Due to the coronavirus outbreak all football activities in NSW have been suspended until May 31st

Hi All,

After receiving further advice on Covid 19, including stricter measures imposed by the Federal Government, the temporary suspension to sanctioned grassroots football competitions has today been extended through to at least May 31, 2020.

CFA Sydney and GDSFA are currently looking at options for the remainder of the season and you will be notified in due course.

While you are in isolation, it may be a good time to complete the associate referee's course on line

Email me the certificate once done and I will forward it to the Association.

During the season, draws, results, newsletters and links will be available on the website.
