## Tuesday 2<sup>nd</sup> May 2023

**U16** vs Greystanes FC White 1 - 3

An intense and frustrating match to watch as a group of very capable players were unable to collaborate and work together as a team. The first half of the match had players dribbling way too much and not passing enough to utilise their team mates. There was a lack of communication and not enough assistance in defence, with midfield players often out of position. A lot of work is needed in players to stay in their positions and knowing their role in the game. We saw an improvement in the second half and unfortunately there were plenty of missed opportunities and close goals. Our keeper Lachie saved multiple goals and kept the score low. We need to remember that regardless of the results, supporting each other as a team and positive encouragement is far more important than simply winning. Looking forward to some better and improved match results in our next rounds.

**All Age Ladies** vs OLQP Falcons Blue 2 - 1

An early great goal following a run down the right from Sarah B, played to Sarah D, who exactly as described in the team talk, played the ball into the middle and behind a little to beat both the full back and keeper, where it was met at full tilt by Alex who smashed it in. It really was exactly as planned. It didn't happen again in the first half. In fact it didn't happen again in the match, but we did scramble another home early in the second half, again with the final pass coming from Sarah D. It was terrific to welcome Henny back from injury and to get another win.

Goal scorers - Alex Delgado 1, Taya Lee Foulagi 1

**O35s** vs Inter Parramatta White 0 - 1

A good effort and a very intense game against a strong opposition. Focus on passing improved this week but inexperience from first time players was evident. VAR would have disallowed their goal 😊 Our defence was strong and we had plenty of opportunities but just kept missing. Our goalkeeper saved a great penalty. A few injured players by full time but hopefully will recover by the next round.

## Thursday 4<sup>th</sup> May 2023

**Raahauge Cup Firsts** vs Greystanes FC 6 - 1

We weren't sure what to expect tonight from our opposition. We weren't sure what to expect from ourselves either, as for the first time in 2 years we had our entire first pic 15 players at the ground. And then the party started. What a joy to have everyone there, on time, and how unlucky for Greystanes. We took a little while to break through and when Zaid did, they hit back quickly. And then Krish unleashed the goal of the season so far, an awesome strike from 25 metres. That seemed to break them, with a penalty soon after and then 3 more goals in the second half. This is how we want the rest of the season to look!

U6 vs OLQP Falcons Silver 6 - 1

Saturday 6th May, was another big season game against the Falcons Red. Before the game begun, we lined the teams up and clapped on our ref Ryan to show respect to all refs dedicating their time to make our games possible! Then it begun. We drew a big enthusiastic crowd as any match against this club has now become a major event. The boys started strong 💪 and determined keeping the ball between themselves with Ali scoring the first goal for the team 3 minutes in to the game. We all cheered 🙌 and new it was going to be a great game from here on. All boys held their positions throughout the whole game playing well with each other, dribbling ⚽ and passing, setting up goals kicks for their strikers allowing them to score their second goal 6 minutes, in by Ali again. The falcons became hungry charging after the boys trying to defend against them but this didn't stop our under 6's, who managed to strike a massive goal 🏠 from the corner of the field by Eyad leaving us at 3 nil in first half ! Second half started , the boys swapped positions and it was game on, the falcons played rough and managed their first goal for the game! But that's we're it stopped ! Our great goal keeper Riyaarth made sure every goal set his way was to be stopped and he did the team real proud 😊 stopping 6 goals! Our boys were on a great mission throughout second half, playing well passing to each other defending their opponents and lining up goals for their strikers .. We scored another 3 goals by Ali and Eyad. This was a great match, making the boys happy taking the game home 6-1.

**U7** vs Greystanes FC Red 3 - 5

On Saturday we versed Greystanes Red FC at Everley Park. It was great to play at home again and have most of our team playing. Christian, Tisha and Jacob all had a turn in goals. Greystanes Red got in front early and our team worked together to try and even the score, with Seb scoring twice and Farhan getting a goal. However, Greystanes Red was too strong for us this time. Special mentions this week go to Akram and William for attacking the ball and getting lots of touches.

Goal scorers: Sebastian Cortese 2, Farhan Hussain 1

**U8 Red** vs OLQP Falcons White 2 - 4

Great to have everyone at the game today - including our new member - Athian. Although we didn't walk away with a win, Isa and George managed to put a goal each. The team seems to be improving each week closing the score gap. Felix was great in-goal as usual and saved a large number of goals being scored against us. In defence, Arshan and Zoe played very well keeping the game tight. James and Nathan were very involved, playing as part of a team. Srijan done well in the second half taking over from Felix as goalie. New team member Joshua seemed to easily blend in with the team and assist. Jared and Yusef kept their attack against the other team and putting pressure. To all the players, a brilliant effort. Considering we have a newly assembled team, we can only improve week on week. Player of the Match: Arshan Turkmani

Goal Scorers: Isa Biber 1, George Merhi 1

**U8 White** vs Kings Old Boys Blue 5 - 0

A well-played match! Strong tackling, good passes and staying in position. Both teams played hard and were evenly matched during the first half. Jacob scored one goal before half time to take us into the lead before the break. Great dribbling and passing by Neil S and some brave tackles by Isaiah. George and Jacob were our workhorses in the midfield and Pablo covered the defence with Milan well. After half time came a steady stream of goals by Irfan with the midfield including Jess and Thomas making some great passes to Irfan who found the net 4 times. Great effort team! It was fantastic to see the improvement from training and the teamwork.

Goal scorers - Irfan Hussein 4, Jacob Ibrahim 1

**U9 Red** vs OLQP Falcons Blue 0 - 3

We knew this would be a tough game and it definitely was. OLQP passes and defence were so tight throughout the entire game, we were not able to get any shots at goal. Although we lost, our team did show small signs of improvement, with us only being down 1-0 at half time and the 2 extra goals in 2nd half were via a free kick and break in play. Disappointing result but not surprised. With greater focus at training, our team have the opportunity to be more competitive so we look forward to playing them again.

**U9 White** vs Wentworthville Uniting 7 - 1

An exciting game today at our home field, Everley where we took on Wentworthville Uniting in the bright mid-morning warmth. A good comeback this week, recovering from our wet weather loss last weekend, coming in dominating today to a 7-1 win. Zachariah, our man of the match, scored his first goal of the season. Other goal scorers: Charbel, Roshav, Ozgur, Hanna and 2 by our high striker John. Well done team with some good play by Elijah, George, Gabriel, Shane, Emmanuel, Thomas and Eden. Great play all round in what might have been our best team work this season!

**U10 Red** vs Inter Parramatta 0 - 1

**U10 White** vs Wentworthville Uniting 1 - 2

A beautiful day today but a hard one in the field. The first ten minutes in the game was hard as the team was one player short. However we picked up the pace and a beautiful pass from Isaac to Taha resulted into a magnificent goal by Taha. Lady luck was not on our side as the opponents did get a free kick and it resulted in a goal. After the haltime the opponent did add another goal and at the end they did take a lead by two goals to one. We had plenty of oppotunities which did not turn into goals. Solid work at the back by Jayden and Julio they were all over making the back safe even when pressure was over the roof.

I'd like to thank all the team on their effort today. Playing the team coming last I though we would have done it a little easier today. Unfortunately, with Joachim out and then having Emily come off injured after making a spectacular save before half time and then having Xavier come off the field mid-way through the second half, the game sat in the balance. Playing on a full field I feel that the players still have a lot to learn on how to play with all the extra space available. We need to learn how to play smarter on such a large field. Great individual goals from Jeremias got us the points again. Jeremias could have had a hat trick of goals but unfortunately hit the crossbar when taking a penalty in the first minute. In the early stages of the second half we got our first goal but

from then on we were on the back foot and spend most of this period defending our goal post. Johnny who swapped the keeper gloves with Emily after she got injured made a double spectacular save to keep us in the lead. Our defence stood firm and Jeremias have rested a little and catching his breath went on another run and getting the important second goal to secure all three points. Great effort everyone

**U12 Red vs McCredie White 0 - 0**

Challenging game today against our own whites as they are always our toughest opponent. Kids on both teams played really hard but they were no match for the sideline supporters who could be heard miles away! We weren't diligently marking players which saw many balls pass through us and needed to work hard to push back. Our whites had plenty of possession but our defenders were playing relentlessly to keep back their strikers from scoring. When they did try to score, Sebasjin was there to stop them. We need to work on a stronger formation in midfield and provide more assistance with speed up front when our strikers are given opportunities to score. Overall, fantastic effort from everyone. A warm welcome to Piol to our team playing his first ever club soccer match today. And thank you to Issa from U11 Reds for assisting us as a sub. We appreciate your help! Players of the match: Ameer Khan and Sebasjin Tuki - Amazing defence and goal saves!

**U12 White vs McCredie Red 0 - 0**

Playing the Reds always gets everyone nervous as there's no predictions as to how the game goes. The game was very intense and kept all spectators at edge. The boys demonstrated better ball control and passing today. The team held well and the defence line was phenomenal. Our attacks were strong but still fell short in the finishing off. We still need to work on our timing for through balls in order to create better chances in our attacks. Great game played by both teams.

**U12 Girls vs Lidcombe Churches 0 - 1**

In honour of Khodr Yaghi and zero tolerance in sport we had a fitting tribute to our referees today with a guard of honour before the kick off. Please take the time to thank the referee after every game and respect the decisions made on the field.

We were up against Lidcombe today. Always a pretty evenly matched game with this team. Unfortunately they got a really good shot on goal and scored the only goal of the game. Our girls try their best every week and put in a fantastic effort. Still our marking needs a lot of work as does our positional play. I would like to welcome new players Abuk and Ellie. Ellie was outstanding in the midfield and Abuk was great in defence. Also welcome back Gabbie, our defensive rock. We can finally field a full team of under 12 girls for a 9-a-side comp. Thank you to our borrowed U10s who make up our team every week.

**U13 Red** vs Kings Old Boys 0 - 3

Beautiful day for soccer. It was great to have whole team at Homelands. Boys were running up hill for first half. Bilal, Elio and Ali E came close to the goals, but were off a few degrees. Brandon did some good saves as goalie. Ali Y, Zanyar, Nabil, and Daniyal were passing well in the middle. Shabir took a penalty, but was denied by the goalie. Goalie Abbas did some great dives to save goals, but lost control and the opposition followed it through. Player fitness is still not up to par. Boys were waiting for the ball and pulling out of tackles. Fitness and first to the ball will be drilled into them next week. Player of match - Gethyn for successfully chasing attackers all winning the ball Coach's encouragement award - George for tackling and following the ball.

**U13 Onyx**

vs Babylon Chaldean

5 - 0

In a dominant performance, Onyx secured a resounding 5-0 victory over Babylon FC, with Nik scoring a hat-trick and Hassan and Daniel adding a goal each to complete the rout. From the opening whistle, we looked like the stronger team, dominating possession and creating several scoring opportunities. Nik opened the scoring with a well-placed shot into the bottom corner of the net, and he added his second just a few minutes later with a close-range finish after a brilliant team move. Babylon FC struggled to get into the match, with our defense looking solid and well-organized. Hassan then scored a third goal for Onyx FC, with a powerful header from a corner kick, before Daniel added a fourth with a thunderous strike from outside the box. Despite the scoreline, Babylon FC continued to fight and showed some glimpses of quality, but they were unable to break down our defense or create any clear-cut chances. Nik completed his hat-trick late in the first half, with a cool finish past the Babylon FC goalkeeper after being played through on goal by a perfectly weighted pass. It was a comprehensive victory for us, with every player contributing to the team's success. The team's attacking play was particularly impressive, with several well-worked team moves and clinical finishing.

**U13 Div 1**

vs

Auburn FC

0 - 0

In a lacklustre match between our team and Auburn FC, the final scoreline read 0-0, but it was a game that both teams will want to forget quickly. Our team played poorly, struggling to string together passes and looking lethargic throughout the match. Despite creating some opportunities, we were unable to convert them into goals, with several shots either missing the target or being saved by the opposition goalkeeper. One of the main issues was our team's inability to pass effectively to our own players. We seemed to lack the necessary cohesion and teamwork required to play effective soccer, and our passes were often intercepted by Auburn FC's defenders. Additionally, our team took too many touches with the ball, which allowed the opposition to close us down quickly and limit our attacking opportunities. It was a disappointing performance from our team, and one that we will need to learn from in order to improve in future matches. While there were some positives, such as our solid defensive performance, we will need to work on our attacking play and ability to keep possession of the ball if we hope to be successful in future matches.

Raahauge Cup Reserves vs Babylon Chaldean

2 - 8

I always suspected that despite the fact that Babylon were running last, that the team they fielded today would be substantially different from what they have been fielding. Initially this was an U16 team, but today 90% of the team was 25-30 and played nothing like a team that was previously defeated 13-0! They will make semis and may win this comp, unfortunate that their climb has started with us. We really struggled today and it was the first time that our heads dropped. There were bright moments, JP's great first half goal was awesome and Mohamed's long range strike from defence which found the net was a season highlight! Mohamed's defensive work (seeing no further goals when he moved back), Nick's positional play in midfield, Anthony's goal keeping late and Dylan's defence on the left were further highlights for me. We also had a great roll up and a pretty good crowd!

Raahauge Cup Firsts

vs

Columna

1 - 0

We won the match on the scoreboard, but we were given a footballing lesson today by our much more experienced opponents. In 2003 Columna lost a hot premier league grand final. Today those same guys are playing together, many are over 50. To make it tougher Columna had a player sent off in the 12<sup>th</sup> minute. Columna knew exactly what to do, they played deep in their own half, rarely venturing forward, rarely even trying to. They reduced the space in behind their defence to zero, denying our strikers any opportunity to outrun them, forcing us to shoot from distance or try to dribble through the heavy traffic where their 9 players filled the space. They niggled a little but we responded well to that, by ignoring it. The best part of our play today perhaps. We controlled 85% of the ball, we mounted raid after raid, but still after 90 minutes only Krish's wonderful 30<sup>th</sup> minute strike separated the teams. Lucky we got that because the final 15 minutes would have been very nervous without it. Because late, Columna broke on 2 or 3 occasions, once sending a strike over the bar. That's what they were playing for, keep themselves in the game until they could steal it late. We had few answers. But we got this one. Just.

Goal scorer - Krish Shrestha 1

**Premier League Reserves**

vs

Kings Old Boys

8 - 0

With some last minute changes due to Pete's fine form on Friday night we had Warren playing out of position in Striker today but pinching 2 early goals through some quality passing. This really set the scene for a great afternoon. The best was yet to come from the boys with some fantastic football across the park with standout performances from Dbouk, Theo and Tanveer. Getting amongst the goals we had Warren nab his hattrick right after a trio of goals from the MOTM Theo who was dangerous throughout the entire match. We took our chances and looked really comfortable out there today, it was great to watch and if we continue in this way, we will be unbeatable. Well done boys.

Goals: Theo Thoo 3, Warren Duru 3, Tanveer Josan 1, James Rosandi 1

**Premier League Firsts** vs Kings Old Boys 6 - 0

We started the game on the back foot with the opposition dominating through the middle but held the game to 0-0 before we adapted to the opposition's good play. It was really impressive how our midfield changed the game completely, stopped everything Kings were doing well through the middle and killed their attacking threat. Two quick goals from Wil rattled their spirit and he completed his first half hattrick shortly afterwards. We went into the half 4-0 after a great solo goal from Bright. Our dominant play continued into the 2nd half with Tez finally getting his reward for a great performance up top, then the scoring capped off with Dollar finishing off the post after being put through by Wil. Game finishing a deserved 6-0 win.

Goal scorers, Wil Wark 3, Bright Owusu 1, Terence Makunde 1, Dollar Bunait 1

## Sunday 7<sup>th</sup> May 2023

**U14 Girls** vs Glenwood Redbacks 0 - 0

Nil all at full time but it was a solid effort from the U14s today. We were down a player and managed to keep the score line level. Our strong defensive line broke down all of the opposition attacks, with Saffron and Riya playing extremely well in their right and left back positions to clear the ball. The players in midfield did their best, but no substitutes and a player down meant we were tired. We struggled a little to hold position and we can be better in reactive play and positioning. Maram did her best up front, and if we were just a little tighter with our passing we may have had the upper hand. Great effort U14s, let's make it to training so we can play an even better match next time.

### **RAIN – WHAT TO DO** **It's raining, it's Saturday!! Is the game on??**

The decision to close and open grounds is in the hands of the local council

It is made on the basis of the condition of the ground. It is not made based on the weather.

That means that sometimes it is sunny but the ground is closed (because it is still wet from previous rain) or it is raining but the ground is open.

Your manager will know if the game is on, give them a call. Very rarely is a decision made before Friday evening. If I have not contacted your manager, the game is on, even if it is raining!

*Most often games will still be on so **do not just stay at home**, you will be letting your child's team down!!!*

### **It's raining and it's training tonight!! Is training on??**

If the ground is closed you cannot train, *even if it's not raining!!* Parents and players call the manager or coach.

You can check via Cumberland Council's website
