**U6 Red** vs **OLQP Falcons Blue** 2 – 1

What a tough match today. It could have gone either way as both teams played very well. But in the end our little Vegemites did the job winning 2-1. Aidan opened the scoring in the first half from a strong kick way far away from goal which passed multiple opposition defenders and beating the goalie. But before half time the opposition got one back, with Dieb unlucky not to hold on to the ball which rolled into our goal. Abdul took over goalie duties in the 2nd half and what an outstanding game he had which surely helped us win the game, with some excellent stops and goal clearances. Then Josh decided enough was enough as he dribbled and weaved from one side of the field to the other and finishing off with a goal to see us take the lead. Ibby had a few good chances as well, but the opposition played a little too tough today pushing him off the ball. Wasim, put in a strong effort, along with Dieb in the 2nd half. Eden switched on for some good periods and causing the opposition a little trouble while also getting some good kicks in. Charbel is always a joy to watch run around as he always seems to have a lot of fun. Great game to watch today. Hoping for the same strong effort next week.

**U6 White** vs **OLQP Falcons White** 2 - 2

What a nail biting game against OLQP! The under 6 whites played so well together. Their teamwork and ball skills have progressed quite a lot since the beginning of the season. A HUGE THANK YOU to the parents who are the biggest supporters cheering the kids on every week. Players of the match: George M, George E and Thomas.

Goal scorer: Arman Davodi 2

**U7 Red** vs Lidcombe Churches 7 - 0

Today I really felt for the opposition, Lidcombe did not give up even at 7-0 down. Our team was a little bit all over the place, bunching and not moving into space, something we need to work on moving into the knockout rounds. On a positive towards the end some very good communication and teamwork. Every player had a go which was great, player of the match goes to Ali, not only did he score he did it off very thought out play and some amazing goals. He is always a great team player.

Today it was a full team effort with the team determined to work towards making the finals. Everyone stepped up ensuring to play in positions and work on passing the ball. It soon become obvious to them that playing this way leads to goals. Some great team passing created opportunities and both Emaan and Jeremias found the net. Our defence line stayed strong and our mid field worked on pushing the ball forward. Great work today with everyone earning the player of the match award.

**U9 Red** vs **OLQP Falcons White** 2 - 0

The kids performed really well and we were very proud of them all. They applied all the drills practiced during training which resulted in our win today. Fantastic teamwork, passing and ball control by everyone. We had excellent defence but unfortunately that meant our goalie had a very quiet game today. Lukacs added another 2 goals to his belt, shy of a hat trick, missing a close goal in the second half. Jayden and Ameer had some close goals, so we will work on our accuracy while under pressure at training. Player of match goes to Christian for his fearless play, ball trapping and looking up for open players before passing. Well done! Thank you to John and Emaan from the U8s for their continued assistance and support today. You're a part of our extended U9 reds family. Player of the match: Christian Sleiman

**U9 White** vs **Kings Old Boys** 1 - 1

Today's game was very competitive against a team we lost once to and the wind didn't help. But the boys were determined and never gave up. Our defence in first half was very solid and didn't let many opportunities get past them. Our mid fielders and strikers worked hard but found it difficult to finish off the play. Half time came so quick and score was 0-0. Second half started and we saw an awesome play by the team having Julian finish off the play and putting a score on the board. Everyone got excited. Half way through the second half the boys started to get tired and lose positions. They started bunching up behind one another giving the opponent an opportunity to get past the defence to score in the last minute of the game costing us the win. Better luck next time boys.

**U10 Red** vs **Wentworthville Uniting Blue** 0 - 2

Blues dominated game today as they were fitter and playing positions. Team were still clumping and missing the front. The passing and looking up was better. Blues fit and position Player of match Daniyal for his defensive playing and not giving up. Coach's encouragement award Wahab for being keen and focused in the middle

**U10 Onyx** vs Western Sydney Westeroos 11 - 0

Another very impressive performance from the whole team today in what was probably the last opportunity to try some things out before the pointy end of the season. Having seven different goal scorers shows how effective the whole team was at passing the ball across the midfield and the forwards to create opportunities. Both Jason and Stefan were very good filling in as "sweeper keepers" and the whole team was very mature in the way they passed the ball, particularly in the second half. Congratulations to Kelvin for scoring his first goal of the season with a very well taken penalty. Man of the match today was definitely Nik who not only scored three goals, as per usual, but also was exceptional at playing the position assigned to him, especially when asked to go back to give some other boys a go up front. Nik was always in the right spot and played some excellent passes to put us in good position. Both Wil and I are of the opinion that the boys are building beautifully to the last couple of weeks of the season and look forward to seeing everyone on Monday.

**U11** vs Wentworthville Uniting 1 - 4

So we knew our opponents were tough but honestly we needed to play better. We meet them in the Semis, so we better be prepared. Our goal today was another amazing penalty shot from Ali Sena.

Player of the match was Francis, for never giving up and some awesome kicks and tackles. Thank you to Danielle Sleiman for helping us out today, she did a great job!

**U12** vs Wentworthville Uniting 4 - 1

Today we played bottom of the ladder and while they had improved since the last time we met, we weren't quite giving our best today. Maybe it was the wind or unnecessary cockiness but we just weren't focused enough in the first half. After a strict half time talk, we came out into the second half and played a much better game. Everyone worked harder so well done. Awesome goals from Xavier and Sunday today.

Goal Scorers: Xavier Kaarsberg 3, Sunday Makuendit 1

**U13** vs Greystanes FC 1 - 5

Today was always going to be a tough match. I still don't believe we have hit our full potential as a team and have a lot of improvement to make. We need to start trusting in each other and playing the team game as I believe we can win this comp if we can get things together. More effort at training is needed and less mucking around and talking.

**U14** vs Merrylands SFC 7 - 0

A late game meant we had no coaches so Matthew Lu stepped up and did a great job. So good to see everyone calm and composed today. I watched some nice passing going on between Ali Sina and Ali Fatlawi. Everyone read the game well and stayed in position even when it was not their usual position. No one appeared to take this game as an easy win. They worked hard for every goal except for Joshua who yet again effortlessly took a long shot and found the far corner of the net. A nice win for the last game of the competition season. Congratulations U14s for being the 2020 minor premiers. Bring on the finals. Thank you to all the parents for their support throughout this long season. Thank you coaches (and manager) for giving up their time.

**U16** vs Regents Park 0 - 1

Outstanding effort today from the team, going down by the narrowest margin. We worked so hard defensively with Mohammed, Armin, Samuel and Mushtaba putting in a fantastic effort. If we can repeat that effort in our semi final, we can look forward to success!

**U17** vs Auburn FC 5 - 1

It's really tough to get excited for a game that has no effect on the table and will have the same two teams in the major semi final. However the boys really wanted to ensure that they had the mental edge over their 1st place opponents by beating them twice in the comp. The boys played really well from the start, moving the ball quickly and defending in numbers. We are really starting to hit our stride at the right time. Mounir had a strong game in defence and Koroma earned man of the match for his passion and intensity on the field as well as a great finish and a cracking header off a corner.
