Round 3 catch up

Friday 30th April 2021

All Age Ladies vs Wentworthville Uniting 0 – 2

Always a good battle with Wenty and tonight was no different. A fast paced game from the first whistle. Absolutely everyone played 100%. There was nothing left in the tank at the final whistle. The defence line of Elise, Sarah I, Laura and Keely was solid. Nothing was getting through them and if it did Henny was there to stop it. The midfield didn't stop running but the absolute stand out was Shaka who was everywhere putting the fear into Wenty. We finished the first half 0-0. An excellent result that we hoped would carry on to the final whistle. Unfortunately in the second half we acquired some injuries, shuffled positions and we let our guard down handing Wenty the win. All credit to Mika for stepping up to coach – much appreciated.

Round 4

Saturday 1st May 2021

U6 Red vs OLQP Falcons Red 1 – 0

Another win means bigger grins! This game was our toughest yet with both home and away teams determined to win. Although a few of our players were feeling under the weather, the team defended superbly and dominated the field by keeping the ball play in the opposition's half for the majority of the game, allowing our goalie to rest easy. OLQP managed to defend their goal line from our numerous nail-biting attempts shooting for goal. We kept up our attack, moved the ball around and listened to the coach's directions until the last minute of the second half, a hard right foot kick of the ball from an opposing player caused the ball to ricochet perfectly off William's boot straight into the back of the net to score a goal and secure our victory! Well done to the team !!

It was an extremely tight game playing against one of the stronger teams in U7. The kids put 100% effort into their game today running around the entire field tackling, crossing, and having shots at goal. With our usual goalie Aaron unavailable, Jabril did a great job literally throwing himself at the ball several times. We drew at half time with Romeo and our opponent each booting a big one over the top of heads straight into the net. Joshua stopped the opponent in their tracks many times and Eden even put his body on the line successfully stopping the opponent from passing him. Hussain and Azalea never gave up with their tackles which meant a quieter game for Abdul as goalie in 2nd half. Our winning goal came from Ibrahim sliding the ball into the net after a cross from Aidan. Player of the match: Jabril Hassan (Happy Birthday!)

Goal scorers: Romeo Prasher 1, Ibrahim Ali Tekirdag 1

U7 White vs Lidcombe Churches 2 - 3

Today was a disappointing game for our team as it was our first loss. We tried our hardest to kick at goal but we fell short a few times. As usual the boys played their hearts out and tried their best.

U7 Onyx vs InterParramatta 10 – 0

A great game for the team today. The start of the game was delayed as Parramatta struggled to get organised. Our strikers didn't wait as they spent the whole first half of the game attacking goal. Ella, Maroun, Shiven and Zayd (twice) scored in the first half, with Ella and our strikers forcing an own goal. Second half Zayd scored again, forced another own goal and kept the attack up. Muhammad and Maroun finally broke through some excellent saves by the Parramatta goalie. At one point it was girls verse boys with Batoul, Olivia and Ella leading the attack. Finally big congratulations to our newest team mates, Annu and Samuel. Annu has an excellent kick and only just missed goal, while Sam did a great job as goal and went on to score a goal in the second half. Great work team. Keep working as a team.

The U8 Reds played an amazing game on Saturday. They put in an effort which combined all skills which we go through on training to win the game at 4-0, while also showing good sportsmanship to the opposition.

Once again our red and white Socceroots showed out today, though the game was tough. The match started off with the opponents attacking straight after the game started. With a quick reassessment of the game coach Tito had to reorganise the team and that paid off with a goal from Isaac. The second goal was scored by Taha after a fantastic run and pass by De. The third goal to seal the win was by Jayden. Great effort by the whole team which paid off, Preeyan was perfect at goalkeeping and strong defensive line which made sure the opponents did not have any chances to shoot the ball.

Tough game today. Great effort from both teams, Wentworthville Blues played very aggressive defence along with having good coordination. McCredie Guildford Good effort from our defence and midfield Issa, Johnny, Xavier and Goalie Mahmoud /Essa in spite of the tremendous pressure put on them. We also had good effort from our offence and midfield some good attempts towards scoring that goal by Daniel, Akash, Ayan. Overall great effort by the team in spite of having no rest time due to no substitutes.

U8 - 10 Girls

vs Wenty Saints

0 – 9

We started with Ava in defence 1st half and Gabrielle in the 2nd half. Both girls held their position and defended well. Emily in goals saved a lot and kept the score to single digits. Our strikers never got a real chance. Midfield did well to keep running throughout the game. Although the score is disappointing we can work on improving our game each week.

U9 White

vs Wentworthville Uniting Gold

Although it is only 4 weeks into the season, the team are becoming a very strong unit. Their positional play is getting stronger and this is leading to an increase in their confidence and trust in fellow teammates. Our defence today was again outstanding keeping the opposition scoreless. Our attack was relentless as well with our forwards continuously pushing the ball forward. Jeremias added to his tally with 5 more goals supported by one each from Emaan and Joachim-Cruz. We are very proud of everyone!

U10 Red vs Lidcombe Churches Blue 3 – 1

A game well played by every single person today! It was a relief to have Ameer back, allowing the team to form a strong line of defence and midfield play. The kids barely let the ball into the opposition's half for the majority of the game. Charles is building his confidence every week and played excellent in midfield. Sebasjin had an opportunity to play on field second half and was just as brilliant as striker as he is a goalkeeper. He has great ball control and game strategy. If only we could clone him. The team was passing and setting up goals, seeing Lukacs score our first goal. Kevin stepped up as striker in the 2nd half, giving us 2 amazing goals in a row. A couple of unlucky shots hit the goal cross bar so we will need to work on our accuracy, but it was an awesome game Reds. Keep it up! Player of the match: Kevin Quach
Goal scorers: Kevin Quach 2, Lukacs Bausse 1

U10 White vs Wentworthville Uniting Blue 7 - 0

The whistle blew for first half and before we got the chance to look up, the boys were celebrating their first goal. From then on the boys were on fire. They played well and dominated the game. We saw some great passes and through balls. However, our throw ins and offside needs to be revised and will touch on that Monday night during training. Overall a great display of team work well done.

U11 White vs McCredie Onyx 1 – 4

Great game today! While we didn't win, it was great to watch the kids play and support each other. Their defence against Onyx was fantastic and Khoder managed to stop many goals. While Yussif and Michael managed to get the ball inside the box and managed some great attempts and close goals. Danielle, Jacob and Saif played really well. A special thanks to Henry for filling in as coach while Peter was playing his game. Can't wait to see where next week takes us.
Goal scorers – Yusif Saleem 1

U11 Red vs Wentworthville Uniting Blue 1 – 5

The boys' hard work at training is starting to pay off. They were jockeying, chasing, and tackling the ball more. Brandon managed to make a break and the score team's first goal of the season. It was lovely to see the smiling faces and showed that they can do it. They're bonding and making good friends. In the second half the boys started to tire and clump. It was like a pinball machine. In the middle, the ball was pinging off our players. The defenders worked hard and chased the majority of the game. Elio stepped into goals in the second half and showed he can do an awesome job. Keep on improving reds. Player of match - Daniyal played out of his comfort zone in the middle today. He was chasing and jockeying really well. Coach's encouragement award - Charlie Maalouf for moving around in front of the ball and blocking

Starting the game with 4 players with our opponents who had a full squad plus subs, but that didn't stop Olivia scoring within seconds of kick off. Everything the girls learnt in training is paying off. Passing the ball when needed and calling for it as well. Well done REDS!

With only 9 to start and 10 to finish we did really well today! We were 1-0 down at half time and that had us a bit worried, but in the second half the whole team worked hard to make an awesome comeback. Sunday scored two amazing goals, assisted by Ayaan and Husein. Husein was unlucky not score some of his own. Michael did well in both attack and defence, clearing every ball for a goal scoring opportunity. William worked hard in the backs and read the game well, tackling hard at every chance. Our player of the match was Mohamed who had an awesome game and worked non-stop to keep our defence strong! Well done guys! Hopefully we'll see everyone at training this week!

U12 White vs Carlingford Kings 9 - 0

Having overcome the challenge of playing with eight last week the U12 Whites got to experience the reverse on Saturday playing against a short handed Kings team. Thankfully, we managed to comfortably assert ourselves and walk away with a 9-0 win. The star up front was Yusif who bagged four goals in the absence of Nik. Jason got two, Aaron and Yonathan picked up one each and the crowd was thrilled to see half a game keeper Farooz hammer one in from the edge of the area to cap off the game. Despite the attacking dominance, player of the match was Rushil at left back who not only stopped any attack Kings tried but provided excellent service to the guys higher up the field with his brilliant use of both feet. He proved that defenders can still play a crucial role in a game that was played entirely in the opposition half. A comfortable result with still room to improve on finishing and speed of ball use that will hopefully continue to improve as the season progresses.

U13 vs Auburn FC 0 - 6

The boys were up against a tough team, conceding 4 goals in the first half and 2 in the second. We tried to change things up by putting a new keeper in the first half to test his abilities, but that did not work out so well. The boys lacked in defence as our midfielders weren't dropping back to defend and had no communication on the field between the players which we'll work on throughout the season. The attackers had great link up plays on the wings and were close to scoring but no cigar. Even though we suffered a major loss, the boys fought till the final whistle.

3-0 at half time thanks to a Karate Kid goal from Josh, followed by a Penalty goal taken by our goalie Anthony and one from Sebastian. It was rusty as we missed other easy chances at goal but we felt in total control and were cruising. And often is the case when you're comfortably ahead at half we made some changes to positions to let some kids move around, and it went horribly wrong. Our back line was exposed with simple through balls which the opposition then beat our defenders in a foot race and 1on1 with the keeper to score 3 soft goals. Enough was enough so we rotated Dylan back to defence and Moey to support and their attack stopped! We got 2 extra goals in the second half to close out the game. We made it a little extra hard for ourselves today and the team ran hard with some who looked like they needed ventilators. But first win of the season. More to come, but not by playing like that in the 2nd half.

U18 Black vs Greystanes FC Black 1 - 3

Today we played like many of our opponents have throughout the years. We dominated in the first 15 minutes and caught Greystanes napping which allowed us to score the first goal. However we let them get into the game and we took our foot off the pedal. Our midfield collapsed and we instead played the doughnut formation with minimal central midfield. We unfortunately let the Greystanes crowd and the opposition get to us and were worrying more about them than the aim which was to score more goals than the other team. We did not play our best and we couldn't get ourselves out of the hole we had dug ourselves in. We need to be stronger mentally and just play football.

Goal scorer - Mambo Wahilongo 1

U18 White vs Dundas United 5 - 0

We were just slightly off today. We weren't awful but we certainly weren't great. We dove in on tackles, we took poor options, we rushed up front and we chased lazily. We weren't the better team and the result at half time was a fair 0-0. We had probably attacked more often but we had certainly provided opportunities to Dundas as well. An honest appraisal at half time and the team took to the second half looking very different. Connor's energy made a real difference whilst Aaran's clinical finishing sealed the deal. A 5 goal second half was a fair reflection of that 45 minutes. For a whole game display I couldn't go past Sulayman who was probably the main reason we weren't behind at the break.

Goal scorers – Aaran Batth 2, Samar Sampat 1, Cesar Perez 1, Arav Maharaj 1

Premier League Reserves vs Greystanes/St Matthews 3 - 1

A game of four phases, two where we controlled and played to our strengths then two where we gave the ball away and let the opposition get at us. The positive to take is that during the times we weren't at our best, we did stick together and work hard to keep them out and regain control. We went 1-0 with a powerful freekick by Richo into the top corner. Then going 2-0 up after a good phase of passing lead to Pete setting up Waz for a finish in close. Tom made brilliant saves each time he was called upon, keeping us 2-0 up. In the 2nd half during bad phase we lost concentration by complaining to the referee over a foul on our keeper instead of playing to the whistle and let the opposition score on an open goal. We then made changes on to regain our control over the game, Brandon's great play in midfield getting us back to our best. A great lobbed through ball by Eli put Pete in one on one with the keeper and he finished strong for us to go up 3-1. Then we fought hard to see the game out. Motm = Tom.

Goal scorers – Daniel Richardson 1, Warren Duru 1, Peter Hourani 1

Premier League Firsts vs Greystanes/St Matthews 2 - 0

A lot of players missing for this game, and a few players backing up from Ressies.

We started the game strong, keeping the ball away from the opposition but not getting a goal until later in the half after a long ball out from Daz, Will with the strong run under pressure and strong finish into the top corner put us up 1-0. Before the half finished, the opposition was reduced to 10 men after a dangerous two footed tackle, luckily James was ok and only left with stud marks on both legs. The start of the 2nd you'd think it was 11v11 and it took us some time to gain control of the game again with Mushty's great play. Our second goal came from some brilliant play from Jalloh, bringing down a long ball out from Eli, running at three defenders, playing through them to slot it past the keeper. We controlled the remainder of the game, creating some good chances but not adding to the score line. Motm= Mushty

Round 4

Sunday 2nd May 2021

U14 Girls vs Greystanes FC 2 – 2

Without our regular goalkeeper this week the team had to find a replacement to fill the void. In the first half we called upon Alaa to wear the gloves in her first appearance in the position. The team in the first half struggled to control the midfield and gave Greystanes too much room. The players are still struggling with the concept that they must attack the ball and that they need to get to the ball before the opposition players. Not controlling the game led to Greystanes scoring two opportunist goals. Halftime could not come quick enough to try and recompose the team to play their own game. At half time Alaa handed the goalkeeper gloves to Rihanna. Phil questioned the girl's effort in the first half and asked the girls to pick up their game, get to the ball first and play in their positions. The second half was an improvement with two goals coming our way. One of the boot of Soman and the other from Stella via a penalty that she had earned after being fouled in the penalty box. Rihanna kept a clean sheet in goals and played the role like a natural keeper. Our midfield played better but lots of room for improvement exist. The backs were tested today, and we got caught out a few times but recovered on most occasions. It is disappointing to drop two points today. We are a better team than we showed today. Believe in yourselves girls.

Goal scorers - Soman Saleem 1, Stella Fitzpatrick 1

All Age Ladies vs Oakville 2 – 2

Picking up where she left off on Friday night Shaka was everywhere and was rewarded with two goals. We played pretty well having many more attacks than any other game this season and we hot the post twice. To be fair though we did our share of defending and Oakville hit the posts 4 times. Player of the match was Sarah Irving who snuffed out many attacks and just generally played with energy for 90 minutes.

Goal scorer – Sharlene Muru-Tucker 2
