All Age Ladies vs **Kings Old Boys** 2 - 0

Pre game Kings weren't even sure that they wanted to play, being short and against the top team (us), but they ran onto the field and provided much sterner opposition than they even believed they would themselves. More space did allow our team to move the ball around, dominate possession and work well as a team. We did struggle to finish our goals with two of our strikers missing but Alex finished a nice one after a few attempts and in the second half, Sarah Irving's threat level caused their keeper to move out of position to cover her whilst a well timed cross found Sarah Burrows at the near post, for a nice finish.

Goal scorers: Alex Delgado 1, Sarah Burrows 1

O35s vs **OLQP Falcons** 1 - 1

Based on the recent results, the men knew they were up against a different opposition from the first time they competed against them. Long shots weren't working tonight and OLQP scored their first goal when our goalkeeper misjudged their shot. But he didn't let that happen again. Changing the tactic, short fast passes made a big difference with multiple opportunities to score but ended up as close misses. The team eventually evened up the score in the second half, but wished there were a few more minutes on the clock because I'm sure they could have claimed a victory. 1 all draw and still second on the table. Plenty of time to take the top spot!

U6 vs Lidcombe Churches 8 - 0

The Lidcombe under 6's greeted the team with a big smile 😊 and our boys showed their respect with a lined up handshake 🤝 (like little gentlemen they are) before kickoff! Today's game seemed like a breeze for the boys. They started real strong with striking two goals by little champ 🙌 Ali within 5 minutes into the game. Cj and Zane, as defenders stopped the ball many times at midline, playing their positions real well as they always do 🙌! And if the ball happened to get passed them our awesome 🙌 goalkeeper Riyaarth made sure it was staying out of the goal net! Great work boys! Our midfielders Amir and Luqman were a great asset to the game today, focusing on marking up against their opponents and dribbling the ball far from them passing to their teammate strikers, assisting with getting closer to the goal 🙌. Amir even had the chance to score a nice sneaky goal for the team! Amazing play boys! Eyad always showing amazing skills and tactics 🙌, determined to make sure the ball between his feet would land straight towards the goal!! Let us embrace and congratulate our little strikers Eyad and Ali for their **HAT TRICKS**, with Ali taking it one further scoring a total of 4 goals 🏆 today!! And of-course, to all the little kickers on the team that made every move helpful and beneficial in assisting them!

U7 vs Greystanes FC Green 9 - 3

On Saturday we played Greystanes FC Green at Everley Park. The game started off being a very close competition and the score was soon 2-1. Our players did really well to not waste scoring opportunities that came their way, and although we missed some shots, we very quickly improved our score. The second half was very exciting, as we saw a flurry of goals. Akram scored his first goal of the season! He was so thrilled that he then went on to score 2 more! Seb also scored a hat-trick this match. Well done to all of our players on another great match! Goal scorers: Akram Tlais 3, Sebastian Cortese 3, Paiman Alizada 2, Farhan Hussain 1

A fantastic win! Well done team. Ongoing improvements with passing and positioning. Two goals in the first half by Irfan including a great goal from a free kick outside the box. Strong defending by Jess and Milan and some big kicks by Pablo to keep the ball out of our half. Well done to Isaiah too, who stopped a few runs by the opposition. The opposition scored a goal early in the second half when our positioning was momentarily out of then place. However, Irfan continued to score with 4 goals in the second half including one penalty. Neal P scored a goal in the dying seconds of the game from close range following a breakaway by Irfan. Thank you to Thomas and Milan for covering goals. A fairly quiet one for Thomas and a good save mid in the second half by Milan.

U9 Red vs Greystanes FC Black 0 - 3

After an intense Grand Final game against the Greystanes FC Black team on 6 aside day, we faced them again today. We played a great first half with our defenders working hard and our goalee Animesh keeping our opponents scoreless at half time. We also had our many chances at goal but were unlucky as none were on target. Greystanes took advantage of their strong boots taking 2 long range shots over our keeper into the top of the net. Despite all the boys working extremely hard today, it was a tough game which ended with Greystanes leading 3-0.

It was a great day for soccer. The match was against the second ranked team in the competition and having played the team in the six aside the team was aware of what to expect. The team played in their position they we're passing and creating opportunities which lead to a first goal by Kai. The team dominated the match and Isaac scored three goals with a last goal from Taha to make it 5-1. Perfect team work very proud of how the team has improved over the season

Girls played beautifully, with passing and communicating with each other, not everyone one scored but everyone def contributed to the 8-0 win!

GmU White tested every aspect of the boys team work. Our team maintained good possession of the ball in the first half. The boys put up a solid defence to keep us in the game. The team will be working on our weaknesses to come back better and stronger in our next game. Solid effort, boys!

Goal scorer - Muhammad Al Shanawa 1

U11 White vs McCredie Red 2 - 1

Today it was great to have both of our strikers - Joachim and Jeremias - back on the field and them scoring a goal each to secure the win. We also welcomed a new player - Eyad - who we found out has an amazing long kick. It was a solid game by everyone today. Our defence kept shutting down their attacks and our forwards keep breaking their defence. Johnny also showed great confidence as goalkeeper making some great saves. Our passes had more purpose today but we do need to keep working on to look up to ensure we deliver the ball to our player not the opposition. The talk on the field between our players was better and it led to us sticking more to our positions and trusting other players to do their job. Thanks to Richard today for filling in for Coach Peter.

Well done to both McCredie teams today on an entertaining match.

U12 Red vs Greystanes FC Blue 2 - 0

A good win today, some players were still feeling the effects of 6 a side. Can't believe that was only on Monday. Lack of players another issue, only 1 player available to sub. Some tired legs meant a slow start to the game. Passes were falling short and slow to contest the ball. Eventually Rhys scored and we ended the half 1-0. A quick drinks break and some changes to positions made all the difference. 2nd half saw better passing, leading to easy breaks up front and shots on goal. We had many opportunities to score but missed. We got our 2nd goal through Rhys. Low scoring game but a well deserved victory for the team. Player of the match: Charles Genares
Goal scorers: Rhys Bautista 2

U12 White vs Lidcombe Churches 3 - 1

Today the team wasn't playing their potential. Within the first five minutes we managed to give away a penalty to our opponent and thought we were going under but a brilliant save by our goalie Lucas kept us in the game. Our defenders weren't reacting to the ball quick enough and their clearance were poor. That kind of play led to the first goal against us. The team spirit deflated and so did their performance. We found it challenging to get our passes and through balls to our team members instead finding them land at the feet of the opposition. Before we knew it the opponent managed to score another header from a cross taking the lead to 2-0. The boys were crushed. A through ball from our back line, from George, that found Julian on the left that was crossed over nicely to the front saw Ahmed find the net and getting the game back on its way as they brought the result to 2-1 at half time. A small talk from coach lifted the boys spirit and saw a better play in second half but unfortunately wasn't enough to even the score nor take the lead. Hopefully we can learn from this loss today and move forward for better play next week.
Goal scorer: Ahmed Almaleki 1.

U12 Girls vs OLQP Falcons 2 - 4

Playing short we had U10s back us up. We are playing so well that the OLQP coach commended us on how much we have improved. I have to say, I agree. Mark up, stay in your positions and back each other up. We are scaring the opposition. Caitlin is improving in goals each week, defence continues to be strong. Our weakness is not playing wide enough and forwards dropping to help in midfield then not pushing up. We will work on that. Good game today girls.
Goal scorer - Mona Yusefi 2

U13 Red vs Kings Old Boys 1 - 2

The Reds got off to a great start. Boys were passing well, looking up and chasing. Ali E, Elio, Ali Y, and Bilal made breaks and got close to scoring. Charbel came along on the right side and finally found the net. Ghadir and Daniyal were working together and getting to the ball first. Brandon, Gethyn and Nabil held a tight line. They were caught off guard when their goal kick was intercepted. Unfortunately, 5 mins later a corner was conceded. Boys hung on to the lead and just got thumped in last 7 mins when they got tired. We'll continue working on fitness to be able to run full game. Good effort. Player of match - Zanyar is fitter and challenging the ball more. Keep it up. Coach's encouragement - Shabir in goals was learning how to play from different view. - Abbas is playing his position on the side really well. He's chasing more too
Goal scorer - Charble Dib 1

U13 White vs Inter Parramatta 6 - 0

A well-played match against Parramatta FC. Strong tackling, great communication, good passing and they all stayed in their positions. Jacob scored our first goal and after that they were all hungry to score more. It was a day of doubles. Jacob gave us a second goal, which was then lead by two from Michael and two from Hossien. Great effort team! It was incredible to see the improvements from training. MOM Jacob!

U13 Onyx vs **Babylon Chaldean** 6 - 0

In a dominant display, our team faced off against Babylon and emerged victorious with a resounding scoreline of 6-0. It was an exceptional performance from our players, with Stefan leading the charge by netting an impressive hat-trick. Jason also contributed significantly with two goals of his own, showcasing his striking prowess.

Yonathan added to the tally with a well-executed goal, rounding off a fantastic team effort. The match was a testament to our team's skill and determination, delivering a memorable victory.

U13 Div 1 vs **Toongabbie Demons** 1 - 2

In the match against Toongabbie, the final score was 1-2 in their favour. Jason managed to score a penalty for your team, which was a positive moment. However, it was disappointing to lose the match, especially after being ahead 1-0. Losing the lead and conceding two late goals can be frustrating. Keep your heads up and continue working hard for future matches.

U14 vs **Auburn District**

Goal scorers - ?

U15 vs **Wentworthville Uniting** 2 - 8

In a tough encounter, our U15 side failed to replicate the impressive performance that saw us dominating the previous week, despite sticking with the 4-2-3-1 formation that had previously served us so well. The high-pressing approach implemented during training sessions was largely unsuccessful on the day, with the team struggling to establish control and maintain the flow of the game. The early stages of the match were dominated by the opposition, who made the most of their opportunities with two remarkable long-range strikes to take an early lead. While we showed some resilience, we struggled to contain their offensive prowess, leading to an uphill battle for the remainder of the match. Despite our preparations and emphasis on playing out from the back, the team couldn't effectively execute this strategy. This resulted in a failure to fully capitalise on the opportunities that presented themselves during the match, specifically, our inability to exploit the opposition's high defensive line. Our usual incisive through balls that set our wingers Muhammad and Elias or our striker Talha on goal were largely missing. The second half brought some positive moments as we found the back of the net twice, courtesy of Talha. Our quick counter-attacking play led to these goals, providing a glimmer of hope and a demonstration of what we're capable of when our attacking transitions are executed properly. Although the overall performance was underwhelming, the fighting spirit shown by the boys, especially after going down by two early goals, should not be overlooked. This determination will undoubtedly prove crucial in the coming matches as we look to bounce back stronger. While it was a disappointing result, it's an opportunity for learning and improvement. We will take away vital lessons from this match, work on our shortcomings, and continue striving to create a cohesive style of play that the boys can confidently execute on the pitch. The key to our future success will be learning from these experiences, continuing to improve, and maintaining our belief in our ability to bounce back.

U16

vs Wenty Waratah

0 - 4

Very proud of the team for an incredible effort today. Started with 10 players and ended with 9 by second half due to an injury, up against a full team with 3 subs. Considering we lost twice to this same team with double digit losses, the results speak for themselves. Well done U16s! Although tired, they played an even better 2nd half with more communication, better marking of players and more passing. The team supported each other really well and Wentys only scored 1 single lucky goal in the 2nd half. It's a real shame that we struggle week to week to get our full team together for the matches. We can't even get enough players to have subs to give players a rest. We really can defeat these teams with a fully committed team. May the rest of the season see the results our team deserves.

Raahauge Cup Firsts vs Columna 2 - 2

This was actually a cracking good game. We didn't dominate and seem to play that well in the first half, but that was because our opponents were playing so well. We could learn a lot from watching how well they play as a team. But they also have 30 years of experience over our guys. In the second half we came out better and in the last 25 minutes we were absolutely humming and in the end should have won. We went ahead midway through the first half when a post corner scramble fell at Krish's feet and he duly finished. Unfortunately when pushing for a second, Columna caught us on the counter and equalised shortly after. Before half time Columna had a second and we had a game on our hands. With 20 minutes to go the two players cautioned early in the match were released from the naughty corner and made an immediate impact. Zaid slammed the ball into the side netting before Mahmoud and Zaid combined to set Krish up for the equaliser. With less than a minute on the clock a corner was won and it found Zaid's head. Unfortunately it found a Columna hand (taking one for the team). He was sent off and Columna lost composure. Nothing other than the penalty had time to happen (which was a shame because I lost count of how many Columna would have had left on the park!) . Unfortunately for us the goal keeper was still there and he pulled off a nice save and the match would finish 2-2.

Premier League Reserves vs Lidcombe Churches 1 - 0

Coming off a weekend with no game the team started the game very lethargic, giving the ball away too many times. The game still 0-0 at the half, the team took our half time talk instructions and brought much better play to the second half. Passing the ball around well and closing down any attacks the opposition did muster quickly. The only thing missing was the finishing needed until finally, after a great pass from Waz, Will found himself on the edge of the box with the ball and finished powerfully in the bottom corner. Great play from Daz kept the opposition out and the team saw the game out without giving the opposition many chances, winning 1-0.

Goal scorers: Wil Wark 1

Premier League Firsts vs Lidcombe Churches 2 - 1

The team was keen to make up for the loss we had last time we played Lidcombe. We started the game well moving the ball around and controlling the play, but then slowly we start giving the opposition chances by giving the ball away needlessly and were finally punished. Before the half we were given a freekick just outside the box and Will drilled one hard and low into the bottom right corner to take us into the break at 1-1. In the second half the team kept up the good ball movement and stopped the easy giveaways. After some great ball control from Dbouk we received another freekick outside the box and up stepped Will with another great hit, curling the ball around the wall and inside the post to put us up 2-1. Great defensive work from Jono, Amavir and Wil each time the opposition countered against us made sure we got the 2-1 win.

U14 Girls

vs Toongabbie Demons

3 - 2

We won 3-2 today with Ellina finding an early goal after working to keep wide on the field before cutting in. Well done Ellina. Ameneh scored after some excellent passing with her team mates to find the ball in the back of the net. Dani scored a screamer of a goal too, no way the keeper was stopping that. Our defensive line was unstoppable as usual. Midfield could do better to hold the middle of the field tighter so we don't give possession away, and to disperse the ball to our left and right midfield and forwards. We could have scored more goals today, but the team was a little flat footed. We need to anticipate the play before it happens and trust our team mates to play their positions.

RAIN – WHAT TO DO

It's raining, it's Saturday!! Is the game on??

The decision to close and open grounds is in the hands of the local council

It is made on the basis of the condition of the ground. It is not made based on the weather.

That means that sometimes it is sunny but the ground is closed (because it is still wet from previous rain) or it is raining but the ground is open.

Your manager will know if the game is on, give them a call. Very rarely is a decision made before Friday evening. If I have not contacted your manager, the game is on, even if it is raining!

*Most often games will still be on so **do not just stay at home**, you will be letting your child's team down!!!*

It's raining and it's training tonight!! Is training on??

If the ground is closed you cannot train, *even if it's not raining!!* Parents and players call the manager or coach.

You can check via Cumberland Council's website

IMPORTANT NOTICES

1. ***If for any reason your child is unable to play or attend training you MUST inform your coach or manager AS SOON AS POSSIBLE.***
2. ***If you have questions regarding your team ask your manager.***
3. ***If it is raining on a Saturday morning call the team manager to see if the game is on. Most often games will still be on so **do not just stay at home**, you will be letting your child's team down!!!***
4. ***Please assist the coach and manager, they are working unpaid for your child. There may be nets to put up or pull down, corner posts to stick in, players to be picked up (particularly if a parent has more than one child playing in different teams) or shirts to wash.***
5. This Club, the NSW Churches Football Association and Granville District SFA have high expectations of our parents and players. Please support our teams, but no abuse of players or officials will be tolerated and bans or fines could result.

Greg Wark – Secretary 9682 7779
