**U6 Red** vs Kings Old Boys White 7 – 1

The team played very well. They showed a lot of determination. They were so determined to get the ball even tackling our own team. Love the energy on the bigger field. I saw some good skills, good dribbling and even some good tackling. A nice win to start off the season. I would like everyone to realise that our team are mostly new to soccer and some players are younger than others. All players deserve to be respected as they learn the game. I certainly recognise the commitment of parents bringing kids to training and games. The strongest teams have strong cultures of respect for all. We, coach, players and parents want to be like this.

U6 White's First game of the season - Exciting and very engaging game today against OLPQ Falcons. Our team showed lots of enthusiasm and played at a competitive level. Zahid was unstoppable scoring all goals with the help of his teammates. However the game concluded on Falcons favour. We are all so proud of our little champs Ryan, Jordan, Melvin, Zahid, Lazarus. Goal scorer – Zahid Hakim 3

**U7 Red** vs Greystanes FC Blue 6 - 3

Missing 2 players sick, great start to the game Mohamed scoring 2 goals within the first 10 mins. Greystanes caught up and we were 2 all at half time. Mohamed went off sick in the second half leaving 4 players Greystanes scored once more. Charbel was goal keeper and stopped any more goals for Greystanes whilst Riyaarth got another 2 goals. Great defence from Samy. Brodie got a goal and then another by Riyaarth Goal scorers – Riyaarth Thapa 3, Mohamed Abbas 2, Brodie Lane 1

What a great start! Our first official game of the season and we had 11 players turn up. Our opposition, Lidcombe United started off the first half. Guildford McCredie were all in position and really hungry for the win. Sohail was in goals for the first half, followed by Jaison for the second half. Not once did our goalies need to save or touch the ball! Our mid fielders ensured that the ball was kept away from the goal at all times where our defenders rarely touching the ball. This gave me the opportunity to rotate the players to different positions throughout the game. Zoe started in defence and eventually played forward. Her strong kicks placed the ball continuously in the goal area, forcing Greystanes to keep on the defence. Jessica also started as a defender moving to forward as the game progressed, managing to score 2 goals for the team. Sam, Jaison and Joshua played their hearts out in midfield for both halves, constantly keeping the ball from reaching our defence line and moving the ball to our strikers. Yusef played amazing throughout the game constantly attacking the ball and managing to get to goal but unfortunately not able to score. Akram was great! He showed a determination on the field that should have led to a number of goals, but unfortunately fell short. Sebastian was a quiet achiever who played consistently, battling at keeping the ball in the oppositions area, reading the game play, and putting himself in a position closer to goal to intercept the ball and score for the team! Zaydin scored his first goal of the season, managing to zigzag through the opposition to place the ball straight into the goal. Sohail and Hamza had a great game today, both scoring three goals each. Their skills with dribbling the ball and manoeuvring through the opposition was great. With all that was going on, the opposition fumbled and planted an own goal! As a coach, I'm extremely happy with the result and can see a great team who is dedicated to the sport and each other.

**U10 Red** vs OLQP Falcons Red 7 – 0

We have all been eagerly waiting for this day to come so it was great to see our full team together kicking off our very first game for the 2024 season. From last season we had our returning players Aidan, Ali, Animesh, Erik, Josh, Laith, and Obaida, and we welcomed our new players David, George, Isaah, Jia Ming and Paul. We started off strong with most of the boys playing in their positions and our new members learning as they played. Aidan ran the ball down the line a few times drawing in and challenging the opponents before crossing the ball to Obaida who although missed the first with a header, was able to finish off another beautifully with a tap in giving our very first goal. Josh, David, Laith, Jia Ming, Paul and Ali played well in defence clearing many balls to give our forwards opportunities. George was in full attack mode capitalising on any opportunity that came his way and Laith almost scored a header himself which was saved by the goalee. In second half Animesh came out of goals and made it difficult for the opponents to break through our backline. As we mixed up the positions, Josh had many chances at goal and David playing up front he took the opportunity to score his first goal. Erik showed our opponents his top notch free kicks putting one straight into the top right corner from outside the box. With it being Isaah's first game he slowly built his confidence and got into the game.

**U10 White vs McCredie Black**

A wonderful start to the season. Charbel Nassim opened the season with the first winning goal of the game. Soon it was followed by an awesome kick by Roshav, not long after John kicked in two amazing goals that won us the match. The boys were kept on their feet and worked hard to defend the ball numerous times. The boys helped each other set up the goals and as always Osgar was and will always be the best goal keeper. An excellent result for the start of the season. Keep up the good work boys. Man of the match went to Peter. Great job Peter with those skills you've acquired. Goal scorers – John Elias 2, Charbel Nassim 1, Roshav Shrestha 1

**U10 Black vs McCredie White 1 - 4**

Not the result we wanted to start the season, but a lot of very promising scenes from the boys. It was a very even match but more clinical finishing from their team meant a heavy loss on the scoreline. Noa made a few mazy dribbles and managed to get himself a goal in the second half! A performance to be proud of for all of the boys on their first game together as a team. Goal scorer – Noa Rasaku 1

**U11 vs OLQP Falcons White 7 - 0**

First official game of the season after cancellation of last week games. The sun was out and the team was ready to kick off the season. We just had enough players with 5 players missing action today. On the bright side the 11 players were ready to do what they do best. The first 5 minutes the ball was in our half and the opponents has few shots on target. However, our team was able to take the ball to their half. A hand ball resulted into a penalty and JJ took it and scored. After that the team was motivated perfect passes and teamwork resulted into a 7 - 0 win. Thanks to Zondi for filling in a coaching the team. What a gorgeous day to be playing early at home, at Everley!! As our McCredie girls stepped onto the field, they shook hands with the falcons showing great sportsmanship. A few nerves and lots of excitement for our undefeated champs. The first half McCredie dominated at the front of falcons net, plenty of attempts at goal but the kicks were a bit too slow and the goalie a bit too quick. Halfway in Izzy took a shot which met the back of the net and scored our first goal for the season! Marita had her first season game with our team and she worked hard in the mid field, chasing down the ball and tackling the opposition with an unlucky missed goal in the second half. Elizabeth made her presence known and falcons were often flocking around her but she was able to clear the ball to another striped shirt. Elizabeth attempt at goal didn't make it but rebounded off the keeper & helped us clear our second goal by Izzy. Nelofar showed some great ball control and skill with falcons unable to tackle the ball from her but 4on1 in many instances left her with a pass as the only option- which she did. Hajira able to keep the ball moving and away from Falcons opting to pass back when needed. Cici did well in mid field with a nice double tap header off a goal kick in first half. Second half saw a near perfection shot at goal from near the corner, which from the side we didn't think would make it, but hit the inside of the net bringing in our 3rd goal. Claire at centre back was great controlling the defence line, together with Julie & Aariya they were a fierce trio of a McCredie defensive wall, not letting falcons fly by and the few that got through didn't get near enough to attempt a goal. These 3 watching for the bounce, post goal kick and controlling the ball with their body and sending it back in our possession. Or goalie, Olivia had very little to do, touching the ball just the one time all game but always ready and keenly watching each play. It was a nice win to start the season with, as coach mentioned we will keep striving to be better and go for more goals. Well done u11girls!!

First game of the season after round one got washed out last weekend. An exciting game where the result could have gone either way today. The team played some very good football. The passing game was good with many players combining together to move the ball around and make the ball do the work. Mohamad made some wonderful runs in the centre forward position creating some great chances. John and Jacob L, playing on the right side had there passing game on song. On the left, Owliya and Jacob T have a little work to do, working together. Owliya was good up front and defensively. Julian, playing only in the first half, in the central midfield position is a great new member of the team who seems to have plenty of time with the ball and his ball distribution is outstanding. Defensively he is also very good. The full backs were outstanding today, shutting down the attacking motions of the opposition and keeping us in the game. Ali and Raphael playing left and right with Gabby and Michael playing central defence. Emily playing in goals kept a clean sheet and made some crucial saves. Our reserves, Eyad, Arad, Xavier and Youseff also contributed with good efforts. An exciting game to watch today, hopefully a little more luck with getting the ball in the back of the net next week.

**U13** vs Wentworthville Uniting 12 – 0

A good start to the season with a big win over a new team in the competition. We started the game strong with good midfield possession which lead to our first goal. Our forwards made good runs and kept the pressure on the opposition, but missed plenty of opportunities. Our back line kept the defence so strong our goal keeper did not get to touch the ball at all. 1st half finished 5-0. Reshuffled the position 2nd half resulted in a stronger attacking formation. More through balls resulted in 7 more goals. Including 2 from our keeper. Off to a good start but can't be complacent and think every game will be like this. Player of the match: Deruchy Sequeira

Despite having most of the ball we just couldn't finish today. Lots of bunching from both teams made a small field and goals seem even smaller. Stand out games from Faith and Aya. Thank you to Olivia for playing in goals. We'll get them next time.

Gorgeous day to start season. Reds were reading to go. Boys were a bit disorganised at the beginning. Luke and Ali had a go at goals, just need to be more aware of players. Reds worked better in second half. Brandon got a penalty, but the onyx wall was solid. Better passing and looking up to see options

The first 15 minutes of the game was a scramble, the kids were not entirely focused. It must of been too early for them! they allowed our opponents to score two goals in the first 10 minutes. Finally, a high kick from Jacob to Michael gave us our first goal, which turned things around for us. The team looked more focused. Another goal by Jacob evened the score just before half time. Second half was a much better performance by the team, they were more focused and were able to led and win the game. Michael gave us two more goals and Aayan finished off the game scoring the last goal. Man of the match went to our goal keeper. It was Fahim first time as goalie and was incredible. Great first game team!

Short players and an early game were our downfall today. Despite being the better team tired legs and lack of preparation got the better of us. Moian played well as a solo sticker, forcing an own goal and scoring another. Josh had a great debut and the back line did great. Hopefully we can bounce back next week with a full team.

Goal scorer - Moian Amiryan 2

**Raahauge Cup Grey** vs Melita Eagles 0 - 14

First match and we were thrown into the deep end. It was always going to be tough for what was originally an U16/17 team to play in AAM competition. For a new team of kids who haven't played together before, our trial games showed plenty of potential, a lot of very skilled players. Today was a reality check, playing against a faster and stronger opponent. The team showed plenty of courage and never gave up regardless of the scoreline. A final score of 0-14 doesn't reflect how well they played. A tough loss and plenty of lessons to be learnt, more time to gel as a team and finding the best formations will help this team to improve. Player of the match: Adam Hadi

**Raahauge Cup Black** vs Greystanes FC Black 0 - 6

Tough first game for the boys on Saturday with only 11 players and no substitutes. Whilst they started decently, their fitness began to hinder them as the first half went on, and when a penalty opportunity was missed and one goal went in, two followed soon after to end the first half 3-0. An uphill climb was unlikely in the second half and the game ended 6-0. To the training paddock in preparation for next week!

**PL Red Reserves** vs Lidcombe Churches 5 - 0

What a pleasing result. A tough season in 2022 and then a promotion (which is based on first grade results) meant that some changes needed to happen. Some new personnel, some experienced heads and a season having played together combined with a not so strong opponent and we were able to take control. 1-0 at half time but we came home really strongly scoring the only 4 goals all afternoon up the hill at Phillips in the second half. Mahdi and Sandro ruled the midfield whilst JP and Josh kept things secure at the back. Everybody left this game smiling.

Goal scorers – Chris Germanos 2, JP Azar 1, Siu Tung Kan 1, Ravinesh Naresh 1

**PL Red Firsts** vs Lidcombe Churches 2 – 4

We started the game riding high. Reserves had just won, we were dominating and we were keen to show that the team today was much better than the one Lidcombe beat in the trial. We scored early and grabbed another before half time to go into the break 2-0. How we were able to turn this around for Lidcombe was breathtakingly naïve. Ill discipline saw two stupid yellow cards. We stopped playing the positions we were supposed to be playing. We couldn't pass the ball to our own team. Lidcombe grabbed one and suddenly we started playing again, but when they scored a second from a magnificent strike, we let ourselves down badly. It was panic as strikers fell into midfield to defend, whilst midfielders and backs pushed high to score. It was a mess. Lidcombe grabbed a third on a break away from our attacking free kick and then a fourth from an own goal. The final whistle couldn't come quick enough. Lessons – Games are 90 mins not 45. Ill discipline is serious, it hurts us all. We are playing a position because we are best there at that time, you do not change because you know better. There will be many tougher games than this, we have the players that are good enough – do we have the team? Today the better players lost, but the better team won. No one in red and white left smiling.

Goal scorers – Hamid Azimi 1, Zaid Hamze 1

**PL White Reserves** vs Babylon Chaldean 2 – 2

First game of the season with more new faces this season than the last 3 combined, a shortened pre season and some notable names missing from the team sheet meant there was going to be some discomfort and many learnings to be had. With new opposition Babylon setting the tone very early with some harsh tackles and an argumentative energy, we knew it was going to be a scrappy game, and it was. A number of the boys out there today struggled to create space and play the simple pass which led to frustration all round. We did look to settle slightly and pull a goal back but only to fall back into a chaotic tennis match of transition/counter attack football which simply isn't how we play. Apart from not looking ourselves football wise, we also cannot stoop to the oppositions levels and argue/fight with them, no matter the circumstances. As a result, we should be happy we walked away with a point there after one of the worst reserve grade performances I've seen in years. We are better than that. Heads up boys, get to training and let's shake this one off.

Goal scorers: Wil Wark 1, Mohamed Shukur 1

**PL White Firsts** vs Lightning FC 8 - 0

Trialling our new formation we knew today would include a little discomfort as we are reprogramming our brains from 'what we knew' to 'what is possible'. The first 30 minutes was exactly that, we experienced probably 80% possession which meant our talent in the middle of the park could create the tempo we wanted but had some nail biting moments in transition which lucky for us, the opposition lacked the quality in the final third to punish us. At the 30th minute, we finally put away our first goal and felt settled for the rest of the match with a largely dominant showing. In particular we saw people off the bench be highly influential and a variety of top performances and goal scorers to boot. Wil Wark picked up MOTM with a hatrick picking up where he left off from last season. Well done boys

## RAIN – WHAT TO DO

### It's raining, it's Saturday!! Is the game on??

The decision to close and open grounds is in the hands of the local council

It is made on the basis of the condition of the ground. It is not made based on the weather.

That means that sometimes it is sunny but the ground is closed (because it is still wet from previous rain) or it is raining but the ground is open.

Your manager will know if the game is on, give them a call. Very rarely is a decision made before Friday evening. If I have not contacted your manager, the game is on, even if it is raining!

*Most often games will still be on so **do not just stay at home**, you will be letting your child's team down!!!*

### It's raining and it's training tonight!! Is training on??

If the ground is closed you cannot train, *even if it's not raining!!* Parents and players call the manager or coach.

Granville Park is in Cumberland Council – wet weather line **8757 9025**
