoring 2 goals and with Talitha denying the the opposition every time they looked remotely dangerous both recognised with the coaches award. Mark was given the opportunity to attack upfront and he made the most of it with 2 goals. It was lucky 2's allround for our goal scorers with Xavier also rounding out our attack contributing 2 goals also. Waleed was very good in goals making some good saves and Hussain keeps improving with every game. Matthew and Siar were strong in defence with some good stops and Lochy played a strong game getting the ball back to his team mates in good positions. Rylan and Jamil were unlucky not to get on the goal sheet both being in excellent positions and giving the team plenty of options. Overall a good win with a whole of team effort today.

Goal scorers: Mark Sorojevic 2, Leon Munro 2, Xavier Kaarsberg 2

## **U12 vs Dundas United 1 – 0**

I think we had a soccer hangover from last Sunday's knockout game because we did not play well at all. I think we have also finally found the team that could give us a good run in the finals as they really came out fighting hard. Today we just did not want to pass the ball. We kept trying to go through the middle and bunching up and just did not play well as a team. We let Dundas score the first goal and then could not level it up by half time. Our shots on goal were going straight to the keeper and we were not communicating at all. We finished the first half arguing amongst each other and down 1-0. We did fight back in the second half and managed to finally level the score about 5 mins in to the half. We missed another couple of shots on goal and could not get another before the full time whistle. We finished up 1-1. Worst game we've played all season. M.O.M - Alex for being the only one to do everything asked of him all game. HOORAY!!!

Goal scorer - Ali Sajad Jafari 1

## **U13 Red vs Merrylands SFC 0 - 6**

Great defence 1st half but with no subs our boys were tired by 2nd half. Jean Paul played goalie and he saved many goals however Merrylands was too quick at scoring 5 goals in 2nd half. We had many attempts at goals but unfortunately their defenders was too quick for us. Better luck next time.

**U13 White** vs **Wentworthville Uniting** **0 – 1**

I'm so lost for words today. We should have won. We thought we had the game in the bag as the coach said. Everyone appeared to be to relaxed. We had a few chances and couldn't finish. If we want to win we need score goals. The goals are not going to come by dribbling into the opposition. Pass the ball. Stop blaming each other. One ball, one team. On the other hand Zienat had a good game with a couple good runs up field. Good to see Saul return.

**U15** vs **Wenty Waratah** **1 – 2**

Last time we played we lost 1 – 10. That is evidence enough of the hard work the team has put in and the improvement we have made. Two defensive lapses in the first half had us down 0-2 but we got one back through a nice little combination from Alex to Katrina to Aaran to net! We haven't always played the whole of the second half this season but we did today, fighting all the way to the end without giving up anything in defence. Mujtaba had an outstanding game and was player of the match

Goal scorer – Aaran Batth 1

**U16/1** vs **Pendle Hill Tigers White** **3 – 0**

It was first v last today and it was the expected result. We switched the ball really well and using our keeper in possession opens up that switching option so much more. Well done boys, with this win and Greystanes losing, we have officially become minor premiers and qualified for champions of champions! That was our one goal this year and I am very proud that we have achieved it with 3 games to go.

Goal scorers – Mohammed Naseri 1, Jackson Galea 1, Krish Shrestha 1

**U16/2** vs **Lidcombe Waratah** **10 - 0**

The game was a feast of opportunities against a depleted and under-manned team who played with great heart. The team implemented some of the plays and corners we have been working on a training, which proved effective. So we led at halftime 6-0. After the halftime break we continued to dominate play scoring another 4 goals before full time. Backline of Baris, William, Baseel & Victor along with Liem & Ruben who shared goalie duties saw little of the ball all game, but if required were up to the task. Midfield of Joel, Ustav, Helal, Angelo and Ibrahim worked together in attack, and fed the ball through to our forwards Navid, Liem, Omar and Ruben. Our captain, Omar Charaf was the player of the match today. He lead the Team by example, creating opportunities for others and scoring when they presented themselves. He worked hard in defence too.

Goal scorers: Omar Charaf 4, Baseel Charaf 3, Joel Carder 1, Navid Muqadam 1, Helal Charaf 1

**Raahauge Cup Reserves** vs **St Barnabas Broadway** **forfeited**

**Raahauge Cup Firsts** vs **St Barnabas Broadway** **forfeited**

**Premier League Reserves** vs **Lidcombe Churches** **2 – 1**

Even though today we didn't play our best football, we ground out a 2-1 win. This win has cemented us in first place and has given us the minor premiership, so well done fellas. Highlight of the day was Freedom's left foot half volley to seal the game!

Goal scorers – Will Booker 1, Freedom Okubazgi 1

**Premier League** vs **Lidcombe Churches** **10 – 1**

A nice, easy game to play against a team that was completely backing up and that gave their all in the reserve grade game. We were them 12 months ago, so it's really great that we were able to secure numbers this year and one of the reasons why we are winning late in the season is because of these high numbers at games.

**U12 Girls** vs **Parklea** 1 – 1

Congratulations to the GMU under 12 division 1 girls who finished second in their competition. You should all be proud of your efforts. Playing most of the sesason with no reserves and sometimes even without a full team. Today we played against Parklea the team coming first. We had to win by more than five goals to become minor premiers today and we knew it would be hard going as they are quality opposition. In the end the game finished 1-1. They had 3 reserves and we had no reserves. Unfortunately tired legs didn't have enough power to put the ball in the back of the net to grab a win and so Parklea finish first and we finish second. A great effort by all players. You should all be proud of your efforts as I know I am and so are all your supporters.

Goal scorer – Soman Saleem 1

## All Age Ladies vs St Patricks Blacktown 0 – 0

Not certain why but we were a bit flat today. The field was rubbish, which certainly didn't help. But more likely it was the knowledge that 'a draw would do'. A draw and we sealed the minor premiership. Congratulations ladies – well done! Defensively we stayed solid which was the main aim. Sarah Irving was strong and Alicia did very well in the backs in the second half (after a crash course on what the position meant!). Nancy also did really well after a very disrupted season for her with injury keeping her out for many weeks. Nancy layed a number of nice passes and one terrific through ball. But player of the match was Elise who had a great game at left back, snuffing out everything down her side.
