RAIN – WHAT TO DO

It's raining, it's Saturday!! Is the game on??

Your manager will know if the game is on, give them a call. Very rarely is a decision made before Friday evening. If I have not called your manager, the game is on, even if it is raining!

*Most often games will still be on so **do not just stay at home**, you will be letting your child's team down!!!*

It's raining and it's training tonight!! Is training on??

If the ground is closed you cannot train, *even if it's not raining!!* Parents and players call the manager or coach.

U6 Red vs Wentworthville Uniting 7 - 0

Strong performance today from the whole team. Josh bagging 4 goals, Ibrahim 2 goals and Aidan with 1. The scoresheet could have been a lot more, if the kids were able to finish off their many chances at goal. Big thanks to Dieb and Wasim for playing keeper and keeping a clean sheet.

The under 6's enjoyed the spring sun this morning as they played against Lidcombe. What a great game for all the boys! Everyone played well together, passing the ball, defending well and making great runs. Guildford dominated most of the game. Some fantastic runs by Arman, Samipya and Roshav. George M, Charbel and Thomas defending well all game. Samuel was also impressive in goals saving 4 shots at goal. Player of the match was difficult to choose so we had 3! Players of the match were Arman,.

The team we know was BACK!! Teamwork was awesome and the passing was brilliant. Each goal was taken with precision and skill, coach Andrew even had to take Ali and Mawien off and Utkrist went into goals to try give the opposition a fair go. Zakariah scored his first goal all year, today he was super focused. Player of the match went to Aleena, for the first time this year she came out of the goals and did not stop running. She tackled, went around players and tried to score multiple times: she was on fire. Keep up the great energy kids.

What a game today! The team is really in sync at the season goes by. Everyone worked really hard and listening to the coach. The game started slowly but the red was quick to score and did net 8 in total with one own goal making it a total of 9 goals

It was a beautiful day, we played really well. The team had a good warm up in the kids play area. Good passing and co-operative co-ordination provided the desired result. Goal scorers – Thomas Fisher 2, Jacob Nahas 1

U8 White vs Lidcombe Churches 0 – 0

Today it was a hard fought battle but labelled by the ref as a great game by both teams. It was a match with twists and turns and missed opportunities. Everyone worked hard on pushing the ball forward. Our strong defence was the highlight for the team, blocking the breaks from Lidcombe and keeping them scoreless. During the match we fell into some of our old habits but they all made a good effort of not tackling the ball off our own players. Great job today Arad, Emily, Emaan, Jeremias, Joachim, John, Michael, Mithesh and Xavier

U8-10 Girls vs Wenty Saints Pink 4 – 0

Girls had a great game with Faith being outstanding as goal keeper. Defence was fantastic and attack was on point.

U9 Red vs Kings Old Boys 1 – 0

What an intense game to watch today! We missed quite a few opportunities to score and had all the supporters leaving with hoarse voices. Our midfielders and strikers were bunching up a bit and left no one in position to score the goals. But our team's defence and attack is definitely our strength. The boys put up a strong wall and chased down our opponents through the entire game. Lukacs positioned himself well to score us our winning goal early in the second half. We love the team's enthusiasm and their persistent attitude. Let's try our best to climb further up the leaderboard with the last 3 games. It's a very close scoreboard this season! Thank you to Emaan and Joachim for assisting us. Always appreciate the support and enthusiasm from other players in the club. Player of the match was Sebasjin for his outstanding goal saves today!! Amazing play.

Goal scorer: Lukacs Bausse 1

U9 White vs Lidcombe Churches 2 – 0

Another beautiful day for soccer. The boys showed up a bit nervous as coach was away and they had no subs but they managed to shake it off. We started our first half strong in defence and then we began to dominate the game. However we still had problems finishing off the play. At half time score was 0-0. Second half was a bit better. We played well passing and focusing our aim. Defence made sure they got to every attack making our goalie a bit bored as he didn't get to touch much of the ball and it all payed off as they came away with the win. Special thank you to Peter for stepping up as coach. Well done boys!! MOM: Akshan Maskey

On The Ball

Guildford McCredie USC (is an activity of Holroyd Uniting Church.)

U10 Red vs Wentworthville Uniting Gold 0 - 2

The Reds were early and eager to play. The kids were tackling and chasing well. Unfortunately, we ceded a few free kicks due to shoving and pushing. First half was scoreless. Team tried to attack more on the second half. They had a couple of chances but were blocked in front of the goal. Boys need to pass across in front of the goal. Goalie Stefan was on the floor trying to block when another attacker came in, kicked him and the ball to score. The team were run ragged and showing their lack of fitness. Player of match - Jesse for playing his position. Youssef for always chasing and attacking the ball. Coach's encouragement - Hussein for always trying and watching the ball

U10 White vs Western Sydney Westeroos 7 - 0

We started off well with our plan and also boosted with Lawrence having his first game. Saif scored pretty early in the game and there was no holding back. Jacob was strong up front as well as a striker and managed to score one himself shortly afterwards. Our midfielders were stellar in defence, not letting anything pass them. In the odd situation that it did, the back defence were there to back them. The second half was more of the same with strong performance for the team all round. We changed up the positions to give exposure for the players and they lifted there game even more. We started seeing goals from the mid fielders and now there was no turning back and the goals started piling up. The Westeroos did put in a good effort and gave it their all but unfortunately for them they were outmatched by the quicker, stronger and more experienced players in our team. A good win today team, keep it up 😊

U10 Onyx vs Wentworthville Uniting Blue 6 - 0

With limited preparation and a man short, we started today with our backs against the wall without having even kicked off yet. However we slowly managed to get into the groove of the game and controlled the midfield. A couple goals from Jason and Nik brought us into halftime leading 2-0 with a man down. I gave the boys some plans to execute and we stepped up another gear. The passing down the wings was fantastic and releasing Nik up front early was perfect to give him space and time to run onto the ball. Jason conducted the midfield brilliantly and distributed balls to our team. Rushil, Mykal and Kelvin were impenetrable in the back. Aaron and Yonathon made great runs down the wings and delivered smart crosses. Nik was superb up front finishing most chances and Stefan was awesome in goals especially with his feet staying calm and passing to the backline. Great effort boys!

U11 vs OLQP Falcons 2 - 1

2-1 again; to be fair we played a great game, and even though every call didn't go our way we kept our heads up and played hard. Once again Rehman was a firecracker in the midfield, challenging for every ball and hustling the other team well. Matthew was fantastic in goals and made some awesome saves, even intimidating the other team into missing a penalty kick against us. Akram worked hard up the right and put through some great balls for Sunday. Our defence and attack worked really hard and no one had a bad game.

Goal scorer: Sunday Makuendit 2

U11-13 Girls

vs

Wenty Saints

Very disappointing result today! With no subs and some key players absent, we knew it was going to be a tough game up against an opposition that was determined to win. Players were out of position and the general mood was down. 3-0 half time and some changes were made Abak went into goals and did a great job saving many. The girls really tried to win it back unfortunately not pulling through but a tough lesson learnt. Player of the match was Lucy, she really applied everything that we did at training and did not give up at all.

U12

vs

Holroyd Rangers

A bit disappointing to get a draw with a team we beat the first time round, but they improved and we definitely need to start getting serious in this competition. Our backs worked hard to keep them out for most of the game and we were unlucky not to score more goals. Ali Sena played an amazing game and worked hard in defence and attack, taking a fantastic penalty to put us at 1-0. Unfortunately they scored and we got a draw. Hopefully we'll be able to train this week!

Today was not a good day. We still want to play as individuals and not as a team. Missed opportunities again and not utilising our unmarked players let us down. I believe we have so much talent but all wanting to gain the glory. We really need to learn that it's not who scores but how we score that counts. 2 all draw at the full time whistle.

U14 vs Wentworthville Uniting 20 - 0

I would like to start by commending our opposition who never gave up all game. They showed up with 8 players and tried hard and their effort didn't go unnoticed. A little bit of sportsmanship and a little less bantering from our team would have been nice. When we have a game like that, it's easy to lose focus. Positions are still just as important as scoring, that said we had 12 players and 11 scorers. I think we learnt a bit about off side today. Several times I counted no less than 6 players in the off side position. Well done on your win today team.

Sebastian heads it in.

U16 vs Toongabbie Demons Black 1 - 7

This looks like a flogging but it really wasn't a bad effort. Div 1 vs Div 3 is always going to be a mismatch but we battled really well, never gave up, scored the third goal of the match and strung some passes together. The opposition commended us after the game and they were right. Armin had a great game and Haris, despite injury, had some great minutes. Samuel as usual was outstanding.

Goal scorers – Edward Tu 1

U17 vs Wentworthville Uniting 13 - 1

Usually when you have secured a top 4 position and you are playing the team coming last, there is little incentive to play but the boys had a plan and we executed quite well for the most part. For 70 minutes of the game, we were really awesome moving the ball quickly shifting the opposition's defence. Whipping balls in from the wings did us huge favours as we converted half our goals from them. It's great to get a big win before a tough end of the season, playing the top 4 teams again. Man of the match - Krish for being in the right position and finishing really well.

Premier Reserves vs **Ambassadors FC** 1 – 5

Consistency is the missing ingredient for this talented group of individuals. We can dominate one week and self destruct another. There is still plenty to play for this season, it's just a matter of applying the knowledge skills we've picked up along the way.

Goal scorer – Mirwais Waseeq 1

Premier League vs **Ambassadors FC** 1 – 3

Possibly the flattest performance by the team to date. There is no question that this team has everything necessary to lift the cup, however, there are days when we look as though we're not interested in such glory. Learning to adapt to situations out of our control is the next logical step if we wish to progress late into the season

Competition Round

All Age Ladies vs **The Ponds FC** 0 – 2

No one likes not winning but this was a respectable result against the undefeated ladder leaders. We conceded an own goal and then failed to clear (after a great save from Kiwi), to concede a second in the first half. In both halves we created half chances but perhaps didn't take the best options under pressure. Overall though a solid performance with some really solid defence. Laura was outstanding coming back from injury, hard running and solid tackling. Sarah Allen worked very hard to ensure that her player didn't get away and then provided plenty for up front. But player of the match was certainly Shaka, who really stood up and showed what made her the best player in the comp last year – always being available, providing some nice passes and tackling anything that moved.
