Raahauge Cup State Cup vs Greystanes FC Prem Reserves 2 - 1

We played pretty well tonight against a team from theoretically the division above. We had enough of the play that when Greystanes scored it seemed an injustice. In these shortened games, playing catchup can be dangerous, so the fact that Zaid grabbed a cheeky scrambled goal straight back was really important. Whilst we again dominated the play for the remainder of the match really, and Greystanes found it hard to contain Krish, they did enough to take it to Golden Goal extra time. Finally the pressure was too much though and Krish's tormenting of their defence opened up a final opportunity for Zaid to poach another one and we progress to the next round.

All Age Ladies vs OLQP Falcons Blue won on forfeit

O35s vs Kings Old Boys/Castle Hill Baptist 1 - 1

Tough match against a very experienced team tonight. The old heads kept their cool to help steady the game, and maintain control of the defence. Great team work and a great goalie held them back scoreless at half time. An inspirational team talk from Phil saw the team focused and lift the tempo. A break away and brilliant cross by Louise found our new player Ricky, and scoring after a rebound off the keeper. Up by 1 and the team was pumped. We played hard to ensure we got the win but a small slip on the wet surface gave them the opportunity they needed and they scored a pretty impressive goal. It had to be something special to get past our keeper. We kept the pressure on and had more opportunities to win the match but ran out of time. 1-1 draw is still a great result. Excellent effort, we gave them a good scare and we will continue to improve.

Players took their positions and game on !! First 5 minutes saw Magic -Ali score the opening goal for the team 🍌! Then came along our little soldier Lazarus trying so hard to impress his team mates, coach and support team.. aiming to tackle and score a goal!! Yay go Lazarus. First half continued with ease, with Ali scoring another 2 goals ..allowing us to sit on 3 goals at half time. Second half started very strong 🍌.. Zein and Cj defending their opponents and passing on the ball to Eyad who tackled his way through to score a goal 3 min in. We then saw an amazing play by kamal and Amir, who managed to score a goal a minutes apart! 🍌 Great work boys!! Just before end of game Luqman got right in between his opponents that were hovered around the ball.. kicking it out to Eyad to finalise the game with the last goal !! All in all, the boys played amazingly well with each other as always, and showed great sportsmanship with a hand shake! 🤝

U7 vs Kings Old Boys Blue 0 - 5

On Saturday we played Kings Old Boys Blue at Homelands Reserve. We were happy to welcome Kidus back, after his holiday. It was his first game with us and he stopped lots of goals as goal keeper. It was a tough match and we didn't have any reserves, so all 6 players were on the field for the entire match. We continue to improve, but our opponents were too strong for us this week.

U8 Red vs Babylon Chaldean 1 - 4

After a team discussion on positions, and a rigorous training session earlier in the week, we took the field ready to put the plan into action. The game started out evenly matched with the team working hard on positioning. By the middle of the first half, Babylon scored a goal after breaking through our defence. Isa managed to even the score by a beautiful goal set up by his team mates before the half time whistle! Second half didn't seem to go our way. That didn't stop our teams' determination to continue playing. Isa and Yusef played great as forwards. In mid-field we had Felix, George, Nathan, Jared and James, who each played their positions extremely well. In defence, Zoe and Arshan kept the back line tight and difficult for Babylon to sweep through. Srijan was our goalie for the entire game. His efforts need to be congratulated, as he did a tremendous job. Unfortunately, Babylon managed to get a few more goals in the second half, taking away the win. The U8 Red team has come a long way since coming together in the beginning of the season, with massive improvements week on week. Well done to the team in keeping their momentum going, even when faced with challenges! Player of the match - Srijan Paudel

U8 White vs Greystanes United 3 - 0

A great win by the team. Irfan scored early with an impressive shot from distance. It was an even match for the first half with strong midfield performances by George and Jacob. The second half saw Thomas go on a solo run from our penalty box all the way to the opposition goal and slotting it in. Zayden tackled and played hard in defence and stopped several breakaways. Good effort and persistence by Neil S in defence and midfield. Irfan scored another goal from distance to take us up by 3. Thank you to Jess and George for putting up your hands for goalkeeping duties. A hard fought win against a strong opposition. We began to bunch up and the defence was almost part of the midfield towards the end of the match, so something we'll work on in training. Special thanks to Wil Wark for stopping by to cheer on the team and providing some encouragement to the boys and Jess at half time. Well done team!

We started the game short of players and felt the impact with no shots at goal early in the first half. Fortunately with 5 minutes left before half time, our drought was broken with Laith making a great pass to Aidan who took a shot and scored our first goal. From then it was game on. Aidan was able to dribble down the line and make a great cross into the box with Erik finishing off an excellent goal with a half volley strike. Obaida scored our 3rd goal just before half time taking advantage of the opponents goal kick straight towards him. Ali, Maroun and Shiven did some great stops, and Animesh and Ahmed kept our clean sheet for each respective half. Our chances continued into the 2nd half with Obaida adding another to his tally and Laith sliding one in just before full time.

A great game played on Saturday vs Kings Old Boys at Homelands reserve. Our opponents proved to be a challenging team as we worked together to maintain a low score. Great team work and skills on display by Charbel, Hanna, Emmanuel, George, Elijah, John, Roshav with Ozgur doing a great job defending our goals. Our player of the match Thomas who really amplified his technique today. Well done to all! Unlucky today as McCredie maintained 0 while only 1 goal in by Kings Old Boys. An awesome game played with great defence delivered.

A beautiful day for soccer 🏟️ it was. The game started on a high note with the boys excited to play the team they eliminated at the semifinals last season. The team was ready and they did get to score the first goal after Jayden took fantastic free kick and JJ headed it in. After that it was all play with the team dominating the game. Taha and Kai scored magnificent goals from the wings, Taha and JJ each added another goal with a last minute goal from Isaac to make it 6-0. The midfield was tight and the defence was tighter hence the opponents did not get any opportunities to strike. The only chance they had a goal on target was saved by Azlaan who was our goalkeeper for the match.

U10 Girls vs Greystanes FC 7 - 0

With players short today, our team gave it their all. Defence line kept the ball away from our goals for all of 1st half, only once our goalie touch the ball. A few misses by Aaliyah but the girls never gave up. It was a stressful 1st half with the score sitting at nil all. Within 30seconds of kick off for 2nd half, Aaliyah open the score board. Running downhill much easier then running uphill, Aaliyah showed us just that with a 2nd goal, 1 minute apart from her first. The whole team played so well passing to each other, and working together. With Claire scoring 3 goals, with the help of her team setting up the ball for her. Nelofar got her first goal. With amazing passes by Nelofar & Claire and Hajira gave Aaliyah an opportunity to get a hat trick.

We had a team of 9 featuring our newest team member Deniz who made a solid debut onto the field. Little Moey's two goals helped us win along with a great goal from Affan. Solid defence and excellent goal keeping kept us in the lead at full time. Well done boys!

Although today we had our first loss of the season we still had some positives come from the game. It is a happy welcome to Ali O who has just joined and played a strong first game. With 4 of our players out, we had 4 girls from u10/u12s girls team join us. A huge thanks to Claire, Ruby, Aaliyah and Aariya for taking the field with us after they had already played their 2 games. Most of the match was played in the opposition half with only some occasional breaks to our side. When we could get into clear field, the passes would stick and there was good communication. Michael ensured to keep our defence moving and everyone responded and worked hard. Supported by a lot of good saves by Johnny we kept them scoreless in the second half. Proud of everyone for not giving up and continuing to work hard to support each other.

U12 Red vs **OLQP Falcons White** 2 - 2

Not the result we expected, we were confident coming into the game with 2 quick goals by Nathan narrowly missing a third one hitting the cross bar. The second half saw tired players with no subs but they all continued to play hard. Very good defence and pressure on the opposition. Couple of incidences beyond our control saw them score 2 goals to make it a draw. Both teams played hard to the end. Probably the best match played by the team all season so far. Well done everyone! Well we fired up for a good game. We started well holding OLQP out but they scored first. We tied things up via a brilliant goal from Mona and finished the first half 1-1. The second half was a different story. OLQP came out on fire and shot some terrific goals and we slacked off handing them some easy goals. Caitlin deserves player of the match for her effort in goals. She never gave up. Some of those ball fired at her I swear had a firetail on the back of them. Well done team, still improving every week. Thank you U10 girls for your help (Aaliyah, Aariya, Nelofar, Clair, Julie).

Beautiful day to play soccer. Boys were on time and were listening to coach. In the first half the boys were sluggish and waiting for the ball. Babylon broke through and threatened to score. During half time, coach gave some pointers which the boys took on board. Bilal, Charbel and Ali E did more attacking and scored. Nabil took a free kick just outside the box, he successfully lobbed it over the goalie's head. Brandon, Gethyn and Abbas held a tight line. Shabir, Ghadir, Daniyal and Ali Y were getting to the ball first and controlling it more. Boys did more headers, body blocks and leg rolls. Boys moved well, spread out and worked well together. We still need to work on when and where to pass. Also how to keep the ball moving. Player of match - Luke McGuinness was focused and won most of his tackles. His passes on the right side were strong. - Charbel Dib was super fast and very agile. He broke away and scored twice.

U13 Onyx vs Inter Parramatta 8 - 2

In an exhilarating match, our team faced off against Inter Parramatta, resulting in a resounding 8-2 victory. However, the match didn't start as smoothly as expected, with a slow start seeing us fall behind 1-2. One noticeable issue was an excessive focus on dribbling rather than effective passing, which hindered our early performance. Fortunately, our team regrouped and made a remarkable comeback. By halftime, we had managed to turn the tide, leading 4-2. This turnaround showcased the team's resilience and determination to overcome the initial setback. The second half witnessed an impressive display of attacking prowess from our side, as we continued to dominate the game. Our relentless efforts paid off, culminating in a comprehensive 8-2 victory. Several players made notable contributions to the match. Ali made a memorable debut, scoring a goal to mark his first appearance. Daniel showcased his skill with a fantastic free-kick goal, adding to our team's tally. The majority of the goals, however, were netted by Stefan, who exhibited exceptional scoring ability by finding the back of the net six times. This victory serves as a testament to the team's ability to bounce back from adversity and maintain composure in the face of challenges. Moving forward, it is important to build upon this strong performance, ensuring a balance between individual skill and effective teamwork. The comprehensive scoreline and standout performances from various players highlight our team's potential and provide a solid foundation for future matches. With continued hard work, discipline, and a focus on effective passing, our team can strive for further success in upcoming fixtures.

U13 Div 1 vs Merrylands SFC 2 - 2

In a closely contested match between our team and Merrylands, the final score ended in a 2-2 draw. Our team faced the challenge of missing three key players, leading to adjustments in positions and tactics. The first half was characterised by a slow and lethargic performance from our team. We struggled to find our rhythm and fell behind early in the game. Throughout the match, we found ourselves constantly playing catch up and were unable to seize the lead. One area that requires improvement is the team's belief in their abilities. The coach holds the belief that we are better than the opposition, but it is essential for the players to internalise this confidence. Believing in ourselves and our capabilities can have a significant impact on our performance and results. Despite the challenges, our team showcased resilience and fought back to secure a draw. Two notable goals were scored by Stefan and Hassan, demonstrating their individual contributions to the team's attacking prowess. In terms of standout performances, Kelvin deserves special recognition for his exceptional defensive display. His commitment and skill in thwarting the opposition's attacks were instrumental in keeping the scoreline level. Kelvin's contributions earned him the well-deserved title of Man of the Match. Moving forward, it is crucial for the team to analyse the shortcomings of the match and work on areas that need improvement. With a stronger belief in our abilities and a focused approach, we can strive for better results in the upcoming fixtures.

U15 vs Rydalmere 2 - 7

In Saturday's match against Rydalmere, our U15's showed remarkable spirit and signs of great promise despite a 7-2 defeat. There's a lot more to this game than the scoreline indicates. It's an exciting testament to our team's potential, having improved considerably from our previous, larger loss to the same team. We made some daring tactical changes, switching players around and introducing them to new roles on the field. This included shifting Talha to Striker and Alwin to Defensive Mid. The experiment resulted in some exceptional moments of play that we can be truly proud of. Every player rose to the occasion, demonstrating adaptability and a strong will to improve. Our two goals were well-earned, and are a testament to the growing synchronicity between our forwards. Despite conceding seven, our defence also demonstrated significant growth compared to previous matches. Aziz did amazing at Right-Back in both halves, rendering the opposition Left Winger completely out of the game. Improved communication and positional discipline limited Rydalmere to fewer chances than in our previous encounter. Our goalkeeper Laith made a series of fantastic saves, keeping us in contention throughout the game. In the midfield, the new roles seemed to liberate our players. Hadi and Alwin showed great skill and determination, winning back possession and creating several attacking opportunities that tested the Rydalmere backline. Iden was constantly making line breaking passes, keeping a much stronger opposition on the back foot at times. This team's understanding of each other's play and positions improved markedly, reflecting the progress they've made over the past weeks. This is a team that's starting to gel nicely. While the final score didn't go in our favor, it is important to note the considerable progress made by our U15s. Matches like these prove that we are on the right track, and the scorelines will soon reflect the talent, hard work, and determination present in our team. I remain proud and encouraged by the U15's performance, and look forward to their continued growth and development. Keep an eye out for this team, as they are shaping up to be a formidable unit with a bright future ahead.

U16 vs Wenty Waratah 0 - 10

We were expecting a difficult match today as we played against Wentys previously with a big loss. We started off well with a strong defence line but we kept trying to play through the middle unsuccessfully and really needed to make use of the entire width of the field. We had a few shots at goal but missed with Ali K chipping one over the top and hitting the corner of the goal post. Unlucky! There was better game play in the second half, as we seem to consistently do after feedback from coach, so that's a positive. Definitely seeing improvement each week and the team has really matured from last year in terms of controlling their emotions on field. Good to see.

Raahauge Cup Reserves vs Inter Parramatta 0 - 6

After last week's great performance we had high expectations coming into the match. We have been getting better and better and with a few first graders supplementing the side we were confident. Unfortunately Inter are a strong side, probably better than we realised and even with the strong 11 on paper we were quickly down 0-2 and then our two strikers left the field within minutes of each other injured. We were now really up against it and went into the half time break 0-5 down. We committed to showing some pride in the second half and we really did. For most of the second half the score was unchanged and for periods we controlled the play. The fact the Mahdi hit the crossbar 3 times suggests that in a game where we were soundly beaten, on our day anything could be possible (like we saw last week). We can do it when we get our positions right and dig deep! Inter grabbed a late one but we had rebuilt some confidence and will need it in order to repeat our win over Wenty next week and get back into the top 4.

Raahauge Cup Firsts vs St Columbas Castle Hill 1 - 1

When we last played St Columbas we had plenty of players missing or late and to be consistent we had the same issues today. We scored early but like last week frittered away easy opportunities like we were millionaires and others would come. But in the second half they didn't come, except for Columbas who scored their only chance and stole points from us. The fact that we endeavoured to completely derail our season with childish behaviour should have us all having a hard look at ourselves. This comp is completely within our own hands, over to you now guys.

Premier League Reserves vs Bexley Lions 4 - 0

A cold day on a small pitch made for a slow start for lads, lots of possession but not enough end product. Then after a bit of freekick magic by Shukur and Dbouk, Dbouk powered one past the keeper to have us up 1-0 at the half. The team adjusted well to our halftime instructions and took over the game from there. Pete then finished at the far post after a sublime chip from Shukur, then doubled his tally with a beautiful finish with his off foot. Then to top off a great performance, Tom stepped up from the backline and hit a long distance curler to take us to a 4-0 win.

Premier League Firsts vs Bexley Lions 5 - 1

We made things very tough for ourselves the first half, possession changing hands back and forth but once we started getting a better hold on the game, Mick found himself free in the box and with a tidy finish put us 1-0 up. Bexley then took advantage of a lapse in concentration to get it back to even at 1-1, but before you knew it Eli made it 2-1 as he hit one from distance off the crossbar and taught their a lesson to always play the whistle as the ball spun back in to play and bounced into the net. We improved a lot after the half, got back to playing our style of football, and the goals flowed. Dollar finished after a nice assist from Eli, Adem smashing one in after a save and then Mick doubled his tally with flush header from a Daison corner. Then the opposition showed more fight arguing with the ref than us and went down to 10 men, with the game ending 5-1.

RAIN – WHAT TO DO

It's raining, it's Saturday!! Is the game on??

The decision to close and open grounds is in the hands of the local council

It is made on the basis of the condition of the ground. It is not made based on the weather.

That means that sometimes it is sunny but the ground is closed (because it is still wet from previous rain) or it is raining but the ground is open.

Your manager will know if the game is on, give them a call. Very rarely is a decision made before Friday evening. If I have not contacted your manager, the game is on, even if it is raining!

*Most often games will still be on so **do not just stay at home**, you will be letting your child's team down!!!*

It's raining and it's training tonight!! Is training on??

If the ground is closed you cannot train, *even if it's not raining!!* Parents and players call the manager or coach.
