**All Age Ladies** vs Kings Old Boys 6 - 0

Great to have 3 subs and great to score some goals. 3 ladies played up front and all three scored 2 goals each. Elisa had a particularly strong game. Nearly 12 years since she last played in midfield but she made a real difference there tonight.

**O35s** vs Inter Parramatta Blue 1 - 0

Patience is a virtue. It sure was with this match. We started with plenty of possession, alot of back and forth against another good team. The leadership shown from our senior players was worth their weight in gold. We stuck to our game plan, plenty of communication and great passing. Our defence held strong and our keeper fended off any attacks they threw at us. Half time and no score. 2nd half was more about patience, though we took our chances when it came, pushing forward through Phil, who put in a perfectly positioned cross contested by Ricky. Unlucky to not score himself, the aerial contest ensured the ball landed for Mohammed's timely volley to score our first goal. An untimely injury to Will meant our no.2 keeper had to step in. We kept our cool, and played the game our way. A small break saw them have 1 chance to score but was stopped by a desperate dive from the substitute keeper. Time ran out for the opponent and we celebrated a hard fought victory. Go team!

**U6** vs OLQP Falcons White 1 - 2

Today's game, playing falcons white brought on a lot of hard work for the little ones. 😞 Unfortunately we were down many players, which put the pressure on! First half was a great hustle with both teams showing great defence. The ball seemed to go nowhere but in circles between their feet. First goal was finally scored by our little Zein, unfortunately though, for the opponents! You funny chicken Zein! 😂 Great kick!! Half time came quick and the boys were exhausted not having subs to help out. For second half, we switched the boys positions, so they could have a feel of different roles on the field. After hustling after the ball for 20 min our little champ Eyad finally scored a goal for the team 🙌! Time flew, and before we knew it the opponents sneaked in their goal just before the game ended! Which put them in the lead and to claim victory over the game! The boys played extremely hard and well today.. although there were a few mistakes here and there overall they done an amazing job . Amazing work Amir, Cj, Eyad, Kamal, Lazarus, Luqman and Zein! 😊

**U8 White** vs Greystanes FC Blue 4 - 1

A great win by the boys. A goal by Irfan saw us go ahead early in the game. It was a hard-fought game against a solid opposition in the early stages. Fantastic defending by Pablo who stopped a few runs and Milan and Neil S were dependable as always defending the wings. A perfect cross by George saw Irfan score his second goal. Wonderful to see the teamwork and the well-timed pass by George. After half-time Neal P scored from close range before Irfan scored his third not long after. Thank you to Thomas for spending the first half in gal's and keeping the ball out. Also, good work by George and Jess who shared goalkeeping duties in the second half. A few things to work on by a few team members to help minimise fatigue including staying in position and listening to the coach when asked to play a different position. A great result and effort by the team. Special thanks to Farhan from U7 for helping us make up numbers.

**U9 Red** vs Greystanes FC White 2 - 2

Was it the fact that it was an early morning game or maybe the kids had a hard week, but it was not a great game. There were lots of air kicks, foul throws, boys getting in the way of each other, stealing the ball off each other, and just not listening to the coach. We were down 2-0 half time and were lucky to climb back to even the score. Still lots of work to do in the back line and defence.

A blowout game with our U9 Whites team putting on an elite performance at our home ground at Everley against our opponents OLQP Red. Gabriel, our player of the match, did a fantastic job defending our goals today as Goalkeeper, maintaining a NIL score for OLQP. Well done to all the boys who played well with outstanding defence and team work!

**U10 White** vs **Greystanes FC Red** 4 - 3

We were back at Greystanes ready to bag another win. The sun was out and the boys were ready to go. Straight after the kickoff off Kai scored a goal and the opposing team was quick to score one back, before we got a second through Taha - that all happened within the first 90 seconds of the match! Isaac scored another two goals before the halftime. With the team leading by first half the confidence was high as the team went back. The opposing came back fire fighting and the put enough pressure to secure two goals in the second half. The whistle went off and the team had another win. Thanks to all the parents for bringing their kids and for keeping time and also cheering the team

U10 Girls

vs Inter Parramatta White

2 - 1

Today the game was delayed as we waited on sufficient InterParra players. With a smaller opponent & what seemed like less available players we may have gone in over confident. Slowly their players showed up to even out the game. The end score wasn't what we expected but we had some good moments, Jacinta & Hajira both with solid defence kept their strikers running back just when they thought they were getting close to their goal box. Claire held the back line strong & often filled a gap when the opportunity presented. Mid field & strikers were playing chase the ball until they remembered their positions, passed and although we had a few unsuccessful goals we had Cici bring one home in the first half & Izzy scored our second & final in the 2nd half. Aaliyah & Elizabeth kept the pace, but often tackled by Interparra a second before they had the chance to pass. Julie, Nelofar & Jessica ensured the ball remained in our goal half, great passing and teamwork amongst them. Aariya took a short mid game break from goals & showed how to ever-so-calmly bring the ball to our goal half. The girls' show they really enjoy the game & playing together as a team. Round 8, undefeated, running up to their coach like she's a rock star & smiles all round every game and practice. What a great team! Keep up the great work girls!

**11 Red** vs Greystanes FC Blue 4 - 0

In a stunning 4-0 victory, U11 Red dominated possession throughout the game. Little Moey took us to victory again with 4 goals. With the coach's help, the team are working hard on maintaining their positions throughout their game. Aahil was award man of the match by the coach for maintaining his position and passing.  
Goal scorer - Muhammad Al Shanawa 4

**U11 White** vs Greystanes FC Black 0 - 3

It is wonderful to see our team growing and we welcomed Muhammad back to the club today. It was a tough match today but the team never stopped trying. GFC scored early and later from a penalty shot - both of which Johnny nearly saved. This made everyone step up and work harder. Our positional play was better but missing our two main strikers showed in the tight battles when we were attacking. Our defence stayed strong for the whole match and it took late into the second half before the opposition found the net again. Overall, our passing was stronger and combined with longer kicks kept our attack moving forward, we sadly didn't convert. Great effort by everyone today and we will keep building on our strengths.

**U12 Red** vs Greystanes FC White 1 - 0

A tough fought victory today. The team welcomed 2 new players, which helped to have subs. Plenty of back and forth to start, players didn't pass as well as we practised at training. Keeper Sebasjin had plenty of action but nothing was beyond him. We made plenty of runs through our mids, Jayden and Lukacs, who did great in getting the ball through to our strikers Rhys and Michael. Unfortunately there wasn't enough support to finish the job. Our backs held the line strong and denied any attacks. No score first half. 2nd half we lifted and pressured the opposition, plenty of action for our midfield and kicks forward over the top. This provided several chances but the shots found their keeper rather than the back of the net. Eventually Rhys made a break, through an assist from Michael and this time made it in. The team's cheers and celebration showed how much it meant. A couple of more chances but missed. The opposition had a chance to tie but our super keeper made an amazing diving save and ensured the win. Great effort from everyone. Well done! Player of the match: Sebasjin Tuki

vs

Greystanes FC Black

Today the boys put in lots of effort and it showed a lot. From the start, the team was dominating but the boys just couldn't put the ball into the back of the net in the first half. Eventually the fight was over for Greystanes when we scored the first goal from Julian that was assisted by Daniel opening up the score board. This was then followed by another two amazing goals to end the game at 3-0. It was a game that we were waiting to see all season and all the hard work at training has paid off.

**U12 Girls** vs Lidcombe Churches 0 - 9

A couple players out and no players to borrow we were in for a long hard game. So proud of how the girls played today. Positions were good, passing was good, goal keeping was good despite the scoreline. It just goes to show we can play good football when we need to. Only thing that let us down was keeping possession, shooting and as always MARKING. No one complained that they were tired and needed a drink mid game. They pushed through right to the final whistle. Give yourselves a pat on the back. You all deserve player of the match.

**U13 Red** vs Inter Parramatta 6 - 2

Boys played really well today and boosted their confidence. They followed the ball and tried to get to the ball first. They're still dribbling too much though. Need to look up for a pass. Ali Y was running for goal, but was unfairly tackled. Nabil took the penalty and zigged it past the goalie. Ali E's corner was strong and Bilal was able to tap it in the corner. Elio was focused and determined to score. George as goalie was nervous, but he held his nerve. Gethyn, Brandon, Abbas, Luke, and held a tight back line. Shabir, Zanyar, Ghadir, and Daniyal were tackling and moving the ball in the middle. Player of match - Shabir followed the ball all the way to the end and did a beautiful rebound off goalie glove. Coach's encouragement award - Charbel did lots of dribbling and beat the defenders

Playing today with only 9 players wasn't what we were expecting. The team just wasn't playing their full potential and distracted. This then lead to a bad result as we went 1-0 down early in second half. We just struggled to finish off on target even when goal keeper was out of position. We were lucky enough to get a goal back by the whites putting the ball into their own net ending the game at 1-1.

It was a loss today but overall the team did play well. First time in a while since we've had subs, 2 in fact. First half saw us have possession for majority of the time but concentrating our play in the middle of the field didn't do us any favours. Ali K scored our first goal with a great assist from Salah. There was better team play, communication between players and more passing. Reset at half time and players listened and played wide. Charbel scored our second goal but we were unable to even the score. We had plenty of opportunities to score upfront and multiple shots at goals but were unsuccessful. Big improvement in the second half with better support from everyone.

## **Raahauge Cup Reserves vs Wentworthville Uniting Gold 2 - 0**

We knew how important this game was. A win would put us back into the top 4 and a loss would make it very hard to get back in there as Wenty was already ahead of us. We set ourselves for a big defensive effort, and hoped for a strong start. Both were achieved with no goals against all game and 1-0 up at half time. We also had the advantage of a nice breeze behind us in the second half. We certainly had some scares but Tom's defending was next level today and Mahdi's late goal sealed a deserved victory. Other results have now actually seen us move into third place.

## **Premier League Reserves vs GPM Eagles 10 - 1**

First off, all the PL boys would like to congratulate our Reserve Grade captain Peter on his wedding this week! We would like to congratulate him and Alana and wish them a lifetime of happiness!

It's always tricky playing against a team short of players who were content on sitting behind the ball and kick it long in hopes of stealing a goal. Our clinical finishing saw us bury 5 before halftime. Knowing all the boys had to play first grade, the second half saw us slow down our tempo, focus on retaining possession and passing the ball around. This didn't stop us from scoring and we put another 5 past. The oppositions tactic of hit and hope paid off for them as a long ball over and miscommunication in defence saw them score a late consolation.

## **Premier League Firsts vs GPM Eagles 3 - 1**

A top of the table clash with majority of our first grade unavailable, the boys knew this was going to be a close affair. We started the game on the upper foot and were close not to hit the lead within the first 5 minutes after Rado had a dipping shot from outside the box tipped over the bar by the keeper. Early dominance with possession saw us break the deadlock after intricate play on the right hand side of the attacking third ended with the ball played into Mick 20 yards out. Touch, head up, finessed into the top corner. It wasn't long until we doubled our lead, with Simon popping up in the box to tap it past the keeper. The opposition began to find their bearings and for 25 minutes the games turned into a real back and forth. Just before half time, the opposition found the back of a net with a screamer of a free kick. The message was clear at half time. Play simple, stay tight and work as a team. Eli, Richo and Mick provided experience heads in the middle of the park as the second half was played at a frantic pace. The toll of playing two games started to become visible. Tired legs and cramps started to creep in. Messy play saw us concede a penalty, but James pulled out a finger tip save to keep our goal advantage. Our two goal cushion was restored 6 minutes from time as an Eli lead counter was finished off with a thunderous across the goal shot from Dbouk. Full credit to the 15 boys today. Special mention to Animal, James and Tom who all played 180 minutes today. Two games. Two wins. All DAWGS!

**U14 Girls** vs **Newbury Bulls** 8 - 3

With 11 players today, our team rocked up and was ready to play. Welcoming new players, Ellie who plays for u12 girls team and Marya. Having a full team, meant that we could get the job done. Dani opened the score board, not once, not twice but an impressive 5 goals from her today. Getting her first ever hat trick. Marya bagged 2 goals, and was shy of 1 goal to getting her first ever hat trick on her first game. Ameneh was in the right place at the right time for her first 1 goal of the season. Our defence, Faith, Kuae, Saffon and Abuk and midfielders Dani, Ellina and Rita did amazing, in the first half clearing the ball. Second half positions were swapped, giving our goalie Alexandra a chance to have a run. Newbury Bulls managed to get 3 goals in, but it wasn't enough to stop us for the win. Ellie and Saffon being two of the youngest players on our team, didn't stop them from our opponents. Ellie's impressive kicks and setting up the ball for our strikers shocked everyone. Well done Ellie on your first match. Saffon defense was 100%, with the opponents twice the size of her, she wasn't scared, and never gave up. Keep up the good work girls. We got this!

## **RAIN – WHAT TO DO**

### **It's raining, it's Saturday!! Is the game on??**

The decision to close and open grounds is in the hands of the local council

It is made on the basis of the condition of the ground. It is not made based on the weather.

That means that sometimes it is sunny but the ground is closed (because it is still wet from previous rain) or it is raining but the ground is open.

Your manager will know if the game is on, give them a call. Very rarely is a decision made before Friday evening. If I have not contacted your manager, the game is on, even if it is raining!

*Most often games will still be on so **do not just stay at home**, you will be letting your child's team down!!!*

### **It's raining and it's training tonight!! Is training on??**

If the ground is closed you cannot train, *even if it's not raining!!* Parents and players call the manager or coach.
