RAIN – WHAT TO DO
It's raining, it's Saturday!! Is the game on??

The decision to close and open grounds is in the hands of the local council

It is made on the basis of the condition of the ground. It is not made based on the weather.

That means that sometimes it is sunny but the ground is closed (because it is still wet from previous rain) or it is raining but the ground is open.

Your manager will know if the game is on, give them a call. Very rarely is a decision made before Friday evening. If I have not contacted your manager, the game is on, even if it is raining!

*Most often games will still be on so **do not just stay at home**, you will be letting your child's team down!!!*

It's raining and it's training tonight!! Is training on??

If the ground is closed you cannot train, *even if it's not raining!!* Parents and players call the manager or coach.

Granville Park is in Cumberland Council – wet weather line **8757 9025**

IMPORTANT NOTICES

1. *If for any reason your child is unable to play or attend training you **MUST** inform your coach or manager **AS SOON AS POSSIBLE**.*
2. *If you have questions regarding your team ask your manager.*
3. *If it is raining on a Saturday morning call the team manager to see if the game is on. Most often games will still be on so **do not just stay at home**, you will be letting your child's team down!!!*
4. *Please assist the coach and manager, they are working unpaid for your child. There may be nets to put up or pull down, corner posts to stick in, players to be picked up (particularly if a parent has more than one child playing in different teams) or shirts to wash.*
5. This Club, the NSW Churches Football Association and Granville District SFA have high expectations of our parents and players. Please support our teams, but no abuse of players or officials will be tolerated and bans or fines could result.

After many weeks of washout games we finally made it to our 2nd game against NEWBURY BULLS. We welcome 3 new players, Alaa, Millian and Soman. Our girls started strong, with Soman scoring our first goal with in 30 seconds, and manage to score another 9 more. Kristabaella who hasn't played with a club before landed her first goal by being in the right place at the right time. Ellina started off nervous before the game but once that whistle blew she gave it her all and bagged another goal for us. Danny, Rita and Lopasi were our POCKET ROCKETS for the night. Running everywhere, to the point were the coach couldn't keep up. Our defence Faith, Kuae, Alaa and Alexandra played amazing keeping the ball away from our goal keeper Riya. The girls played an amazing game tonight. Player of the match: Rita, even with an injury she never stopped and kept on going!

All Age Ladies vs McCredie Youth 2 - 0

Really nice to be able to welcome the 16s girls to Ladies football and they gave a great account of themselves. Last year we didn't concede a goal in this competition but our Youth opponents tonight got as close as any team has got, smashing one ball into the post. We welcomed a new player to our team and Sera got a good feel for our game and played well. We had some scares at the back which we will need to be better with this week and only scored our second goal with the final kick of the game. We will get better – hopefully!

U6 Red vs OLQP Falcons Blue 1 - 2

Today's game against OLQP Blue at Daniel Street, Greystanes we were missing half our team with Zoe, Jessica, Isa, Mahmoud and Katayba showing up and putting in their best efforts. The game finished as a 2-1 loss today, however the loss was by a penalty kick. Our team played the game really hungry for the ball, chasing, defending and attacking. It paid well with the opposition not having any chance to save Jessica's goal in the second half. After the first half whistle it was 1-0 against us. Second half our desperate attacks continued and we managed to score our single goal. Considering we had only 5 players at the game with no subs, the kids were getting tired. This gave OLQP an opportunity to get a penalty kick in, and winning the match. In the second half, we had some great goal keeper moments, with Zoe and Isa saving a few extra goals from being scored against us! Well Done! Congratulations to the U6 Red team for their great efforts!

With many absences the kids tried their best but Lidcombe were tough to try to beat. The weather held up but the kids lost.

With only four players turning up for the under 7 red team today, the team was fortunate to have the minimum number of players required for an under 7 game to be played. The opposition only had two players available at the time of kick off and they were going to have to forfeit the game because of the lack of players available. Fortunately for the opposition two more players turned up and the game could now go ahead. Guildford started strong with Salim and John controlling the game assisted by Nathan and Jared in goals in the first half. The opposition also continued to attack at limited opportunities as the team defended their goal area. John was very strong in defence and Salim was very good playing forward. Jared was good in goals in the first half and Nathan showed vast improvement from his first game as he got involved in the game more today. Jared and Nathan changed positions for the second half and both continued to show improvement in their games. Well done to the 4 players that turned out for the game today as you did your team proud winning 3 goals to 2

A great first win by the team! We've had illness hit the team unfortunately so we fielded a team of only five which made the win even better. Four goals scored by Irfan with a great goal from distance and one goal from in front by Thomas. Strong defensive efforts by Milan and Zayden with some big kicks to clear the ball from our half. The boys have improved significantly despite having only 2 training sessions so far this season and we are all looking forward to building on today's effort.

Unfortunately with the weather and kids not feeling well, we didn't have enough players to play an official game. With only Aidan, Hussain and Romeo at the game, we decided to play a friendly, borrowing 3 players from the opposition. It was 8 vs 6. Our boys took it seriously and played some excellent football today. There were good passes and strong defence, working together Romeo and Aidan created plenty of chances up front with Aidan playing a great game scoring 4 goals. Romeo narrowly just missed 2 very good chances at goal and Hussain contributed strongly in midfield and defence, where he stopped many of the fast breaks the opposition had and getting the ball back upfield for his teams to attack. The rain stopped during the game and the sun came out. It was still great to see the 3 boys get a good run and enjoy their time out on the field. The game finished with McCredie winning comfortably 4-3.

U8 White vs Greystanes FC Grey 0 - 8

Our second game of the season was somewhat challenging today. We were disorganised, late and missing part of our team. Despite all this, and a wet ground the boys (and girl- thank you Caroline Geagea for subbing in) played their hearts out and tried their best against some tough opponents.

Better luck next time team.

U9 White vs Greystanes FC Blue 9 – 0

After the first training of the season and the second game after all the rains and cancellations the team was ready. However we had a few team members not feeling well. We only had 5 players but thanks to the under 8 white team they were able to loan us three players, whom were really wonderful and got in sync with the team comfortably. The first goal was scored by Jabari from a very classic pass from Samuel (Under 8). The team was really pumped and that was followed by a goal from Kai. By the first half we were up 4 against one goal. At half time Azlaan made it to the field to make the team whole and add to the much need manpower. Back into it and Khai scored a very beautiful goal, that will be in the running for goal of the season. Thanks to the under 8 whites for the support we really appreciated it.

Great game today! We were 2 player short even after borrowing 2 Under 9 Players. Thank you Sarah for Noah and Kay. Xavier was great on Goalie after Kay. Jacob and Aakash nearly scored goals. Hassan, Hussain were great in passing. Ayan great pass and great cover today. Lots of players missing today.

It was a tough game today for our second hit out. The first half was an even matched contest with Gabriella, John and Owliya working hard in defence to stop any advances and Emily ensuring no ball made it into the net. The second half kicked off good with Arad and Xavier working with Joachim; Jeremias and Michael to put on the pressure. Jeremias was successful after strong passing to plot two goals in for us. Just before full time Greystanes were able to level. It was a great display of team work today and the team is starting to re-connect. Player of the match was Jeremias.

With a delayed start to the game and the grey clouds rolling in, the team was anxious to begin our second match of the season against our former grand finalist team from 2020. But the boys started strong and consistently remained that way throughout the entire match. Every single player stepped up and put into practice all they learnt from their single training session. Lukacs, with the assist of Kevin, scored our first goal within minutes of the game. Ameer clearly has not lost his touch as striker, scoring our second goal in the first half of the match. By the 2nd half, the team started to tire. No subs and plenty of work meant they had to dig deep. The midfield kept up the pressure ensured the ball remained in the opposition's half. Even if they managed to get through, our defenders did an excellent job of clearing the ball. Even with a player having to leave the game early, now a player down, they didn't let up. A lot of back and forth in the 2nd half. Not many scoring shots eventuated but they managed to try out a cheeky set corner play, only just missing the goal. Very impressed and super proud. Game finished 2-0, with a lot of tired, dry but dirty kids. A massive thank you to our amazing parents for their support and commitment in bringing the kids to training and the matches. We truly appreciate you all :) Player of the match: Waiora McEwan-Rangitawa for his consistent effort and having plenty of energy today.

Only 9 kids were available for today's match, the others having fallen ill throughout the week, and despite the adverse weather conditions, the team put on a superb performance against a very strong opposition. The players involved – Will, Lucas, Jacob, Jonah, Danyel, Akshan, Daniel, Ahmed and Aman – showed heart, giving it their all for the entirety of the game. It may have ended in a draw, but given the circumstances, I see it as a win. Parents, be proud of your boys. Players, all of you earned a man of the match award! Congratulations!

U11 Girls vs **Lidcombe Churches** 10 – 2

An excellent game today. Good to see our newest players getting involved. Layelle ran hard all game. Claire had an outstanding game. Ruby played defence for the first time and played it well. Kuei was a machine getting on the score board early in the game. Gabbi played several positions today but I was most impressed with her leadership of the team during the game. Emily was great in goal as always.

It was nice to see the sun for our game. We were on the back foot as we were short of players and the field sloped towards our goal. Stefan in goals was always under pressure. He made some great saves, sometimes even at the striker's feet. Gethyn, Hashmat, Luke and Ali were working hard trying to intercept the attackers. They were winning only 50% of the balls. Passing needs to be longer and along sides. Bilal, Ghadir and Zanyar were moshing in the middle. Need to practice goal kicks to the side instead of in our danger zone. The scales were balanced in second half with arrival of Johnny, Jeremiah, and Michael. Brandon made a couple of breaks, but got tackled. Lack of training and fitness saw the boys walking and were not first to the ball. We really need to get fit and master fundamentals. Player of match - Luke for standing his ground, jockeying, and good sweeping. Coach's encouragement award - Zanyar's first game showed he wasn't scared to tackle and keen to chase the ball.

U12 White vs **Wentworthville Uniting Blue** 4 - 7

We lost 7-4 today, but don't let the score fool you, we only had 6 players turn up, we had to borrow a 7th player and they were up against a team of 10 players. Despite all that, they are all defended really well and it was great to see the kids play and support each other and work as a team. With Danielle's long kicks to Yusif he was able to get 4 goals in. Thank you to Christian Sleiman from U10s who managed to come straight after his own game and play for our team.

After leaking a few soft goals in our last game the coaches were very impressed to keep a clean sheet with a polished defensive performance. Farooz and Rushil controlled the backline excellently and Kelvin and Jean Paul always managed to contain any wide threats Wenty had. Up front, it was good to see that we weren't afraid to take a few shots with Nik and Lual bagging the goals and Daniel also proving a handful for the Wenty defence. Occasionally our midfield stopped running back and helping in defence, particularly in the second half, but overall I think the boys can be very proud of their performance. Special thanks also to Sebastian who filled in brilliantly in goals for the first half.

U12 Div 1 vs **Toongabbie Demons** 3 – 3

A frustrating game on all sides today as I think both teams will feel that they could have got more from the day than just one point. Our defensive frailties were exposed for the first time this year with a full team so more concentration is required to make sure that we are always positioned in the best spot to minimise the threat of opposition strikers. While it was defensively frustrating, some notable performances included player of the match Farooz who made some crucial saves including one right at the death to keep us in it. It was also welcome for all to see Aaron come back in his first game for the year and really thrive in the second forward role. Highlight for many was Mojib scoring the pivotal equaliser with a screamer of a left foot volley into the top corner. It would have been nice to get the win in a tough game like this but if we can improve our pace of play and learn that taking three touches is better than ten, we should continue to improve.

U15 vs Toongabbie Demons Black 0 - 6

Today's game we had only 6 players show up, had to borrow three from the u14s. The players played well, was a bit challenging not having a full squad and subs but managed to pull through and give Toongabbie a good game. A little unlucky with the results but we'll get there eventually. Half the players weren't too sure about what the game plan was because they weren't at training. The ref wasn't too confident with his decisions today, there was a lot of foul throw-ins but he didn't pick on any of them, no offside calls and the time wasn't taken properly. A couple of the players need more discipline when they come to training and games, their focus tends to be elsewhere like on their phones and it is frustrating having to use extra energy on them. Thank you to the U14 players for staying behind after their own match to fill in for the team. Overall, for me today player of the match was Mirwais for an outstanding effort and commitment.

Here's how the game played out – we went down 0-1, drew level, conceded again, and again and shortly before half time pulled one back to be 2-3 down. Happily we didn't panic and had a good team talk at half time to iron out the issues. Within the first 10 minutes of the second half we were leading 4-3 but conceded again almost immediately. With 20 to go we took the lead and parked the bus. It poured during the game as heavy rain as I have seen played in. No griping we just got on with it. I thought Jayden Daily was outstanding in the back, Krish played well, Hamid had a particularly strong second half and Zaid did really well in the back for that last 20 when we really needed him. Ahmed continues to pressure the first grade regulars for a midfield place and really stood up today. Really good win.

Premier Reserves vs St Columbas Castle Hill 4 - 1

A wet and muddy pitch didn't stop the team from playing a good possession game and playing our way. In control for most the game, Dbouk opened the scoring with hard and low shot from the edge of the box. Hunter then gave Renny an easy finish with some great byline play through defenders. Dbouk then doubled his tally after bullying his way through multiple defenders to finish between legs before Bright then got us 4-0 up with a great finish. We then switched off our concentration for the last few minutes and let them pull one back, ending with a 4-1 win.
Goals: Ahmed Dbouk 2, Reinaldo Capizzi 1, Bright Owusu 1

Premier League vs St Columbas Castle Hill 4 - 4

We started well moving the ball around and got 1-0 up from a goal of the season frontrunner from Bright, cutting in from right wing and bending in a long range curler to the top left corner. A lapse in concentration led to the opposition pulling it back to 1-1, before Sifri scored via a beautiful lob to make it 2-1. Then we let the opposition drag us into the mud and into handbags, lost our cohesion and found ourselves at 2-2. We found ourselves rushing our plays instead of playing our style of football, so after a couple dodgy penalty calls found ourselves down 4-2. But we finally found our way back to playing our style of football, got the ball down and passed it around before a beautiful cross with Shukur to perfectly finish past the keeper. Just before full time, more great ball movement led to Bright to get his second goal as he finished it through the keeper before the linesman flagged for offside but after some discussion the referee indicated that he wasn't offside as the defender played the ball that Bright got on the end of. The goal stood and the game finished 4-4.
