All Age Ladies vs **OLQP Falcons Blue** 0 - 0

Our opposition are pretty reasonable but a 0-0 draw is never satisfying and we should have done better. Great to have Katrina back and a bunch of young legs to run about – welcome Danny, Ameneh, Faith and Narges. But it is the experienced players returning that we will rely on to get us out of tough situations.

U6 Red vs **OLQP Falcons Red** 16 – 1

Well, I wasn't expecting that result with 5 players taking the field when OLQP had reserves. A great result, good skills, and lots of goals. Zane started well but it was Ali that stole the show with his skill. Raphael was unlucky not to bag a goal. Amaan's head was not in the game. Mosese had a quiet 2nd half as goal keeper. Very well played today. Thank you Khaled for coaching while I refereed. Please remember: shin pads are compulsory. No shin pads, no play.

U6 White vs **OLQP Falcons Red** 0 - 8

Our team delivered a good performance at the game today and demonstrated good energy level. Our players Zahid, Jordan, Melvin, Abdul, Akunna contributed their best efforts. Despite being short on players our team hold on well against a strong opposition team, but ultimately fell short on the scoreboard. We missed several scoring opportunities in game - but we will train harder for next game.

U7 Red vs Greystanes FC Red 5 - 1

The boys started off slow, with a few players missing, but we soon recovered. Jayden opened up the game by scoring a great goal. Next we had 2 goals by our borrowed player from u6 Ali, thanks Ali for helping us out. An awesome defence by Charbel and Kanil. Our goal keepers kept the falcons on their feet. Riyarth played well and Mohammed join the list of goal scorers by scoring 2 fantastic goals. Our final score was 5-1. Well done Guildford. Welcome to our new coach's Moen and Ali for helping the boys.

U8 vs OLQP Falcons White 1 – 2

In a tightly contested match at Daniel St Park, we faced off against OLQP White. Despite a solid defensive effort in the first half, OLQP White managed to take the lead with a goal, leaving us trailing 1-0 at halftime. Sohail played in goals first half, making key saves. Heading into the second half, Felix took over goalkeeping duties, hoping to turn the tide in our favour. Yusef, Seb and Sohail led the charge up front, pressing the OLQP White defense with their attacking play. Sohail levelled the playing field, scoring a goal off the back of a beautiful cross from Yusef. In midfield, Joshua, Christian, Akram, Zaydin and Sam worked tirelessly to regain possession. Jessica and Zoe showcased strong defensive plays to minimise the damage from the opposing strikers. Despite injuries we forged on, however an own goal secured the win for our opposition.
Goal scorer: Sohail Khanzada 1

U9 vs Greystanes United 0 – 1

A tough loss. We were down 4 players with illness and travel. Fitness emerged as an issue 5 minutes into the match and will be worked on in training. Our midfield struggled to press forward without our usual players in position and our defence also had positioning issues. Good work to Orlando who has demonstrated a strong work ethic, great tackling and overall enthusiasm. George also did great in goals and Thomas and Neal did their best up front.

9 Girls vs **OLQP Falcons Blue** 12 – 2

Under 9 Girls coming through with their first win! Despite, the girls not being able to play in previous weeks due to wet weather and a bye, they used this game to showcase their amazing skills and teamwork securing a resounding victory today. Talei's amazing skills as goalkeeper showed within the first half, not allowing shots to go through. As the game went on, she changed positions and set up many goals for the team through great defence and her powerful kicks. Jacinta's determination throughout the whole match didn't go unnoticed. She gave it her absolute all when running for ball and ended up scoring us three goals by the end. Amellia's delivery of throw-ins was amazing in setting up numerous opportunities for the girls to score. Tisha's defence throughout the first half was spot on, continuing to show those skills as goal keeper in the second half. Dalilah's dedication throughout the whole match was amazing! At every opportunity, she ran straight for the ball not letting the opposition touch it. In the beginning of the second half, Zoe played exceptionally well in defence stopping numerous attempts from the opposing side and allowed multiple scoring opportunities on our end. Hajira showed her incredible dribbling skills when manoeuvring past the opposition team. She ran alongside Jessica and Jacinta, showcasing her awesome skills to set up multiple goals for the girls. Jessica was unstoppable throughout the whole match, with her incredible speed and skills she scored a total of eight goals for the team. Overall, the girls played expectationally well individually but more importantly as a team.

U10 Red vs **Greystanes FC Blue** 2 - 1

Having never played this team before we did not know what to expect but knew it would be a challenge given they had won 11-0 last week. The first half of the game was not great with some players joining the game without warming up and Aidan unable to run so taking up the goal keeper position. We relied heavily on our defence with our backline Laith, Josh and David instrumental to minimising opportunities for our opponents to score. We were able to keep the score 1-1 at half time. 2nd half was much better with more opportunities created for the team however we just weren't on target. Obaida went flying in with a fantastic looking header which unfortunately went wide and Josh had a few attempts at goal but was unsuccessful as once again the cross bar was in the way. Towards the end of 2nd half George was able to toe tap in a goal from a scrimmage giving us the lead 2-1 at full time.

Goal scorers: George Catanguí 2

U10 White vs **Babylon Chaldean** 2 - 1

Another awesome game by the boys versing Babylon Chaldeans. The opening goal scored by Roshav. It was a tight battle but Thomas came through with the second goal. The team helped each other set up the goals. Isaac was on fire and a fantastic defence from George and Gabby. The second half saw Roshav kick the winning goal from the halfway mark on the field. The boys were worried about this game but came through with flying colours. Man of the match went to Roshav. A great game from the boys, always doing us proud.
 Goal scorers – Roshav Shrestha 2

U10 Black vs **Greystanes FC White** 1 - 7

This wasn't how we wanted today to go, but there's only up from here! Being a player down and no subs we knew it wasn't going to be easy but the boys should be proud of their efforts. The first half saw some slow ball movement in our own defensive third which had us down 4-0 at half time. There was some solid improvement in the second half, and team work particularly from our mid field of Saif and Noa saw a goal just before the final whistle. Good job boys, we'll get them next time!

Goal scorer – Noa Rasaku 1

U11 vs **Inter Parramatta** 2 - 1

An early morning game which is different to what the team has been used to. The team was missing some key players however they were ready to give their all. The opposing team scored a quick goal. The team remained calm and they were able to come back and win the game.

U11 Girls vs OLQP Falcons Green 4 - 0

Nelofar set the tone today with an early goal, she was persistent and able to close off the game with a second but unable to make a hat trick like she wanted, not for a lack of trying! Our girls' were faced with a falcons team that kept bunching around and making it hard to get the ball through. McCredie girls' kept their positions throughout the game. Our strikers had a few opportunities that didn't quite make it through but were able to keep possession of the ball, one such encounter allowed Marita to score her very first goal for McCredie with the support of Elizabeth who played fantastic up front all game. Defence was on fire today, playing up when needed and running back in place, always able to send the ball to our midfield. Claire, Julie, Aariya & Cici were no match for any falcons striker. Izzy was their target today with many misplaced kicks taking her down, but she got back up and kept going. Our tiny but mighty duo Batoul and Hajira making an impact in midfield trying to get around the opposition. We know Olivia is an awesome goalie, but didn't get time to shine as the team all did a great job keeping the ball away from goals. 4 girls' helped out other McCredie teams beforehand-Thank you for helping the club and still playing the best for our team!

It was great today to have the whole team available and ready to take the field. Our attack started strong with Owliya and Muhammad leading the way cutting through Lidcombe's defence. Their skill gave us 3 goals in the first half with Jeremias adding an additional goal in the second half. Our defence got caught out a few times but continued to work hard to correct any mistakes. The team is starting to form connections and learning to trust each other. A very positive start to the season so far.

U13 vs Greystanes FC White 3 - 4

It wasn't the result we expected today. The team started out strong with a 2 nil lead at half time but celebrated too early and saw our opposition catch up with a draw at 3 all. A few poor decisions and lack of drive from players to attack the ball when needed saw Greystanes take the win in the final minutes of the game. Mistakes made and plenty of lessons learnt. We'll have many more opportunities to play against Greystanes again during the season so let's work hard to improve on our performance next time. Thank you to Michael Commodore for assisting. Always happy to have an extra smiling face on our team! Player of the match: Krish Shrestha

We started off with the belief that we do definitely deserve to be in division 1 and can compete with any team. We started on the right foot, winning every loose ball, attacking with purpose and defending in numbers. We earned a penalty with 10 minutes to go in the first half and thoroughly deserved it. Unfortunately they scored with two minutes to go leaving a 1-1 scoreline at the half. A game is of two halves and when fighting a massive wind in the second half, it was very different to the first. Conceding 2 goals very early undid all our hard work and panic set in. We became lazy and really tarnished our goal difference and sacrificed points when we could've and should've gained maximum points. On to next week where we can show the intensity for the full game.

U14 Red vs **McCredie White** 2 - 1

Wintry windy day for soccer. Team made the most of the first half when their kicks went flying. Bilal, Elio, and Ali threatened to score, but were getting tackled. Charbel showed his speed and agility to chase down the blown balls and put it into the net. Second half was tough. Brandon's goal kicks were being thrown back. George, Ghadir, Daniyal and Zanyar were tackling more.

Goal scorers: Charbel Dib 2

U14 White vs **McCredie Red** 1 - 2

First half was not their best performance, we missed a few opportunities to score and our defence was all scrambled together and allowed the opposition to score two goals. We came back stronger in the second half, with a long pass to Michael scoring the first goal of the game. Unfortunately, we were not able to create any more goals. Better luck next time team.

Goal scorers – Michael Karaki 1

U14 Onyx vs **Wentworthville Uniting** 5 – 2

There's a fine line between confidence and arrogance and the boys are very much flirting with it. We approached the game thinking we had won already and therefore really struggled to break down Wenty. We also took too many touches and refused to pass. We spoke at the start of the game that they only have one player and unfortunately kept trying to take him on and passing him the ball which is why there is a 2 next to us and not a 0. Strong game from Jamie who worked hard in midfield and earned himself his first goal for the club.

It was great game for us because we had a full squad. We were able to set up our team correctly that's why we were ahead in the first half, The backs, midfield, and forward we're doing well and committing throughout, the game.

Although not a win, it was an improvement on last week's performance. Took some time to adjust our kicks and passes playing on an extremely restricted size field. It's early in the season so players still working out their best positions to play together as a team. More communication on field from players needed. All a work in progress. A big thank you to all the family and friends spectating from the sidelines. Even the big kids need supporters!

PL Red Reserves vs St Columbas Castle Hill 0 - 3
 Up against last year's premiers today. Truly awful conditions with the blustering gale blowing straight down the field. Against the wind in the first half we were just 0-1 down and feeling confident. It had been an even half and we were unlucky not to be ahead. The second half we dominated patches but also allowed them to have chances too. Unfortunately with just 6 minutes to go we conceded a second and immediately a third, to really spoil the effort up until that point. Jayden was awesome in goals and JP defended well, but we lacked finishing again and need to work on it.

PL Red Firsts vs St Columbas Castle Hill 3 – 4
 We scored 3 goals and lost. The two penalties we gave up end up costing us the game, with super clumsy fouls in the penalty box. That really hurts because we played pretty well today, fought back from a deficit and generally deserved better. Loving the way Mahmoud and Aaran are playing and Ryan is a rock at the back. Jp in goals was next level today, really, really good.

PL White Firsts vs Wentworthville Uniting Gold 7 - 0

A 7-0 scoreline probably flattered us in the end. Being 4-0 with lots of control in the first, we lost some intensity and control in the second half, gave up too many one on ones but Daz saved the clean sheet, closed out the second half. We are still getting used to this formation and some new positions/roles/people so it's best that we take this as a learning opportunity to focus on what we did wrong and not rest on our laurels given some low quality opposition so far.

RAIN – WHAT TO DO

It's raining, it's Saturday!! Is the game on??

The decision to close and open grounds is in the hands of the local council

It is made on the basis of the condition of the ground. It is not made based on the weather.

That means that sometimes it is sunny but the ground is closed (because it is still wet from previous rain) or it is raining but the ground is open.

Your manager will know if the game is on, give them a call. Very rarely is a decision made before Friday evening. If I have not contacted your manager, the game is on, even if it is raining!

*Most often games will still be on so **do not just stay at home**, you will be letting your child's team down!!!*

It's raining and it's training tonight!! Is training on??

If the ground is closed you cannot train, *even if it's not raining!!* Parents and players call the manager or coach.

Granville Park is in Cumberland Council – wet weather line **8757 9025**
