RAIN – WHAT TO DO
It's raining, it's Saturday!! Is the game on??

The decision to close and open grounds is in the hands of the local council

It is made on the basis of the condition of the ground. It is not made based on the weather.

That means that sometimes it is sunny but the ground is closed (because it is still wet from previous rain) or it is raining but the ground is open.

Your manager will know if the game is on, give them a call. Very rarely is a decision made before Friday evening. If I have not contacted your manager, the game is on, even if it is raining!

*Most often games will still be on so **do not just stay at home**, you will be letting your child's team down!!!*

It's raining and it's training tonight!! Is training on??

If the ground is closed you cannot train, *even if it's not raining!!* Parents and players call the manager or coach.

Granville Park is in Cumberland Council – wet weather line **8757 9025**

IMPORTANT NOTICES

1. *If for any reason your child is unable to play or attend training you **MUST** inform your coach or manager **AS SOON AS POSSIBLE**.*
2. *If you have questions regarding your team ask your manager.*
3. *If it is raining on a Saturday morning call the team manager to see if the game is on. Most often games will still be on so **do not just stay at home**, you will be letting your child's team down!!!*
4. *Please assist the coach and manager, they are working unpaid for your child. There may be nets to put up or pull down, corner posts to stick in, players to be picked up (particularly if a parent has more than one child playing in different teams) or shirts to wash.*
5. This Club, the NSW Churches Football Association and Granville District SFA have high expectations of our parents and players. Please support our teams, but no abuse of players or officials will be tolerated and bans or fines could result.

Greg Wark – Secretary 9682 7779

It is highly likely that those that need to read this won't. But I am going to write it anyway.

On Saturday we saw how wet weather and soccer work. Games get called off due to ground condition, not what's falling from the sky. In the morning most grounds were playable and so most games were on. By the afternoon they were no longer playable so senior games were off. Training on Monday will be off (even if it is sunny) because the park won't have recovered.

That parents chose not to bring their children on Saturday morning is very disrespectful of the other players and the volunteers organizing the season for your kids. That we had to forfeit two games is a disgrace. The club is fined \$100 per forfeit and the volunteers are wasting their time at the ground ringing players who haven't even had the courtesy to make contact. Not to mention the opposition and team mates missing their football.

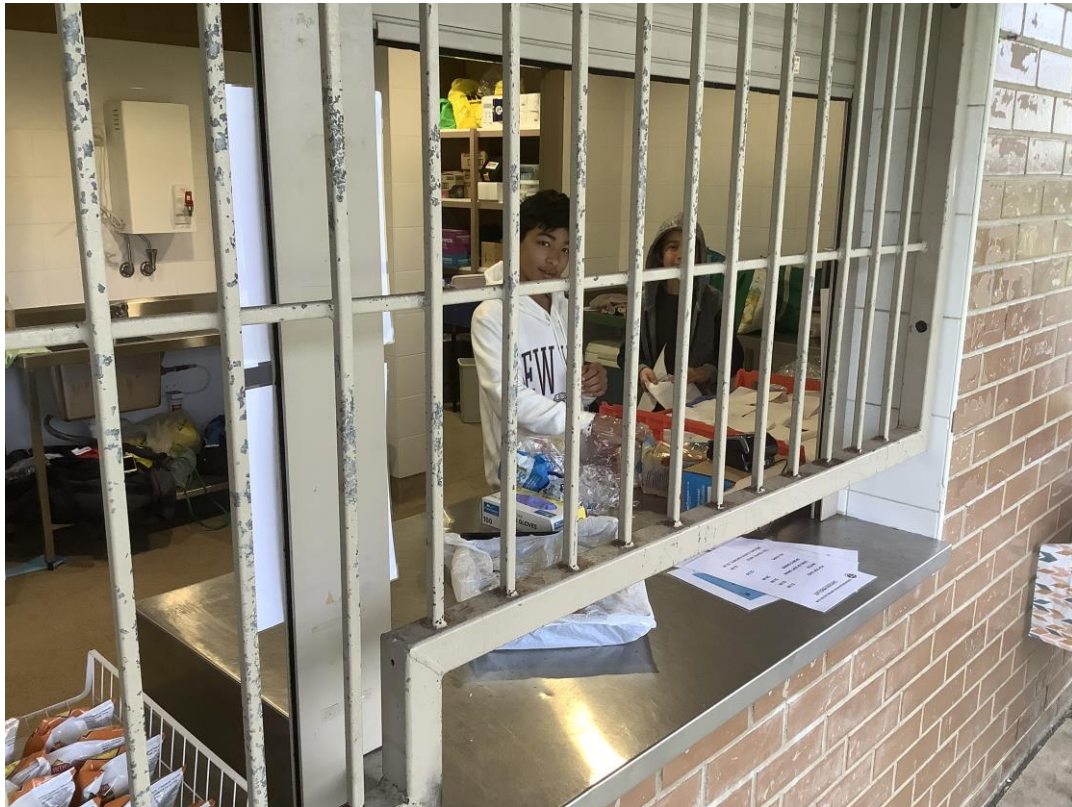

As for being competitive, you signed up to play a competitive sport, competitions are won and lost on mornings like this.

It's a myth that cold or rainy weather can cause a cold. Instead, colds are minor infections of the nose and throat caused by more than 200 different viruses – we know better now than we ever have how we get sick – we get sick from each other not the rain!

Premier League State Cup vs Greystanes FC 3 - 0

The team kept the good possession play from the weekend game and moved the ball quickly around the park from the start of the match. Dollar started the scoring with classy finish over the keeper, the Will finished after a great corner from Daison was knocked back across goal from Brandon. We stopped moving the ball for a moment then gave up possession to easily and was punished for it, making it 2-1. Bright was on the scoresheet after the keeper gave up and easy one, then Terence made a beautiful turn and finish after another great ball from Daison had us up 4-1. Wil setup Terence for his 2nd then Daz was unlucky to have a shot hit the post and knocked back off him to have the game end 5-2.

All Age Ladies vs McCredie Youth 7 - 0

Tonight should have been a good chance to concentrate on our structure with our opposition a bit short. We did play harder than previously which is important, but we still missed an opportunity to look up and find players in better positions and move the ball around. Instead we sought the most forward player and kicked it at them. This had the dual impact of forcing the midfielders into the forwards to seek the ball and not getting it, because it wasn't passed to them, just kicked at them. We made raid after raid down the right, finished some goals but missed plenty. I would love to see our midfield hold their position, our backs support them when they can and our wide players pass the ball in. Some things to work on.

Raahauge Cup Firsts State Cup vs Inter Parramatta 0 – 6

Tonight we took on a premier league side. It would have been nice to have been at full strength but unfortunately this wasn't to be. Defensively we were very short and this was evident early. Without our solid defensive foundation our midfield (which was at full strength) were not in the game. Our strikers couldn't get with the game plan and the game was solidly being played on the edge of our penalty area. Not our night.

Premier Reserves vs Kings Old Boys 1 – 2

Up against a first grade Kings team ready for revenge after the previous weekend game, the team were up against it with only one sub available. Caught on the counter the team found themselves down 1-0, then right before the half a perfect freekick from Kings had us down 2-0 at the half. In the second half the team started playing a lot better and the addition of Sifri lead us to pulling one back as he finished off a beautiful freekick cross in by Dhillon. But we ran out of time and the didn't get the equaliser, losing 2-1.

U6 White vs Greystanes United won on forfeit

Unfortunately, Greystanes United had to forfeit the match against us on Saturday. Thank you to the parents and players from our team, who still showed up to Freame Park, despite the weather.

U7 Red vs Greystanes FC Grey 0 – 9

U7 White vs Greystanes United 1 - 1

A tough game in the rain. Thanks to all who came today and played a hard fought match. A goal by George in the first half with fantastic effort in defence by Zayden. Thank you to Milan, Jacob and Thomas who all shared goalkeeping duties. We were looking good for the win but a goal in the last few minutes by Greystanes saw us come away with a draw. Regardless, the boys did well in the rain and there were no complaints by any of them.

U8 Red vs Wentworthville Uniting 10 - 1

Tough conditions with the rain today, but both teams played on. We played effectively without a goalie as we were never troubled in defence. Players took turns to have their shots at goals and the highlight of the day was to see Aaron and Animesh score their first goals of the season. Resting a few of our players towards the end, allowed the opposition to score a consolation goal right on full time which cheered their spirits. Kids from both teams whose parents made the effort to bring them to the game, seemed to really enjoy themselves and got some excellent exercise with their team mates. It was a little wet, but still so much better than sitting at home in front of the TV, or other electronic devices playing by themselves!

What a wet day today was. The boys played very short today in the pouring rain. They defended hard and had so many shots at goal but were just a bit short. Their defence was brilliant and passing skills have markedly improved. Shane and Elijah saved some great goals today. Samuel, Thomas and Charbel Nassim making some great runs.

With the rains in the morning we only had 6 players at the start of the game just enough to avoid a forfeit. The boys were resilient in the first 10 minutes. Their resilience paid off with Isaac scoring an awesome with only six players!! Taha and Samuel (under 8) got in after the first 10 minutes making it 8 players. The team was passing the ball beautifully and keeping the other team away from our half. By the end of the game Isaac had 2 goals and Jabari scored a hat trick making it 5-0. Once again the whites did exceptionally well as a team.

Great game today with very challenging weather and wet ground. With only 3 original Team member, Thank you Aakash, Xavier and Hussain, the Bravest players today. Thank you Aiden U8, and the 2 girls from U 11 girls (who are actually U10). With only 6 players it was a struggle at first. Aakash, Aiden and Hussain were great at attacks and Aakash scored a goal after a few attempts. Xavier defended well and covered mid field. The Girls played very well as well. The kids had fun.

So proud of the kids today trying their best in the wet weather and against a full team. We were short on players but Emily, Ali, Arad, Joachim, John, Michael and Owliya worked hard on trying to create opportunities to score. Our defence stayed strong blocking most of their attacks and Emily made some great saves. Great effort from all.

U11 Red vs **Wentworthville Uniting** 10 - 0

The rain gods must have heard the prayers of the coach last night, as the weather was kind to us. A light sprinkling of rain kept our team of 8 players relatively dry. Our opponents had a team of 7 players so fortunately it was a fairly balanced match. With a 2 line set up of positions the team took some time to find their place and warm up. We were all a little nervous as we needed a big win to move up the ladder. However, Kevin finally scored 10 minutes in and the team got the game moving. There was plenty of passing, supportive team work, fast feet and strong clearances in defence. Sebasjin got time out on the field to score us 2 goals and Logan took the opportunity to dribble from defence and score his first goal of the season. Antonio, Waiora, Jawad and Johnny kept our defence line strong so our keepers barely touched the ball. We had Lukacs add 4 nice goals to his growing tally for the season. A massive thank you to the players and parents for braving the wet weather and coming to the match today. We always appreciate your patience, commitment and support! Players of the match goes to all the team on the field today. Awesome job!

Playing a team we lost to last week was nerve wrecking for the boys especially when the opposition had 13 players and we only had 9. Luckily we were able to borrow from the U9 white team 4 players to even up a little. It was tough at the beginning and we were getting all over the place finding ourselves defending more. But 10 minutes in the game we got a grip on it and started getting more possession of the ball and getting break through to see brilliant play between Julian and Akshan to end with an amazing goal finishing first half with us being down 1-2. Second half came and the boys were gaining on possession. We missed a few opportunities which was frustrating to see. Soon refining our touch and brilliant passing between players resulted in scoring 2 more goals taking the lead. Then the game became defensive to keep the lead until the whistle was called to end the game. Special thank you to Jabari, Taha, Kai and Azloan for helping out today. MOM: Jabari and Akshan. Goal Scorers: Julian Azar 1, Akshan Maskey 1, Jabari Uno 1.

Don't assume the game is off because there is a little bit of rain. I was there at 8:15 setting up the field on my own, please arrive 30mins before the kick off time. As the whistle blew we had 1 player where Lidcombe had a full team. I was afraid we were going to have to forfeit, then everyone showed up. With the game underway, it was crazy. No one knew what position they were playing in. Eventually they sorted themselves out and things settled down. As soon as we found some sort of rhythm we started to score. But then we got tired very quickly because we are trying to do too much on our own. We need move together as a team and work together as a team so we don't have one person doing all the work. We had a few players almost score today which was so good to see. I'm sure the girls had fun playing in the rain too.

U12 Red vs Wentworthville Uniting Blue 0 - 1

Duck weather today. Frustrating when so many players pull out. We had 8 stalwart and hardy players versus 9 blues. It was fairly even at the start. Zanyar, Ghadir and Charbel were chasing and looking for space. Brandon made a couple of breaks but was getting blocked until just before half time when he found the net with his left foot. Captain Hashmattulah, Nabil and Gethyn kept the balls to the side. Stefan was using his hands and directing defenders really well. Switched players around second half. Gethyn and Charbel had a go at the front. They made a couple breaks, but were unsure. Gethyn scored a goal. Ghadir and Hasmat were waiting for the rebounds and were running the whole game. Job well done boys. Great to see them spreading out more and having a go. Player of match: Gethyn for chasing, sweeping and dribbling to score Coach's encouragement award - Stefan, Nabil, Hashmat, and Zanyar for showing improvement in fitness and tenacity

U12 Onyx vs Greystanes FC Grey 4 - 6

Unbelievable that three hours ago, we played really well and knew that quick passing and playing in their half was how to beat the conditions. However we could not stop passing to Greystanes or dribbling which cost us valuable possession and field position. It was a shame that our experienced boys could not lead the way for the fantastic U11s that filled in for us (Seb, Lukacs, Kevin, Logan and Julian). We learn and move on.
Goal scorers - Jason Azar 3, Lual Deng 1

U12 Div 1 vs Wenty Waratah 3 - 0

Starting the game 9 v 10 provided a bit more space which we used to our advantage by kicking into space and running onto the ball. A nice cross from Yusif to Aaron made it 1-0 in no time. Two reinforcements came and one for them but we continued to focus on quick passing and playing in their half. With the rain belting down, we found it really hard to dribble so passing was the way to go. Our defence was impenetrable the entire game led by Lual, Gethyn, Mojib and Rushil and frustrated Wenty constantly. We clearly showed today the difference between the top and the bottom of the table in tricky situations. Man of the match - Gethyn.

Tough game for the team today, playing against 15 with 9 players. We held Rydalmere well early in the first half, with some solid defending. A tough no call for a throw in, allowed Rydalmere to get a cross behind our defence, which they were able to finish. After that we switched to a more attacking tactic. Whilst we are able to get more shots on goal, we ended up conceding another 3. Despite the loss, the boys played well and deserved a goal out of the game.
