This week there are plenty of McCredie teams to support . We have teams playing preliminary finals on Tuesday and Wednesday afternoon/evening and have plenty of teams in grand finals next Saturday.

With new advice allowing physically distanced spectators at community football games, feel free to come down and offer your support.

McCredie's Premier League boys had a remarkable win on Saturday and will take on St Barnabas Broadway on Tuesday evening at Freame. Get down and offer your support. St Barnies have won 4 of the last 6 Premier League premierships, so this will be a quality game you won't want to say you missed!

All the games on Tuesday, Wednesday and Saturday are on either Jones Park or Freame Park (except our U17s). Check the details at the end of this newsletter for times.

Congratulations to the U9 Whites, U8-10 Girls, U10 Onyx, U11-13 Girls, U14 who all secured minor premierships.

Congratulations to the U6 White, U7 Red and U7 White who have qualified for their knockout grand finals.

Congrats also to U9 Red, U8-10 Girls, U10 Onyx, U11-13 Girls, U17 who have qualified for their grand finals this Saturday.

U9 White, U11 and Premier League all play Preliminary finals this week to see if they too can qualify for next weekend's grand finals.

U6 White Knockout semi vs Wentworthville Uniting 4 - 0

The under 6 whites had a great game today. We came to win and we did just that. With the parents cheering the children on as usual the kids played their hearts out. All of the kids having a great game it was too hard to pick a player of the match! All the children have come so far this season. Well done boys. Off to the grand final we go. Fingers crossed for a win next week!!!

A zooper dooper match!

The Reds were determined to make it to the grand final and beat the team who knocked us out in the semis last year. Ali , Mawien and Utkrist were passing to one another , getting into space and taking shots, really great teamwork. Aleena was great in goals and saved everyone that came to her. Sireen and Zakariah played defence and midfield, Sireen made such a big impact in keeping the ball up our end. Zakariah would run in up the line and pass so we had more chances. Noah saved us multiple times with his big boot that always got the ball close to goal. We are off to the grand final. Amazing achievement!

U7 White Knockout quarter final vs OLQP Falcons White 3 - 0

We had two matches scheduled today; we needed to win both matches to make it to the grand final. The first team we played was new to our team as we had not had a chance to play against the whole season . The whites learnt their strengths and weaknesses quickly during the match. As usual the boys were a bit off the grid the first few minutes but with the coach guidance we were able to get back onto our feet.

Isaac made the first score and Jabari added another two for us to make it to the semifinals.

There was an hour before the second game and our biggest worry was for the kids to run out of energy before the next match.

Goal scorer – Jabari Uno 2, Isaac Ibrahim 1

U7 White Knockout semi final vs OLQP Falcons 4 - 0

The second team we played against is a team we have had a chance to play twice during the season. The first match in the season we lost to them with a score of 9-3, the second match against them we pulled up our socks and we had a draw, today was the third time we were meeting the team. In today's match as usual Isaac made the first goal followed by Jabari's two goals to make 3-0 in the first half. However knowing our rival team from the previous experience, until the last whistle we had to keep pushing. The boys kept their head high though fatigue was catching up with them. Jayden scored a goal in the second half to make it 4-0. Today was one of the most challenging day the whole season as both teams required us to bring our best.

We get to meet the Guildford Red in the finals - May the best team win!!

U8 White vs Wentworthville Uniting 1 – 2 (penalty shootout)

A disappointing end to the season for the under 8 whites today. The team had the majority of the game in control but our inability to score goals cost us dearly. We hit the post and kicked the ball to the keeper on many occasions and some players not focusing with an open goal let us down. Joachim had an awesome game creating many chances and running himself ragged and came close to scoring many times. Jeremiah had many good runs but overshot the ball on occasions and was unfortunate not to score also. Eman playing midfield played well but his shots could not penetrate the defensive line of Wenty. Arad and Xavier on the wings tried their best to help the team but need to understand their positions better and be alert at all times. The defensive efforts of Michael, Johnny and Midesh was outstanding, closing Wenty down on every occasion they attacked our goal line. Our goal keeper and player of the match Emily made a couple of outstanding saves through the normal period of playing time and extra time but stood out during the penalty shootout. Emily made more saves during the penalty shootout than the opposite goal keeper. The only difference was our shooting abilities from the spot kick. Thanks for the season boys and girl, manager Sharon and all the supporters. See you all next season.

U8-10 Girls will play grand final this Saturday

U9 Red

vs McCredie White

2 – 1

Our toughest game so far this year playing against our strongest opponent, GMUs Whites. We were all nervous, with no reserves available and it was heating up. First 10 minutes the team was out of position and not chasing which left the opposition scoring first. The kids started to focus and played their positions. Our midfielders Ameer, Kevin and Jayden brought up the ball to our strikers, allowing Chris to pass to Lukacs and finish with our first goal, levelling it to 1 all at half time. Ameer and Jawad persistently chased down our opponents. Kevin, Antonio and Logan maintained our strong line of defence. Sebasjin stayed strong with his goal saves and clearances. Jayden was injured and saw him off the field to recover, leaving us short a player. We were worried but the team held up well together. Jayden returned but came back on as completely different player. He was energised and focussed. Everyone was marking players and team work was brilliant. We went into overtime and with only 1 minute left to our final round of extra time, Jayden scored his first goal! Taking us straight to the grand finals!! The parents went wild and the sound of their screams were deafening! Amazing play by both our reds and the whites today. We are pretty certain we will meet the Whites again in the Grand Finals. Good luck Whites!

Player of the match was Jayden for his best game ever, even after receiving studs to the head!

vs McCredie Red

1 - 2

It wasn't the result we wanted today but both teams played well and gave it all they had. Half time came so quick and score was 1-1. Even though we dominated second half we found difficulties finishing off the play, to end the game at full time with the even score. We went into extra time and again the team gave it all they had but exhaustion started to kick in and in the last 30 seconds the reds were able to break through our defence and securing their spot to the Grand Final. Congratulations to the Reds. Keep your head up boys we still have Tuesday night to try and come back.

U10 Red vs **Wentworthville Uniting Blue** 0 - 1

Beautiful day to play soccer. The team were rearing to go after watching u8 where's inspiring game. The team were still warming up when the blues struck and found the net within first 3 minutes from kickoff. Reds were desperate to equalise and shut down the attacks. They worked really hard right up to the bitter end, but were unlucky. Kids gained valuable experience and skills this year. They improved each week and gained confidence. Well done team. Player of match - Stefan for doing fantastic saves and team spirit Coach's encouragement award - Daniyal for working hard on defence

U10 Onyx vs **Wentworthville Uniting Gold** 6 - 0

Very impressive performance today to see that the boys have continued to build on the momentum built up over the season and no complacency was able to slip in. Playing at a big ground like Freame can present different challenges to Everley but the team was able to effectively pass the ball to open players and use the space in front and out wide when available. While Wenty hung with us for most of the first half the boys were just too strong in the second half and the incredible pressure put on by forwards Nik and Aaron led to a flurry of goals. There were impressive performances across the park today but man of the match went to Yonathan who bagged a semi-final hat trick by consistently positioning himself in the right place at the right time. With the grand final next week, really looking forward to one last solid training session on Monday night before hopefully playing to the same standard.

U11 vs **Wentworthville Uniting** 0 - 2

We play better and better everytime we play this team and today was no different. We changed it up a little and switched Benton and Michael. Michael had a great game at centre back and Benton was a stand out up front. We spend 80% of the game in the centre and the opposition half we just couldnt find the back of the net. We face Kings on Wednesday who have been improving all season so lets hope we can pull out a win and see Wenty again next weekend in the Grand Final.

U12 Preliminary final vs Granville Waratah 3 – 5 (lost on penalties)

We were just unlucky today. Both teams played really well and penalties were the decider. Unfortunately we missed and they didn't. Super proud of all the boys for how well they played and how far they came this year. Goal Scorers – William Bausse 1, Akram Omar 1, Xavier Kaarsberg 1.

U14 Preliminary final vs Pendle Hill 1 - 3

Finals day and only 6 players ready to take the field 15 minutes before kick off time. Not good enough. That said we had 13 players eager for a win. Unfortunately it wasn't our day. Pendle hill stacked their defence and we struggled to get through. Josh and Ali F made some good runs. Ali Sina and Zienat had a good game. Abulfazl was solid in defence. Dylan and Anthony also had a great game. If we can take one thing from this game, it is to keep your heads up and don't give up. We had a really good season and we should be proud that we finished minor premiers.

Goal scorer – Ali Fatlawi 1

U16 Preliminary final vs Dundas United 0 – 5

Unfortunately 0-5 looks like a flogging but we had the first 2 clear opportunities and were only 0-1 down at half time and it wasn't until 13 mins from full time that Dundas got a second. A quick reshuffle and we had hit the post and then Aaran dribbled 4 before hitting the side net. That we let them score 3 more in the final 5 minutes is both a result of pushing forward and dropping our heads in equal measure and was a shame. Haris had a good game and Samuel was outstanding as usual. Ziyan was positioned well up front and Moey didn't back off once.

Sunday 4th October 2020 Semi final

All Age Ladies vs Parklea 0 – 3

Ordinary start, with the coach breaking down on the way!

But when he arrived at the ground, the team was keen and already warming up!

Not the result we were chasing but at least we lost to a good side who had been ahead of us all year (unlike last year's grand final disaster!) An injury to our most experienced striker took her from the game basically after 10 minutes and a further injury to our midfield energiser meant our bench was full and our playing strength weakened. We conceded a single goal in the first half following a long run from deep which we couldn't cut off, but we remained well in the game. Early in the second half a lapse in our midfield marking saw Parklea double their lead and we needed to respond. Unfortunately with limited attacking options, altering the solid defence that we had was risky, and whilst we did get a few more attacks in and some half chances, Parklea caught us once more. Jenna was awesome marking their dangerous striker out of the game. (Parklea's goals all came from midfield today) and Henny kept really well making 3 one on one saves. Shaka, Kiwi, Katrina, Alicia and Sarah all tried particularly hard today but 'twas not to be.
