U14 Girls vs **Newbury Bulls** 6 - 0

The season looks bright when McCredie has 8 players against 11 (plus substitutes) and wins the game 6-0. The players worked well with each other by communicating to make passes and kept possession for the majority of the game as a result. Maram and Dani scored a hat trick each, getting us the 6 goals the team had set themselves as a target before kick off. Talk about manifesting! We did not allow the opposition to break through our defensive line. Rita was a powerhouse in defence, winning every challenge and driving the ball up the line. Faith never gave up, persisting in chase to beat the opposition with speed. Lopasi was a brick wall that no one was getting past. Alex, our keeper, could have put on a TV show and made a cup of tea! Teamwork is about working together, and trusting and believing in each other. This team is unstoppable because they do just that. Fantastic effort, you should be very proud of yourselves and what you are capable of achieving this season.

All Age Ladies vs Kings Old Boys 3 - 0

Fantastic to have all our goals scored by debutantes. In fact we had 5 new Ladies playing tonight in a team that has been settled for a long time. The regulars will be returning soon but nice to have a comfortable win with our new look 2023 team.

U6 vs OLQP Falcons Gold 0 - 6

Today's game was a little struggle against OLQP- GOLD. Half our team members were away celebrating their Eid, which left their playing members a little sad. The opposition scored 3 goals in the first half. During half time, our coach motivated, to try harder. As we worked through second half our little soldiers improved by working together as a team. We had a number of chances to score, but unfortunately the ball didn't end up in the net. OLQP scored an extra 3 goals through second half all by the same player. However our boys stayed positive and we know we will do better next time! Great work little kickers! 0-6 falcons take home the game this week!

U7 vs Wentworthville Uniting 4 - 2

On Saturday we played Wentworthville at our home ground. We were ready for a good game of soccer and were glad when more of the opposition turned up, so that they didn't forfeit the game. We scored 3 goals very quickly, all of which were scored by different players. Then Paiman attempted to score our 4th goal in the second half, which hit the post and Seb seized the moment to get our 4th goal. A special mention to Farhan, who scored his first goal of the 2023 season and to Tisha, who showed a big improvement in attacking the ball. It was lovely to see all of our players passing to each other more. It's all about team work!

U8 Red vs Inter Parramatta Blue 1 - 11

U8 Red played their first game of the season against Inter Parramatta Blue at Everley.

Ten players played, Felix, George, Arshan, Isa, James, Jared, Nathan, Srijan, Yusef and Zoe. Although we didn't walk away with a win, Isa managed to put one goal by a beautiful passing kick from George in the first half for a final score of 1 – 11. Felix was exceptional in-goal, and saved a large number of goals being scored against us. Arshan and Zoe played their hearts out in defence and never gave up. James and Nathan played very well today, chasing the ball and actively being involved. Srijan and Yusef kept their attack and managed to get the ball to the goal, but unable to finish off. To all the players, a brilliant effort. Considering we have a newly assembled team, we can only improve week on week. Player of the Match: Felix Tuki

U8 White vs Lidcombe Churches 3 - 2

Tough game for both teams with no subs. We started well but immediately failed to maintain positions especially in midfield and front. Everyone was chasing the ball instead of marking an opponent. Eventually, we were exhausted. Regardless, we kept the opponent away from our half most of the time. Jacob who was in goal before swapping with Jessica five minutes before half time was never tested. Neal P, Jessica and Isaiah were great in midfield. Irfan and George were awesome at front. However we will need to work on positioning and passing in training. Zayden, Milan and Pablo defended well. Two quick break away runs by Irfan led to our two goals in first half. Unfortunately, we conceded a penalty just before half time which they scored. Second half was tough for us as our opponents kept running us down. However, Jessica kept pace with their fastest player and saved us enormously from conceding goals. Irfan also did great defending too. Not long, we conceded another penalty. George, saved the penalty but they scored from the rebound as we did not run to defend it. With the game heading for a draw, each team was pushing to win it. Luckily, a quick pass by Jacob to Irfan led to our winning goal. Generally, the team played well but everyone must learn to be in their positions and to pass the ball to each other.

U9 Red vs Greystanes FC Black 2 - 4

We were beaten by a better team today. The first half was, simply put, terrible! We were statues at the back, ball watching, all over the place and lacked any real enthusiasm to kick start the game and were rightly punished. Besides a few fleeting moments of good attack with a deflected shot from Erik into a defender, we were mostly camped in our defensive third. Going into half time we were probably lucky to be 0-2 down. The start of the second half seemed to be more of the same unfortunately and we conceded 2 more soft goals. Then with 10 mins to go, by some divine miracle we started to play more attacking football and it was actually good football. Laith made some good weaving runs, but couldn't finish, Aidan missed 2 shots which went straight to the keeper, but then Obaida managed to get into good positions to finish off 2 shots into the back of the net. But our run and enthusiasm was left a little too late. Clearly a lot more work to do at training, but we've got time and I have no doubt we will get better.

We headed out to Bathurst St Park, Greystanes for a friendly match vs Greystanes FC on our Bye this weekend. What an exciting games as both teams maintained a steady pace coming to NIL all at half-time. It must've been the cloudy weather as we were presented with a dramatic performance by both teams! Great resilience shown by Hanna as he bravely handled a tough hit and came back with some big runs taking the ball back to our side. Great team play by all and some near goals with Emmanuel showing some skilful play and John bringing in our winning goal as we finished at 1-0. Star performance was our man of the match; Ozgur, who dazzled in goals maintaining great defence throughout both halves. Well done to all!

U10 Red vs Greystanes FC Red 2 - 1

A great game was played by all. We looked a lot better today with our ball control and passing, and when we found an early goal through a free kick from Noah, our confidence helped improve our game play. Zak was amazing in defence, stopping every counter attack, and Paul had some great kicks for his first match. Elijah, Aagrim, and Arron all did some great passing up the field, and Isaiah and Khaled worked well together upfront, trying to create opportunities. It was great to Kehe back from holidays and between the posts his goalkeeping as per usual was great. POTM - Zak

The team are learning to hold their positions, this was how the first goal into a open net was scored by Cici- great teamwork, great passing & communication between her & Aaliyah, right through the entire game. The Falcons kept bringing the ball back, but our defence line are becoming a force to be reckoned with, Jessica & Julie kept stopping & turning the ball back towards McCredie strikers. Claire stopped the ball from crossing the mid way line, saw opportunity to dribble straight into goal bringing the score 2-0 at half time. Jacinta had an amazing first ever game, stopping many Falcons getting by & sending the ball back onto our side with her powerful kicks throughout the game. Ariya didn't get any ball action during first half as goalie, in second half her skills in mid & defence shone with the ball finding its way back towards our half. Izzy had an opportunity at a penalty shot which sailed over a strong falcons wall & landing in giving us a stronger lead. Elizabeth saved a beautiful shot at goal in second half & sent many other goal attempts back into our offence.

So proud of the under 10 girls efforts, their teamwork is really coming together and their stamina to play back to back, no subs & take out a win 5-0 is testament to each player & the skills they bring and share.

U11 White vs Greystanes FC Blue 3 - 2

It was an evenly matched game today but the team were ready and took on the challenge. The team held their positions better and this enabled our defence and attack to be effective. Jeremias scored 3 great goals- one from the first kick-off. Johnny played goalkeeper and shut down their goal attempts with some great diving saves. Xavier played well and got involved, Arad was strong on the wing supporting Joachim in attack and Michael and Emily held the mid field. Our defensive line of Owliya, Ali, Raphael and Zac (u9) didn't quit working the whole game. Another great win to boost the confidence so early in the season.

U12 Red vs **Greystanes FC Blue** 2 - 0

Another game where we needed the help of our Guildford McCredie family. So glad we were able to borrow 3 under 11 players to make a team. A little shake up of the formation and positions gave us a very strong start. We had several breaks up front through Joachim, Michael and Jeremias, eventually resulting in a great goal for Jeremias. Midfielders Chris, Mujtaba, Jayden and Lukacs held the opposition back and we kept possession in their half. Our defenders Antonio, Logan and Charles played extremely well in stopping any attacks that came our way, and held a 1-0 lead at half time. Our keeper Sebasjin made several perfectly timed plays to leave his line and grab any balls that entered the goal box. With no subs on the bench meant the kids had to dig deep. Having a quick rest and drink reenergised the team and second half was even better. The team demonstrated they were paying attention at training and started to pass and make more breaks. The constant attack led to another goal for Jeremias. The team was exhausted but held on to a 2-0 victory. Excellent performance given the tough circumstances. Player of the match Mujtaba.

U12 White vs **OLQP Falcons** 3 - 3

Today we were down on players and we had to find subs from other squads to get the ball going. We knew it will be difficult game without all our normal team but all stayed determined. We started off first half where the team dynamics was shaky but quickly gelled. We kept passing the ball into crowded areas, not being able to find many opportunities to break through the defence line of the opponent. This saw us down at half time 0-2. Second half came and things started to get better. We started seeing more of the through balls and long balls that put us back in the game. It looked like we dominated the field and the game, taking the lead to 3-2. We held that so well until the last minute of the game where our opponent was able to break through our defence to end the game with a draw of 3-3. Our highlight of the game was Izzy staying on the wing and scoring with a first time shot off Julian's cross. Well done to everyone for a game well played and keeping everyone on the side line on edge. A special thanks to Ayan and Ethan from the U11 Red (who played 2 back to back games) and to Izzy, Ciena and Claire from the U10 Girls (who played 3 back to back games today) that were able to help us out today.

Very pleased with the score today to keep IP's score count low. The girls should be very proud of themselves today as this was our best game so far this season. Mona had a great game scoring the first goal of the game. Thank you to our borrowed players Izabella, Elizabeth, Aarya, Aaliyah, Julie and Ciena. Without you we could not have played today. Great support by the parents and Pam, thank you for lending us your team.

On Fri night we only had 7 players confirmed. On the day we had 13! The boys were well fed, relaxed, and dominated the first half. Zanyar, Ghadir, Abbas and Elio were assisting and passing well. Boys need to stay on their feet and not do slide tackles, which are dangerous and gives away penalties. The opposition were running down hill in the second half and threatened to catch up. George and Shabir did well in defence, it was their first game. Ali Y, Luke and Gethyn had good runs down the side. Nabil scored outside the box. Charbel ran all the way to challenge the goalie and scored. Thanks Johnny (u11w) for playing defence. Player of match - Bilal Yehye had a cracking game, he scored a hat trick and was unlucky to have the 4th one disallowed. Coach's encouragement award - Ali Yehye for attacking the ball.

U13 Onyx vs **McCredie White** 10 - 1

Onyx started the match brightly and were able to take an early lead through a well-placed shot from Nik, who would go on to have a fantastic game. The Whites tried to respond quickly but were unable to create any real chances in the first half. Onyx continued to dominate possession and eventually doubled their lead through a powerful shot from Hassan, who would also go on to have an impressive game. The Whites continued to struggle and were unable to contain Onyx's attacking prowess, with Nik scoring two more goals to complete his hat-trick before the end of the first half. The second half started with Onyx looking to build on their lead and they were able to do so through a goal from Hassan, his second of the game. The Whites tried to respond, but Onyx's defense was well-organized and prevented any real scoring opportunities. Onyx continued to dominate the game, with Nik adding two more goals to his tally to bring his total to five for the match. Stefan and Jason also got on the scoresheet with a goal each, as Onyx cruised to a comfortable 10-1 victory. Overall, it was a dominant performance from Onyx, who were clinical in front of goal and solid at the back. Nik and Hassan were standout performers, with their impressive goalscoring and all-around play. Onyx will be pleased with the result and will look to carry this form into their next match.

U13 Div 1 vs **Auburn District** 0 - 2

The match started with both teams looking to get an early foothold in the game. Unfortunately an error in the back gifted Auburn the lead early. As the first half progressed, we began to grow into the game and created a couple of good opportunities of their own. However, they were unable to convert any of them into goals and the first half ended 0-1. The second half started with Auburn District on the front foot and they were able to score another quickly. We tried to respond, but Auburn District's defence was well-organized and prevented any real scoring chances. We continued to push forward and tried to find an equaliser, but they were caught on the break by Auburn District, who doubled their lead with a second goal. Despite their best efforts, we were unable to mount a comeback and the match ended in a 0-2 defeat. Overall, it was a tough match for us against a strong Auburn District side. While they showed some good moments, particularly in the first half, they were unable to find the back of the net and were ultimately punished by Auburn District's clinical finishing. Nevertheless, there were some positives to take from the match and we will look to bounce back in their next fixture.

U14 vs **Wenty Waratah** 0 - 6

With only 9 available, we knew this would be a tough match. Our backline was depleted with only 1 regular defender available. Despite this, we were able to keep the game close and were only down by 1 at half time and were creating heaps of opportunities upfront, we just couldn't seem to find the back of the net. Tired legs got the better off us in the end, and our opponents were able to slot away 5 in the last 15 minutes. Ahmed had a standout performance in his first match. Next week will be a lot different with everyone back on board.

U15 vs **Toongabbie Demons** lost on forfeit

U16 vs **Wenty Waratahs** 1 - 13

We were up against a very strong opposition today and our performance was also disappointing, which was reflected in the final results. Our positioning in both midfield and defence was not cohesive, allowing Wenty to break through and easily score time and time again. Charbel, with an assist from Jerell, put in a goal in the first half of the game. But unfortunately remained our only goal. We need to focus on fitness, as well as communicating and working together as a team. Good support and encouragement between the players is key to maintaining good morale and positivity in the team. Thank you to Alexandra for assisting the team today. We always appreciate the support. It's still very early in the comp, so let's work harder at training and produce better results next time.

Honestly, we looked like a different team. Our structure was so solid, and it was clear that these boys train each week with Premier League. Adem was obviously at a different park but he should be very proud of the results of the hours he puts into this team every Wednesday. The midfield looked completely poised, sliding as required but not getting under the feet of the strikers and instead providing them with quality ball. JP and Nick are always good, and Rijo and David today were magnificent out wide. David set up the first with assistance from Dylan behind him and Rijo was unlucky not to get a goal himself late in the game. Up front Antonio had a single instruction, two shots each half. They didn't have to go in, just take them. At the end of the first half he had taken 2 shots and had two goals! He took 2 more in the second half and ended up with a hattrick. Here we go guys we are now on track!

Raahauge Cup Firsts vs Wentworthville Uniting Gold 1 - 0

We welcomed Alex Rusu back to the club today and he made an immediate impact, but unfortunately an injury meant that it was short lived. Today's top of the table clash turned into a dour affair. Neither team could crack the defences and both teams were undermanned and tired. In the end it was a really gutsy brave performance from our guys to hang in their just a little better than our opponents. And it was actually no surprise at all that the goal came from Mr Ever ready, Zaid, who scored one of those goals that good, energetic, driven strikers get. Hamid's free kick rattled the cross bar and the ball came straight down. Zaid had stayed onside but was first to the scraps, driving it into the net.

Premier League Reserves vs Lidcombe Churches 7 - 1

Playing against a team short of players, it took more time than expected but once we got the first goal more followed quickly making 4-0 by half time. In the 2nd half, after going up 5-0 we completely switched off from the kick off and let their midfielder take the ball into our half then ping it into the bottom right corner from distance. The game finished at 7-1. Assists: Theo 2, Pete, Booker

A game that makes us eager to play better next week and put this one behind us. Going into the break at 1-0 after dominating but not getting more goals as a result. After conceding from a corner we had multiple chances to get the lead back but failed to make any of the chances count. Going down 4-1 after multiple errors and failing to get anything happening in the final third. Next week can't come soon enough. Assist: Daison

U14 Girls vs Toongabbie Demons 2 - 2

With only 8 players today, our girls gave it their all. Not easy running up hill with the sun in your face. We could tell our girls were tired. Toongabbie open the score first, but that didn't stop Dani fighting back scoring for us. 1-1. Ellina came back firing making it 2-1. Many miss opportunities for our girls in the 2nd half. Riya did an amazing job as goalie in the first half, with Alexandra in goals in second half. Unfortunately 1 goal did go through in the last few minutes. Making final score 2-2. A draw is better than a loss. Next training we will need to work on our fitness levels. Well done to our girls, who kept fighting till the last minute.

RAIN – WHAT TO DO

It's raining, it's Saturday!! Is the game on??

The decision to close and open grounds is in the hands of the local council

It is made on the basis of the condition of the ground. It is not made based on the weather.

That means that sometimes it is sunny but the ground is closed (because it is still wet from previous rain) or it is raining but the ground is open.

Your manager will know if the game is on, give them a call. Very rarely is a decision made before Friday evening. If I have not contacted your manager, the game is on, even if it is raining!

*Most often games will still be on so **do not just stay at home**, you will be letting your child's team down!!!*

It's raining and it's training tonight!! Is training on??

If the ground is closed you cannot train, *even if it's not raining!!* Parents and players call the manager or coach.
