**U6 Red** vs **OLQP Falcons White** 7 – 0

Tough morning today. With field changes and early start it was going to be tough. In the end, our 4 little pocket rockets, with Ibby, Eden, Josh and Aidan they played such a great game, they weren't troubled throughout the game. Both halves 90% of the time was played in the opposition's half. Ibrahim played an excellent game today, having missed a few chances at goals he did get a goal for his efforts and made some excellent dribbling runs. Eden supported the team really well by being everywhere the ball was and got some good passes off to his team mates. Aidan and Josh combined again really well throughout the game scoring 3 goals each and could have scored more if they converted their chances right in front of goals. Ibby wasn't to be left out in that department too, by having a goal disallowed after rolling around on the floor and the ball accidentally touching his hand just before he put it past the keeper. It all didn't really matter in the end, as the kids seemed to really enjoy their soccer and had big smiles on their faces by playing another excellent game. 4 wins from 4 games, not a bad start to what will be a season like no other to remember. Great game kids. We hope to field a full strength team going forward.

**U7 Red** vs **OLQP Falcons Red** 6 – 0

The reds dominated the entire game. Unfortunately for Aleena, like most of the games this season she was just dancing in goals forgetting about the game. Zakariah was focused and ready to score, he was close but didn't give up. Ali, Mawien and Utkrist were on fire, taking shots, working together with some beautiful passing and showing excellent teamwork. 6 goals between them with 2 scored each. Noah was player of the match today, he absolutely gives his best every game. His long balls are so impressive and he is ready to pass the ball at every chance even when he is close to goals. We are currently undefeated too, such a great achievement. A big thanks to Abi for bringing snakes to share.

**U7 White** vs **Kings Old Boys** 6 - 1

A lovely sunny winter morning. The game began with a bang, Isaac scored in the first few minutes which gave the team confidence. Zayden our runner was all over the place tackling the opposing team. The passing game has really improved between the boys and the communication has also improved thanks to the coach for drilling its importance every Wednesday. Jabari was tough on the defence and did not let their strikers get anywhere close to our goal. Jayden and Isaac played very well in the front with Dom, Zayd and Pablo assisting in the midfield.

Goal scorer - Isaac Ibrahim 4, Jayden Tuysuz 1, Jabari Uno 1

**U8 Red** vs **OLQP Falcons White** 2 - 6

That was another great game. Thomas controlled the ball early and scored in the first 10 minutes. Aakash and Yousef took the ball to the goal but it was hard playing one person down and no reserves. Again Jacob was excellent at saving our goal.

**U9 Red** vs **McCredie White** 0 – 0

What an intense game against a strong opposition! We were expecting a tough game and we were right. Our defence held strong and did their job to keep the whites from scoring. Our midfielders and strikers performed well with their passing and chasing loose balls to obtain possession. Our ball control is improving every week. Thank you to John T for being our sub, the kids needed that extra support.

Overall, fantastic team work today. We can't be more proud of the team. Each and every player did exceptionally well. It was worth the hoarse voice from all the cheering! Player of the match was Kevin Quach for holding up our defence line with his multiple, strong clearing kicks today.

**U9 White** vs **McCredie Red** 0 – 0

What a great weather for soccer today. The team showed up a bit nervous playing against a team that we lost to twice last year to as well as having our goalie away due to illness. But the boys were determined and didn't give up. They listened to whatever Claudio said and performed it really well on the field. We saw some great keeping skills by Danyel risking himself to keep a clean sheet. Jonah, Jacob, Lucas defending well and breaking attacks that came their way. Akshan, Daniel and George held their play well in mid field while Julian, Ali and Thomas played our strikers. Even though we seemed to be having difficulties finishing off the play, today was a very intense game that was played really well by both teams. Thank you to the Reds for a great game. MOM: Lucas Fisher

**U10 Red** vs **McCredie Onyx** 0 – 2

The reds were a bit anxious going against the unbeaten Onyx. Our front was non-existent as everyone was covering the back. Michael, Gethyn and Hashmatullah were scrambling in the back. Zain and Hussein came back to help. Mohammed and Stefan came on in the second half and were able to pop the ball forward to Jesse and Brandon. Even though the Reds lost, the boys showed grit and perseverance. They were spread out and chased more. Player of match to Hashmatullah Ghazie for attacking and pressuring the ball. He won a lot of balls in the middle. Coach's encouragement award goes to Stefan Resnik who learns from his mistake and came back more determined to contribute to the team. He chased and challenged the ball till he was red in the face.

**U10 White** vs **Wentworthville Uniting Blue** 1 - 0

Wow what a thrilling match, for both sides I'm sure. We came into the game knowing that the opposition had some strong finishes in previous weeks. After a devastating loss last week, we needed to bounce back with a stronger performance. With no training earlier on the week due to rain, we had a super quick training drill and pep talk to improve from last week. We also knew our defence had to lift if there was any chance of overcoming Wentys. The kids knew the games plan, now it was time to execute. We had to borrow Christian from U9 just to make a full team so fatigue was another factor against us. Both teams started off well. It was neck and neck. Neither side was backing down and it truly showed on the field. It was back and forth like a seesaw that even the parents were incredibly tense. Wentys had a few quick and skilful strikers that were looking dangerous from time to time but our defence was relentless by George, Ayaan, Mustafa and Omar the goalie. It remained nil all at half time. Second half was getting tense and our midfielders - Danton, Jacob and Christian were feeling the pinch from all the running. Some much needed backup arrived when Christian turned up, providing some relief for our midfilders. We knew if they hung in there, their opportunity will come. Deep into the second half it started appearing. Up front Saif and Danielle had moments of attack when finally, Saif was successful. We were up 1-0 when Wentys started to lift in an attempt to level the score. Fatigue was now starting to show and we were at risk of conceding a goal. Omar our goalie boosted the morale of the team from each save. This helped to keep them focussed and driven. There were moments where an equaliser seemed imminent but the team always seemed to pull a save in the dying moments. It remained that way until the final whistle. We won! Great team effort everybody. Let's do it again next week

**U10 Onyx** vs **McCredie Red** 2 - 0

Another great game for the U10 Onyx today in a tough 2-0 win against the Guildford Reds. With both coaches being able to watch the whole game for pretty much the first time this year, both Wil and I were super impressed with the way the boys handled what could have been a tricky game. The team was fantastic in ensuring the game was played mostly in the opposition half with special credit to the backline of Moussa, Rushil, Mykal and player of the match Kelvin whose amazing slide tackle in the first half stunned everyone on the sidelines. Mr Reliable up front Nik scored our two goals again giving him an almost unbelievable tally after five games. The boys were exceptionally patient in trying to break down a defence that often meant all nine opposition players were defending their own goal. Special credit to Jason for taking the most corners ever seen in an U10s game. While the score wasn't as drastic as previous weeks, the performance up and down the park was fantastic.

**U11** vs **OLQP Falcons** 2 – 1

We won but despite this today was not our best performance. We struggled to keep our shape and play our positions. Thank you To Gethyn, Brandon and Zain for some much needed subs on a warm day. Goal screr – Sunday Makuendit 2

**U11-13 Girls**

vs Wenty Saints

1 – 0

Great win for the girls today, it was a close game. Wenty would take shots and our amazing goal keeper Huda would save even the most difficult that were sure to go in. The ball was up our end 1 minute and down the other the next. Wenty didn't give up and were hungry to win however, the girls just wouldn't let that happen. Goal scorer – Stella Fitzpatrick 1

**U12**

vs Auburn District

5 – 2

The 12s did very well today playing their positions against our fast moving opponent we started out strong with several opportunities in the first 10 mins but only one striker and one player short we just couldn't finish and it was our opponents who found the net first. Straight from the next kick off we were goal hungry with a beautiful run through from and shot from Sunday we were back in it. We went into half time 2-1 down but hopefully for a good second half when another player arrived we now had our full strength up front. I informed the opposition coach we now had 11 and that our extra player was on the field. "Probably wouldn't have noticed" he replied. But he definitely did when Xavier got going. Some awesome assists from Ali and Alvin saw us take the lead and a penalty helped us seal the deal. Well played by everyone today but Xavier was 100% man of the match. **U13** vs Auburn District 3 - 2

Not being able to train has definitely taken its toll on the team. Auburn gave us one of our hardest games all season today but the boys stood up and defended well. Alex did not know what position he was playing but somehow just managed to be everywhere it mattered, even playing injured setting up and even scoring from the corner for a lovely goal. Tom was also there when it mattered and everyone had to put their bodies on the line to defend the opposition. It was such a physical game and I could not be more proud as a coach of every single one of the boys for the effort put in. Special thanks again to Xavier who, as always gave his all playing up for us.

Goal Scorers - Hussain Mirzei 2, Alex Rusu 1

**U14** vs Granville Waratah 2 - 0

Tough opponents today but we held our own. We showed lots of skill and determination and we were happy to come away with the win. That said we lost the midfield so we had no marking or options to play in the middle. Our throw-ins let us down and our backs need to clear the ball at the first touch. Thank you Matthew Lu for being our stand in coach.

Goal scorers – Sebastian Kerr 1, Abulfazl Amanullah 1

**U16** vs Dundas United 1 – 4

The highlight was probably wishing Chris a happy birthday. Unfortunately we did that before kick off. Simply not our best performance with little apparent effort before half time and conceding twice with poor decision making in defence. In the second half there was more effort from some but overall our hearts just weren't in it. Armin, Samuel and Zikria tried hard in the second half. The shame of today was that we are playing lots of teams better than us in this combined comp, but Dundas really aren't one of them. Opportunity lost.

Goal scorer – Christopher Germanos 1

**U17** vs Dundas United 1 – 1

Going into the game we knew we needed to win after last week's draw. We did everything right except find the back of the net. Our biggest downfall was the early onset of panic midway through the second half. We chose to play individual football instead of work together as a team and are suffering with the loss of 2 points as a consequence. This result means next week's game is a must win.

Goal scorer – Ibrahim Koroma 1

**Premier Reserves** vs Kings Old Boys 1 – 2

Ultimately football is a game of chaos and luck and the latter was not on our side this week. Hitting the post three times and forcing their keeper into some very good saves. Also factoring in three players were injured during the game, the situation was not in our favour. After fighting valiantly, in the end there was some visible signs of fatigue which resulted in both conceded goals. We learn and move on.

Goal scorer: William Wark

**Premier League** vs Kings Old Boys 1 - 0

I would say this game was closer to rugby than football. On a surface which was in essence hardwood, the speed of the game resulted a multitude of turnovers. Nevertheless the boys kept the opposition's chances to a minimum, whilst creating plenty for themselves. It seems that if we can get a free kick from any where in the final third we can punish the opposition. A handy addition when the game is reduced to chaos.

Goal scorer – William Wark 1

**All Age Ladies**      vs      Pendle Hill      0 – 0

Today was going to be a tricky game. Pendle Hill are just behind us in the comp but with similar results to us. They were good enough to have been able to beat us but Jenna's communication at the back and the general quality of her play, well supported by Keely, Sarah, Kiwi and Elise meant that Pendle Hill didn't really get close to scoring. At the other end we didn't miss any clear chances we were, like Pendle Hill, struggling to get the ball to our strikers in positions where they could have a crack. Could've been worse, could've been better.
