### **RAIN – WHAT TO DO**

**It's raining, it's Saturday!! Is the game on??**

The decision to close and open grounds is in the hands of the local council

It is made on the basis of the condition of the ground. It is not made based on the weather.

That means that sometimes it is sunny but the ground is closed (because it is still wet from previous rain) or it is raining but the ground is open.

Your manager will know if the game is on, give them a call. Very rarely is a decision made before Friday evening. If I have not contacted your manager, the game is on, even if it is raining!

*Most often games will still be on so **do not just stay at home**, you will be letting your child's team down!!!*

**It's raining and it's training tonight!! Is training on??**

If the ground is closed you cannot train, *even if it's not raining!!* Parents and players call the manager or coach.

Granville Park is in Cumberland Council – wet weather line **8757 9025**

**U14/1** vs **Wenty Waratah** 1 - 4

The last few weeks we have been working really hard on pressing the opposition and winning the ball in their half however today we thought we would forget all that and let them play. Unfortunately we struggled to get into the game until 10 minutes before halftime when we started to create chances. Seb in goals was fantastic and could've conceded twice as many without him. We need to keep taking shots and passing to feet once we win the ball.

**All Age Ladies** vs **OLQP Falcons Blue** 3 - 1

A replay of last year's grand final and we were looking for a better result than our round 1 0-0 draw. We welcomed Jenna back into the team and she picked up like the last 4 years hadn't been missed! We scored first through a great finish by Amenah. But a moment of sleepiness virtually from the kick off saw us give up our lead and the fourth goal against us in 4 years and scores were level again. Before half time Jenna found the net following a nice build up and a thumping finish. In the second half we dominated with much better passing and whilst Falcons made some breaks we were comfortable enough. Continual pressure forced a 3<sup>rd</sup> goal as Amenah and Narges played some nice passes and Jenna applied enough pressure to force an own goal.

**O35** vs **Kings Old Boys** 1 - 4

A tough night for the O35s. With our experienced players out, we fought hard but conceded the first goal. Players were playing new positions and just couldn't get the flow going. We managed to get a goal through first time player Keiron. 1-1 was pretty good at half time. 2nd half saw tired legs and we just couldn't stop them scoring 2 more goals. We put up a good fight but the experience of our opposition from playing together showed and proved the difference.

**PLR** vs **Greystanes FC Black RC** 6 - 0

A comfortable victory against a team who is in the lower division. We dominated through the middle and all the possession stats. A nice game to show the massive gap between PL and RC. Nish was outstanding up front and was well supported by the rest of the team.

**U6 Red** vs OLQP Falcons White 6 - 0

No warm up as everyone was late. Please arrive 30 minutes before kick off. 5 players took to the field the field to start, with 1 coming in late. A great win though after a draw last round. Moses found the goal early. Ali had a great 1st half in goals. Demir was outstanding in defence and then had a quite 2nd half in goals. Zein and Ewan also had strong games. Amaan had his longest time on the field. Special mention to Amaans brother for the team talk.

**U8** vs Lidcombe Churches 2 - 0

On Saturday we played Lidcombe at Everley Park. We knew this game would be a tough contest, having played them just last week. Sohail put his hand up to be goal keeper for the first half and then Felix took over in the second half, both saving goals that contributed to our win. Our first goal came in the first half when Christian booted the ball up field. Yusef received the ball, took the shot and scored! We had our defensive duo, Zoe and Jessica, ensuring Lidcombe didn't get near our goal. In midfield, Zaydin, Joshua, Christian, Akram, Daneial and Sam, driving the ball up. Our strikers Sebastian, Yusef and Sohail were trying their best to get past the opposition and stay onside. Our second goal came in the very last minute of the game, thanks to a free kick. Sohail took the free kick and angled it right in the corner of the goal, securing our 2-0 win. After that brilliant display and team effort, we have officially moved into top spot on the table! Well done team!

**U9** vs Babylon Chaldean 4 - 1

Fantastic win team! We were down 0-1 early in the first half but the boys didn't lose hope and chipped away and the goals started coming in. Two goals by Jacob including a great long range effort. Thomas also scored one from close and we got lucky with a shot that wasn't going in but was played at by an opposition player resulting in an own goal. Orlando has proven to be a fantastic midfielder with lots of energy and fearless tackles. Nicholas put in a strong effort and made sure the ball was pushed up. Pierre also saved a likely goal off an opposition corner with a wonderful header. Wonderful work in goals by George and Srijan as usual and our defensive line of Milan, Srijan and Neil S proved solid as always. Milan has also demonstrated himself to be more than capable midfielder. Thank you to the parents for getting into it and cheering the boys on. Things are looking good for the team as we've figured out everyone's positions and players have stepped up to try out different positions. Well done team, let's keep it up!

9 Girls

vs OLQP Falcons White

5 – 2

The first half on the sidelines it was like standing back and watching a train crash. There was nothing we could do. Gentle persuasion, yelling out, explaining, were all to no avail as the team decided to not exist and instead 9 individuals did their own thing. Only that we had won the toss and were running down hill and that we have some extraordinary individuals, meant that we finished the half 2-1 up. The positive? – we had 9. The sternest talk that you can sanely give an U9 girls team happened at half time and that did the trick as a team (rather than a bunch of individuals) took the field and immediately put together 4 really nice passes which led to our 3<sup>rd</sup> goal. Talei who had kept first half, scored a hattrick in the second finishing off the rest of the team's passes and giving them the confidence to keep giving her more. The second half, beating the second ranked team, uphill – was probably our best half of the year. Zoey was incredible throughout the whole match. Her defence was on point. Eva's determination shined this week, constantly running for the ball and never giving up. Tisha did amazing in goals, definitely have to mention that impressive save in the second half. Achol and Amellia played great in defence and showed great teamwork Talei who kept well in the first half and kept position to allow her the opportunity to score goals and then her quality finishing to do so, was awarded player of the match. **U10 Red**

vs Greystanes FC Blue

Despite dominating the game and playing mostly in the opponents half, we were only able to score our first goal 10 minutes into the game. The boys played well but finding and timing the right passes, and knowing when to take the shot, is still a work in progress. Our opponents added to their scoreline with an unfortunate own goal from a stellar header by one of our boys, but they returned one to us when their defender headed in a free kick by Erik adding to our tally.

**U10 Black** vs Wentworthville Uniting 0 - 4

A tough day for the boys today, but still a marked improvement from the start of the season. We came in at the end of the first half only one goal down, but lost our heads a bit in the second, conceding three very easily defendable goals. The boys have to learn to listen to the instructions a bit better if we hope to compete and build on our first win last week.

**U10 Black** vs Wentworthville Uniting 1 - 5

The first 15 minutes of the game was probably the best i've seen us play, if we kept that intensity I believe we would have won - however we didn't. We let them get in our heads. I don't care how much name calling and pushing goes on, I care how we react to it. It's a shame, because we have the ability to win - we just struggle to find the right pass, and that's what the other team had on us. Jaden continues to shine in defence, when we say to clear the ball he just does it so well. Shishir did very well to find space and I think with the rate of improvement in our passing we will score a lot more.

**U11 Girls** vs **OLQP Falcons Green** 2 - 1

We didn't play our usual today and it showed in a nail biter of a game. McCredie dominated control of the ball and scored 2 in the first half. From there is was a mix of fumbling, getting in each-others way and undecided late shots at goal plus the first conceited goal of the season. McCredie Girls' won the game but came off field frustrated and annoyed which showed in their game play. We have another game this afternoon so will brush off this game and come back on field as the cracker of a team we know we are.

Long awaited match between McCredie & Falcons Blue, we've been washed out twice so it was nice to finally verse this team. This afternoon the girls' played a great game against a tough opponent who knew our strengths and targeted our weaknesses. our defence was strong, our mid fielders were constantly winning the ball back and moving it forward but it seemed like falcons had 3on 1 each time we approached their goal. A nice free kick over the Falcons heads into the net at second half eased the tension on the sidelines - each player did a great job contributing to the 2nd and final goal which was passed from player to player with a final follow through into goal. MASSIVE THANK YOU & SHOUT OUT to u9girls: Jacinta, Jess & Zoe who all helped out, they fit right in with the u11s - you girls helped us and made such an impact in our game!!

**U12 White** vs **Inter Parramatta** 6 - 1

5 minutes into the game Inter Parramatta team surprised our team with a speedy goal. But 10 minutes later Jacob L was able to level the score as a result of a free kick. 23 minutes into the game, Mohammed scored as a result of another free kick. First half ended with 2-1 Guildford way. Second half saw Guildford in control keeping the other side scoreless although we had no subs. Final score is 6-1. Thank you to all the parents for turning up and helping. All players played well. Person of the match goes to Gabrielle for playing hard although she played an earlier game. Hooray to the U12 white team.

**U13** vs **Greystanes FC White** 4 - 1

The team had redemption on their mind. Having lost at our last meeting after blowing a 2-0 lead, the team didn't hold back. Plenty of pressure on them early and we controlled most of the game, we finally had a break through from Krish. Plenty of chances to score more but plenty of misses. The opposition's keeper did a great job stopping our shots. 1-0 half time. We kept pressing and eventually got a second through Rhys with his off foot. A lapse in concentration from our back line gave them a goal. With their heads held high, they used their speed to break through and played long balls for 2 more goals by Jayden. The team play today was excellent, one of their best games ever and it showed how good they can be. Consistency is the key.

Great Game today. We have improved so much over the last few weeks and today really proved that. Stand out performances from Faith and Annie in the back line. POTM today went to Savannah who had some great saves in goals.

**U14 Div 1** vs Regents Park Saints 2 - 2

The first game of the season was a 0-6 loss to this team who have won this division two years in a row. The belief instilled in this team today was different. We were on. We defended like our lives depended on it and fought for every ball. We stuck to the game plan of getting in front of their players and then counter attacking. Stefan was awesome up front neatly finishing goals. Samim in the middle was constantly disrupting their attacks and Seb in goals was again a brick wall. Well done boys, great result.

**U14 Red** vs McCredie White 2 - 4

Another midday Kick Off saw the REDS have plenty of shots & chances against the Whites only to be scooped up by their Goalkeeper. Charbel managed to score our 1st goal, then Whites came back to make it 1-1 & then a 2nd one to go into the sheds 2-1 down @half time. A large bowl of Oranges supplied by Sarah & Toufic saw the REDS come out & eventually get the equaliser through Big Ali to make it 2-2. A disallowed goal against us saw the Whites put on the attack which was foiled by Gethyn working hard in defence along with Bilal who was covering for Brandon who is out with a hamstring injury! A contentious handball in Whites box in the last 8 minutes saw Big Ali step up & take a Penalty once again to put the REDS in front 3-2. With only 3 mins. to go, Charbel passed the ball in from the left wing to Shabir who slotted a lovely ball up & over the Goal Keeper's hands to make it 4-2 to the REDS with only a minute to go..!?! :) MotM.. went to our Goalkeeper, Abbas. Encouragement was Shabir..! Special mention to our 2 CentreBacks ,Bilal & Gethyn who made some great runs as well as passes up to our Forwards. L'il Ali also had another good game combining well with Elio who was Left Striker. Well done REDS on getting the WIN. :) The standout for me was the Whites Goalkeeper...well done...!! COACH Glenn :))

Took us a while to get into this game having most of the boys doubling up from the division one game. We opened the scoring with Stefan slotting one past the keeper with a through ball from Jason and we never looked back. We outsmarted and outwitted Wenty's best player and we were devastating in front of goal.

Another crucial three points secured from the second top team on the ladder. We went in knowing we had a challenge ahead, but our boys delivered. They played their positions well, pressing high, and counter-attacking effectively when the opponent attacked. In no time, we were up 4-0 and finished the game 5-1.

**Raahauge Cup Grey** vs Greystanes FC Black 2 - 1

A tough fought victory. The team really played for each other today. We got the first goal through great passing and teamwork but a simple error gave the opposition an equalizer. There was plenty of tough contests and the team met the challenge and continued to press on. There was a lot of back and forth, both teams wanted the win, and eventually something had to break. We managed to get the lead from a long strike by Riley. The team couldn't be happier. A late red card given to the opposition gave us a 1 player advantage, and that made it easier for our defence to hold them off for a much deserved victory. Battered and bruised but spirits are high.

With no substitutes again and facing the ladder leaders that had not lost a single game, this game began an uphill battle. But the boys that showed up played really well. A new formation and passes sticking meant we ended the first half 0-0 with plenty of opportunities as well. The second half saw both teams concede one after another and a nail biting finish followed. There were two or three really good chances at the end that could have sealed the match but unfortunately they didn't go in. It was an excellent overall team performance but standout games from Eloy and Dave at the back.

**PL Red Reserves** vs Greystanes FC 0 - 11

During the week a bit of prep went into this game from the coach as it was an important one against the team immediately behind us in the comp. Unfortunately we lost 4 players on Saturday morning, 2 of them goal keepers, due to sickness and personal difficulty and we were left with what we could cobble together. Trying to win an important match whilst also trying to protect first graders for the next game rarely ever works, and it didn't today. Invariably two first graders also got injured in reserves making a bad situation worse. Thanks to the guys who really didn't complain about what we were facing. Their stoic efforts through the whole afternoon was much appreciated by the coach. Dylan played well and Jayden was certainly especially brave playing keeper when he doesn't usually and getting hurt in the process. Soccer was put into perspective though as we are all wishing the Germanos family all the best.

**PL Red Firsts** vs Greystanes FC 0 - 5

Read above for context except add that 3 guys finished the match injured, 2 on the sidelines and one hobbling around in goals. Again really brave performance by the whole squad. State Cup this Thursday couldn't actually come at a worse time, as next Saturday's match will determine who settles into 4<sup>th</sup> spot behind the Whites, Greystanes and St Columbas (and we could easily have beaten Columbas!). We may be looking for help beyond PL Red to compete strongly on Thursday.

**PL White Reserves** vs Lidcombe Churches 5 - 0

Solid display with the resses really working towards quick passing and nice switches from left to right. Petey's tenacity up front earned him a well deserved hattrick being first to the ball to poach striker goals. Richo was a general in the middle directing traffic and found a couple of assists under his belt.

**PL White Firsts** vs Lidcombe Churches 4 - 0

Dominance from the first whistle. We created many opportunities and were pleased to be 3-0 at halftime. A well managed game in the second half gave us the clean sheet and another three points. Special mention to Shuks who has been begging for a first grade run and relished the opportunity by scoring a hat trick that we will hear about for weeks to come.

Goal scorers - Mohammed Shukur 3, William Wark 1
