There were a couple of mistakes in last week's newsletter. My humblest apologies. Please (especially managers) double check the newsletter against the website. There are links to both CFA Sydney and GDSFA from our club website. Or managers can just check their upcoming match card. If you find an inconsistency – let me know straight away. There may have been a late change or I may simply have stuffed up. This week both occurred.

**U6 Red**

vs Lidcombe Churches

2 – 1

Like COVID-19 the early morning rain threatened the start of the season again. But like we've seen, nothing was going to stop soccer from resuming and hallelujah, just before kickoff, the sun burst through. It was GAME ON! To kick off the season for our super gorgeous U6 Reds was, Abdul, Aidan, Deib, Eden, Joshua and Wasim - 6 mighty little warriors going into challenge the Lidcombe churches team. Who unfortunately for their start only managed to bring along 4 players. Nonetheless it was a good hard fought challenge. We got off to a great start, with Joshua breaking through early on to open the scoring. The play kept moving from side to side, with Lidcombe challenging well even with less players, with their star player bursting through on many occasions only to be chased down by Aidan who turned the ball and kicked it back up field. Abdul managed some good saves in the first half, and before half time Joshua scored again to give the team a 2-0 lead. Wasim and Dieb played well for their first game and Eden slipped into goal for the second half and continued some good keeping also stopping a few shots on goal. We missed a few opportunities at goals ourselves, keeping the contest open. Then true to the U6 age group, one of our kids did an excellent dribble with the ball half way down the field, but unfortunately it was the wrong way. Lidcombe seized on this and took over the ball and scored their first goal. This became a contest at 2-1. The arm wrestle went both ways and we managed to hang on to score a win for the opening game of the season. It turned out to be a beautiful morning.

U6 White

vs

Kings Old Boys

3 – 1

After a long wait we finally got to play our first game! The under 6 whites played so well, beating Kings Old Boys 3-1. Arman scored 2 goals and Roshav scored 1 goal, with both Shane and Samipya saving some goals. All the boys played well and had a great time on the pitch today and the parents were great cheering the children along.

Congratulations on your first win under 6 whites!

vs Kings Old Boys

4 – 0

The first game back after what seemed like eternity since covid 19 halted everything. We had a few team members away , however the kids were excited and ready to play. Ukky scored within the first 5 minutes and reminded us how fast he is, running the whole field to do so outpacing everyone. Ghani and Yasmine acted as defence making sure there was little chance for the opposition to score and passing the ball upfront at every opportunity. Ali scored within 10 mins and also another in the second half. He played very well earning the player of the match. Aleena only had the chance to save the ball in goals once which she did with a big kick. Mawien was dribbling a lot using his skills to get around everyone and eventually score a goal. Overall a great game , a lot of teamwork and a few things to work on . Exciting times for the games ahead with coach Andrew. In the photo the team wore black armbands in honour of Joan Pearson, a CFA Sydney life member who sadly passed away. Goal scorers - Ali Dbouk 2, Utkrist Nepal 1, Mawien Deng 1

**U7 White**

vs Ambassadors Parramatta

8 – 0

First game of the season the team was ready and well prepared for the game  
 Goal scorers - Isaac Ibrahim 4, Jabari Uno 3, Jayden Tuysuz 1

**U8 Red** vs **Kings Old Boys Blue** 0 - 7

As parents would have seen, the final score of today's match doesn't reflect how hard everyone tried. The score of 7-0 would have been much worse without Jacob's fantastic defense of goal and all plays attacked well. Especially Thomas. Our biggest obstacle was an inexperienced coach, but we were also 2 players short. We will review key lessons from the game at training on Wednesday.

**U8 White** vs **Kings Old Boys White** won on forfeit

**U8-10 Girls** vs **Wenty Saints Purple** 6 - 1

First game of a delayed season due to Covid 19. Guildford vs Wenty Saints. Great result for our girls. Guildford players wearing black arm bands in respect to two life members of the Churches Football Association Sydney who passed away during the off season.

Goal scorers – Kuei Deng 3, Kuai Yai 2, Faith Taliauli 1

**U9 Red** vs **Kings Old Boys White** 2 - 1

We were both nervous and excited to start off the season with a few new players and returning to soccer after almost an entire year off. We started off well full of enthusiasm and energy but were unlucky when the Kings scored the first goal off a post rebound. There were plenty of opportunities in the second half but we had issues with accuracy. Our new players, Jayden and Kevin, performed extremely well learning game and team play. Veterans Chris, Jawad and Ameer kept running and never gave up. Lukacs held his position well which saw him gain possession of the ball several times throughout the match. Our defence was strong with Logan stepping up to play multiple roles. Gabriel, our star striker, never disappoints and scored two goals for the team. Sebasjin and Antonio kept our goals protected, ending the game on a 2-1 victory. It was a bittersweet game, winning our first match for this season, but also losing our amazing team player, Gabriel, who is sadly leaving us and relocating interstate. We will surely miss Gabriel and his family for their invaluable contribution and support to the team and club. We are super grateful that he was here to play today and wish Gabriel, Eddy and the family all the best!

**U9 White**

vs Lidcombe Churches

3 – 1

Finally our first match for the season and the team was so excited. Everyone turned up full of energy and were ready. Everyone demonstrated good sportsmanship and drive. Players showed good defence and possession for most part of the game, even though first half was a little messy with the boys not staying in positions and not passing to one another. But as soon as second half started they all clicked and we saw the passes and team work come into action. William our goalkeeper showed some excellent saves today. Well done boys keep it up. Looking forward to another great year. MOM: Akshan Maskey.

Goal Scorers: Ali Abbas Syed 1, Akshan Maskey 1, Julian Azar 1.

**U10 Red**

vs

Wentworthville Uniting Gold

0 - 4

What a beautiful day to play soccer. Everyone was on time and rearing to go. Wenty Gold had a full team, whilst we were playing short. Yousef, Hussein and Brandon were leading the attack early and had a couple of shots at the goal. Stefan in goals was quick with his hands. Wahab was chasing everything in the middle.

Second half we were 2 down and the legs were getting slower. Wenty was still fresh with subs every 5 minutes, but the boys kept on going. Daniyal, Gethyn and Michael held their defence positions and chased balls down. Goalie Wahab bravely shouldered away attackers and balls.

Tackling and blocking were good, but too many pauses/stops and short passes showed lack of training. We'll work on always going forward and passing further apart. Player of match: Brandon Commodore for scoping the ball and dribbling skills. Coach's encouragement award: Yousef Ibrahim for always chasing the ball and never giving up.

**U10 White**

vs

Westeroos

6 - 0

After expecting a BYE, a last minute call to play the Westeroos was a little nerve racking. With only six players available we had to call on reinforcements. Thankfully Christian and Lukacs from U9's agreed to help out. We did some quick positional placements of players and ran with it. Right from the get go, the team dominated with all aspects of the game. Danielle led the charge up front with Christian and Lukacs, supported by Omar and Jacob behind in midfield and supported by our backline defence of George, Ayaan, Mustafa and Danton. Whilst a little rusty in some areas, they seemed to gel well in both attack and defence. The first half saw goals to Christian (2), Danielle and Mustafa. At half time the team was up 4-0 and were quite comfortable. We decided to rotate the players around for greater exposure and experience at different positions. Again, they continued to control the second half with a goal each for Jacob and Ayaan to finish up 6-0. What a great first game team!

Goal scorers – Christian Sleiman 2, Danielle Sleiman 1, Mustafa Ghaznawee 1, Ayaan Saeed 1, Jacob Ali 1.

**U10 Onyx**

vs Wentworthville Uniting Blue

4 - 0

The U/10 Onyx had a great start to the season with a 4-0 win over Wenty at Everley. Goal scorers were Nick with a great hat-trick and Aaron supplying the other goal. While a hat-trick was certainly impressive, player of the match goes to Moussa who was rock-solid at the back and ensured the boys finished with a clean sheet. Special mention must also go to Farooz who pulled off one of the great saves in the dying minutes of the game. All the boys played excellently and myself and Wil are very excited about the rest of the season. Tom

Goal scorers – Nick Dimitriou 3, Aaron Kidane 1

**U11**

vs Wentworthville Uniting

0 - 2

It felt so great to finally back on the field. The boys started out confidently with some early runs through the centre and down the side Hussien, William, Sunday and Ali all created a strong defensive line and almost seemed impenetrable. Our passing game was phenomenal with everyone sharing the ball around with one another. Matthew, Benton and Ricky were excellent in the centres. Mohamed had multiple amazing runs down the left wing with some great crosses in to the centre. Michael as usual was strong up front. Akram had an awesome game first half in goals he saved some difficult shots from the opposition and was very strong on the field in the second half. Rahmen (who had never played or kicked a soccer ball before today) and Francis both had excellent first games Rahmen did some amazing passes to his team and did not stop running. Francis did some excellent passes and through balls from the centre and was amazing in goals in the second half saving 3 great shots on goal. 2 big breaks from half way that lead to one on ones with the goalie was all that separated us today. But don't threat a few more trainings and hopefully another couple players and will be ready for Wenty again in a few short weeks. Player of the Match Mohamed.

## U12 vs Merrylands SFC 6 - 0

If you had asked me 2 weeks ago I probably would have said there was no U12s team. But some late registration and some signings from the U11s we were more than ready to go this morning. Merrylands unfortunately only had 7 players which eventually grew to 9. The boys started out very strong spending 90% of the first half in the opponent's half. William, Andrew, Sunday and Siar stopped everything that came in our half. Xavier and Ali were an awesome duo up front, Jamil, Alvin, Iden, Benton and Joseph were all strong in the centres. The passing was amazing everyone was sharing the ball around and calling out to one another. Our first goal came from a cracking shot from Ali which came off the goalkeeper which Benton then smashed into the back of the net. Some smart passing and a close shot from Sunday and we were in again a couple moments later. 1 minute before half time and Sunday made a run through from the backs and down the right side from 20 metres out and from the most impossible angles he took his shot slotting in right on the top left corner. Taking us up to 3- 0 at half time. The instruction at half time was that the passing was great and everyone was working amazingly as a team probably to much. No one was just having a crack at the goal. No one took these words better then Xavier who came out in the second half thinking in his head just take the shot. He went on to score a Hattrick in the second half all 3 goals were awesome. What a great way to start the season. Player of the Match was Jamil who showed amazing ball control and always found his teammates with his pass.

Goal scorers – Xavier Kaarsberg 3, Sunday Makuendit 2, Benton Setefano 1

## U13 vs Auburn FC 5 - 2

The team were all so excited to be playing soccer again and they definitely showed it! Out first game in a division 1/2 comp after being in division 4 was a little nerve racking at first. We were definitely rusty in the first half and the lack of training throughout the pandemic also showed but lucky for us our opposition was the same. It was a very physical first half with the score even at half time. We came out with a different mindset and attitude in the second half and really gave Auburn a run for their money getting 2 quick goals early in the second half. Auburn fought back but were just no match. We kept fighting and worked as a team to keep Auburn without the ball. Special mention to our only girl Stella who was everywhere in the 2nd half and didn't let anyone get past her! (I think she even scared a couple of those boys out there!)

U14

vs Lidcombe Churches

12 - 0

Welcome to the 2020 soccer season. After a long off season everyone was eager to get back on the field. The opposition only had 8 players and we dominated. We came up with some great attacks and the support play was fantastic. Some well placed crosses from Ali Sena gave us the start we needed. Yahya, our newest player, who joined us last week fits in well with the team. Our 2 goal keepers today did an amazing job holding their position, even if they didn't get to touch the ball. But we do need 1 or 2 permanent GK's for the season. Anyone can score a goal but it takes a special person to be a GK.

Goal scorers - Ali Sena Karimi 3, Ali Emad Fatlawi 3, Sebastian Kerr 3, Jorjous Jarjes 2, Yahya Al Ghinzawi 1

U16

vs Merrylands SFC

2 - 2

It is only the first game but already a coach could not be prouder of his side than I was today. Last year we played Div 3 and our opponents played Div 1. The pre game talk was about never giving up, don't worry about the score, stick to the way we want to play and just do your best no matter what. We gifted them the world's softest goal in the 5<sup>th</sup> minute and another (not quite as soft goal) a few minutes later. At that point it could have been a cricket score. But the McCredie 16s don't know how to give up. At half time we were 2-0 down but had been playing into a stiff breeze. In the second half some scrambling defence and a cracker of a goal from Aaran, beating two before driving the ball into the net from outside the 18 yard box. Could this really happen? We kept defending before winning a corner against the run of play. This is where Chris in a moment of genius, snuck into the attack from the corner, received the ball outside the box and hit it first time into the corner of the net. 2-2. There was still 15 minutes to go, but our guys never stopped defending and finished with a much deserved draw. Mohammad Daghaheleh was the surprise packet, not stopping and harassing his opponents all day. Thanks to Ali Fatlawi, backing up from the 14s. Man of the match – clearly the best player on the field today from either team was Christopher Germanos. That Merrylands only got two is due to Chris and then to ensure that we weren't just protecting goal difference, he gets the equalising goal. Simply awesome.

Goal scorers – Aaran Batth 1, Christopher Germanos 1

U17

vs Merrylands SFC

9 - 0

After 3 months of no football, we finally were able to get on the pitch and ready to play. We were on fire in the first 10 minutes hitting the crossbar and post but died off and slowly let them creep into the game. 25 minutes gone, and we cracked the deadlock and from there the floodgates opened with being 4-0 at halftime. The second half was definitely the better half playing really nice football switching it from one side to another opening Merrylands' defence up. Great to get a big result to kickstart our season. Special mention to Jackson who scored from 35 yards out from left back and Peter who had a cracking game which earned him man of the match. Goal scorers - Ibrahim Koroma 2, Krish Shrestha 2, John-Luke El-Rahi 1, Jackson Galea 1, Abulfazal Mirzaei 1, Ryan Booker 1, Peter Germanos 1

**Premier Reserves**      vs      Macarthur Wasps      5 – 0

A strong start to the season from the lads after an intense few training sessions getting to grips with a new system. As a coach, am I proud of what we achieved? Absolutely. Am I satisfied? Not a chance. A scary thought for any of our future opponents. A notable mention to Daison for his man of the match performance, chipping in with two assists from left back.

Goal scorers – Kojo Owusu 1, Mahdi Karimi 1, Warren Duru 1, Mohamed Al-Delaimi 1, Eli Kamara 1

**Premier League**      vs      Macarthur Wasps      0 - 0

A solid defensive performance from the team in which the opposition's threat was minimised to long balls. The centre back pairing of William and man of the match Jono controlled the tempo and each made sublimely timed tackles to avoid any stings the wasps had to throw at us. A goal line clearance on the last kick of the game was the difference between 3 points and 1, but overall a pretty fair result.

In attack we lacked a bit of fire, but with plenty of training sessions and games to build our collective understanding and cohesion, the sky is the limit.

Thanks,  
 Ayon

**All Age Ladies**      vs      Parklea      1 – 6

A step up in division has, unsurprisingly, meant a step up in class. Parklea played very well. That said we gifted them their first and missed a couple of sitters ourselves. Whilst 5 – 3 may not have fully reflected the game it shows how close we are if we can polish our skills. Our midfield was a bit of a shambles today which meant despite playing well, our defence was overwhelmed. Up front we did enough to show why we are a threat in any game but again without support and without finesse we could only get one. Sarah Dubois worked sooo hard today, Laura Herbert welcomed herself back with a powerful effort and Kiwi showed both teams that technique and patience beats speed and enthusiasm every day of the week. Imagine if we could muster up both technique and enthusiasm? Bring on next week! Congrats Katrina on scoring your first senior goal in your first senior game. Goal scorer – Katrina Tamano 1

*Most often games will still be on so **do not just stay at home**, you will be letting your child's team down!!!*

It's raining and it's training tonight!! Is training on??

If the ground is closed you cannot train, *even if it's not raining!!* Parents and players call the manager or coach.

On Saturday our teams wore black arm bands in memory of two CFA Sydney Life members who passed away during the off season.

## Vale Joan Pearson and Noel Sampson.

This weekend we paid our respects to two stalwarts of our Association, Life Members, who both passed away during the off season.

Joan Pearson was more than former secretary, Roy Pearson's wife. Joan was at over 90 years of age a continuing font of knowledge about 'Churches Soccer', having partnered Roy through our most vibrant period in the 60s, 70s and 80s. Joan was the backbone of her family and of our Association.

Noel Sampson was Secretary and President of NSW CFA from the mid 90s through the 2000s. Noel's commitment to what he set his mind to made him a formidable force and this drive kept our Association together through his time of involvement. Noel was passionate about his beloved Chester Hill and supported by his loving family throughout.

Both Joan and Noel attended our Centenary celebration dinner in 2019 and are sorely missed by all.

This Saturday junior teams will wear black armbands in remembrance of Joan and senior teams and referees will wear black arm bands in remembrance of Noel.

Taken at the CFA Sydney Centenary dinner in 2019. Life members of CFA. Noel (5<sup>th</sup> from left) and Joan (centre of pic in red)
