It's raining, it's Saturday!! Is the game on??

Your manager will know if the game is on, give them a call. Very rarely is a decision made before Friday evening. If I have not called your manager, the game is on, even if it is raining!

*Most often games will still be on so **do not just stay at home**, you will be letting your child's team down!!!*

It's raining and it's training tonight!! Is training on??

If the ground is closed you cannot train, *even if it's not raining!!* Parents and players call the manager or coach.

U6 Red Knockout vs **McCredie White** 0 – 2

What a tough game today. Playing a strong opposition with only 6 players didn't help either. Everyone played their hearts out but unfortunately did not go to plan and that saw the team finishing off their season with their first loss of the year. With that said I like to praise each individual for their commitment and for a great season. Hopefully we will see everyone again next year to pick up again and hopefully we'll have better luck. Thanks to all the parents and carers that supported the team. Have a great break and see you all next year!!! Congratulations to the Whites!!

U6 White Knockout vs **McCredie Red** 2 - 0

What a great game today by the under 6's. Both teams were playing to win as it was the first knockout. It was a shame that we played Guildford red's this round. The boys put up a good fight and got there in the end. Roshav, Samipya and Arman all striking the ball with power. George E and Samuel played well in goal and saved a few attempts at goal. Thomas, George M, Charbel and Shane all played well in defence and kicked the ball so well! Well done under 6 whites!

U7 Red Knockout

vs

OLQP Falcons Red

9 – 1

We secured ourselves to the next knock out round. It was a game where guildford dominated and we had to put our strikers in defense to give the opposition a chance. Mawien and Ali were great upfront and player awesome in defence, Utkrist was running everywhere and scored . Sireen and zachariah were trying there best to score eventually leading to sireen finally getting one. Aleena was great in goals ,she saved 2 goals and unfortunately the 3rd was such a beautiful shot it went straight to the back of the net.. next week will be a tough game but we will prepare and be ready.

U7 White Knockout

vs

Kings Old Boys

1 - 0

Being a knockout round everything was on the line and we had to bring our A game. The first few minutes of the game starting the opposing team pushed us and our team was able to handle the pressure and stayed focused. First half the team were draw and come second half the boys had it all. Jabari passed the ball to Isaac and he passed ball to Jayden who scored a magnificent shot to make it 1 nil. We all were flummoxed by the goal. The team never stopped pushing forward and listening to the coach, we were able to hold the other team. Though the day was hot,the game was hotter and intense. Kudos to the team we won the day and that gives us a chance to proceed.

Today was the last match for this season and was hot day for the Under 8 Red team. Everyone in the team played their best. Under 8 White scored 3 goals before half time. Thomas joined just before half time and scored a goal straight away. That was a good lift in boys morale. Just after half time Thomas scored 2nd goal within minutes. Impressive!! Theo was our goalie today and did save a lot of goals. Aakash displayed some good corner kick and defence kicks.Mj and Kobi has gained a lot confidence in defence. Xolani was on fire for getting the ball from opponents. JU Ju(Xavier), Yousef, Jacob and Omid did a great job in the mid and forward.

The hot sun today took a toll on all players but everyone tried hard. As a challenge to our team we switched around our positions, focusing on everyone staying disciplined no matter their spot. The first half we stayed strong in our attack and Jeremias found the net 4 times. Second half Reds mounted good attack and they added 2 goals. Jeremias plotted 2 more to add to tally as well. For the last game of the normal season the shout out goes to all of our players. It has been a great season that has seen lots of highlights, growth and good sportsmanship. Bring on the finals!

Girls had another great game. With no subs and 4 players in second half girls kept wenty on their toes. Can't pick a player of the match as they all played equally well.

The boys put in an amazing effort today for their last round of soccer in the searing heat. Everyone seeked out team members before passing, they marked well and were excellent in defence. Antonio gave a great assist and Lukacs finished it off with a goal in the first half of the game. Second half started well but heat and exhaustion slowed them physically and mentally. This gave our opposition a chance to score their first goal. But they all fought hard and defended well to keep the game at a draw. Antonio was player of the match for getting involved and giving it all he had with his running and kicking. Congratulations and well done for achieving 2nd place on the score board! We are all grateful to have been able to play soccer this season and super excited for the finals!! Let's give it all we got team! Go Reds!! Player of the match: Antonio Delgado

Goal scorer: Lukacs Bausse 1

U9 White vs OLQP Falcons White 7 - 1

Today game was scheduled to start at midday and had the boys lagging with the heat. We started the game with few players not listening and getting out of position. We weren't passing the ball around and bunching up at times. But that was quickly rectified. Second half started and the team switched on. We saw some great passes between players and beautiful cross from the wing to see the game finishing with the great result. Thanks to all the supporters that came down and supported the team especially during this heat. Special thanks to Charlie (Daniel's dad) for supplying everyone with water and ice to ensure no one got heat stoke. Also thanks to Peter (Jacob's dad) for stepping up as a ref. MOM: Jacob Leke

Another solid performance from the Onyx today in what was a good final tune up before the semi finals. Everyone played in their correct positions and once again the team played their best when we kept the ball on the ground and played it to the feet of our teammates. More goals to the usual suspects of Aaron, Nik and Jason along with a good finish from Mykal lifted the team. Not a lot more to say on a pretty polished performance.
 Goal scorers - Jason Azar 5, Nik Dimitriou 4, Aaron Kidane 3, Mykal Abdou 1

U11 vs OLQP Falcons 2 - 0

It was a good game today and it felt even better not to concede. Our 2 goals came from another fantastic penalty by Ali Sena and a well controlled deflection by Sunday. Matthew played great today on the field and our many different keepers each did well. Michael played awesome in defence and attack and was unlucky not to score a goal. He worked hard and never gave and that's why he was player of the match. Special thanks to Lucas and Jayden from the U9s who helped out today as out much needed subs in the hot sun.

We won one nil today securing the minor premiership. Renee scored the winning goal in the first half and Huda was player of the match saving the team on more occasions then I want to see again.

U12 semi final vs Wenty Waratah

2 – 2 (lost 4-5 on penalties)

We started out horribly. We just couldn't get the ball out of our own half and the opposition had more shots on target and corners than anyone could count. If it wasn't for Adam's absolutely magnificent game in goals it would have been a different game. We came off at halftime 2-0. A quick half time chat and much needed water break we came out in the second half and started to work together, a penalty got us back in the game. This was followed shortly by some excellent passing through the middle and we were away. Xavier and Sunday worked together and bam Sunday shot and we were right back in it. The game had completely flipped we were the team having all the shots and winning all the corners. The end of the game came around and we were still drawn up. Extra time was a mad scramble of defence and attack both teams had the opportunities but none found the back of the net. We then went to penalties Adam made 2 awesome save but so did the opposition goal keeper we went through our 5 kickers and were still drawn up. When we finally got to the 7th kicker we had a result. Unfortunately it was not the one we wanted. So proud of the effort everyone put in today and everyone is ready to go hard again next week in our elimination Semi. Player of the Match today was Adam who was outstanding in goals all day. Special Shout out to Ali Sena who this year to date is 12 from 12 off penalty kicks.

U13 semi final vs Merrylands SFC Black

1 – 4

We started the game well today and scored the first goal within the first 5 mins of the game. Merrylands managed to level it up by half time. An unlucky hand ball just outside of goals saw Merrylands get another one in just after the start of 2nd half and it changed the game. The lack of effort at training really showed today on the field and we still lack trust in each other. I am still very proud of how far we have come as a team. From 4th division to 1st division is a big jump and they have all proved they can fight amongst the top teams.

U14 semi final vs Rydalmere 1 - 2

This was a game we needed to win to go straight to the grand final but things were sour from the start when we lined up with 10 players and they lined up with 16. So in the heat and playing short we did the best we could do. Rydalmere scored early within the first 3 minutes. We kept our heads up and kept them at 1-0 at half time. The 2nd half we were fired up and Ali F ran through players drawing the keeper and shot one past him and just like that the scores were level. From there the game stepped up a notch. We had a lot of possession in their half but just couldn't capitalise on our shots. A shot at goal by Rydalmere hit the post and went in, leaving us deflated and we couldn't come back from that. Special mention to Josh, Jorjuos and JP who were outstanding. Do or die next week, we need to win.

U17 **semi final** vs Auburn FC 2 - 1

Super hot conditions still playing in October which flattened out both teams quite quickly. However regardless of the weather the boys pulled through with a massive result that gives us a ticket to the GF and a week off. Wasn't our best performance but it was result football. Back to back GFs and hopefully back to back champions!

Sunday 4th October 2020 Competition Round

All Age Ladies vs Wentworthville Uniting 0 - 0

Pretty hot today, but it was just as hot for them. We went into the game needing at least a draw to take third place. Wenty wanted a win, which would have finished us, but a draw gave them fourth place. We pushed forward early trying to find an early goal but from the 25 minute mark, dropped a striker and determined to just keep them out. We did a reasonable job of that but as the heat took effect we did get a little sloppy midway through the second half and endured some heart stopping moments. Kiwi, Jenna, Sarah I and Laura were outstanding defensively. Nancy made some nice runs down the left, Mika tried hard all day in the difficult position of the lone striker and Shaka worked as hard as anyone on her birthday! Mission accomplished.
