U15 vs Dundas United **0 - 2**

We battled really hard in the first half to keep Dundas out – and we succeeded. We had defended a lot and Mujtaba, Chris, Armin and Samuel in the back and Abu in goals were outstanding. Late in the first half we broke and Aaran chipped the keeper, only to have it hit the post and stay out. Early in the second half with our team forward and space behind us, Dundas came at us and scored. Their second goal was from 45 metres out, driven hard straight over everybody and everything except the goal – unstoppable.

U6 Red vs **Wentworthville Uniting** **2 - 2**

It was one of the toughest games we have had all season. Not having lost any games for a while I think we came into this game with the wrong mindset and with a full team for the 3rd time this season it became really difficult subbing. Everyone did outstanding and both teams remained strong right until the end. We were up 2-1 until in the last minute Wenty scored to even out the game. A lot to learn and change for the next game but super proud of my team. Zachariah was awarded player of the match for volunteering to be goal keeper and he did such a great job and was very focused. Best game of the season for him. Overall still a good outcome.

U6 White vs **OLQP Falcons Blue** **Won on forfeit**

U7 Red vs **Wentworthville Uniting** **0 – 6**

Good match this Saturday. In 1st half team played so well very good coordination between players. The team starts knowing how to pass on the ball to other team player. Showed good defence and forward game. Kids were a bit upset because of the last match but happy on their learning they had with Rob during this season.

U7 White vs **Bye**

U8 Red vs **McCredie White** **2 - 0**

We played an embarrassing first half for a team coming second. Our midfield was basically nonexistent and left no room for turn over of play. Our second half was much better. We held our shape and it paid off. Our defence was strong and was definitely the most impressive line in the formation. Akeel and Logan played excellent together, they demonstrated their defensive skills with their jockeying ability and clearances. Aiden was well rounded today and never gave up. He chased, jockeyed and won the ball multiple times, he dribbled, he passed, he scored - and what a strike it was! Well done, Aiden! Antonio and Jawad proved to be impressive in midfield in the second half, their ability to follow instructions gave us more solid centre play which led to our second goal from Christian's assist and Gabriel's finish. The Reds played like winners should in the second half. We'll develop on team work leading into the next game. Player of the match: Jawad
 Goal scorers: Aiden Sorojevic 1, Gabriel Aigbologa 1

U8 White vs **McCredie Red** **0 - 2**

Today was a great game played by both teams. First half was played well and we got a few opportunities but failed to find the back of the net. Our defence was strong and held position really well. Second half however we started to crumble. Players were not listening to coach and not holding their positions. Our passes weren't so strong and defence became weaker giving opportunities to the opponents to score. Our goal keeper was kept busy and did some great saves and for that was awarded player of match.
 Men of Match: William Livingstone and Jonah Cicchini.

U9 Red vs **OLQP Falcons Red** **2 - 1**

It was a lack lustre start for reds today. OLQP capitalised with strong long kicks and managed to score. Second half, team picked up the pace. OLQP were tiring. We were winning more balls and had more corners. We were tied, until 3 minutes to full time, when Lual tapped in a goal.
 Player of match: Izaac for his rescues and Brandon for being solid in attack
 Coach's encouragement award: Lual for playing good position and persevering and Stefan who was switched on all game
 Goal scorer - Lual Deng 2

U9 White vs Wentworthville Uniting Gold 8 - 2

With some key players away today with illness and injury, we had to do some reshuffling of positions. We started off a little shaky in various parts of the game. Our midfielders continuous played out of position and strikers were also trying to find their feet through the first half. We were able to score two quick goals with some clever footwork from our strikers and were up. Unfortunately some poor defense lead to the opposition scoring two goals to even the game. We scored a third goal to finish the first half at 3-2 but we needed to up our game if we were going to win this game. In the second half, the boys were able to lift substantially both in defense and offense. The back defense of Mickael, Ayaan and Abaan were impenetrable while the midfielders of Karthik, Jacob, Danton and Zen were able to counter any threats from Wenty's. This gave the opportunity for Alex, Kaan and Yusif to dominate from the front. Most of the second half were played in the opposition's quarter so we had all the opportunities and possession. This lead to two more goals from Alex and three from Yusif to finish the game and win 8-2. A pleasing result yet there was still room for improvement. Hang in there boys!!

Goal scorers – Yusif Saleem 6, Alex Azar 2

U9 Onyx vs Wentworthville Uniting Blue 1 - 1

It was a tough game for the end of the competition. Our attack struggled in the first half as we were not able to string passes together as well as we had throughout the season. The situation improved in the second half - our defence made up of Ayden, Rushil, Farouz and Omar was strong and we got a nice team goal. Lucas, Mykal and Stefan kept up the intensity, by putting their bodies on the line to win the ball and getting it through to Jason, Aaron and Nikolas, who kept challenging Wenty's defence with some good runs and crossing. The standout performances were from Ayden, Rushil and Stefan. There was disappointment but also resolve after the game, as every player knew what would be required to win the Semi Final and hopefully a Premiership.

Our young champions managed to wrap up the minor premierships weeks ago, which is a testament to their hard work on the field, but also the wonderful support provided by the parents and caregivers every week. Well done Onyx Family.

U9-11 Girls vs **OLQP Falcons Red** **7 - 0**

7-0, another great win for our girls today. All played a fantastic game and worked well together till the end. Great effort and great determination by all players which they showed on field today. All girls are now ready for the semi-final.

Goal scorer - Soman Saleem 7

U10 vs **Wentworthville Uniting Gold** **2 - 0**

It was a hard fought game. We made some beautiful passes that ended in an awesome goal from Ali Sena, taken from thirty metres out. William was the best defender out on the park. Our first thirty-five minutes were fantastic, but we got a little ahead of ourselves and thought everyone should score a goal; hopefully next week we play a better positional game. Player of the match was Akram; not only did he score his first goal, he played his best game of the season so far, well done Akram!

Goal Scorers: Ali Sena Mirzaei 1, Akram A Omar 1

U11 Red vs **Wentworthville Uniting Gold** **7 - 0**

We had our plan set and positions marked but we decided to juggle it up a bit at the last game. It worked for some and didn't for others. 2 goals in the first half and kept the momentum up in the second half with another 3 more. we were able to control the game at all times and we've seen some nice kicks even though we were just unlike to not put more goals in the net. Having the semis and the finals ahead we need to refocus on our selves and play as a team. It has been a good season for the U 11 red and we hope we can ended as champions

Goal scorers - Adhar Yaac 1, Joey Doeuhi 1, Omar Elbizri 1, Omaid Ahmadzy 1, Patrick Matta 1

U11 White vs **OLQP Falcons** **0 - 5**

Tough game today against a much improved opposition. The kids tried hard, but OLQP proved too strong in the first half as they put away 4 goals. The 2nd half was much better with improved defence as the kids fought hard to win the ball and clear it out of their danger zone. However we just didn't have the firepower upfront today. We'll dust ourselves off and get ready for a big semi final. Player of the match was Daniel and coaches award went to Leon.

U12 vs Merrylands SFC **3 - 0**

Today was a great day for soccer. Our boys are really playing well as a team and having a lot of fun on the field. We mixed things up today and everyone played everywhere. Merrylands tried hard today and defended well but our attack and defence was better. We finished the game winning 3-0. MOM Joseph Bou Said for not giving up in defence. Goal scorers- Husain Mirzaei 2, Hassan Mirzaei 1

U13 Red vs Auburn District White **4 - 2**

Great result today from the team despite only having 9 players on the field. We were up against a team that had beaten us convincingly in the previous round. However, the boys turned up this morning and took it to Auburn District. Our pace upfront caused a lot of trouble, with one run ending with a nice chip finish from Sajjad. Our defence was very solid and clinical with their tackles. Dylan did an excellent job shutting down their danger man on the right. The team played consistently well throughout the game, but were unable to finish our chances. Auburn capitilised on this and equalized midway through the second. Afterwards the boys woke up and got hungry, scoring three goals to kill off the game. Overall a great game from the team, giving us a lot of momentum heading into finals footy. MOM Anthony Germanos for his presence at CDM and stopping countless Auburn attacks.

Goal Scorers: Ali Karimi 2, Sajjad Karimi 1, Daniel Kvesic 1

U13 White vs Merrylands SFC **1 - 3**

A couple late players and a few injuries for our last game but we played well. Zienat showed good speed and attacked well. She has come a long way since the start of the season. Yusef found his position in the midfield and almost scored a few times. Nek had a turn in goals and he didnt disappoint. The team has gelled throughout the season and it was a pleasure managing the team. I'm sure coach has a few grey hairs from the stress of coaching. See you all at presentation. Hope to see you all again next year.

Goal scorer: Jayson Nguyen

U15 vs Regents Park **0 - 5**

After a year of turning up to training and games and often having 5 subs, today we were let down. Starting with 8 and only getting to 11 with 5 to go in the first half, we wasted a stiff breeze behind us and were 0-1 down at half time. With a stiff breeze in our face in the second half, a team we drew with in round 1 scored goals. The players at the game tried hard but needed help.

U16/1 vs Merrylands SFC **4 - 0**

Wasn't our best performance by any means however a win is a win and with that victory means that we have been undefeated all season. What a great achievement! Very proud of the boys and now it's time to really switch on and focus on the important finals.

Goal scorers - Mounir Hadid 2, Ibrahim Koroma 1, Krish Shrestha 1

U16/2 vs Wentworthville Uniting **2 - 3**

Today was our final game for the season. The boys had plenty of fun and played some nice attractive football which created plenty of chances to score; we just could not get the ball in the back of the net often enough to win. In the first half, Aurelly slotted home a beautiful goal with a well placed shot from a free kick outside the box. In the second half Aurelly calmly slotted home a penalty for a handball, which got us back on even terms. We conceded again, but the boys didn't give up and continued to the final whistle to try and get an equaliser, but to no avail. The forwards today were mainly Angelo, Helal & Liem, with interchangers Ruben & Sajed. The midfielders were Aurelly, Utsav & Omar. The backs were Victor, Baseel, Sajed, and William with interchangers Helal and Baris. Goalie today was Joel. The whole team was our player of the match today. All tried their best.

Goal Scorer: Aurelly Geronimo 2

Premier League Reserves vs St Barnabas Broadway 1 - 0

Barnies and 90 minutes were the only two things standing in our way of Marconi. We have never beaten these guys before but we were up for the task at hand. We lifted playing some of the greatest football this season. Rest up this week fellas as Marconi awaits and if it was anything like last year, we will have a field day. Let's go back to back and defend our title.

Premier League vs Wentworthville Uniting 1 – 2

I honestly don't know what to say. Everyone on this planet expected us to win but it just wasn't to be. Disallowed goals and fouls let go leading to goals were just some of the things that swayed the result. I am still in shock and don't know what else to say but let's support resses when they get to Marconi and watch our other team take out the title.

U12 Girls Preliminary Final vs Blacktown Workers 3 - 0

the under 12 girls today played a great game to achieve an opportunity to play in the under 12 division 1 grand final against Parklea next weekend. From start to finish the girls showed intent and commitment. Our two goal keepers, Huda and Tamara, kept clean sheets, making some good saves. The formidable defensive line made up of Millen, Stella, Renee, Marie-Jo, Huda and Tamara defended validly, thus not allowing Blacktown Workers to have many opportunities to shoot on goal. The midfield line, consisting of Lucy on the right, Riannaa and Aroha in the centre with Rhiannyn on the left fought for every contestable ball and more often than not won the ball. It was also pleasing to see the midfield line move back in the defensive mode as and when required. The two forwards up front, Soman and Anika played a great running forwards game. Moving into space and creating chances for each other and both showing some individual brilliance. A great team effort today. Player of the match; Stella. Encouragement award; all other players.

Goal scorers – Anika Penitani 1, Aroha Mclean 1, Soman Saleem 1
