RAIN – WHAT TO DO

It's raining, it's Saturday!! Is the game on??

Your manager will know if the game is on, give them a call. Very rarely is a decision made before Friday evening. If I have not called your manager, the game is on, even if it is raining!

*Most often games will still be on so **do not just stay at home**, you will be letting your child's team down!!!*

It's raining and it's training tonight!! Is training on??

If the ground is closed you cannot train, *even if it's not raining!!* Parents and players call the manager or coach.

All Age Ladies vs Rydalmere 5 - 0

No question – it was nice scoring goals and sustaining attacks. But we cannot lose sight of the fact that 5 was the bare, acceptable minimum goals against this side and we still missed clear opportunities that we cannot afford to miss in games against higher placed sides. One of the secrets was scoring early. We scored within the first 3 minutes and that always makes a huge difference! Tonight Nancy was a true standout with some telling runs down the left and it was very nice to see Jenna streak away in a rare opportunity up front and finish it beautifully. U6 Red vs Lidcombe Churches 3 - 3

It was a game of 2 halves. We started the game with plenty of attack but couldn't score. Lidcombe then got a goal on counter. Josh got injured and was off for most of the first half. So with just 5 players on the field, Lidcombe scored 2 more goals. It looked tough. Eden had a great attitude in goals. In the 2nd half we came out with new found energy, with Abdul and Ibrahim having good chances at goals but just missed the finishing touch. Josh played back to stop their attacks. Wasim had good runs around the park all game and Aidan played a solid all round game and got into the right positions to be able to score 2 good goals and another which bounced off a Lidcombe player to beat the keeper. With momentum on our side, it looked like we were going to pull off the great comeback, but unfortunately time ran out.

U6 White vs Kings Old Boys 1 - 2

The under 6 whites had a disappointing game today. They tried their hardest but the wind was not on their side, losing to kings 1-2. Charbel and Samuel had a great go at goalie while Roshav, Samipya and Arman all went out to strike from the beginning. Thomas, George E, Shane and George M made some good runs and defended well. Well done boys! You tried your best! Players of the week: Roshav and George M

U7 Red vs **Wentworthville Uniting** 5 – 1

The reds showed the best teamwork displayed all year , Ali and Utkrist worked beautifully together , passing up front for the other to score. Noah, Ghani and Zackariah played defence, due to them holding position and sending the ball up especially from Noah, the opposition rarely had a chance to move towards the goal. Sireen made some nice runs alone almost scoring and assisted when it was needed. Aleena made some amazing saves and the reason why there weren't more goals for Wenty, even taking a pretty powerful shot to her leg. With a few leg Pats she was back and ready. Awesome effort yet again!

Tough opponents today, we had full players today. We lost the game but the team played really well. Thomas scored our only goal with free kick.well done Thomas! Jacob as usual was under the pump. He did excellent job as usual. Aakash had eye poked by accident, Omid had ball shot at stomach, Xolani fell few times.Few minor hiccups but all are okay. MJ is improving. Great defence team. We need more attacking and hunger for goals.

It was a match with tough hassles but we were able to stay strong and worked hard on pushing ball forward through strong passes and took advantage of our opportunities. Jeremias added to his tally again and scored 3 goals by staying persistent. Michael worked hard in defence and also scored one goal. Joachim-Cruz and Emaan both worked on strong passing and creating opportunities. Arad and Xavier stayed involved and played well on the wings. Emily had a quiet first half as goalie but second half played well in position as striker. John played a consistent game in defence and worked on creating strong opportunities.

We had a full team today which was a bonus and they were all eager to play. However, the kids did not play to their full potential today. There were big holes in our defence, we lacked aggression in tackling our opponents and we were unable to follow through with many missed opportunities to score. Definitely plenty of room for improvement and in need of additional training sessions. Lukacs did score his first goal for the season so well done! Hoping for plenty more of those in future matches! Let's not give up and keep on trying Reds.

Today we started off a bit disoriented. The boys were everywhere and not so focused. Most of the first half of the game was played in our half keeping William (our goalie) busy saving goals. The strong wind did not help either. Half time came so quick and we were down 0-1. But second half started and it felt like we had a new team. Everyone got onboard and played their part in the game. Our defenders (Lucas, Jonah, Danyel, Jacob) made sure they tackled any attacks that came their way, while our midfielders (Akshan, Daniel, George) kept getting the ball through to our strikers (Ali Abbas, Julian, Thomas). It was great to see the boys come back strong bringing the win home. MOM: Daniel Depares & William Livingstone.

What a cold and windy Saturday. The team were a little flat and disorganised today. Hussein, Youssef, and Hashmatulla were trying to run up the sides, but were getting tackled. Julian and Brandon had some good runs at goal but the wind was blowing the ball too fast that it got away from them. Michael, Akshan and Gethyn were chasing hard to push the ball to safety. George and Wahab were getting good touches on the ball, but they were committing to early. Goalie Will was switched on and saved at least 3 ball. The blues were well drilled and played their positions. Team were bunching up and getting in each other's way. We need to work on bombing ball forward and longer passes. Quarter of team off sick, so, thank you Julian, William, Akshan, and George for subbing. Player of match - Gethyn for his bull dog defence. Coach's encouragement award - Akshan and William for good position play

An interesting game today against one of the weaker teams in the competition. The overwhelming positive from the game was the exceptional crossing from all the boys that played out wide today. Unfortunately in the first half some of the boys not used to playing in the back didn't maintain the discipline in staying behind the ball leaving sweeper-keeper Farooz trying to make tackles on halfway. Thankfully the positioning was infinitely better in the second half with players such as Rushil, Moussa and Yonathan holding position expertly. Player of the match goes to Stefan who bagged a goal and an exceptional header off a high ball that put through the forwards on goal. Had it not been for some great goalkeeping from the opposition the score really could have been anything but a pretty good effort in holding the ball and finding efficient passes. Tougher game next week, looking forward to it!

Some decisions didn't go our way today, but sideline politics aside we came out on top. Some great passing by Francis, Michael, Akram and Rehman and some awesome through balls from Ali meant that our forwards could stay forward. In goals Matthew had a fantastic game and nabbed himself player of the match. Mohammed, Benton and William did well in defence and Sunday and Hussein scored our goals, and would've had more if the wind went their way. Good job boys, unlucky not to score more.

Thank you Lukas from the u9s for playing with us today!

U11-13 Girls vs Wenty Saints 1 - 1

Today was intense! With a few players away up against our strongest opponent it was sure to be a close game. Our defence deserves a medal for the amount of times they saved opportunities for the opposition to score. Rianna and Olivia shut down almost every chance, those girls really worked hard today. Sarah surprised us and made some beautiful runs down the line, she showed confidence today. Oriana was put into positions she normally doesn't play and her effort was great, not once did she give up. Lucy had some aggression today and didn't let the defender take her ball. Kaskade and Georgia made some nice passes, assisting when needed and didn't stop which was great. Stella and Renee were outstanding, not only did they both play their positions, they also dropped back to help out, which in turn saved us multiple times. Then there is Huda, she wanted to play on the field second half, thank goodness she didn't. Were it not for her courageous and quick reactions when shots were being taken one after another, Wenty would have won. I even overheard Wentys coach say how amazing she is as a keeper. Not a win but still the girls remain undefeated.

U12 vs Wenty Waratah 2 – 1

The score says it all; we played the undefeated top of the ladder today and showed them exactly why we deserve to play them in the finals this year. Our defence was fantastic, William, Benton, Andrew and Joey worked well together to keep them out; but our player of the match was Ali, because not only was he such a strong sweeper, he also nabbed a fantastic goal off a free kick from about 30 metres out. Great games from Adam and Alvin who worked hard up front and in the middle. Our attack stayed strong and when Xavier held his position he scored his own awesome goal to seal the win. Akram was an amazing keeper and stopped them from scoring the whole game. They're undefeated no longer, well done boys!

Today our boys showed there were no battle scars from our loss against Greystanes. All the boys and Stella played amazing. Everyone worked as a team and passed well up the field to get the ball to the goals. Extra amazing game from Shuaib today, even though he missed a penalty from in the box he made up for it with an awesome goal in the 2nd half. Lachlan also got time on the field in the 2nd half and did really well in defence. Great work by Dylan also today who just didn't give up and kept chasing no matter what. Man of Match - Shuaib

Short of players but so was Lidcombe. The wind made for a tough game but we got through with a win. Everyone played well and kept their position well. Defence played so far up the field it wasn't funny. Just glad they were all fast enough to get back and defend when needed.

U16 vs Auburn District 0 – 6

The team really knew we were in for a big challenge today. Auburn is on top of the comp so we set ourselves for a big defensive effort. To be down just 0-2 at half time was a huge achievement and it was down to a side that was committed and determined. Armin worked hard as did Samuel, Aaran, Mushtaba, Edward and Mohammed D. Across the back Christopher and Mohammed S were amazing and Abu in goals had another great match. We come up against a few teams from our own division in the next few weeks so it will be important to take this defensive effort and combine it with some attacking flair.

U17 vs Ermington United 5 - 1

With the comp being a 3 horse race, goal difference is of extra importance. We knew that we have to win big in order to ensure our goal difference stays healthy. Unfortunately we started off sluggish and playing sloppy, disjointed football. Ermington actually scored first which was sort of a relief as it woke the boys up. After being 0-1 down with 10 minutes to go in the first half, we went into halftime 3-1 up. Second half was a much better half although we butchered numerous chances by not shooting or shooting at the keeper. Should've, could've been double digits but wasn't. We need to convert these chances because unfortunately 3 points isn't enough. Man of the match - Mounir.

Competition Round

All Age Ladies vs Parklea 4 – 4

Last round these guys shocked us game 1 with a 1-5 thumping. But today we had a different mindset and set about taking it to them. We gave up an early goal before hitting back with 2 of our own. They equalised before we went ahead again before half time. We had had a gale at our backs so the second half was always going to be challenging defensively. They scored 1 and another. We suffered a couple of injuries and it was appearing that it may have been a valiant but ultimately disappointing morning. But the McCredie ladies would have none of that. Equalising and then as the clock ticked down pressed so hard that many believed a 5th ball had crossed the line, only to be waved away by a distant referee. Parklea were lucky to get a draw. It was our best effort up front with us converting all of our clear chances and creating a number of other close ones. Mika and Katrina are really starting to play well together. In the midfield Shaka was outstanding and between the sticks Hendrika pulled off a couple of really good saves. Unlucky girls.
