Catch up

U14 Girls vs Glenwood Redbacks 1 - 2

Last Sunday we played Glenwood Redbacks with two reserves and came away with a 2-2 draw with Glenwood scoring in the last minute. On Tuesday night we played them again in the washed out catch up game. Unfortunately we had no reserves and ended up losing 2-1. Glenwood pressured us in the first half and they were able to force us to make errors at crucial times which led to goals. We were unfortunate with one of these goals hitting the post and deflecting into the goal instead of out the goal line. The effort from the girls was faultless. They ran themselves raked and continued to play positively considering the score line. In the second half we controlled the game but could only manage to get one goal. We had our chances towards the end but fatigue caught up with the team and we ran out of time.

Round 9

Saturday 5th June 2021

U6 Red

vs OLQP Falcons White

5 – 2

Our game today was against OLQP White team at their home ground in Greystanes. The game started with the sun in our players eyes however that didn't stop pocket-rocket Jessica from scoring the first goal of the game.

Our goalie William was put under pressure by our opposition however was able to fend off 3 goal attempts before they scored their first goal making it 1-1. Salim scored a second goal for our team in the first half bringing us back to the lead. Second half saw our players show their usual dominance with Chris, Arshan, Jared, Zoe, Charbel and John keeping ball play in the opposing side. We made a few more attempts at goal that just didn't hit the back of the net. OLQP was able to score a second goal however we stamped our win with 3 more goals by Salim, Wasim and Jessica. Player of the Match awarded to Salim for being a standout on the field today. Goal scorers – Jessica Leke 2, Salim Sessine 2, Wasim Dib 1

U6 Black

vs Wentworthville Uniting

0 - 0

Despite only having 5 players today. All the kids tried their best to score a goal and keep the ball on the opposing side. Zayden worked hard in defence with consistent kicks down the field as he always does each game! Well done to our goal keeper Isa for saving multiple shots. Jacob showed some very solid shots on target however his shots were saved by the opposing team. We saw great striking by Neal and Omid. Kaarunya was very brave today and tried her best at saving the ball. Unfortunately there were no winning shots today! Overall it was a very good game, ending in a draw. Well done to all the boys and girls!

U7 Red vs **OLQP Falcons White** 4 - 4

Tough but exciting game to watch today. With the sun in our eyes, we were down 2-0 at half time. The 2nd half didn't start any better with OLQP scoring another goal within minutes. Our first goal came from Aidan who dribbled the ball down the left of the field, and shot out wide straight into the top right corner of the net. OLQP were not happy with that and responded by putting in another one bringing the score to 4-1. But the team were adamant and never gave up with Aidan scoring yet another goal and Ibrahim putting 2 into the net just before the whistle blew to end the game in a draw. Player of the match: Ibrahim Ali Tekirdag
 Goal scorers: Aidan Lu 2, Ibrahim Ali Tekirdag 2

U7 White vs **OLQP Falcons Blue** 0 - 3

Today wasn't our day for the under 7 whites. We lacked energy, drive and motivation. We conceded a goal in the opening minute which left us chasing all game. We had a few kicks at goal but the players were not passing the ball well and were out of position. They tried their best and were gracious in defeat.

U7 Black vs **Bye**

U7 Onyx vs **Lidcombe Churches** 2 - 1

A fantastic game today! We played against a strong team, who consistently attacked the goal and were fast on their feet. Our team really kept up and many times showed terrific skills in chasing the ball, defending and attacking the goal. It was a very exciting game, which got better when Ella scored our first goal, followed up by Muhammed scoring our second goal. Really great work all around, with Annu and Maroun saving many goals as goalies, Samuel, Laith and Olivia on defence and Laith, Ella, Zayd, Muhammed, Shiven on attack. And a special thanks to Eid today, for coaching assistance, and for helping with a parent who was out of line and caused the referee to pause the game.

Scorers: Ella Sabbouh 1, Muhammed Kassem 1

U8 Red vs Al Ahwaz FC 0 - 2

The U8 Reds faced more challenges than usual on Saturday. Nevertheless, they played their best game of the season yet. They put in team effort which made any spectators lucky to watch, and didn't let their challenges and final loss get the best of them. Unfortunately they ended up losing with a final score of 0-2

U8 White vs Lidcombe Churches 0 - 0

All odds were against us, the whole game we played in the opposing team half but we did not have a score, the boys had some really good shots but the opposing team had a fantastic goalie who made sure we did not score at all. At the end of it all the boys had fun and at the end the final scores were 0-0

U9 Red vs Wentworthville Uniting Blue 0 - 2

Our boys played fair today we had some good shots which missed from Aakash, Jacob and Adam. Our defence and Goalie did their best with clearances and blocking goals. Overall as a team we have proved to show determination and get even better for the games to come.

U9 White vs Wentworthville Uniting Gold 6 - 0

Today it was great seeing the old connections between the players starting to flow again. The passing of the ball saw our attack break the line and put pressure on Wenty. Our defensive line stayed strong, passing the ball to midfield who pushed it onto our strikers - Jeremias and Joachim-Cruz - who between them belted in 6 goals. It was a great game seeing everyone working hard, yelling for the ball and supporting each other. Great job team! Goal scorers: Jeremias Ezenwa-Ndukaku 3, Joachim-Cruz Taliauli 3

U8 - 10 Girls vs Inter Parramatta 0 - 2

We started the game with Ava in goals. She was doing a great job till she tried stop an easy goal with her feet wider than her shoulders and left plenty of space for the ball to roll through. The second goal was harder to save. We were down 2-0 at half time. We had a much better 2nd half with 70% possession in their half. We had some pretty good chances at scoring but IP defended too well and we finished the 2nd half 0-0. Zahra was in goals in the 2nd half and did well. Nice to have Emily on the field all game today. Player of the match today is Olivia. She ran as hard as she could and she defended and attack and showed improvement that I haven't seen until today, keep it up Olivia. Well done today girls.

U10 Red vs McCredie White 0 - 1

As expected, we were up against a tough opponent today. The nerves were high. The kids defended well and our midfield was strong, so the score was kept at nil all by half time. However, we were unable to maintain possession of the ball, lots of passing back and forth, and we were just couldn't accurately strike into the goals. We need to learn to boot the ball with strong kicks into our side of the field rather than trying to dribble through our opposition. The Whites scored in the second half where Sebasjin made a great initial stop of the ball, but it went over him and left them with the winning goal. Our Whites played a great game and their field kicks were impressive. Well done! A familiar face returned to the team today. Welcome back to the team Ali! Player of the match: Jayden Moore for great consistent game play.

U10 White vs McCredie Red 1 - 0

After having a bye last week, the team was excited to have a match today. We knew it wasn't going to be easy and needed everyone to be switched on. First half was a bit of a nail biter as we seemed to make many mistakes like passing the ball into our danger zone creating opportunities for our opponents. But luckily William was always ready and determined to keep a clean sheet today. But we then woke up and started to get our heads around things. Our defence line worked so well together attacking hard and stopping the Reds from scoring. Our midfielders also played strong and hard. Our strikers were eager and worked together to create opportunities for the winning goal. Overall great game played by both teams and we were glad to walk away with the win. MOM: George Massoud
 Goal Scorer: Daniel Depares.

U11 Red vs Wentworthville Uniting Blue 0 - 6

Lovely warm day to play. Boys got clear directions at the start, but then started to forget their positions. They held out a bit longer before conceding a goal. The defence tried, but Wenty strikers were too fast for them. Boys were getting tackled and then stopping. They need to keep going and get ball back. Lots of gaps so boys need to play their position and rely on others to do their job. We'll work on passinh and covering. Player of match: Charbel Bou-Said was covering every where. Her chased and won back 50-50 balls Coach's encouragement award - Bilal Yehye for having a go at goalie and defending well

U11 White vs McCredie Onyx 4 – 7

Great game today, we had Khoder back in goals today and it couldn't have been better timing as we played Onyx. Khoder was amazing, he saved a goal and had the Onyx players trying for another in the goal zone and managed to stop them scoring both times. They definitely kept him on his toes the whole game. While we didn't win it was still an exciting game with a 4 to 7 loss. Peter has been upping the defence training during practice and it showed during today's game. No game this weekend with 6 aside on Monday, this will be great practice for the kids. Have a great long weekend everyone.

Goal scorer – Yusif Saleem 4

U11 Onyx vs McCredie Red 7 - 4

Not the most polished performance ever seen by the boys but a satisfying result. Disappointingly, we failed to completely shut down the player we all knew was going to be the most dangerous in the opposition. Also, credit must go to the opposition keeper who made some outstanding saves to deny Nik, some more goals. Positively, the boys were able to ply balls through to the strikers seemingly at will. Man of the match Aaron was outstanding at holding the ball when required and also playing it through for the faster boys up front. Not a 10/10 game but a perfectly pleasant result.

Goal scorers: Nik Dimitriou 4 Hassan Shah 1 Jason Azar 1 Own goal 1

U12 Girls Red vs Bye

U12 Girls Grey vs Wenty Saints 2 - 4

Heaps of improvement were seen this Saturday. We played very well as a team, great defending by our defenders Emily and Lily in the first half, and Riya and Catherane the second half of the game. Ellina and Leliah played great as attackers with some magnificent chances created by both the girls. Ellina and Daniella worked great as a team and scored 2 goals in the second half. Whilst Riya got some great saves in the first half, along with Alex who came along with great goalkeeping skills.

Goal scorer – Danielle Sleiman 2

U12 Red vs Wenty Waratah 2 – 7

It was good to have a full team! Unfortunately it was a tough game with a quick opposition and we couldn't keep up. We've got to stick with our positions in order to ensure we don't bunch up at the front or in defence. Good work from Akram scoring a great goal and Michael scoring from 50 metres and in our own half! Matthew worked hard in goals and made some great saves! Mohamed also had another fantastic game at left back and on his birthday too! Player of the match was Abbas, who had his best game, marking well and clearing the ball out of defence.

Goal scorers: Akram Omar 1, Michael Kanaan 1

U12 White vs Lidcombe Waratah 3 - 2

An absolute game of two halves today with a really lacklustre first half costing us a goal to some really poor marking and defensive positioning. The worst aspect of the game was the passing that inevitably went straight to the opposition all over the park. Credit must go to the boys though who responded to a fairly critical half time talk to produce a brilliant second half. Jason put away a nice penalty and Yusif scored two more for the year including one off the ground that had to be seen to be believed. But most impressive was the disciplined positioning of the defenders, including player of the match Yonathan playing outside his normal position. The defenders really proved that they can stick to the positions assigned and that when we do that, we win games. An important lesson bundled in with a great win.

U14 vs **Ermington United** 1 – 0

Our 8th game in a row without a loss. A massive effort from the team to get the win after some questionable refereeing decisions. Our team held strong against the team that just beat the league leaders last week. Some outstanding passing from the midfield and forwards put constant pressure on the Ermington defence. Our defence was able to stop their counter attacks with good structure and an eagerness to attack everything in the air. Special mention to our sweeper keeper Lachie with some great positioning and saves to keep us in the game. Also a big shift from Simon at the back was instrumental in our win. MOTM-Lachie
Goal scorer- Thomas Elzain 1

U16 vs **Toongabbie Demons** 6 - 0

Great game today. We could've scored more. But great to see some new scoring options across the team, with Nas bagging a sensational hat trick, Ali a brace and Anthony a wonderful goal from open play. We were solid through the middle and besides an unnecessary penalty late in the second half, we were unbreakable out back. Excellent effort from Armin as goalie in the second half saving a penalty by putting the goal past the top bar. Dylan had a few cracking runs, with a near miss off the side post, but rebounded nicely to allow Josh to setup Nas for his 3rd goal of the game. A bit later Dylan again dribbled through the middle and laying up an assist to Ali with a smooth finish for a great team goal. Very pleased with the effort today. We could've been a little more clinical and really put the team away, but the team enjoyed themselves today with plenty of laughter training before the game, during the game and after the game.
Goal scorers: Nasrudean Gurey 3, Ali Jaffari 2, Anthony Germanos 1

U18 Black vs **Dundas United** 7 - 0

Today similar to last week, we were the better side and controlled the entire game with 90%+ possession. However we could not find the back of the net for long periods of the game. Our shots were ineffective and rarely on target. For goal difference sake, we need to ensure we create better shots and move the ball quicker to create more space. Man of the match - Aakrist, first full game out of goals for six years and he played within his capabilities and did not make a mistake the entire game.
Goal scorers - Krish Shrestha 2, Mambo Wakilongo 2, Mahdi Amanullah 1, Jackson Galea 1, Chris Germanos 1

U18 White vs **Auburn District** washed out- postponed

Premier League Reserves vs **Inter Parramatta** 1 – 1

We lined up today with a strong 11 and definitely looked the better team for the most part. Unfortunately with all the possession we had in the first half, we weren't able to capitalise on the number of chances we had. A well worked passing passage into the box allowed Maurice to shoot which landed us a penalty due to a handball, which Richo put away well. We then conceded a freak half volley off the post and in and didn't have enough time to pinch another. Disappointing and a recurring theme of which we put into the bucket of 'games we should've won'. Man of the match was a split between Theo and Louie who were nearly flawless in the back defensively.
Goal scorer – Daniel Richardson 1

Premier League Firsts vs **Inter Parramatta** 3 – 1

Firsts 3-1

With a few out due to injury and suspension, we had a number changes to our starting lineup. That did not show with us looking a class apart for most of the game keeping the ball on the deck and expertly playing out of their semi-press. Fantastic performances across the park meant we didn't feel the loss of Mushty who had come off at half time - notably Mick filling in at CM. Darren had an important save to make at 3-1 which capped off an amazing performance filled with great passing from the back. Standout, once again, was Will Wark with his 2nd hattrick of the season winning man of the match.

Round 9

Sunday 6th June 2021

U14 Girls vs Greystanes FC 2 – 2

Today the team was already down to eleven players and we got a message two hours before kick off that Olivia, our left back was unavailable due to illness. We had to reshuffle the team around and put on hold some positional changes until we get a full squad available. We were playing Greystanes who haven't won a game this season and now I consider them our bogy team. With only ten players and Greystanes at full strength plus three reserves the team came away with a 2-2 all. We led throughout the game but Greystanes were able to equalize with their players breaking through on our right side and crossing the ball into the centre of our penalty area and they capitalized by scoring the equalizer. The girls efforts today was superb considering we played one player short all game and then lost another player to injury with less then 10 minutes to go. Considering all these factors, if the team can get some of the simple things of the game more than 75% correct we will get closer to winning these types of games. Player of the match Soman Saleem

Goal scorers: - Soman Saleem 2

All Age Ladies vs Doonside Hawks 0 – 1

In the first half especially we struggled to string any passes together and therefore exert any pressure on an opponent that just 12 months ago we would have trounced. The fact that we can't find the goal is one thing but it is very frustrating to give up a goal through the middle each week. These factors together are obviously terminal. All that said, Therry tried really hard today, Keely defended brilliantly and Henny made some great saves and demonstrated great decision making.
