All Age Ladies vs **OLQP Falcons Red** 1 - 0

We seem to have stopped scoring and tonight it was a blistering strike from a corner, courtesy of Elise that separated the teams on the scoreboard. Our defence remains rock solid fortunately. Destiny made some great passes tonight as did Sarah D, Rachel pressured their defence without luck and Jade had a strong game. Goal scorer: Elise Burrows 1

O35s vs **Kings Old Boys/Castle Hill Baptist** 0 - 4

Difficult game with only 7 players available to compete against the top team. First half we were too spread out and opposition scored 3 on us. Second half we played a tighter game and defended well. Had many shots and opportunities but unfortunately none found the back of the net. Played well considering the circumstances.

Premier League Firsts vs Kings old Boys 1 - 0

Another Grand Final on a rainy Thursday night. With a number of injuries to key players across the park, it was always gonna be a little tougher than we had hoped for. However with help across the club from O35 Starlet Phil Rafter, 6 Aside Top Scorer Ibrahim Koroma and RC Striking talent Antonio, we had enough to take the challenge to Kings. We started off in control of the match and competed hard in our challenges, which was pivotal to setting the tone of the match. After some silky dribbling from Bright and a peach of a touch behind the defence from Adem, Will Wark took his goal clinically into the bottom left. Then Adem needed to come off due to injury, but for most of the 1st half we still looked like we were going to pinch another. Some great attacking efforts from Bright, Ibby and Terence made us look like we were to get that important 2nd. 2nd half kicked off and we started to lose control in the midfield and drop our intensity, after a few more subs due to injury we ended up having an unconventional 11 on the pitch with Dollar moving from Left Mid, to Attacking mid, to Defensive mid to Left back. After an anxious 40 approx minutes at 1-0, we managed to hold them off and keep the clean sheet. Strong performances across the park and another trophy. 2/4 for the season. Dollar Bunait Man of the Match. Goal scorer - Wil Wark 1

Our prayer to the Footballing Gods pre State Cup Final

Dear Deities of the Beautiful Game, Guardians of the unpredictable

Today, as we gather in your name, we are more than just a team. We're a vibrant tapestry of characters, a family united by a common purpose and a shared passion.

*As **Darren** stumbles onto the field, fresh from his adventures in the realm of partying, may his game be as lively as his nights out, may his sense of direction on the pitch be better than on the dance floor. May **Dollar** and **Darwin**, the Dynamic Duo, be granted the magical ability to see more than each other on the pitch, breaking the Twin Bias and spreading their passes like good rumours at a pub. Let **Jono's** football skills match the dizzying heights of his social media stardom, where every pass is a viral post, every goal a trending hashtag. As **Tanveer** juggles the demands of consulting and football, give him the ability to confuse opponents like a convoluted business strategy. Bless **Amarvir**, the cool wind that rides a motorcycle and controls his brisket smoker, may his allure translate into skill on the pitch. Grant **Wil** the unerring accuracy of a homing pigeon, making free kicks his personal messages delivered right into the goal. May **Eli**, who exists in his own unique timezone, find the right moment to surprise the opponents just like his unexpected arrivals. Bless **Adem** with the resilience of a cartoon character, always ready to spring back into action no matter how many times he gets injured. May **Simon's** left foot, the only foot he scores with, be enchanted with a magnet for goals, his shots dodging defenders and keepers like they're allergic to his boots. Make **Bright's** feet as slippery as an eel, putting defenders on skates and sometimes even rollerblades. And **Terence**, the man who carries the memory of Dubai's feasts on his waist, remind him of the hunger for victory. Let **Ibby**, our exciting newbie, be as quick to score as he was to charm us all. May **Antonio's** mullet serve as our banner, a symbol of commitment, ready to be sacrificed for victory. And **Phil**, standing at the sunset of his career, may his final games glow with the warmth of a thousand applauding fans.*

We march onto the field today not merely to chase a ball but to chase glory, splendour, majesty, and the sheer joy of this beautiful game. Guide our shenanigans, amplify our Shithousery, and bless our tackles and our audacious shots on goal. As we take to the field, let us bring honor to our club, to ourselves, and to you, our Football Guardians. In victory, may we find growth, unity, and respect.

Thank you, oh Lords of the Nutmeg and Masters of the Backheel.

U6 vs Kings Old Boys 4 - 5

The game was an intense play yet pleasurable watch! The under 6's have come along way, from the first match against the kings 8 weeks ago when it was nil to kings 8. This time round they held an equal score of 4, until a little accident occurred and the kings won by a goal not intended for them! All in all such a strong close-knit team these little boys have become and we couldn't be more prouder every day of the way they play and hold themselves with respect and dignity!

Goal scorers - Eyad El Dakkour 3, Kanil Shahi 1

U7 vs Greystanes FC Blue 1 - 6

Our match on Saturday was a challenging contest against Greystanes Blue FC. Paiman scored an early goal for us, with help from Farhan. But despite our best defensive efforts, our opponents kept landing shots in the net. We had 9 players turn up ready to go, but it just wasn't our day.

U8 White vs Greystanes FC White 3 - 1

A good win for the team against a very strong and well-trained opponent. It was an arm wrestle in the opening stages of the first half. Our opponent opened the scoring midway through the first half. A lot of kick and chase instead of passing, ball watching, and a lack of challenges really affected our possession, attack, and defence. The team playing in the first half wasn't the usual team we have turning up to training and matches. A great goal from distance by Irfan saw us equalise early in the second half. We took the lead not long after with a goal from close range by Irfan. Persistent defence by Milan as always. George covered goals in the first half and did a wonderful job stopping several shots. Zayden played goals second half and also did a great job stopping shots. Neal scored our third goal in the last 10 minutes of the match from close range after a cross Irfan saw Neal come out on top during a goal mouth scramble. Well done team!

U9 Red vs Wentworthville Uniting Blue 8 - 1

Knowing we were up against a weaker team today, we gave the boys the opportunity to play in different positions. We started the game very slow with Wenty scoring early but once Aidan gave us our first goal, our chances continued with Josh, Laith, and Obaida adding to the tally. Animesh, Erik, Hussain, Shiven, and Yunis defended well clearing the ball away from our goal. Our team led 4-1 at half time time, and Ali as goalie kept the opposition scoreless in the 2nd half.

A tough game today. A larger field meant tired legs and our passes just weren't finding our team mates. We did a lot better at spreading out and moving to receive the ball which was great. Aagrim had a stand out performance defending and Zak had a great run upfront.

The opposing team scored a goal within the first minute, and that's how the boys knew the game was on. The team composed themselves and listened to the coach and kept to their position and by half time they had a come courtesy of four goals from Isaac what a champion. The second half the team was able to keep most of the ball possession and Kai scored a goal and Taha scored the last goal to make it 6-2 at the end of the game

Today's game was nice and early, bright skies at Home ground, Everly Park. Third time this season coming up against OLQP Blue, who previously we had a win against & a draw. The first half found the McCredie girls fumbling, not completing as well as they usually do and took longer to secure the first goal but we were 1-0 at half time & were remembering to hold positions, pass & communicate. In the second half Falcons were feeling the pressure & we were able to jump ahead 3-0 in a short amount of time. Every girl played so well, held their positions and even with a great defending opposition, as coach Alex D said "See what happens when you pass the ball?" A well deserved win against last year premier winners, keeping McCredie u8-10 girls at the top of the ladder. We'll enjoy the Bye next week! ;)

Today, although we ended up with the win, it was not one of our best games. The team looked tired and were not following through after passing. Listening and focusing more on their positions is needed. The team showed more focus in the second half and defensively played better. Jeremias and Michael were able to score two goals each to secure the win. We are also thankful to the parents for the amazing support to our players and team.

Expectations were high. Attendance was low. Started the game with 10 players including 2 borrowed. We made the best of the situation and went on the attack early. Plenty of possession and shots on goal but couldn't score. Eventually we managed to put one in by Muhammad. 2 extra players turned up mid way through the first half and we applied extra pressure. Trying a more attacking field setup in an effort to score didn't work. Ended the half 1-0. Second half saw us go back to basics. The back line of Antonio, Logan, Ameer and Charles held strong, the opposition did not get any opportunities to score. Midfielders Ibrahim, Lukacs, Ahmed, Ellie and Jayden were fast and unrelenting, great runs and through balls. Our strikers Rhys and Muhammad made the most of the opportunities this half. Our goalkeeper Sebasjin didn't have much to do today, came out and played up front and had a chance to score but was unselfish and attempted to assist, but it resulted in another missed opportunity. We managed 4 more goals. Rhys got a double through his skilled footwork and persistence. Logan had a brilliant return kick from about 40 yards out. Ameer coming out of the back line onto a loose ball and secured our victory. Great effort by the team. Big thank you to Ellie Bailey and Muhammad Al Shanawa for making the trip out to assist our team today. We appreciate your support! Player of the match: Logan Chen

Today we managed to play a much better game than last week. Coach tried out a new formation with the boys that led the boys to more possessions of the ball and dominating the game. The defence today was outstanding breaking every attack that came our way. The midfielders worked hard pressuring the opposition into making mistakes and creating more opportunities for our front line to attack and score. This led to the three goals achieved today and many more opportunities that were unlucky enough to be blocked by the keeper or missing the target. Overall a fantastic game from the boys.

U12 Girls vs Lidcombe Churches 2 - 4

Welcome back Emily. Thank you U10s: Julie, Izzy, Cici, Claire, Aaliya for helping us out today. We usually have a pretty even game against this team. But today we seemed very sluggish. Claire had a great game. Julie had a good 2nd half. Our first half was all over the place. We lost it 3-0. The 2nd half was much better, keeping better form and position. Moving the ball around and passing. We just need to do this for the whole game. Keep it up we are getting there.

U13 Red vs McCredie Onyx 0 - 3

As expected, the Reds were playing very defensive first half. Nabil, Gethyn, Daniyal and Brandon were doing well shutting down the attackers. Very unlucky when our goalie fumbled the ball and it went between his legs. Second half team were more assertive. Charbel, Elio, Ali Y and Bilal were frustrated as the Onyx defence were fast and physical. Ghadir, George, and Abbas are getting fitter and challenging the ball more. Really happy with results for Reds. They're starting to look up and chase more. Need to still work on longer passes and looking up to see who to pass to. Player of match - Ali E in goals was switched on and deflected 2 scorers. Coach's encouragement award - Shabir always chasing & Zanyar tackling and jockeying

U13 White vs Babylon Chaldean 6 - 0

Good game today. Team wasn't playing to their full potential in the first half with many missed goals, but after a firm talking to by their coach during half time they picked themselves up again to end the game with a 6 nil win. Goal scorer - Michael Karaki 6

U13 Onyx vs McCredie Red 6 - 0

In an outstanding performance, we secured a resounding 3-0 victory against Guildford Red. Their exceptional passing and dominant display allowed them to control the game from start to finish. Mykal, Julian, and Farooz each contributed a goal, showcasing their prowess on the field. The team's solid defence prevented Guildford Red from finding the back of the net. Special thanks to Julian and George for their valuable assistance. George's impressive passing and defensive skills earned him the Man of the Match accolade. We will look to build on this success and continue their winning streak in future matches.

Goal scorers - Julian Azar 1, Farooz Maqsoodi 1, Mykal Abdou 1

U13 Div 1 vs Auburn District 0 - 5

In a challenging match against Auburn District, we suffered a tough 5-0 defeat. Despite the scoreline, we showcased early dominance, particularly in the first 15 minutes, with quick passes and promising attacking play. However, Auburn District gradually gained control and capitalized on defensive lapses to secure their goals. Despite missing key players, we displayed resilience and fought to stay competitive. Hassan was awarded Man of the Match for his outstanding performance. Moving forward, we should focus on maintaining an attacking mindset, emphasising shooting and sustaining quick passes. Although the result was unfavourable, the team's dedication and effort were commendable, and they will work towards improvement in future matches.

U14 vs Wenty Waratah White 7 - 3

Round 2 we lost to these guys 6-0 we did however only have 8 players so we werent quiet sure what to expect from this game. That early season loss did not faze the team at all. From the kick off we were winning the ball, holding possession and passing great. Elias and Willam were solid and managed to shut down our opponents repeatedly down the wide channels any balls that got through Addyan and Abbas were able to easily clean up. It wasn't long before Moian scored through some nice passing from Irfan out of midfield. We came off at half time 2-0 up and confident. Ahmed was begging to come out of goals and promised if we put him up front he would score. Within the first 10mins of the second half he had a hatrick. Wenty went all out in attack pushing everyone up to try and fight back Rafael made some great saves but unfortunately a few found the back of the net but it was to late we had already but away 7. POTM today was Irfan who really stood out in the midfield.

What a difference it makes when we have enough players turn up to make a full team. Also a big thank you to Talha from the U15s for assisting today. Each and every player is to be congratulated not only because they won today, but everyone played extremely well and held themselves up so well to a confronting opposition. We played wide, kept passing, marked well, supported each other and kept a strong line of defense. Smart game play and team work brought us our first goal by Ali from a wide shot. Hussain kept the momentum and team spirits high when he scored an incredible goal from a corner kick. Charbel finished off the game with our final goal in the second half. Lachie is to be commended for his calm, positive attitude and supportive guidance throughout the match and of course his outstanding goal saves. Each and every player contributed to today's results. We are proud of the team for finding the strength to keep themselves calm and composed as they were subjected to taunts and provoking from the opposition. The team will continue to improve if every players remains committed and not to give up on the team. It was a well deserved win! Well done all!

Raahauge Cup Reserves vs Bexley Lions 0 - 7

No getting around it, this was a tough afternoon. Against a team we beat just 7 weeks ago, we were unable to compete today. Injuries and unavailability are biting but we still entered the field with 11 and had 4 subs so it's not like we didn't give ourselves a chance. On the positive Dylan Lu, returning from sickness was outstanding and Nick Azar battled manfully at centre midfield when at times, all around him was chaos. We need to reset, recommit in defence and start scoring some goals. Huge thanks to Henny for answering our distress call and keeping for us this afternoon.

Raahauge Cup Firsts vs St Johns Glebe 0 - 1

We had beaten these guys 4-1 and 3-1 this season, but knew that they were a pretty fair side and that the 3-1 win flattered us. We were in a contest today and in the first 20 minutes were barely hanging on. But we did and onto our 3rd keeper, we rested control of the match and put St Johns on the back foot. Zaid narrowly missed a sneaky opportunity that only he could have created, shaving the far post. At half time the scores were locked, but we were playing well and had settled. For the second week Jack's injury saw our midfield suffer and the game started to turn again, and with 15 to go they broke and got one. Again like last week, we start to really play when we are down with Zaid again getting close, this time sending it over. Lessons - maintain discipline, play as a team and take shots. Unfortunately our lack of discipline in past weeks will now bite as we will lose our first player to accumulation of yellow cards next week, with another on the edge.

Premier League Reserves vs St Columbas Castle Hill 4 - 2

A rare sunny and dry day at Eric Mobbs Reserve had the team in good spirits on a day that was to see a lot of players doubling up for First grade with the squad struggling with many injuries. With our no.1 out injured Jono stepped up, put the gloves on and would go on to put on a man of the match performance. The lads started the game well, moving the ball around nicely and controlling the play, creating chances but not yet finding the back of the net. Then, as is always a threat against St Columbus, we were countered and a penalty was award by the referee. Jono stood big on his goal line, saved the penalty and was quickly up to make another save of the follow up - then before you blinked we were up the other end of the park with Booker finishing, with a perfect finish on his weaker foot, over the keeper from distance. The good passing plays continued with Banas getting his 2nd assist setting up Waz in the box to put us up 2-0. We then switched off for one moment, Columbus' long ball wasn't dealt with and their striker ran through to make it 2-1. Jono then made multiple one on one saves to keep it at 2-1 at the half. Adjustments made at the half saw us better dealing with the long balls and counter attacks, but we found ourselves frustrated with the non calls from the referees then finding good tackles call up as fouls. One of these calls lead to a freekick that Jono initially saved but was unable to gather the rebound with Columbus scoring to make it 2-2. The lads then gritted down and put in the hard work, Richo and Steve fighting hard for every ball in the midfield. Grinding through the hard minutes in the second half, with Jono again making more one on one saves and keeping us level before Dabouk found himself with some space on the edge of the box to volley beautifully into the top corner making it 3-2. Then the beautiful passing plays were back and Dabouk won a penalty that Richo calmly slotted in the bottom corner. The lads then controlled the final moments and smartly saw the game out to get the 4-2 win.

Premier League Firsts vs St Columbas Castle Hill 4 - 3

This week was another tough week for numbers in both grades due to injuries and other commitments in key positions. The game started well with the boys passing and spreading it across the wings, leading to a wicked cross from Dollar, finding Tez in the box who headed it down into the net, never in doubt. A gifted goal due to a bit of confusion in the backline, led to a period of lapses in decision making and uncharacteristic wayward passing from the boys. Luck seemed to be constantly going in the way of the opposition with deft touches with almost every ball played to their players, leading so some key link up play and two conceded goals from our boys. With a bit of grit, Wil managed to pull one back from the penalty spot to make it 2-2. Down 2-3 at the break saw an inspired halftime talk from Wil saw a physical game ensue and the boys pushing forward for an equaliser. Absolute workhorses Rado and Richo in the midfield engine room and constant pressure from the twins saw Tez chipping a couple defenders to put Wil clear through through on goal. 3-3. 3 minutes left and Super sub Tim steps up to the plate. Playing solid minutes in both halves and hardly put a foot wrong with solid passing and hold up play, fizzed a cross-come-shot into the box, over the keeper and into the opposite corner of the net. Benches cleared. 4-3. The boys dug deep and saw the game out for all 3 points. Many played heavy minutes across 2 games. Shout out to Richo who put in a solid shift in both games, playing 180 minutes and Tom for a shift in goals, pulling out some great saves.

U14 Girls vs Merrylands SFC 1 - 0

With coach away today, and the manager losing her voice and forgetting to let our assistant coach come today, the parents of Guildford McCredie stepped up. A thank you to Saffron's dad as well as to Alex Chen for your help today. Our girls played an amazing game. Keeping the ball away from our goals, Faith, Kuae, Lopasi and Saffron were unstoppable in defence. Dani had many opportunities score but was shy of many. 1st half our midfielders were everywhere except for where they were meant to be. Rita and Ellie did everything they were meant to do. Setting the ball up for our strikers. 2nd half our girls did 110% better even with the sun in their eyes. Into the last minutes either team could have scored. Finally at last Marya managed to get one in for us. Our girls held the defence until the whistle was blown. Well done girls on our win today.

Goal scorer - Marya Kanj 1

We have had numerous incidents reported this season concerning poor behaviour by our players, coaches and parents - two of which have resulted in suspensions issued by our code of conduct committee. This is serious. We are not meeting the high standards we set for ourselves, and expect, and our reputation and the enjoyment of others is being impacted.

Please read our Code of Conduct below. If these commitments can not be made by you, you are playing at the wrong club.

Code of Conduct

- a) Players, officials and parents to have an attitude of respect towards the decisions of referees, and associate referees whether official or unofficial.
- b) Players, officials and parents to show respect for players and spectators of opposing teams.
- c) Expect all players, officials & spectators to conduct themselves in a manner which will not bring disrepute to themselves, the club or the Association.
- d) To encourage the ideals of a competitive attitude whilst ensuring a fair and balanced approach to our game.

Parents -

Please be reminded that only coaches and managers address a team. We work very hard to find volunteers and these people have taken the responsibility for the team. They have also taken the time to be part of the club, attend meetings and understand the expectations of them - you didn't. Be respectful of that, give the coach and managers the space and courtesy of your support. Do not take over where you are not welcome to.

And finally - do not speak to opposing teams about their behaviour. That is not your place. Our responsibility is to ensure our club is behaving well. That is our responsibility. On field behaviour is the responsibility of the referee. If opponents' behaviour off the field needs reporting, send an email to our club, but be specific. The behaviour needs to be off the field of play, and it must be clear who is being reported and why. This will be brought to the attention of the Association (if it is specific, clear and our behaviour has been above reproach).

RAIN – WHAT TO DO

It's raining, it's Saturday!! Is the game on??

The decision to close and open grounds is in the hands of the local council

It is made on the basis of the condition of the ground. It is not made based on the weather.

That means that sometimes it is sunny but the ground is closed (because it is still wet from previous rain) or it is raining but the ground is open.

Your manager will know if the game is on, give them a call. Very rarely is a decision made before Friday evening. If I have not contacted your manager, the game is on, even if it is raining!

*Most often games will still be on so **do not just stay at home**, you will be letting your child's team down!!!*

It's raining and it's training tonight!! Is training on??

If the ground is closed you cannot train, *even if it's not raining!!* Parents and players call the manager or coach.

You can check via Cumberland Council's website

IMPORTANT NOTICES

1. ***If for any reason your child is unable to play or attend training you MUST inform your coach or manager AS SOON AS POSSIBLE.***
2. ***If you have questions regarding your team ask your manager.***
3. ***If it is raining on a Saturday morning call the team manager to see if the game is on. Most often games will still be on so **do not just stay at home**, you will be letting your child's team down!!!***
4. ***Please assist the coach and manager, they are working unpaid for your child. There may be nets to put up or pull down, corner posts to stick in, players to be picked up (particularly if a parent has more than one child playing in different teams) or shirts to wash.***
5. This Club, the NSW Churches Football Association and Granville District SFA have high expectations of our parents and players. Please support our teams, but no abuse of players or officials will be tolerated and bans or fines could result.
