RAIN – WHAT TO DO
It's raining, it's Saturday!! Is the game on??

The decision to close and open grounds is in the hands of the local council

It is made on the basis of the condition of the ground. It is not made based on the weather.

That means that sometimes it is sunny but the ground is closed (because it is still wet from previous rain) or it is raining but the ground is open.

Your manager will know if the game is on, give them a call. Very rarely is a decision made before Friday evening. If I have not contacted your manager, the game is on, even if it is raining!

*Most often games will still be on so **do not just stay at home**, you will be letting your child's team down!!!*

It's raining and it's training tonight!! Is training on??

If the ground is closed you cannot train, *even if it's not raining!!* Parents and players call the manager or coach.

Granville Park is in Cumberland Council – wet weather line **8757 9025**

IMPORTANT NOTICES

1. *If for any reason your child is unable to play or attend training you **MUST** inform your coach or manager **AS SOON AS POSSIBLE**.*
2. *If you have questions regarding your team ask your manager.*
3. *If it is raining on a Saturday morning call the team manager to see if the game is on. Most often games will still be on so **do not just stay at home**, you will be letting your child's team down!!!*
4. *Please assist the coach and manager, they are working unpaid for your child. There may be nets to put up or pull down, corner posts to stick in, players to be picked up (particularly if a parent has more than one child playing in different teams) or shirts to wash.*
5. This Club, the NSW Churches Football Association and Granville District SFA have high expectations of our parents and players. Please support our teams, but no abuse of players or officials will be tolerated and bans or fines could result.

On Saturday we played a game of 4-a-side, against Inter Parramatta FC. The first goal of the game was an own goal by Inter Parramatta. We then went on to score 3 goals and kept our opponents scoreless, despite their many efforts and close shots. We won the match 4-0. Well done team!

A loss for the boys unfortunately. The impact of the wet weather and not being able to train and play showed today. Some strong runs by Jacob, Neal and George but we were unable to get one past the opposition goalkeeper. Thomas took over goalkeeping duties in the second half and pulled off some great saves. Big thanks to George as well who went straight over to Daniel St Park following our match to help out the U8 Reds who were short of players. We are all hoping the weather can hold so we can get back into training.

U8 Red vs OLQP Falcons Blue 2 - 3

It was tough before the game even started. Playing a tough opposition, after frantic morning calls and messages we managed to get 6 players to turn up. And a big thanks to George Alqass from U7 White giving us a little extra support in the middle. Despite being undermanned, our kids dominated the vast majority of the games through some excellent team work. Maroun up front troubled their defenders, with Aidan and Romeo working tirelessly in the middle by stretching the opponents out wide. Laith and Josh were dynamite rotating in and out of defence and midfield. And Animesh being steadfast between the post. Unfortunately some untidy work in the back let in 2 soft goals, before some good work in attack saw Josh get one back before half time. Then the opposition went to a 3-1 lead through a counter fast break and good finish. But our kids didn't give up and that effort saw Laith put one away close to goals to get us back within striking distance. With 3 mins left, we continued multiple raiding attacks with Aidan close to scoring along with Romeo and Josh. We needed just that extra little time however the whistle blew the end to such an amazing game. Was so proud of the way the kids played.

Today we played as a team, maintained our formation and came agonisingly close to a victory. Thomas provided the long balls, sending the pocket-rocket, Hanna Sleiman, into the clear to score a brace of goals. Everyone contributed to the team, Charbel and Thomas in midfield, along with George, Eden, Charbel GeaGea and Elijah in defence and goals, all putting up a good fight. It's heartening to see how much they've all grown and improved in these last few weeks. Special mentions go to CJ and Caroline-Marie from the U6s for rounding out the team when we were short on players. Man of the match: Hanna Sleiman

Goal scorer: Hanna Sleiman 2

U9 Red vs International Parramatta 3 - 4

Thanks to Aidan, Josh and Romeo from the U8 Reds for backing up from their earlier game to play with the team. With Ooky, Zak, and Isaiah turning as well, we managed to have enough players to start the game. Parramatta, appeared to be in a similar position having to borrow players to have 7 players for kick off. It was a very open game, we took the lead quickly with Aidan scoring off the top bar which then angled into goal. Ooky then made it 2-0 soon after. But the kids looked like they were getting tired and found it difficult to get back into defence and this allowed Parramatta to get one back before half time. In the second half we again created many good chances but just couldn't get it past their goal keeper who was on fire, defending 3 maybe 5 quality chances. Then it started falling apart, we should have defended better but unfortunately a few breakaway runs saw the opposition put away 3 successive goals in quick succession. The boys did manage to lift again and again created plenty of chances which just lacked the finish except for a consolation penalty late in the game which Ooky converted to finish the game at 3-4. Well done lads.

Goal scorer – Utkrist Nepal 2, Aiden Lu 1

U9 White vs Wentworthville Uniting 5 - 2

After a weekend off due the weather we were lucky to have a game, last minute changes ensured we had a chance to play. It has become almost as a norm to be short and under 8 white to come to our rescue. The game started with the team scoring within the first few minutes awesome shot by Isaac. For the first time in the season the team was able to hold on to their position which made a big difference. With Kieran not in Jayden took the defence today and he did a fantastic job clearing the ball off the back.

With the team holding their position the passing was fantastic and we were able to score another 5 goals to make it 6 - 0

Goal scorers - Isaac Ibrahim 2, Kai Mwanza 2, Taha Mansouri 1, Jabari Uno 1

WE WON!!! We had a last-minute field change that had us starting the early, chilly game with only 4 players. That didn't stop our girls from getting a good start with an early goal from Nelofar. OLQP always prove to be a tough opponent & a full team against our 4 girls had us down by 1 at half-time. Some words of encouragement & formation from coach inspired the girls at half-time. We saw amazing team work with Aarya defending and bringing the ball back to our half which allowed Hajira a goal, bringing us tied 2-2. Izzy assisted Nelofar to her 2nd goal, bringing us ahead. Olivia & her amazing goal-keeping skills kept the OLQP ball out of the net. Hajira was able to push back with some great take-overs. The girls are finding their positions and learning to pass, proving that playing short against a top team can still bring a win! Excellent work from all the girls, each playing their hearts out.

Very tough game today. I am proud of the boys. Boys did good efforts all. We did not have our regular Goalie today and balls slipped twice in.

U10 White

vs

Greystanes FC Grey

2 - 4

The whole team showed up today ready for the challenge. Although the score may not reflect it, we were able to match them in attack and defence. Our strikers were able to create some great opportunities with some close misses. Our defence, at times, was a bit scattered but each player worked hard to win back any lost balls. It was a great effort today that could have seen the game go either way.

Goal scorers: Jeremias Ezenwa-Ndukaku 1, Adam Hourani 1

U11 Red vs **Kings Old Boys** 0 - 1

Headed into this match against the top team and with no training made meant we had to put in an extra effort. The day didn't start out good with players turning up late or not turning up at all, meant we were short on players. Fortunately, we had our U10s playing just before us and were able to borrow some players. Our opponents have been very dominating offensively so far this season, so we had to play a more defensive setup, and it worked. The match went back and forth for most of the first half, we kept them out from scoring but couldn't turn our possessions into a goal. A momentary lack in concentration saw the opposition score and we went to half time 0-1 (to be honest, he was offside).

Second half we knew we had to get a goal back. Going back to a more attacking setup saw us get the ball in the opposition's half more often this time. We had some breaks and resulted in a golden opportunity to tie the game, but missed a close-range goal. A big effort from everyone towards the end, helped us keep the score at 0-1. It's a loss but it felt like a win. Everyone is very proud of the effort. Overall, the team did a fantastic job today. One of the best games they've played so far. Hopefully we can continue this form next week. Special thanks to Aakash, Jacob and Hussein from U10 Reds for their fantastic assistance today.

Player of the match: Jawad for his 'never say die' attitude and constant attacking for the ball.

U11 White vs **Wentworthville Uniting** 8 - 0

Today was a bit more like implementing what we learnt at training. The team played well and hard. It was great to see more completed passes and usage of the width of the field. Even though we dominated the game in the opposition's half, we still need to improve our finishing touches. Thanks to Kai and Jabari who filled in for us.

U12 Onyx vs **McCredie White** 10 - 0

It was great to get back on the park after another couple of wet weeks. The boys from the start were dominant and displayed some nice vision to find their teammates in dangerous positions. We just need to keep in mind that you do not have to beat every player before you shoot but I cannot be unhappy with the amount of goals we scored today. Man of the match – Hassan for creating space down the wing and continually being unselfish by looking and passing whenever he had the chance to.

Raahauge Cup Reserves vs St Columbas Castle Hill 1 – 1

This was an OK result for reserves, keeping us in touch with the top 4 but unfortunately not closing the gap. Unfortunately when the squad is short it often advantages reserve grade who reap the rewards of first graders playing, but it makes life very difficult for the first graders in their match at 3.15 having already played. Jean Paul and Krish kept really well through out and were ultimately responsible for the point we gained. Samuel controlled the defence well also.

Goal scorer – Krish Shrestha 1

Raahauge Cup Firsts vs Lidcombe Churches 1 - 6

I don't know if we learned any lessons from this afternoon, but I hope that we did. We knew we had players away for the school holidays, we didn't realise that 3 more would withdraw for various reasons on Saturday morning and having 3 not turn up at all without notice is terminal. We were missing 5 fullbacks today. We battled through the first half honourably making some chances but soaking up a lot of pressure. To be honest Lidcombe were much stronger but despite our inexperienced defence they could not finish anything. Eventually the pressure led to a goal. We stuck with it though and a well worked move between Hamid, Robert and Krish found us beat all the defence and Krish was able to dribble it in just before half time. 1-1 at half time and anything could have happened. In a 5 minute period however we conceded three, a combination of complacency, laziness and bone-headedness. Periods like this can happen to the best and even then we had the chance to knuckle down and fight back or capitulate, there was still 30 minutes to go. Unfortunately too many players simply gave up and gifted a team that has struggled to score all season, 2 more goals to make their afternoon. This is what I hope we have learned: good players are those who try hard and follow the game plan (not those with the most skill); the reliability of those not even at the ground has a direct impact on what happens on it; we can all have an impact good or bad on how the team performs and every player regardless of natural talent can positively influence the outcome (take note of players like Arif, John Luke; Jean Paul and Francisco – that's what heart looks like. Fortunately other results have gone our way and we remain in second place, first is out of reach but we will still finish second and give ourselves every chance of a grand final, if we knuckle down. Huge match next weekend against Wentworth Gold who are equal with us on points but behind us on goal difference and who were also thumped on Saturday. Let's hope we get our act together and inflict another thumping on them next week.

So we had only played this team 3 weeks ago. We know how they played and how they will set up. So I gave the boys a Simple game plan. Pass and move and a High Temp Attitude. The team listen and this shows on the scoreboard. Man of the match and Hat-trick man Peter.

Today was always going to be a tough match with a muddy pitch and some starters away/out sick. Regardless we had the talent and depth to be able to start the game with a tempo and urgency we had begun most games with this season. Unfortunately for us we allowed the occasion to control us and not vice versa. Keep these scars as a reminder for the next time we face Kings.

Welcome back to Tony Lo returning to McCredie after some time in the US and coaching for Football NSW.

U14 Girls vs Wenty Waratah 5 - 1

After 2 weeks of no training and no games (thanks to the wet weather we been having), our girls were ready to win today against Wenty Waratah. Positions were switch around today with Olivia and Danny up front. Olivia open with the first goal for us. Alexandra saved as many goals as she could, but unfortunately she let one slip in. The girls were tired, did extremely well considering that we haven't played for 2 weeks. With only 5 more games to go before finals, our team is going to need as much fitness workouts as possible.

Player of the Match: Olivia, for her awesome chip shot goal.
