To William Wark, who scored his 200th (and 201st, 202nd and 203rd!) goals for the club on Saturday. Not bad for a guy who spent most of his career playing in the back.

All Age Ladies vs **The Ponds** 0 – 3

From our opening kickoff, 7 players touched the ball in a string of passes that finished with a shot and their keeper in possession. The sequence had taken a little over a minute. From their keeper's punt we made two errors and within the next 40 seconds we were down 0-1. When we are good we are excellent, when we switch off then bad things happen. We were three down at half time. A nasty injury in the second half and the game was cut short. We need to regroup because we will face The Ponds again next Sunday.

U12 vs **Lidcombe Churches** 7 - 1

A great game was played by all tonight we rested our strikers giving them both a stint in goals either half but that didnt stop them both from scoring goals. Our backs held strong and a side from one break away we were almost impenetrable. We played some great passing in the midfield always finding our own players. Well done to everyone on a top game. U6 Red vs **Bye**

U6 White vs **OLQP Falcons Blue** 0 – 2

The under 6 whites had a bit of a tough game today against OLQP. All players tried their best but we finished the game with a loss. Everyone ran hard, defended well and our goalies George M and Samuel tried their best and defended some good shots at goal. We also celebrated Shane's 5th birthday after the match. Happy birthday Shane!

vs Kings Old Boys

It was a slow start with a quick goal from Kings . From that point Guildford slowly built up momentum, Aleena was solid In goals after the first goal not letting in another. Ghani did some great long balls . Utkrist met his match with the opposition having the same speed which let to many misses opportunities , however he definitely tried his best to out manoeuvre. Noah , Mawien and Ali were amazing, not only did they work with one another, there were multiple times they were bold with either taking runs alone or taking shots . Ali and Mawien both scored after some persistence. It was a game that should have went a lot better but still a good result

A very exciting game today! Very good effort from all the team members. Thomas and Yousef had good attempts to score goals. Yousef Dad came to watch the game for the first time and Yousef promised a goal as Father's day present to make his dad proud, he got it! The team is holding thir positions well but just have to go for the ball than wait. Good defence from MJ, Aakash and Kobi. Omid, Theo and Xavier di great job in the middle possessing the ball. Getting better every week, almost there!!

Today the team continued on from where they left off last week. Playing their first game without Coach Peter on the field, the team took the field with confidence and ready to play. From kickoff they pushed the ball forward and it was not long until Michael put the first points on the board. The first half the team all stayed strong in their positions and with good passing Joachim added two amazing goals curving the ball in from the right side as well as another from in front. Jeremias showed his running skill making some great solo breaks and added 3 great goals to his list. Arad and Xavier were strong on the wings getting involved with some good tackles. John kept our defensive line strong during first half and was reliable as goalie second half holding out any attempts. Mithesh as goalie had a quiet first half but the second half had strong involvement at the back in our defensive line. Emily enjoyed being able to play a whole game on the field making some good tackles and passes. Emaan played a consistent game working hard in both attack and defense.

U8-10 Girls

vs Wenty Saints Purple 5 – 1

What an exciting game. We went down 0-1 early, only to come back to level up at half time. In the second half, despite being down a player, we stormed away with the game. It only takes 3 players to make a triangle and we bamboozled Wenty with our passing, moving the ball around and around until they were dizzy. Then we kicked it in! Very brave display of tenaciousness and fitness from Lopasi, Faith, Emily and Kuei.

U9 Red vs **McCredie White** 1 - 1

Another game, another draw!! We were up against our toughest opponent but the team played extremely well. Everyone marked players and spread the ball out in attack. Our defensive line was fantastic and we kept the pressure on the opposition. Unlucky triple miss on a penalty shot had both teams in disbelief. The Whites scored in the first half but our boys didn't give up. Ameer's late goal in the last 3 minutes brought the game to a draw. Amazing game to watch and well played by the GMU Whites as well. Players of match were Jawad and Jayden for their energy and persistence throughout the entire game.

U9 White vs **McCredie Red** 1 - 1

Today the boys were a bit disorganised and our defence just wasn't with it. As a result we hand balled in our box giving the Reds a penalty kick. We thought it was definitely not a great start but our great goalie managed to save the shot and then again from the rebound. The boys then pulled up their socks and started to move. At half time we were up 1-0. Second half came, we started to tire and not run much. Our defence again started to crumble and as a result the Reds managed to break through to score and even out the game. Thank you to the McCredie Red again for giving us a great game.

U10 Red vs **McCredie Onyx** 0 - 5

The boys showed real grit today against a well drilled team. Onyx were relentless, so, Daniyal, Gethyn and Hashmatullah were scrambling. Goalie Stefan made lots of saves, which came at him from all directions. Zain, Hussein, and Youssef had to fall back and cover. Second half, onyx were tiring. Jesse, Julian, and Wahab were chasing in the middle. Brandon and Hussein broke free, but found the goal posts instead of the net. Need to work on getting to the ball first and to close the angles. Loved how the boys never gave up. Player of match - Stefan for being focused the whole game and bravely using his hands around lots of feet. Gethyn for reading game and tenaciously chasing the ball

U10 White vs **Wentworthville Uniting Blue** 2 - 2

We came into the game with confidence but a little hesitant with a few players away. We put together a plan we thought would give us the best chance to win our game. The game started strong for both teams but we quickly found ourselves defending for a large portion of the half. Fortunately, our defence was up to the task each time there was a threat. Some quick thinking from our goal keeper to return the ball deep down the field and found our strikers. This happened in quick succession to have a goal each from our strikers Saif and Danielle to be up 2-0 in the first half. The second half started like the first with the ball being played mostly in our half and our defence tested time after time. Playing against the wind and running up hill, it proved to be a little more challenging this half. Everyone was severely tested. Fatigued kicked in a little which ended up giving a goal away to the opposition. We fought back hard and started to counter some of the attacks coming our way but the ball kept finding its way deep in our half. Time was starting to run out and we needed to hold out for the win. Unfortunately, in the dying seconds the pressure became too much to bear and Wentys scored to level the game at 2 all with the time running out. We'll try harder again next time U10W Scors: Saif Al-Kanaani 1, Danielle Sleiman 1

U10 Onyx vs **McCredie Red** 5 - 0

Well the boys certainly turned it on for the game when both coaches were there to see it. Easily the best performance of the year across the ground. The way the boys were able to control possession of the ball by finding excellent passes from the back to the wings and then back into the middle was reminiscent of teams with far greater experience than the U10 Onyx. Special mentions to Mykal who made an excellent effort to track all the way back and make a vital tackle from midfield, as well as Kelvin and Jason whose passing was always exceptional under pressure. Even in a game where we controlled the ball there was still room for goalkeeper Farooz to make an amazing save in the last minute to preserve the clean sheet. But the unanimous player of the match among both coaches and parents was Rushil who was an impenetrable obstacle at the back and when sent forward managed to bang in a brilliant free kick. Couldn't be prouder of the team today, hoping they can maintain that level for the remainder of the season.

What a game. It may have been a loss today but we were 100% the better team on the field. A goal early on in the first half found us in the lead. A great ball out of the backs for Husien who set Sunday up just outside the 20 yard box and a shot that just sailed just over the goal keepers finger tips. PERFECT FINISH. Wenty have not trailed in a game all year and have sat comfortably in their top spot. This gave us a real confidence boost and we spent a lot of time in the first half attacking strongly. Our backs held strong and marked their players all so well. Unfortunately a free kick from 40 metres out was our demise. We held our line strong and looked like we had pushed some players offside the ball was kicked and everyone stopped and waited for a whistle that never came. We all watched as their player scooped up the ball and scored. We need to learn that we need to play to the whistle and listen to the referee even if we think they are wrong. We went into half time with our heads up knowing we were dominating but also feeling a bit defeated and hard done by. A quick pep talk got everyone back up and ready to go. We started again strong in the second half with a lot of the game taking place around the centre of the field. We were hungry for the ball and winning a lot of one on ones and marking so well. With 4mins to go fatigue got the better of us and Wenty were in again. Really unfortunate but as I told the boys we only have to beat them once all year. Everyone should be really proud of their efforts today I know myself and Elise and the parents were. Player of the Match today was Rehman. He is the smallest person on the field and he knows he does not have the biggest kick. But he never gave up he chased down every player and won every ball even against the biggest kids. He has the confidence of an A league player and didn't stop even after being injured twice absolutely amazing for someone until this year had never even kicked a soccer ball. U12 vs Merrylands SFC 1 - 1

A rather disappointing result. We are currently sitting Tied first and came up today against much weaker opponents sitting towards the bottom of the ladder. When we played this team in round 1 we won comfortably 6-0 and that today must of given us a big head. We spent 99% of the game in the our opponents half attacking but yet only came away with 1 goal. A team effort passed beautifully through the midfield and finished perfectly by Sunday in the first 5mins. We then feel apart. We lost all our midfield and suddenly had 6 goal hungry strikers who all believed they were playing a one man sport. 3mins to go and Merrylands made a run straight through the middle, unfortunately our backs who all had a stand out game, were just not fast enough and Merrylands where on the board. What was more disappointing then the goal. The fact the 7 players were still walking back from the other half not even on side when it happened. The boys will need to pull it together the next few weeks heading into finals and learn to play like a team again. Outstanding game from Mirwais today at centre back earning himself player of the match. Goal scorer – Sunday Makuendit 1

U13 vs Merrylands SFC White 3 - 2

It was such a beautiful day for soccer. At least today the team were all awake and ready to play. Our opponents gave us a tough but fair game. Our team defended well but missed a lot of opportunities for goals due to wanting to hold the ball too long or wanting to attempt to score when team mates were open and in the right positions. We did manage to lead 2-0 at half time but allowed Merrylands too many opportunities in the second half. We still have a lot to learn as we are just not making the most out of the opportunities we create but we still got the win to be 3-2 at the full time whistle. Special mention to Lachy who as always played amazingly as goalie I honestly believe he is something special as a keeper. P.O.M - Alex Rusu - played one of his best games so far all season.

A good game today where we held the ball in our possession 90% of the game. We stayed in position and we didn't panic. But at 0-0 at half time we needed to score. We had so many chances at a goal but we kept on kicking it to the keepers hands. A good run from Ali F saw him bag a goal. Then finally we got the ball on the ground and Ali Sina casually put one past the keeper's feet. Anthony in goals had a very few touches but he made them count and cleared the ball without panicking. Today just wasn't our day. First loss in over 20 months of football. We hit the post twice, we missed multiple one on ones and we had a self-destruction in the back. All I can say is that I feel sorry for poor Wenty next week when we come out angry, hungry and more motivated to fix the wrongs of this week. See you boys on Wednesday.

Premier Reserves vs Wentworthville Uniting 1 – 0

Possibly the most controlled performance by the boys this season which only lacked a little bit of composure in front of goal. Still, the communication was excellent and a well deserved three points were taken. Goal scorer – Daniel Richardson 1

Premier Leaguevs Wentworthville Uniting 7 - 0

The biggest win of the season for the lads against a tired Wentworthville team. However, nothing should be taken away from the boys after working really hard in training to make the right decisions. We still managed to miss some glaring chances, which needs to be addressed to make sure we get the results we deserve
