U6 Red vs Kings Old Boys Blue 2 - 1

WHAT A GAME! Conceding to a loss earlier in the season with King Old Boys, today we managed to even the score and take away a win of 2-1! First half of the game saw Kings Old Boys get the first goal within 10 minutes. With determination in their eyes, our team attacked back and managed to even the score with a great pass from Isa to Jessica where she drove the kick straight to goal! During the half time break, our team realised that they had a great chance in winning against KOB and jumped back into the second half, with awesome playing techniques that saw us finish the game with a second goal by Wassim, securing our win against the team that had forced us to train harder leading into the game. Our defence line of Zoe, Mahmoud, Luqman and Felix played extremely well in ensuring KOB's from breaking into our goal. Felix saved numerous attempts in KOB's scoring against us. Forwards and wings, Jessica, Wassim and Isa kept the ball in play and up front most of the game. Overall, an extremely happy coach and manager today! A well deserved win today and it shows that determination and persistence pays off! Well done U6 Red!!!

We were down 2 players today. Many thanks to Jessica Leke from U6 who added to our numbers. We ended playing with 6 today so no subs. Lidcombe had 4 subs so the win was testament to the strong effort and endurance by the team. A fantastic effort. The boys and Jess are becoming more cohesive and remembering their training. Everyone is playing their part. Zayden stayed back to stop any breakaways and clear the ball. Jacob worked as an attacking midfielder and fed opportunities to Neal and Jess at the front. Great defensive work by Milan who is very quick and can chase down opposing attackers. Thomas making good clearances from goal. Great dribbling ability and attacking plays by Jess and Neal's hatrick speaks for itself. The boys and Jess were getting tired toward the end but maintained the pressure. Wonderful effort boys and Jess!

We were prepared for a tough final game of the regular season today, going up against the undefeated team in our comp. And what a game it was. It had everything. Plenty of goals, a penalty against us, kids playing strongly from both teams and the game going down to the wire! With Josh, Laith, Salim and Aaron in the back line not allowing anything past, and the front line with Maroun, Aidan, Romeo and Abdul we were unstoppable in the first half. We literally dominated play and having so many attempts at goal, but not able to finish many, until Romeo broke through with an excellent goal to start the scoring. Hussain joined later to the party and made good contributions as well. As we were so dominant, the coach made a big mistake in changing the lineup and switching goalies, taking out Animesh our primary shot stopper. It was the mistake that could have cost us the game, when the second half resumed, Greystanes had a rare kick that aimed towards our goal, the ball was going SO SLOWLY that it must have confused our 2 Defenders and Goalie into working out who should kick this ball as there was no one else around. So instead, the wind must have decided to help the ball crawl across our goal line. Then to make matters worst, a few minutes later we suffered a penalty call in the box, which they converted. We felt hard done by, when Josh had a couple of brilliant runs towards goal and was held back and then tackled in the box with no calls going our way, but we played on with heart. It felt like we were going to be robbed, where we felt we were the better team on the day and this would hurt losing like this. This was until our kids made a final attack, with Aidan breaking out taking the ball wide to his left and with defenders on him, he booted it back towards goal, it was a marvellous kick which hit the keeper, but with enough power behind it, it went past the keeper, levelling the game 2-2. Seconds later the whistle was blown to call full time to an excellent game. Now on to finals!

Unfortunately, the result isn't what we wanted for the final game of the year, but the team they are now is vastly different to the one that started the season and sets them up for great things next year. The boys played as a team and we're competitive for the entire game. They didn't make it easy for the opposition and came agonisingly close to scoring a number of times. The boys should be proud of themselves.

Last match of the season before the finals matches start. We played Lidcombe the tram we had the first game with at the start of the season. The team was ready and pumped to get the points to get into the finals. Everyone one did put their best skills and the effort was rewarded by a win. Taha opened the score sheet with a wonderful shot from the right. Kai was on top of his game with two fabulous goals and Isaac sealed the win with a last minute goal.

U9 Girls vs Inter Parramatta 5 – 3

A brilliant final game round game for the girls. Both teams played so well. Inter Parra kicked it off with a first goal, then our team followed up with 2 goals from Nelofar, and our pocket rocket Hajira gave us goal number 3. Inter Parra came back with 2 great goals, but Izzy took us home with another 2 goals. Really fantastic play today especially from Aarya and Hajira who chased down the ball repeatedly, Olivia and Aarya as goalies, and Izzy and Nelofar as strikers.

U10 Red vs Greystanes United lost on forfeit

Beatiful day, I was hoping last game all the team will turn up for the game, but only 4 boys were present. Thank you for the boys and parents who were present. Unfortunately we had to Forfeit the game. Hoped we did not have to! I understand many kids are sick. Thank you Club and parents for this year

U10 White vs Greystanes FC White 2 – 1

Today we were prepared for the battle knowing we had a slim chance of making the finals. After being injured in the rep game Joachim took on being our goalie and what a game he had. Many goals were saved which helped in us securing the win. This meant our fearless normal goalkeeper Emily could have a run playing strong out on the field. Gabriella had an amazing game in defence with clearing the ball with strong long kicks. Johnny and Owliya worked hard to match and shut down the attack from GFC. Ali and Arad worked hard on the wings with Jeremias running the ball up the middle and securing one of our goals. Michael started strong before he left the field early with a shoulder injury. Thankfully we had Isaac, Jabari and Kai join us from U9s and work their magic with Isaac scoring a great goal. It has been an up and down season but we ended it on a great note and we are very proud of all of the kids

A wet season is coming to an end, what could be the final game for many teams today as 5 teams were playing for survival. We knew we had to win this match to ensure our season stays alive. The team started the game short on players again. Enthusiasm wasn't missing as the team were very excited to get a chance to just play soccer. Our midfielders and strikers dominated possession and had several shots, either they missed the goal or were on target kicking straight at the goalkeeper. Our first goal came from a brilliant solo effort from Jayden, dropping back to help defend our goal and sprinting away unchallenged to score the goal. Second half saw the team play even better with more passing and communication. Our second goal came from great team work. The defensive line clearing the ball, Lukacs in midfield with a pass splitting 2 defenders and Ameer running up behind their defence for an easy but very impressive goal. That would have to be the best goal of the season so far, as it was exactly what we practised. We had several more chances but some contentious calls and inaccuracies meant a 2-0 win, and we are through to play semi finals. Player of the match- hard to pick. The whole team deserves it, they played as one.

Goal scorers: Jayden Moore 1, Ameer Khan 1

U11 White vs Lidcombe Churches 0 - 1

This is an example of a game that doesn't reflect the result. The boys were asleep at the wheel at the start of the game which proved costly. They spent the rest of the game dominating the opposition, but squandered several goal scoring opportunities. The team will lift from this, learn from it and plough on for next weeks game. MOM: William Livingstone for a fantastic penalty save.

U11 Girls vs Kings Old Boys 1 - 6

5 a side and no reserves for both teams. It was clear today which team had the energy. Our defence is always at our strongest with Gabbi back there and she had help from Ruby in the 2nd half. We struggled moving forward because no one would stay up front. Everyone tired very quickly due to everyone bunching up as they have done all season. With everyone bunched up the opposition was left unmarked and we had no one to pass out to. Spreading out when receiving the ball was much better today. Some really good shots from Kings put them in front and we just couldn't come back from that. Claire made a really good run that finished with a goal. Dad would have been proud. Special mention to the parents today for carpooling and getting the kids to the game early. One happy coach. Thank you Karim for refereeing.

U12 Red vs Greystanes FC White 2 - 4

Sad that today was our last game of the season. The boys were determined to work hard. It was one of the best games they've played all season. Daniyal, Luke, and Nabil were tackling and keeping the ball away from our danger zone. However, the opposition found gaps and scored 3 goals in the first half. Our boys showed resilience and grit in the second half. Ghadir, Stefan, Zanyar, and Ali were passing and assisting really well in the middle. Their ball control and spatial awareness showed improvement. Gethyn and Brandon were able to break through and each score. The boys were ecstatic. Bilal in goals was strong and fearless. Player of match: Nabil, Charbel and Gethyn for being first to the ball and determined to win it back.

A four-nil lead at half time and a bit of exhaustion playing on a massive field meant that the second half was a bit of an anticlimax. However, while we didn't add any goals in the second half it was very pleasing to see that we were never under significant pressure in our own defensive half and dominated possession from the start. The passing and possession the boys are showing lately is very impressive and the definition of peaking at the right time. Player of the match was Jason who dominated with the ball all game and scored two quality goals on his non-preferred foot.

U12 Div 1 vs **Regents Park Saints** 1 – 1

A very solid performance unfortunately undone with the last kick of the game from Regents Park. While there were long periods of the game where we were camped in our own half and defending, it was very pleasing to see the composure that we showed when under constant pressure. Yusif scored a great goal off a fantastic corner from Jason, and set pieces were a constant danger for both teams all game. Players of the match were Kelvin and Mojib who were stalwarts in defence and constantly forced Regents Park to make mistakes. Facing the same team in the semis next week should not be a scary prospect as we've now shown two weeks in a row that we are more than capable of matching and exceeding their level of play.

It was finally great to see a full squad today at the game. It was a slow start to begin with the team but as we warmed up, they came together with an improved performance from our last match. There were better game plays, team work and improved ball control. We need to focus more on less dribbling and more passing. Accuracy on our striking is also needed but in the end, good game today. Thank you to Jayden for stepping in as referee at the last minute and to the family member for dismantling the field. Much appreciated! Player of the match:

The boys played really well in defence considering they played with 9 players. Auburn were trying to use the wings to tire the players out, but the defence did well in blocking the crosses and clearing the shots. They really couldn't do much in attack due to the lack of players and were outpaced and shoved off the ball. If the full team had showed up the team could have had a much better chance. Good game boys.

Raahauge Cup Reserves vs **Bye**

Raahauge Cup Firsts vs **Mortdale-Oatley Baptist** 3 - 1

Fabulous result and well played by all. We went into the match knowing that a draw would see us into the semi finals, but we had a tough win against Mortdale earlier in the season in the pouring rain, so we knew that we would need to play well. A nervous start, with a defensive formation, meant we were able to repel the early threats from Mortdale, but not really mount any of our own. We changed things up at the 20 minute mark but still struggled to score despite playing pretty well. Sometimes though, in these tough matches, the stronger team starts to get on top and despite going in 0-0 at half time, this is what we did in the second half. We mounted raid after raid in the second half, often coming out of central midfield and Steven and Hamid feeding Deng out wide (who was outstanding today btw), who in turn provided for Robert to score our first. Robert himself did some providing which allowed for Krish's goal. And within 20 minutes we had a third. The consolation goal for Mortdale meant nothing as we now focus on some tough semi finals next week, but in pretty good shape.

Great game to end the season on. The whole team played well and functioned exactly how you'd expect an undefeated minor premiership team to perform. Great wing play, clean in defence and sharp in midfield. Finishing was off today but mainly because we had too many chances and got complacent. Goal of the season contenders for both Richo and Dbouk sealing off the Invincible season was icing on the cake. Well done boys and onto the finals.

Premier League vs Greystanes United/St Matthews Baulkham Hills 1 - 1

We lined up with a completely different squad given absences, injuries and the like. Although we had many first team players out we still walked away disappointed with yet again, some poor finishing and a lack of a cut throat attitude when playing against a less talented team than ours. A few good performances with the likes of Dhillon and Amarvir at the back was outshone by an inability to get the ball moving the way we wanted it to and ultimately walked away even when we should've been 3-4 goals up by the end. Onto the finals where our boys know when it turns on.

U14 Girls vs Merrylands SFC 7 - 1

The girls did an amazing job today keeping their 1st place position. Merrylands is the only team that we have lost to and drawn with, but today the girls were going to change that. They dominated most of the game and held their guard up. Our defence line kept the ball away with Faith and Kaue massive kicks as always. It was the first game we had a full team. Danny played amazing as always. Olivia had an opportunity at goals but unfortunately missed. Alexandra went out of goals to try and stop the ball but unfortunately that meant an open goal and gave Merrylands a goal. Overall the girls played so well and coach couldn't be more proud. One game left to go! Player of the match- Alexandra, even though she let a goal in, she managed to stop a few good goals.

U15 vs Toongabbie Demons White 3 - 1

Final round of the season and we have seen the team immensely improve in terms of playing together as one. There were some good passing and although we still need to work on our striking accuracy, we're definitely getting better. Need to utilise the offside trap more to our advantage and watch our own offside. Thank you to Jamil for stepping in to assist the team today and giving it his 110% as always.

Get ready for the semi-finals team!

U16 vs Merrylands SFC Black 0 - 3

The boys had started off slow with conceding an early goal. It wasn't long before they conceded again, but with Merrylands getting a penalty and it being saved, it gave the team some motivation and they started to play much better. We only had 10 players show up, but the game was made slightly more even with the other team receiving a red card. It was a much better game in the second half with them only conceding a goal that came off the post and in the net. The team played really well for the second half and are looking forward to that same performance throughout the entire final run. Good luck boys.
