All Age Ladies vs Kings Old Boys 2 - 0

I can't remember the last time we played short, but we did tonight. In doing so we made things very tough for ourselves against an improving Kings. At half time we were still locked at 0-0 and Sarah Irving in the back was working really hard. In the second half, Sarah Doskey started connecting passes, Sarah Burrows was making space and Alex was in the right place at the right time to first deflect a ball into the net and then finish off another attack to make what was a challenging match seem easy - with a two nil win.

Goal scorers: Alex Delgado 2

O35s vs Inter Parramatta Blue 3 - 0

A shocking first half as we didn't use the space as well as we could have, running through, trying to score instead of passing. The opposition was playing 2 people short against our full team and yet we couldn't score our first goal until the end of the first half. Second half we passed more and drew out their players and used our 2 extra players to our advantage. When played right we scored an easy second goal, but didn't consistently maintain this strategy that worked. Our third and final goal was off a penalty shot by our GK. Played harder and ran more than we needed to tonight. We need to play smarter if we're going to make it to the top 4.

U6 vs OLQP Falcons Blue 11 - 0

Today was a great game against Falcons Blue. Although their team was short on players, their team still possessed some great moves and it gave a chance for our boys to try hard at different positions to achieve their overall score! It was great to see the boys play in different positions and attain different skill set! There was plenty of passing towards each other and retaining the ball well throughout the game! Today Cj scored his first goal which was an incredible watch! Great work buddy 🙌! Riyaarth as always protecting the goal box with mammoth effort, and second half chasing after it with extreme focus and speed 🏃! Kanil showed utmost extreme hunger scoring 2 goals for the team, very well played Buddy 💪!! Amir was a great all rounder attaining the ball throughout most of the game passing it on to his teammates, setting them up for goals ⚽🚪!

Zane and Luqman played great defence in first half keeping the ball away from the goal box, then they switched to centre and midfielder second half, running around after the ball to gridlock their opponents and pass to their team mates 🙌🙌!! Ali and Eyad had a chance to play defence as well as their usual striker positions, but that didn't stop them from scoring goals. It made them more eager and hungry for the ball which is always great to see 😊💖!!

Thank you to the parents for their ongoing support and help with the boys and showing up to all games and training!! Thank you to the coach for all his hard dedicated time and effort in teaching our boys!

U7 vs Inter Parramatta 5 - 0

On Saturday we played Inter Parramatta FC at PH Jeffery Reserve. The game started off as a 4 a side competition, before a few more players took to the field. Our players dominated the match, despite no coaches being allowed on the field to guide them. Seb quickly scored our first goal, before Akram persisted and scored our second goal. Jacob also came close to scoring his first goal again today and put some strong kicks in as a defender. Tisha also played in a defending position today. Seb saw another opportunity to score and took a shot, which rebounded off the opposing goal keeper, only for Akram to quickly shoot it into the net. Christian saved a few goals as goal keeper in first half and then William put his hand up for the goal keeping position for the second half. William's goal kicks continue to improve. The second half saw another great goal by Seb. Then Akram took a free kick and scored our fifth and final goal of the match.

U8 White vs OLQP Falcons Red 2 - 2

A draw today. We have had more than half the team off sick and unable to train for the last two weeks so it was a tough to regather ourselves. Two great goals by Irfan. One in the first half another in th second. An unfortunate own goal in the first half by us and a handball and offside by our opponent that was unfortunately not picked up, saw them draw level halfway through the second half. Strong effort in defending by Zayden and good effort by Jacob who is a running machine and can cover the entire field for the whole match. Great dribbling by Jess too. Irfan had some great shots which went wide unfortunately and Thomas had a great opportunity in the dying minutes of the match but did not find the net unfortunately. Thomas and George covered goalkeeping duties and a special thank you to Farhan from U7 who is becoming a regular with helping us make numbers. Some great passes by Farhan. Thank you to all parents as always for supporting the team and a thank you to the OLQP coach and manager for the warm welcome to their home ground.

U9 Red vs Greystanes FC Red 4 - 2

Within the first minute of the game, our opponents broke through our defence and scored their first goal. We needed the boys to focus, chase the ball, and actually watch the game they were in! Unfortunately the opponents broke through again with a great run and we were down 2-0 at half time. This first half came as a bit of a shock as we've beaten this team with ease previously winning 14-0. With a great pep talk by the coach at half time, the boys lifted their spirits and went into 2nd half with a new attitude and were raring to go. In reverse fortune, within a minute of 2nd half kicking off, Laith broke through their defence and tapped in our 1st goal. That was the spark the boys needed and the goals then started coming with Aidan and Obaida also chipping in. Ahmed and Shiven put in some great effort in the back, and Erik and Josh played a much improved second half with Animesh keeping a clean sheet when he was in goals, during the second half. Today the boys learnt a valuable lesson about attitude and perseverance, to never give up and were rewarded for their efforts.

It was a a difficult game today coming up against one of the top teams. The score however doesn't reflect how well we played. Lots of great tackles and passing today. Kehe was a standout in goals in the first half. Zak had some great solo attacks and was unlucky not to score. The standouts however where Riyon and Shishir who both had spectacular games and were awarded players of the match.

U10 White vs Greystanes FC White 1 - 9

A beautiful sunny day for a game of football against a team that has been undefeated the whole season. After winning against the team during the six aside the team came ready with their A game. With a few team members not making it to the game the coach had to make changes to the players. The opposing team dominated the game scoring 9 goals but the boys were able to score a goal. Being the biggest loss we have had this season there is a lot we took as learning and we will be ready for next week's game.

U10 Girls vs OLQP Falcons White 12 - 0

Today was a great game against a very young Falcons white team. Although the score makes it look like an easy win the young falcons defenders slowed us down & when we did get through many goals were saved by their goalie. McCredie girls played a great game, they had a chance to mix up positions slightly. It was great to see a fair game with plenty of passing, retaining majority possession & not getting stuck in the flock of falcons chasing the ball.

If you like, you can just write DISSAPOINTEED in large capital letters or the following Result 0-0.

At kick off we had 10 players. Midway through first half we had 11 players. John and Emily shared a half each as goal keeper and kept clean sheets. Raphael, Gabby, Eyad and Ali. T, the fullbacks were fabulous like they were last week. The midfield players, Youseff, Michael Emily, John and the forwards, Xavier, Joachim and Jeremias. At times, some looked lethargic, others tried too hard and made mistakes. Some played out of position and when the ball was passed to where they should have been, no one was there to receive the pass. Some can't read the play of the game and we didn't finish off the chances we created today. A very disappointing result today I feel. The team can play better than this and they know that. After full time I spoke to the team and I let them know how disappointed I was with the result.

U12 Red vs Lidcombe Churches 3 - 0

A sunny but windy day. We made the most of it and used the wind to our advantage. We managed to maintain possession and put pressure on the opposition. Had several opportunities to score but off sides were an issue today. We finally managed to score through Rhys. Shortly after Nathan scored with a shot from far out and some wind assistance. We ended the half with great defence, the opposition rarely troubled our keeper. Second half we maintained the pressure and really dominated the opposition in the midfield. Our backs were strong and held the line, no hard work for our keeper. Using the 2nd half to setup some plays and pass the ball around, some more training is required with this part of their game. We managed to score 1 more goal with a long pass over for Nathan to chase down and run away for an easy goal. 3-0 win, but there's always room for improvement. A big thank you to Ellie Bailey for assisting the team today! Player of the match: Jayden Moore
 Goal scorers: Nathan Borg 2, Rhys Bautista 1.

We had a bit of a slow start in the first half. The team seemed to dominate and the opposition never threatened to score but we seemed to fail in finishing our attacks, ending first half at 0-0. But the team reflected at half time on what we could do better, and came out guns blazing for the second half. Excellent passing and great pressing by all the players saw the team creating better chances at finishing. Our defence were solid, breaking any attacks that came our way and keeping our opponent scoreless. A great effort and team play saw us finishing with a lead of 3-0.

A big thank you to Aarya from U10 girls for playing in goals. She did an awesome job and made with some fantastic saves. Marking has always been the thing that we struggle with. We would do less running if we didn't have to chase all the time. Not a bad effort today. As always our defence was solid. Midfielders and strikers still having some work to do. I would like to see more support up front and more shots at goals. Thank you Pam and U10 girls Aarya, Ciena, Izzy, Nelofar, Julie and Claire for your help today.

U13 Red vs Inter Parramatta 9 - 0

Reds were full of confidence today. Ali E attacked early and netted the first of his hat trick. Bilal dodged defenders and kept the ball alive to also get a hat trick. Abbas and Nabil challenged, jockeyed and assisted the scorers. Well done Ghadir and Zanyar on getting to the ball first. Gethyn had a couple of runs at goal, but only found the goal frame. Brandon was a bit bored, but he was paying attention and saved a ball right at the attacker's feet. George's confidence is increasing with his skills. He had 4 tries at goals. Shabir was able to head a rebound from a free kick. Zanyar was always moving and scored his first goal with his left foot. Player of match - Ali Y was in the box and followed it all the way to score. Coach's encouragement award - Daniyal had a long run on the right all the way to the box.

U13 White vs McCredie Onyx 0 - 5

Great team spirit was shown today by the whites, We were down a player and had others still come to play while sick. Unfortunately we lost 5 nil.

U13 Onyx vs **McCredie White** 5 - 0

In a dominant display, Onyx outclassed Guildford White with a resounding 5-0 victory. Jason stole the show with a hat-trick, while Stefan and Mykal each contributed a goal. Onyx controlled the game from start to finish, showcasing their attacking prowess and solid defense. This win boosts Onyx's confidence and strengthens their position in the league standings. Well done, Onyx!

U13 Div 1 vs **Auburn FC** 0 - 1

In a closely fought battle, unfortunately we didn't emerge victorious. Auburn FC capitalised on a scoring opportunity, while we put up a strong defensive performance. Despite the loss, we showed resilience and fought until the end. We just need to work on capitalising on wanting the game more than our opponents and I'm sure the luck will turn in our favour soon.

U14 vs **Pendle Hill** 4 - 0

We knew today would be a relatively easy match. In the past we have had alot of drama with this team and our behaviour has gotten out of hand so the aim of today was to just play some good football with no one getting in trouble (Coach included). Thats exactly what we did and it was a pleasure to watch. Our backs were a solid wall, Rafael in goals didnt see the ball until the last 10mins of the game. The passing was great and out forwards and midfield worked well together. 4 spectacular goals today. Ahmed with a great crack straight from a corner, Mohammed with a great long range shot, Zane with a great run and pinpoint finish and Moian keeping pressure on the opposition and the keeper and finishing one right in front. Good Job Boys. POTM Zane.

U15 vs **Toongabbie Demons** 0 - 9

U16 vs Auburn District 1 - 7

We were no doubt expecting a tough game against the top undefeated team in the competition. We had great attendance with 12 players rocking up to the match. Unfortunately we couldn't get through their defence, they outran us and we were not releasing the ball fast enough when we got possession. Despite the goals against us, the team never gave up and did manage a goal towards the end of the second half with some team work and passing. Let's learn from our past games and reset for the next match.

Raahauge Cup Reserves vs Wentworthville Uniting Gold 0 - 1

We fought hard today and could have won this one, but some disjointed play and our inability to provide quality ball to our front men, left us unable to score. So many unavailable players meant at kick off we had 9 players who regularly play in the back, a striker and two midfielders. Cobbling together a team to compete across the park was a challenge! Justin and Alper both did well out wide which was great to see. Having Alex join us from the 35s was awesome and appreciated, and he outshone some of his more youthful team mates!

Raahauge Cup Firsts vs Wentworthville Uniting 5 - 1

After a round 1 win against Wenty, they responded in round 2 by towelling us up. Today it was our turn to respond. Alex continues to shine up front providing for our first three goals. Zaid was also impressive in attack (as always). Hamid controlled the middle with his strongest game for a few weeks, Aaran was fantastic out wide and having Ryan controlling defence is always very reassuring. And what about Josh's goal to seal the deal? But today was all about Tom and what he did to the opponent's key man, the guy who scored 4 last game. Today he didn't look like scoring, in fact he rarely touched the ball, and finished watching the game from the sideline (as he will next week and likely the week after!).

Premier League Reserves vs Greystanes FC 9 - 1

A windy day in Greystanes looked like a tough fixture for us with Richo out, a mainstay in a side that's lost about 3 games in 2 years. Luckily we had Adem filling in, returning from injury to alleviate some pressure from that front. Instantly some clean football allowed Warren to get through onto goal before being taken down allowing for Dbouk to slot the penalty. Shortly after, Bañas with a cheeky chip from the 18 yard box made us feel like it was going to be a route. Then James tapping in after a fumble from a free kick and Tez winning the ball high up and setting up James for his 2nd. 4 goals. Boom. Just like that. We looked complacent after that and conceded leaving the half 4-1. We recalibrated at the half and brought some composure to our play with Wil Wark scoring from a corner and a then again from some high pressing. Shortly after setting up Rado who looked dangerous every time the touched the ball. Wil then finished off his hattrick after a great pass from Tez. Then after enough chances to win us a Jackpot on a Lucky 88 machine, James finally finished to score his first hattrick in his non-professional career after being demoted from Striker to Centre Back back to Striker purely due to people not showing up. Man of the match performance from James today. Spectacular stuff mate.

Premier League Firsts vs Greystanes FC 2 - 2

Doubling up and no-show once again meant it was going to be a tough day in the office. Honestly, how often do we need to do this to ourselves. Top of the table but still making things hard for ourselves - these games should be shooting practice for us. Especially when reserve grade beat this team 9-1. We looked bright at the start if we minus some average first touches from a few of us. Creating several chances but not being clinical. After some sleek one touch football from Tez and Wil Wark, Dollar was put through and made no mistake in scoring the first goal. Things then started to go downhill, like Dollar at Coogee Pav after 11pm. We started losing shape and allowed the opposition to sneak 2 undeserved goals past us. We showed real character with Simon, Rado and Wark all playing through injury/cramps to keep us in the game. We were then brought back into the game by Terence and looked dangerous throughout the 2nd half. Unfortunately, like James' vocabulary, we were limited in our options and begun chasing the game. Unfortunate today given we could've killed this one early. Still atop the table, so let's keep it running boys! Man of the match: Wil Wark - solid across the park today, both matches

RAIN – WHAT TO DO

It's raining, it's Saturday!! Is the game on??

The decision to close and open grounds is in the hands of the local council

It is made on the basis of the condition of the ground. It is not made based on the weather.

That means that sometimes it is sunny but the ground is closed (because it is still wet from previous rain) or it is raining but the ground is open.

Your manager will know if the game is on, give them a call. Very rarely is a decision made before Friday evening. If I have not contacted your manager, the game is on, even if it is raining!

*Most often games will still be on so **do not just stay at home**, you will be letting your child's team down!!!*

It's raining and it's training tonight!! Is training on??

If the ground is closed you cannot train, *even if it's not raining!!* Parents and players call the manager or coach.

You can check via Cumberland Council's website

IMPORTANT NOTICES

1. *If for any reason your child is unable to play or attend training you **MUST** inform your coach or manager **AS SOON AS POSSIBLE**.*
2. *If you have questions regarding your team ask your manager.*
3. *If it is raining on a Saturday morning call the team manager to see if the game is on. Most often games will still be on so **do not just stay at home**, you will be letting your child's team down!!!*
4. *Please assist the coach and manager, they are working unpaid for your child. There may be nets to put up or pull down, corner posts to stick in, players to be picked up (particularly if a parent has more than one child playing in different teams) or shirts to wash.*
5. This Club, the NSW Churches Football Association and Granville District SFA have high expectations of our parents and players. Please support our teams, but no abuse of players or officials will be tolerated and bans or fines could result.

Greg Wark – Secretary 9682 7779
