U7 Red vs OLQP Falcons White **1 - 7**

Akash and Zayn played very well over team performance was ok. Will focus on our defence and forward play during practice. Goal scorer – Zayn Kanjou 1

U7 White vs Kings Old Boys **2 - 6**

Unfortunately today the scoreboard did reflect how well the team played. It was a game that needed the team to work hard in defence. Kayra made some strong attempts at goal with his big kicks but it was his running from half way that secured our first goal. John and Michael worked hard in defence trying to keep the opposition to the sides. Sudev and Mithesh show good passing skills that led to Mithesh scoring our second goal. Arad played well down the centre. Emily worked hard as goalie with some great saves and also strong passing when on the field. Player of the match was Kayra and the encouragement award went to Sudev.

Goal scorers: Kayra Mete 1, Mithesh Saravanaperuma 1

U8 Red vs Wentworthville Uniting **5 - 0**

Even with a player short today the Reds played a brilliant game. We had a difficult first half trying to run up hill and weren't able to score any goals as a result. The Reds kept working hard together as a team throughout the second half, passing the ball and running as a team which showed in the result. It was great to see Carissa passing the ball to her team mates so well today, keep up the good work Carissa! Gabriel opened the scoring for us and then scored a second shortly after, he later scored another for a hat trick! Our backline was strong today and defended well to keep the opposition out. Logan played excellent today and was clearing balls left, right and centre. Sebasjin held the centre midfield and with his powerful kicks, provided a superb assist to Christian. Christian was on fire as usual and was on a goal scoring mission today, I'm sure there will be more to come in the following weeks! So good to see the kids playing together as a team. Well done Reds!

Unfortunately today the boys were all over the place and not very focused and the result showed that. First half they were just running after one another and were offside most of the time. At half time they were down 0 – 5. Second half however, was a bit better at defending and even having a few chances up front but were unlucky and missed. William our goal keeper did an excellent job today and saved so many shots. If it wasn't for him the score would have been much worse and for that reason he deserves the man of match.

Man of Match: William Livingstone.

U9 Red vs **St Columbas Castle Hill** **6 - 0**

Today the team welcomed in Jesse as a new team member and also Michael played as an extra sub. From kickoff the team was ready to play with Yusuf and Lual making some good breaks. Yusuf was soon rewarded with a goal and followed up with 2 more before half time. Danielle and Brandon played strong pushing the opposition out the sidelines and protecting the middle. Izaak, Stefan and Daniyal stayed strong in the middle while Zayd held out any attempts at goal. The second half saw Yusuf add to his tally and there also two great goals from Lual. The area of improvement out of the game is to think ahead and watch for teammates that you can pass to. The player of match went to Yusuf for continually pushing forward and coaches award went to Danielle for her great defending.

Goal scorers: Yusuf Hadi 4, Lual Dang 2

U9 White vs **OLQP Falcons Red** **7 - 0**

Today was going to be a challenging game as the school holidays meant we didn't have two training sessions. A few players were away still on holidays which made everyone a little nervous. The first few minutes proved shaky but soon enough the boys steadied the game. We defended strongly for a while at our end then suddenly we started scoring. Yusif and Kaan were strong at the front and our back line defence George, Mikael, Alex and Ayaan were solid. However the game was won by the relentless defence and counter attack by the boys in mid field – Danton, Zen, Abaan and Mustafa. They ran down every ball, defended every opponent coming their way. They laid the foundation for the attackers to counter with Yusif scoring five goals in the first half. At half time, the boys made a pact not to concede any goals in the second half and they did just that. Again the strong defence lead to Alex scoring two more goals in the second half. A 7-0 score line was very fitting and pleasing in the end, well done lads.

Goal scorers – Yusif Saleem 5, Alex Azar 2

U9 Onyx vs **Wentworthville Uniting Gold** **10 - 0**

U9 Onyx had an amazing game today. We dominated the game from start to finish, which shows that our training, team work and dedication is paying off. The Player of the Match was Nikolas for scoring 6 goals. Well done to Getom for standing in as coach today.

Goal scorers: Nikolas Dimitriou 6, Aaron Kidane 3, Jason Azar 1.

U10 vs **Wentworthville Uniting Gold** **2 - 3**

We came out dominating in the first 15mins the ball didnt leave their half and we had a multitude of shots unfortunately only one went in, from Ali Sena, due to bunching in front of the goals from ourselves and the opposition everyone just got in each other's way. We lost momentum and some silly tackles from the backs gave away a multitude of free kicks in our own half 1 went in and they had equaled up. Moments later we tried wjat we do best by pushing the opposition offside. A ball was kicked through and the backs all put there hands up like they were taught but all call wasnt made and the player was away while we stood and watched. We went into the second half with heaps of energy. Ali Sena made some beautiful crosses and Michael was able to find the goal off one of them. Ali K. Did some great running in the middle field and made sure he was always first to the ball. It was great to see our marking also get better. Today was a loss but we learnt alot from it and it was great once again to have everyone listening to the coach. Player of the Match was Ali.K

Today we worked on allocating set positions that we could keep the same for the rest of the season. Moving onto the bigger field has made soccer more fun and understanding our positions important. The passion each of our players have for the game is definitely shown when they play. Our passing, chasing and pressure onto the ball was highlighted today, the team work is getting stronger game by game. We had many missed opportunities to take shots today, but instead we were concentrating on looking up, controlling the ball and passing on. Our centre midfield worked amazing sending balls onto our wingers, Ali (first game today) showed us great ball skills and teamwork, scoring 2 great goals. Well done Ali.

Anika's determination, effort and love for the game is shown each ball she hits. Today she finally was able to get what she has been fighting for and score her first goal with the boys. She went one on one with the keeper and had an amazing shot and scored. Coach and manager are very happy with the progress so far and are looking forward to next weeks game, against Wenty Blue who are holding 1st with us. Player of the match- Anika

U11 White vs **OLQP Falcons** **2 - 0**

It was a tough contest today, but very well won! With only 10 of our players, we were thankful for Izaac helping out to make up a full team. The opposition kept us on our toes early on, pressuring our defence a number of times - but Talitha, Badih and Lochlan defended well to protect our goals, as well as Siar being ready and alert to save a few goals. Mark and Rylan worked well to win the ball in the middle of the field and push the ball up, with good support from Jamil and Yahya, who played very well for his first game. Xavier, Leon and Izaac worked hard to attack as forwards, and were rewarded for their persistence with Leon performing a brilliant assist for Rylan to score our first goal before half time. We kept up the pressure in the second half, with some more attacks on goal, and eventually Leon scoring a fantastic shot from a wide angle. Rylan did a great job in goals in the second half, saving a few goals. The opposition nearly scored on us, except that Talitha snatched a goal from them, clearing their shot centimetres from our goal line! We almost scored another goal with a bullet run from Leon to win the ball against 4 defenders, except their goalie was lucky to block Leon's shot. Overall, it was a brilliant team performance. Keep it up team, and let's get stronger and stronger together! Player of the Match: Talitha, for consistently strong defence all game; Coach's Award: Leon, for amazing teamwork and passing, and great skill and speed up front!

Goal scorers: Rylan Roebeck 1, Leon Munro 1

U9-11 Girls vs **OLQP Falcons Red** **5 – 2**

A win for our girls, score 5-2, today 27th of April vs OLQP Falcon Red. Soman scored all 5 goals; an outstanding striker and player. Liyana also an outstanding striker played extremely well today. Opposition were a pretty tough team to beat. We scored only 1 in the 1st half and 4 in second half. A great effort by our defenders and by our goal keepers today. We still need improvement in few areas which coach will work on with the girls. Few of our girls have never played a soccer game before however performed extremely well and are very determined. Overall, all girls have done us extremely proud.

Goal scorer – Soman Saleem 5

U12 vs **Wenty Waratah** **6 – 3**

Today we started off strong and turned up ready to play football. We worked well in the first half scoring 6 goals and keeping the opposition scoreless. In the second half though we got cocky and very lazy in defence. We allowed the opposition to score 3 times and couldn't get another goal in ourselves. No Man of the Match was given today due to such a poor second half.

Goal scorers – Lachlan Yuki 1, Ali Ekdawy 1, Hassan Mirzaei 1, Hussain Mirzaei 1, Joey Semaan 1, Gabra Baram 1

U13 Red vs **Greystanes FC** **5 – 1**

The boys played very well as a team. Strung together plenty of passes and played some nice through balls for the strikers to get onto. Defence was solid, thanks to some help from the U12s. Seena as usual was a pair of safe hands at the back. Overall the team dominated Greystanes and did not really let them get into the game. Sajjad MOM. Goal scorers - Sajjad Karimi 2, Jean Paul Azar 1, Ali Karimi 1, Fouad Ayoub 1.

U13 White vs **Auburn FC** **2 – 6**

8 players at kick off and 9 by half time it was bound to be a tough match from the start. We changed goal keepers 3 times in the first half and again it took all of the first half to settle into positions. We lost the first half 5-1. The second half was 1-1. This team has what it takes to go all the way to the grand final we just need the support of everyone to be at every game on time. Nek, Zienat, Shuaib, Mohsin all had outstanding games. Goal scorers – Nek Sultan 1, Mohsin Ali Akhtari 1

U15 vs Granville Waratah **0 – 5**

There will be days when we play well but get beaten by a better team. Today we didn't play well though. We ignored what we practiced and paid the price. When things are hard we need to rely on the game plan, not try to be a hero and invent our own. Samuel and Armin can hold their heads high with efforts of real heart. Honourable mentions to Mushtaba and Ishan. Everyone else – work to be done.

U16/1 vs Merrylands SFC **6 - 1**

Today definitely proved that football is a game of two halves. Our first half was summed up by a player from the opposition who was talking to a team mate that I overheard. "I watched their drills - they looked really good and definitely thought they would pass it around us but they are not, they aren't that good at all." I was embarrassed and ready to prove him and the rest of Merrylands wrong. Even with this chaotic first half, we came into halftime at 1-1 with Mounir scoring just before the break. The second half showed why we should take this competition all the way. We scored 4 goals in the next 15 minutes and blew them away. Everyone stepped up and played nice, simple balls and took cracking shots. Scoring 3 from outside the 18 yard was very impressive. John-Luke's goal was a contender for goal of the year slotting the ball into the top corner with his left. Krish was also in a scoring mood scoring 4 in the second half proving to be a real headache for the Merrylands' defence. See you all at training at 5:30pm for a good session.

Goal scorers - Krish Shrestha 4, John-Luke El-Rahi 1, Mounir Hadid 1

U16/2 vs Toongabbie Demons **1 – 5**

Today we created opportunities to score, but none of our shots were threatening and any on target were easily cleaned up by Toongabbie's goalie. Our opponent took their chances scoring three unanswered goals, the last being just before the half time whistle, so we went into half time trailing 3 nil. In the second half, we created more chances and we even got a penalty after Liem was cut down only for the shot to go wide. Finally we got one back with some nice play down the left side for Ibrahim to score. Our opponent scored twice more, before the full time whistle. Whilst generally competitive, our failure to score goals due to poor shot selection, along with regularly conceding goals meant we could not sustain any real pressure on Toongabbie.

Player of the match: Omar Charaf. He headed well, and provided a solid outlet to get the ball forward to the strikers, unlucky not to score when his shot went over the crossbar.

Goal Scorer: Ibrahim Baram - 1

Premier League Reserves vs Greystanes United **2 – 0**

Another great result for a team that is turning up and putting in the effort. We were a little flat during the first half but a few of the senior members spoke up at halftime and the team were all on the same wavelength holding out Greystanes. Another clean sheet which still leaves a 0 in the goals against column this year. Man of the match - Daison - many successful tackles, beating players and making the right decision all the time.

Goal scorers – Kojo Owusu 1, Francis Hoang 1

Premier League vs Greystanes United **0 - 2**

With half the team away over the long weekend, we always knew we were in for a tough battle. First half, we were very competitive creating chances and unlucky not to jag one before the half. Unfortunately in the second half, we ran out of fresh legs and were chaotic positionally which led to a couple of goals being leaked.

U12 vs Pendle Hill Tigers Div 3 **won on forfeit**

U13 Red vs Auburn FC Div 1 **won on forfeit**

U13 White vs Silverwater Flamingos Div 2 **1 – 6**

Up against 9 players I thought we had the game won but they were a div 2 team and it showed. As usual we played a better 2nd half. Although we had to do a lot of defending, the defence was solid. Shuaib was kicking some good long balls forward and Hassain Naji was excellent in goals. Nek scored from his penalty kick casually slotting one in the back of the net just before full time. Unfortunately it wasn't meant to be and the knockout is over for us.

Goal scorer – Nek Sultan 1

U15 vs Merrylands SFC Div 3 **won on forfeit**

U16/1 vs Wentworthville Uniting Div 2 **won on forfeit**

U16/2 vs Merrylands (Div 1) **2 – 10**

Today was always going to be a struggle being a player down, but in the end we were out classed by a division 1 team. We scored two nice team goals in either half, and were unlucky to have a third disallowed.

Strong effort from all the players backing up after yesterday's game. Baseel, Omar, Liem, William and Angelo hard strong game. Player of the match: Navid Muqadam. He played good constructive football up front on a demanding day.

U12 Girls vs Minchinbury Jets **3 - 0**

For what started out as a dire situation on Friday evening with the coach sending an email to the club secretary advising that the team might have to forfeit due to not having 7 players available for the game, the 3-0 result is a great achievement. The team ended up with nine players available and out played the 13 or 14 that the opposition rotated during the game. We started well, pressing forward and creating chances. Anika started the scoring by individually taking on the defence and slotting the ball into the right bottom corner. From then on, the team were full of confidence and started passing the ball around. Soman backed Anika up front and moved the ball around creating more opportunities but the end results weren't happening. Renee and Rhianna playing their first game with the team due to their tennis commitments during the first six weeks of the competition showed their football awareness and skill. They both got involved and little Renee did not shy away from her defending duties against girls twice her size. Lucy, as usual showed that she can control the ball at her feet dribbling past defenders at will, but sometimes her last touch becomes ineffective as she runs out of space. The back-line defence of Stella in the centre back position assisted by Tamara at left back and Millen at right back kept the defence tight for most of the game allowing for our goal keeper Huda to be a spectator today. Anika had another great opportunity in the first half, but the ball went left of the post and the half finished at 1 nil. In the second half, Huda came out of goal keeping duties and moved into the midfield position, Rhianna fell back into the left back position while Tamara went into goals. With Huda having fresh legs the midfield was under our control and the ball was moving forward. Soman came into her own, scoring two goals with her last goal being scored from an acute angle. Anika was unfortunate not to score her second goal as well. After a great cross from Stella from a corner kick, Anika from a half volley struck a beautiful shot that hit the cross bar, came straight

down but did not cross the goal line. The defence, especially Millen who seemed to be a lion woken in the second half also held firm and the midfielders showed urgency in getting back to help. A well-deserved win today and a great effort from all players.

All Age Ladies vs The Ponds 1 – 0

First vs second today. Sometimes things really turn out as you plan. We have been practicing beating the offside and finishing our chances, we have talked about important times in games and have worked hard for years now to maintain the Great Wall of McCredie at the back. All worked well for us today. It started with a magnificent save from a point blank shot by our goal keeper Hendrika. We knew it was outstanding but we wouldn't know for another 75 odd minutes that it was also vital. With 90 seconds to go in the first half we were 0-0 and defending grimly. We aren't always pretty in defence but we are always difficult to get past. We kept them out and the ball found Jenna in central defence. She launched the ball forward, not at all out of desperation, but deliberately finding the quickest player on the pitch. Mika held her nerve and patience to beat the offside, sprint 50 metres and slot what was to be the winning goal with less than 20 seconds remaining in the first half. In the second half we kept them out. We made chances but couldn't complete, but more importantly we prevented Ponds from even getting close to a chance. The whole team was outstanding today. In addition to Henny, Shaka was on another level, Elise was sensational and Destiny J has shown enough to say our second striker search is over. Really enjoyable afternoon.
