RAIN – WHAT TO DO

It's raining, it's Saturday!! Is the game on??

Your manager will know if the game is on, give them a call. Very rarely is a decision made before Friday evening. If I have not called your manager, the game is on, even if it is raining!

*Most often games will still be on so **do not just stay at home**, you will be letting your child's team down!!!*

It's raining and it's training tonight!! Is training on??

If the ground is closed you cannot train, *even if it's not raining!!* Parents and players call the manager or coach.

U6 Red vs OLQP Falcons White 4 - 1

The last time we played OLQP white we won comfortably with a score of 7-0, however today proved differently especially in the first half where the opposition has improved immensely and challenging us really strongly and were the first to score. Our kids held strong and kept attacking, when an opportunity presented itself Sonic Eden was in the perfect position to score his first goal of the season. Well done Eden! Charbel was always entertaining to watch when in goals in the first half and on the field. Dieb had a much improved game with a few good stops, while Wasim let no goals through in the 2nd half while contributing on the field in the first half. Abdul is a tough little munchkin, bouncing back very strongly even after accidentally copping a falcon from one of Josh's many strong kicks. Ibbby had a fantastic game today scoring 2 excellent goals beating a lot of defenders and could have gotten another if the opposition didn't insist on holding his hands and physically escorting him while he was running to goals. But the goal of the game came from an excellent passage of play where Josh attracted plenty of OLQP players before crossing the ball (that's right, it was an EPL style cross) over the top of the opposition which found Aidan at the other end, receiving the ball at half volley and sending the ball pass the keeper into the top right of goal. This happened in an U6 game! OMG!

Great game from a great group of kids today.

U7 Red vs OLQP Falcons White 5 – 1

The Reds put on quite a performance today. The teamwork was outstanding, best passing we have seen all year, it was beautiful to watch. Not one person was selfish with the ball and everyone had a go. The opposition was tough and it was a game up and down the field. Ali did amazing and scored 3 goals, at one point he had 5 people against him and still scored, all I kept hearing from the olqp coach was mark him and dont let him shoot. Ghani volunteered for goalkeeper and although not much action he did save 1, on the field he did great too. Yasmine was goalie in second half and it was unfortunate that it was a goal, due to her catching it and dropping it just behind the line, unlucky but she did really well In goals and on field. Utkrist was assisting everyone, setting up plays and being a great team player. Noah is able to get the ball from defence all the way up to our strikers which saved us multiple times and his defence was superb, the opposition didn't get past him often. Mawien had so many opportunities to score and holding the ball a little too long missed it. He did however score off a very smart play and was very good with his dribbling around players and setting up plays for his teammates. Aleena was out of goals the whole game and she was determined to work hard, she wasn't afraid to take on the opposition to win the ball back and made some nice passes. Zakariah had his best game, he was in almost every tackle, attacking and defending and scored through sheer determination not to give up and keep trying when the ball kept rebounding off players near the goal. He made such a difference. We didn't have player of the match because the team was a solid unit today and the best part was that all of the kids had fun and that's the whole point right

The team has been really pumped up for the game as Zayd said it's the only team that has won against us the whole season. Isaac had some really good shot and did manage to score 2 goals. We had plenty of opportunities but luck was not on our side and by the final whistle we drew. Good play by the whole team and a really big improvement.

Competitive and exciting game today. Good start with Jacob scoring a goal. A good Goalkeeper and a Forward. Thomas was hungry for scoring goals today, he scored a goal towards the end and saved the team from losing. Thomas had many attempts today. We had 2 goals not counted as hand ball and offside. Taha saved a lot of goals, a very good Goalkeeper too. Aakash did good defence and showed some ball possession skills. Xavier and Yousef did great job in the Mid. MJ and Kobi showed great improvement in ball control and kicking. Omid learned some Goalkeeper skills in the first half. The team has improved a lot. Good job coach Lawrence.

This has been our best game played so far! Everyone was lacking energy in the first half but picked up their game in the second. The passing, running, chasing and defence was awesome. Ameer was passing and positioned himself well to support the other strikers. He scored our first early goal when he managed to dribble and shoot accurately into the nets! The extra training must be paying off. Antonio stepped up and made some great clears in midfield. Jayden woke up in the second half to chase and attack our opposition. Jawad and Kevin played excellent defence, not letting their players through. Logan kept clearing the balls with his power kicks, keeping the ball in the right side of field. Sebasjin, our star keeper, kept our opposition's score at zero with his great goal saves. Our U8 subs played extremely well today. Emaan and Jeremias utilised important team work and their strength as strikers, each scoring a goal in the second half. John made an incredible run up alongside the field from his

defence position, almost scoring a close goal. Thank you so much for assisting today boys! Each and every one of the kids played so well, coach was unable to pick a single stand out player of the match. Let's put this game play in repeat for the next fortnight!

Today we were prepared and knew that it would be a challenging game playing a team that we lost once to. But that made the boys want to fight harder to secure their win. The boys all played a key roll in the game and made sure we were on guard. If one would mess up, back up was always there to fill in. Half time came and we were up 2-0. Second half got more challenging and parents on the sideline getting frustrated as the referee kept missing all the hand balls by the opponent. But that just drove the boys to push harder and Julian nearly scoring another goal to be touched by the opponent keeper to be an own goal. The pressure between the teams could be seen but the boys held on until the last minute when the Falcons finally were able to get through our defence and scored. Overall great game played and a win well deserved. Well done boys, keep it up.

Woo hoo! U10reds were all present today. The teams were evenly matched. The whites attacked early as they had the advantage of running down hill. They were spread out, whilst we were clumping again. Defenders managed to shut down their attacks. Goalie Stefan kept his cool during penalty kicks. Second half was heaps better as the Reds put pressure on. Zain, Michael, Brandon came close to scoring, but no banana. Players still need to learn to keep their hands down and need to work on penalty kicks. Good effort boys, just need to finish the attacks. Player of match - Michael who showed good dribbling skills when he came all the way from the back, dodged around defenders, lost the ball but won it back and nearly scored. Coach's encouragement award - Gethyn for challenging and winning the ball

Our previous games with the Reds were always neck and neck so we knew we had our work cut out for us. The usual challenge of less players again haunted us as we started with only eight players. Fortunately, a few arrived shortly after kick off to give the team a boost. There was no splitting the two teams as we both gave it our all. It was like we turned up knowing each other's game plans. We defended hard and deep into our half a number of times. Soon the roles were reversed and we were attacking their goals with opportunities presenting itself but sadly not consolidating our chances. It remained that way the whole of the first half and again in the second half with the game finishing at 0-0. We felt an improvement since our last meet so the team walked away happy with its performance.

Today we started off not doing the simple things right; we dribbled too much, we were kicking the ball into the middle in defence and we were not passing to our team. However, with all this happening, we still entered the break with a 2-0 lead thanks to Aaron's clinical finish up front and Jason's free kick from 25 metres out that went straight in. At halftime, I said that if we fix these mistakes and play to our potential, we can easily score 4 more. So, what happened? We scored 4 in the second half and walked away very happy beating the second placed team. Goal scorers – Aaron Kidane 3, Nik Dimitriou 2, Jason Azar 1

We switched up the positions today to see how some of our defence would handle the pressure of being upfront. Olivia was unsure at first, once she got her confidence she was ready to take shots which she did, leading to her first goal. Renee supported upfront too, making some nice plays. Sarah and Georgia were solid in defence, the few times the opposition came anywhere close to our half they wouldn't let them through. Abak did not thought the ball today being goalie unfortunately, however a good chance to see the game from another perspective. Our midfield was strong, first half Lucy and Huda cleaned up everything, Huda scored 2 goals too. Second half Kaskade came on and was really confident, through her hard work she scored her first goal. Marwa tried her best in defence. Aroha was defending first half and would shoot from defence and it would go too far past the goals, her speed was unmatched and when she was put up front, she took shots, just missing each time but great effort from her today. Our player of the match was Rianna, normally our super defender she was put as striker, she was in everything, chasing down every ball she could and tried over and over again to score. Her never give work ethic and great attitude was even more evident today. Great game in preparation for the next one which is sure to be a tough one.

Strong first half, scoring four goals to be 4-0 at half time, but we got a bit cocky in the 2nd half and let them score one on us. We scored two more goals to round off the win 6-1. We just need to remember to play every single game to the best of our ability. Mirwais was player of the match for his amazing defence!

Today was so much better. Today we actually played as a team and passed the ball well. A beautiful goal from Stella got the game going and lifted everyone's spirits. An unlucky rebound from the post into Lachlan's head saw Rydalmere counter but we didn't give up. Our defence today was great with special mentions to Dylan who really tackled well. The team proved today that when they want to play as a team and pass the ball we can play well.

U14 vs **Pendle Hill Tigers** 1 - 3

We lost to a more determined Pendle Hill side that wanted to win today and it showed in the way they played. They fought for every ball. They moved to the ball first. I hope we have learnt something from them today and take that into the finals with us. Anthony and Dylan worked hard to clear the ball and JP had a good day in goals with an injury.

Goal scorer – Ali Sina Karimi 1

U16 vs **Rydalmere FC** 0 – 11

A couple of injuries, some positions shifted around and extra holes appear. We actually started pretty well and Abu had some nice runs through midfield (being released from goal keeping today). But to be honest nobody could look in the mirror and say “I played my best” today.

U17 vs **Greystanes FC Red** 5 – 3

Having the comp broken up into playing the rest of the top 4 is the best thing that could have happened for us. Over the years, we step up against the big teams so I was excited to see how well the boys could play today. That being said, we were sluggish to start as Greystanes gave us everything they had for the first 25 minutes. However, we scored against the run of play which settled our boys and deflated Greystanes. A second was scored before entering halftime. 10 minutes into the second half and Greystanes had not scored just once but twice which was frustrating. Unfortunately for Greystanes, we stepped it up and scored 3 more in the next 20 minutes. A third consolation goal was scored with 5 to go giving us a 5-3 result. Man of the match was Krish today who played the best game of his life (and I have coached him for 5 years!). Scored 2 and set up another 2 which is awesome to see; hopefully this can be carried on into finals time.

Premier Reserves vs **Kings Old Boys** 0 - 1

A heart wrenching loss to take for the team after grinding so hard and dominating the game for long stretches. Unfortunately, that's football. Games can swing on individual moments and we were in the wrong end of that this week. shout out to our goal keeper Darren who kept us in the game with a string of great saves. With a top four birth still on the cards, lots of work still to be done in the coming weeks.

Premier League vs **Kings Old Boys** 2 - 1

A super performance from the team from front to back. The lads are really beginning to see the outcomes that we're able to achieve if we play cohesively. Maximum points from the last 2 rounds leaves the door open for a possible second place finish. Hitting form at the right time.

U12 vs **Granville Waratah** 2 - 3

We were the better team today and it's unfortunate that the score doesn't reflect that. Great work across the field and everyone played really well. Joey, William and Benton played a fantastic game in defence; Ali Sena, Aiden, Jamil and Akram held the midfield well and Sunday and Xavier worked hard up front to score our goals. Aiden was unlucky not score a goal and Adam was awesome in goals saving them.

U13 vs Auburn District 1 - 2

Today was not our best game and the rain didn't help. An unlucky call of a hand ball in the box saw Auburn score first. We fought well and defended well but missed too many opportunities again. We managed to level the score in the second half but not wanting to clear the ball in the last 10 mins and getting in the goal keeper way saw Auburn score right in the final whistle to lose 2-1.

What a difference a day makes. Such a good game to watch. The boys played hard and fought well. The defence shut down every play. Midfield stepped up in the 2nd half. Some great play and passes made by all and a well placed shot at goal from outside the box in the 50th minute saw Joshua bag the only goal of the day.

What a strong statement to send to Greystanes and the other teams that will have to play us in the semis. We were terrific in defence, very smart and decisive in the midfield and clinical up front. Three players stood out for me today; Jackson was tireless in defence, Martin played his best game of the season by making intelligent plays and Robert was Mr Everywhere Man constantly pressing their defenders and finishing a clinical break away. Special mention has to go to Abulfazal who beat the keeper, faked the shot and fooled a defender and then calmly passed it into the back of the net in the opposite direction to a second defender in the dying seconds of the game. All Age Ladies vs Pendle Hill Tigers 2 – 0

A must win game against the team running third and the girls were up for it. Kiwi started us off by controlling the midfield and we never looked back. Laura, Katrina, Shaka and Jenna were all outstanding. We managed our subs and our injuries and got through the game without too much fuss. The way we protected our 2-0 half time lead was outstanding.
