All Age Ladies vs Kings Old Boys 4 - 0

We dominated possession and position from the first whistle but were unable to find the net more than once in the first half. 1-0 really wasn't good enough and we lifted in the second half to punish Kings mistakes and keep the ball away from them altogether. A great return from Katrina (fantastic to have her back!) and seeing Narges starting to dominate midfield is really encouraging. Keely, Henny, Faith and Sarah I keep on keeping on: again not conceding in defence.

Goal scorers – Katrina Tamano 3, Alex Delgado 1

O35 vs Inter Parramatta White 0 – 1

We had just enough players to field a full team with no subs, with a few still out injured and unwell. There were plenty of close shots at goal and multiple saves from our relentless keeper Tony. Second half saw improved game play after a pep talk from our veteran players to just keep the ball moving. Unlucky to have the opposition get one goal in. Hopefully we'll get some more players back in the game next week. Thanks to our sideline cheer squad for braving the chilly night to support our players!

In today's soccer match, our team demonstrated their dominance on the field, securing a victory with a final score of 5 goals. Our players Zahid, Melvin, Akkuna, Abdul, Jordan and Ryan worked together and created a lot of scoring opportunities in the entire game. Thank you to our parent coach Waheed for helping our team today while our coach Rafael was absent due to his match clashing with our match.

U8 vs Wentworthville Uniting 5 - 0

On Saturday we welcomed Wentworthville Uniting FC to Everley Park. Despite countless shots at goal, we struggled to find the back of the net in the first half. We then emerged rejuvenated after halftime, spurred on by a motivating team talk from Coach Anthony. Akram ignited the scoring spree early on in the second half, followed by goals from Yusef and a double from Hamza. Our goalkeepers for the match, Akram and Joshua, were supported by a solid defensive line featuring Zoe, Jess, Christian, and Zaydin. As well as midfielders Felix and Sam. By working together, they ensured Wentworthville remained scoreless. Seb's near-misses and a crucial cross further bolstered our attacking prowess. With a more impressive approach in the second half, we claimed the win.

U9 vs OLQP Falcons White 3 - 4

A loss, but one that showed how strong we are as a team. We went into the match with only 8 players and no subs. Our opposition had a full team of 9 plus 4 subs. We went up 2-0 midway through the first half but as the match wore on we started to concede goals and it was obvious fatigue was setting in. But the boys persevered and we were up 3-2 at one point before conceding another 2. A very strong performance. Jacob scored all 3 goals. A spirited performance by Orlando in the midfield and dependable defending by Milan as always. Pierre had a good run at one point and was unfortunate not to score from his run. Well-done boys, you demonstrated fight and courage today and the coaches and I are proud of you. I have no doubt once we have our full team back we will go back to the dominant performances our team is known for.

9 Girls vs Greystanes FC 8 – 0

Another dominant performance from the 9 Girls after a shaky start. Great to see Jacinta pick up from where she left off last week and to see Talei get some goals. Eva and Florence got to play their first game with the team this week, but due to school holidays we are yet to have everyone there. Fingers crossed for next week!

Goal scorers – Jessica Leke 3, Jacinta Taleb 3, Talei Rasaku 2

U10 Red vs Lidcombe Churches 7 - 0

First half was messy as the boys could not break through the middle and in front of goals. Feet were everywhere and even though the boys tried to drive the ball through the crowds, there were too many feet in front of goals. It took a while but eventually Paul did great to score our first goal and at half time we were in the lead 3-0.

When you play against a team that bunches up in front of goals, the best option to score is by drawing the opponents back and out wide and the boys did that much better in the 2nd half. There were more opportunities to score and the game finished with 7-0. Boys did well but need to remember the different playing styles based on their opponents.

U10 Black vs Kings Old Boys 0 – 18

Today was a very frustrating game, not even the offside goals they scored could have changed much. We continue to not find the appropriate pass and therefore lose the ball. The other team were very good, and our boys should learn a lot from them in terms of positioning and passing. We have a lot of work to do, but if the boys show up to training and listen, I know we can improve. Big improvement was seen from Jaden, definitely gave it a good go in a MOTM performance for our team.

U11 vs Wentworthville Uniting 5 - 0

An awesome sunny day for soccer. The boys passing game has improved and they are being able to keep their position and that has helped the team move to the next level being able to attack and defend at the same time. We missed a few opportunities in the first half however the team was able to score two goals in the first half and on the second half the kept pushing and scored three goals.

Today was a rematch from grand final last year. The team was sluggish to start, goalie Olivia able to showcase her powerful kick sending the ball from goals to across the halfway line over and over again. First half was slow going with many attempts at goal but none making it by the goalie, until just before the halftime whistle with Izzy getting one in and breaking the tension. Second half was a better game to watch, Cici had her eyes on the tiny but mighty Greystanes#45 and was tasked to stay with her. Aariyah bringing such grace with a strong defensive kick and Claire playing speedy CDM and keeping the ball away from our goal. Mid field had a challenge with many feet in amongst the ball, Marita was able to clear from the middle and pass to the side, Elizabeth continually passing down the line and Julie was no match for Greystanes trying to pass her by. Hajira, our little pocket rocket, tackling Greystanes and turning it around to give opportunities to our strikers. Pass, pass, pass, was the theme of the second half which allowed both Izzy & Nelofar to score numerous times each. What's better than one hat trick? **TWO HAT TRICKS!!!** Well done to Izzy & Nelofar- they both fought hard to earn that title today, but not without the support from the whole team. Everyone played amazing!

Wow what a score. From memory, I think this is our highest winning score. Today was a comprehensive display of what working together as a team can achieve. Controlling possession enabled us to take shots at goal and by half time it was 5 - 0 with Owliya scoring 2 amazing goals and Jacob and Julian adding a goal each (plus a Kings' own goal) and our confidence was high. The second half, Coach swapped player positions and the goals continued with Michael scoring a fantastic hat-trick, Joachim and Muhammad with one each and Julian kicking a sweet penalty goal. A huge shout out to the whole team today for a great game - Gabby, Michael, Owliya, Muhammad, Raphael, Jacob L, Emily, Jacob T, Ali, Joachim, Jeremias, Eyad and thanks to Julian for joining us today.

I've been saying for the last 2 weeks that the team needs to play on a bigger field as we need the space to run into. Jones presented us with that bigger field today and we took advantage of the abundance of space. Spectacular Win. I still don't think InterParra knows what hit them.

Sluggish starts in division 1 will cost us many games and many goals. Conceding in the first 5 minutes was definitely not part of the game plan. We spent the majority of the first half in their half of the field but refused to shoot. We insisted on passing along the 18 yard box rather than having a shot. We simply cannot score if we do not shoot. The chance to change our season was on the line as we were 0-1 against the team coming last and the energy lifted at the start of the second half. Unfortunately a defensive lapse cost us a second goal and now 0-2 with 20 minutes to go. The energy and intensity all of a sudden lifted to another gear. We need to bring this kind of intensity to the start of every game. We peppered their final third and received corner after corner until one struck a hand. 7 minutes to go and it's now 1-2 after a well placed pen from Daniel. We go again, we apply the pressure again, corner after corner and a scramble in the box with Hassan belting it past the keeper, 2-2. 3 minutes to go. We fight, we fight, we fight until their player fouls Jason 30 yards out. This is what fairytales are made of, what people dream of, 2-2 free kick, the game on the line and the time run out. Cometh the hour, cometh the man, Jason stepped up and cracked it. The keeper parried it onto the crossbar, it bounces then off him and hit the post and went in. 3-2. The belief and the pride that was shown today by the boys was incredible. Such a deserved comeback.

The boys took a long time to get started today..maybe the cold weather had something to do with it?? Our 1st goal came after 16 mins to Charbel & then shortly after off the crossbar by Big Ali with a shot outside the area. Second half saw more improvement, with Zanyar getting a goal just over the line, Big Ali running it into the box & the final goal by Little Ali from the left strikers position hitting a first time ball to go over the Goal Keeper's head & into the side back netting. He was soo excited, that he ripped off his jersey running back down the field swinging it wildly above his head, only to earn himself a Yellow Card which cost him the Man of the Match award for today! Best onfield were Shabir & Gethyn. A good result, but still more effort is required by All players in the team. :))

Another tough opponent with more experience. We had a really strong start in the first half with the score against us at 2 nil. Everyone tried their best to keep up and didn't give up. A great team play between our strikers Savio and Riley to score a goal in the second half. We just need more time to gel as a team and need to have every player turn up to training sessions so we can work together on our game play. Players of the match: Geza Bausse for building up a big fan base and Alex Chen for stepping up as goalie

To be honest we were outclassed today, but some players had a point to prove. Some did well, others struggled. Ravinesh shone brightly in the middle, JP as usual did his best under trying circumstances in defence and Josh played a great first half before coming off to rest for firsts.

PL Red Firsts vs Lightning FC 4 – 2

We lost round one after leading with 20 minutes to go, we lost round 2 by a goal after conceding two penalties. These teams sit second and third in the comp. We are good enough, we just have to believe. Today we did. This season we have been scoring goals, but we have also been conceding. Some changes today did the trick mostly. Some errors of judgement occurred again but after a shaky 15 minutes we regrouped and regained control. Again 4-1 looked comfortable until we got the jitters. But a pleasing win. Abdul was brave, Zaid showed great maturity and poise, but it was Sandro who was truly awesome all day.

Goal scorers – Zaid Hamze 1, Alex Rusu 1, Abdul Abdul Hamid 1, Deng Aguok 1

PL White Reserves vs Greystanes FC 2 - 2

Reserve Grade started the game by conceding a very poor goal which created abit of panic in our play. After numerous chances and some poor finishing we finished the half at 2-0. After a strong push to make things happen in the first 10 of the 2nd half, we looked like we had momentum but again, after a number of chances we couldn't capitalise on, it took us until the final kick of the game to scrape a result. Not ideal, but something to build off.

Goal scorers: Wil Wark 1, Nishant Kumar 1

PL White Firsts vs Greystanes FC 5 - 3

First Grade started very strongly looking like we'd be cruising to another comfortable performances but some tired legs and inconsistency in our play meant Greystanes were afforded a few goals they otherwise wouldn't have scored. Transition defence is wheee we'll get stung this season and it was evident today after conceding 2 underserving goals due to individual error. We managed to settle the ship via a Dollar goal and some insurance with our 5th walking away with another 3 points.

Goal scorers: Wil Wark 3, Adem Stevens 1, Dollar Bunait 1

RAIN – WHAT TO DO

It's raining, it's Saturday!! Is the game on??

The decision to close and open grounds is in the hands of the local council

It is made on the basis of the condition of the ground. It is not made based on the weather.

That means that sometimes it is sunny but the ground is closed (because it is still wet from previous rain) or it is raining but the ground is open.

Your manager will know if the game is on, give them a call. Very rarely is a decision made before Friday evening. If I have not contacted your manager, the game is on, even if it is raining!

*Most often games will still be on so **do not just stay at home**, you will be letting your child's team down!!!*

It's raining and it's training tonight!! Is training on??

If the ground is closed you cannot train, *even if it's not raining!!* Parents and players call the manager or coach.

Granville Park is in Cumberland Council – wet weather line **8757 9025**
