U14 Girls vs Merrylands SFC 0 - 9

It wasn't the way we wanted to start the session. A completely new league, different size field, playing time and more players on the field. Our girls did everything they could, but lost in the end. With only 7 players, while they other team had a full team of 11 players, our girls tried their best. For a team who hasn't played for 9 months and no training, the girls gave it their all and their coach couldn't be more prouder of them. We walk away from today's game not as a lose but as a learning experience. We will learn from our mistakes and improve. Player of the match: The Whole Team. Coach couldn't pick just one player today. The girls were tired but kept on pushing and didn't give up till the last whistle was blown. Well done Under 14's Girls.

U16 Girls vs Greystanes FC 0 - 8

The under 16 girls toady played against Greystanes FC. The team only had 7 players available today and with our regular goal keeper unavailable it was going to be a tough ask for the girls to compete against a complete team plus reserves. The girls played very well considering the circumstances they faced. Things got worse for the team as one of the girls felt unwell, but kept playing to avoid forfeiting the game. There definitely are good signs for the year ahead, but we need to get some training days and fitness behind us.

RAIN – WHAT TO DO

It's raining, it's Saturday!! Is the game on??

The decision to close and open grounds is in the hands of the local council

It is made on the basis of the condition of the ground. It is not made based on the weather.

That means that sometimes it is sunny but the ground is closed (because it is still wet from previous rain) or it is raining but the ground is open.

Your manager will know if the game is on, give them a call. Very rarely is a decision made before Friday evening. If I have not contacted your manager, the game is on, even if it is raining!

Most often games will still be on so **do not just stay at home**, you will be letting your child's team down!!!

It's raining and it's training tonight!! Is training on??

If the ground is closed you cannot train, *even if it's not raining!!* Parents and players call the manager or coach.
