**RAIN – WHAT TO DO**

**It's raining, it's Saturday!! Is the game on??**

Your manager will know if the game is on, give them a call. Very rarely is a decision made before Friday evening. If I have not called your manager, the game is on, even if it is raining!

*Most often games will still be on so **do not just stay at home**, you will be letting your child's team down!!!*

**It's raining and it's training tonight!! Is training on??**

If the ground is closed you cannot train, *even if it's not raining!!* Parents and players call the manager or coach.

**U16** vs Ermington United 0 – 7

Ouch. We didn't play well but to lose by 7 doesn't really describe the match. In the first half Ermington scored three times off corners. Some good goals and slack marking but not an indication of the play from the field. Anyway we were outplayed nonetheless. Armin stood up in a different role and Samuel also.

**U6 Red** vs Kings Old Boys 1 - 1

A fair even contest today. Kings played well and so did we. Both teams had chances with Ibrahim scoring an excellent goal in the first half to give us the lead. While we had a few more good chances it just didn't work today. In the second half Kings scored to level and it was a tight arm wrestle after that to finish in a fair draw.

**U6 White** vs Wentworthville Uniting 6 – 0

The under 6 white's had a great game today. They played well as a team and their defence was amazing. George E and Charbel were great goalies, saving some good attempts at goal while Thomas, Samuel, George M played some great defence. Samipya and Roshav had some great runs and attempts at goal but our goal scorer today was Arman with an amazing 6 goals!! Great job Under 6's. Players of the match: Thomas and Samipya

## U7 Red vs McCredie White 1 - 3

Today felt like absolute chaos. The reds are normally a team that is very structured but today it was a shambles. Club rivalry took this game to new heights, it was rough. Ali scored to make it 1-0, then the whites quickly countered. The whites scored again off a direct free kick. To the reds credit not once did they give up and kept trying to score but with the whites having Jabari act as a sweeper there was no chance, he saved every shot that was bound to go in. We are undefeated no longer to our biggest rivals. A few things to work on for the next game.

## U7 White vs McCredie Red 3 - 1

The game today was one of the best matches of this season. The REDS scored the first goal which sort of seemed to ignite the white team to up their game and defence. It started calm and with Jabari being taken back to defence backed by Pablo, Dominic and Jayden it was hard for the red team to penetrate to our goals. With the back safe Isaac received the shoots to score the first goal and the team became motivated. Then there was a free kick that Isaac made perfectly to get our second goal. On the second half the red team came back determined to equalise however the white team was coming back to defend and at the same time attacking which earned us a third goal. Jayden was perfectly passing the ball and our not so little Zayd was hassling the ball from the other team. With coach guiding our top defender Jabari to protect the goal passionately no shoots got near our goal. A big kudos to the team for listening to the coach.

## U8 Red vs Lidcombe Churches 0 - 6

Hi Team, Very good improvement in today's game. We started our morning by singing Happy Birthday to Theo turned 7.our attacking formation seems to be working. Boys played their positions well. Great attack by Thomas and Yousef, almost scored few goals. Strong ball kicks from Jacob kept the ball away from our goal post today. Good run from Xavier and Omid. Good defense from Aakash, Mj, Kobi and Theo. We have rooms for improvement.

**U8 White** vs Kings Old Boys Blue 1 – 3

Today the shout out goes to the whole team - Arad, Emaan, Emily, Jeremias, Joachim, John, Michael and Xavier. After a big loss last time we played KOB, today we took the field ready for the battle and worked hard for the whole match. We stuck to our positions, was strong in passing and stayed focussed in defence. Jeremias put the points on the board with a great run through the middle and Emily was fantastic as goal keeper with some great saves. Let's leave the last comment to our wonderful coach Peter "I would like to reiterate what I said after today's match. 'The best game I've seen the team play.' Even though we lost, the players played as a team we played with a player short, we scored first and we were competitive for the entire game. Great effort by all players."

**U9 Red** vs OLQP Falcons Blue 1 – 1

A fantastic game played today against a tough opponent. Everyone was full of energy, persistent and committed today. Remembering and applying all that was practised during training. A very happy coach even with a draw because everyone put in their best effort and performance. And thank you to Emaan from U8s for assisting us today and almost scoring 2 close goals. Well done team!

What a beautiful day today for soccer. The sun was warm and our players were all warmed up and ready to go. They listened to instructions carefully and performed exactly what was asked. We saw some great passes and excellent play that impressed both coach and parents on the sideline and for that they were rewarded with an amazing game. MOM: George Massoud

## **U10 Red** vs **Western Sydney Westeroos** 4 - 0

What a gorgeous day to play soccer. Even tho we were a player down, the boys were rearing to go. Brandon made the first break to find the net. Hussein and Yousef chased the ball all the way to the opposition's goalie. Hasmatuallah, Daniyal and Gethyn played their positions well and made sure the defence net was impenetrable. Jesse and Stefan as goalies were undisturbed. They came out and got straight into the middle. Michael came in for 10mins to cover the back so the defenders could push forward. The boys were switched on the whole game. They passed, communicated, and spread out. Player of match - Yousef for chasing the ball. He was able to capitalise when the goalie fumbled. Well done on first goal. Coach's encouragement award - Hussein for never giving up. He smashed the ball into the pole, then got the re-bound to find the back of the net for his first goal. ## **U10 White** vs **McCredie Onyx** 0 - 9

Playing any undefeated team is always a tough ask so we knew that Onyx was always going to be tough. We started off well but the Onyx team was super strong in attack and giving us a hard time. Before we knew it, we were two goals down despite our efforts. We regrouped again and started to fight back. Amazingly and to our surprise we were able to convert a goal. Despite that Onyx continued to punish us after some sloppy defence. The second half was much the same where we had our opportunities to capitalise but failed to execute. Regardless, we still managed to give it our best. We scored our second goal as Onyx continued their relentless attack. By now it was 9-2 as time wrapped up. Still a loss but one that was not as punishing as last time so U10W, be proud of your efforts.

## **U10 Onyx** vs **McCredie White** 9 - 0

Tougher start for the boys going down a goal early which was something we were not used to. To their credit they bounced back well for an impressive 9-2 win with goals to Nik, Jason and Aaron. Man of the match was Mykal who was brilliant at calling for the ball and setting up one of our goals with a fantastic one-two pass. Special mention also to Yonathan who made the coach very happy by playing a role at the back and man-marking the dangerous striker on the opposition. On the whole a pretty positive effort to show that even after a tough start the team can keep it together.

## **U11** vs **Kings Old Boys** 2 - 0

Today we played our positions well and were unlucky not to score more. Once again Matthew was great in goals, stopping a free kick that looked like it was going in. Michael worked hard up front and down the right and was unlucky not to score but made some beautiful passes earning himself player of the match. Hussein was in the right place and skillfully executed 2 goals. William was wonderful in defence and kept their best player from scoring. Well done boys! It was a great game across the park!

**U11-13 Girls**

vs

**OLQP Falcons**

**6 – 1**

It was a slow start until the girls started to find their feet again, Renee scored. After a few mistakes the opposition was awarded a penalty goal to which they scored from. Olqp got some motivation which ended pretty quickly with Huda, Renee and Rianna making the score 6 – 1. Kaskade was on fire today, best game so far even attempting to score, nice to see her confidence grow. Sarah was our goalie second half and made some great saves. Olivia was solid as always in defence, she chases down everyone that gets past her to win the ball back. Marwa was getting right in there with the tackles and made a few beautiful passes that eventuated in a goal, the best game for her so far too. Lucy was hungry to get a goal, she was upfront trying to no avail but awesome energy from her today. Abak supported in the midfield with some nice passes. When Huda is not in goals, she is awesome on the field. Her goal came from a effortless lobby over everyone in straight in the nets. Rianna played goalie first half and was great, when she is on the field she is even better, a goal scored too. Renee was in the right position at the right time, her goals came from her either working incredibly hard to get around players or being in her position waiting for a pass to score. Also a huge thankyou to Simon for refereeing. He is on of the biggest helpers to the team and warms up the girls when needed. A huge supporter that is greatly appreciated 😊

We struggled to keep our positions today but still managed a win. Just remember we can't play like this against top teams. Adam scored a fantastic goal to start us off and was an amazing keeper, earning himself player of the match! Ali was strong in defence and the midfield, challenging for every single ball. Mirwais and Joey played awesome in defence and put through some great balls for the attackers to score! Remember boys: it's nice to feel confident, but good to be humble.

**U13**

vs

**Pendle Hill Tigers**

**5 – 3**

Our game started today at 9am. Unfortunately our boys were still asleep though and didn't wake up until 9.15am when we were 2-0 down. We thought we were going to need to call the ambulance for the coach after the first 2 goals went in but then the boys decided to wake up. We went into half time 2-2. Just after the break Pendle Hill went up to 3-2. Tom and Stella really saved the day with some amazing defence and attack and a couple of wonderful plays saw the boys come back to win the game 5-3. **U14** vs Rydalmere FC 3 - 0

We were in for a tough game today. Top of the ladder clash. The boys played well and were definately there to win today. We kept the ball moving forward and with a bit of hard work and determination we were able to keep Rydalmere scoreless. A bit of rough contact was sorted out quickly before it escalated. JP had a good game in goals. Defence stepped up but not without some heart stopping moments. Awesome win.

**U16** vs Wenty Waratahs 2 – 3

It certainly does seem that every time we make an error we get punished. Today we made three errors in the first half that were punished with goals. In the second half we looked like a completely different team and took it to the opposition, connecting passes in midfield, feeding the forwards and scoring goals. It was great to see Aaran and Katrina finish nice goals and to have Mohammed and Fraz step up in midfield winning balls and making nice passes. Player of the match though was Mushtaba who was excellent all day.

**U17** vs Greystanes FC White 2 - 0

Today execution was really poor. We keep coming up against teams we should dominate against but every week it doesn't show on the scoreboard. We need to keep playing football to our potential rather than slipping to our opponent's level. Matin welcomed himself to the Guildford goal club with a 25 yard bomb.

**All Age Ladies** vs Minchinbury Jets 1 – 1

Let's be honest – this feels like a loss. We were up after 15 minutes and stayed up and under very little threat for the next 65 mins. With less than 10 minutes to go they won a free kick and a well taken kick found a head and the net. It does go to show that every small mistake, every missed opportunity up front, every miss kick in midfield and every missed header in defence usually doesn't, but sometimes does – matter. More attention to these details is required. Shaka, Laura, Nyanut and Katrina were outstanding all game. Henny was under little threat but when called into action did a great job. Sarah Allen bravely played the hard half into the wind despite injury and Kiwi backs up again and again and gives everything she can. As a club McCredie should be very proud of all the ladies that represent us. I certainly am.
