All Age Ladies vs Wentworthville Uniting 0 - 0

We had a couple of clear chances but were unable to capitalise. Alex had her best game of the season thus far, providing Katrina with some great passes. Hendrika had the opportunity to shine in goals today and like she has for 19 of the last 22 games over 4 seasons – she kept a clean sheet.

O35 vs Castle Hill Kings 3 - 3

If the match wasn't exciting enough, there was rain added to the field tonight to watch the men slip and slide and be blinded by the rainfall. The team struggled in the first half. We had a new formation, new players playing for the first time and we conceded 3 goals by half time. Second half we changed formation, were more focussed on passing and we attacked. Quickly got one goal followed by another and another. There was plenty of frustration from the opposition but our defence held up in the end and kept the game at a 3 all draw. It was a much better performance than expected against last year's winner. Great game played tonight.

U6 Red vs OLQP Falcons White 3 - 3

A disappointing start to the morning when I only have 3 players at 8:45 for a 9am kick off and I'm there at 8am setting up the field on my own. Others cant even be bothered to let me know they're not coming. We took to the field with 4 players again this week. Ali, Demir and Raphael chose their positions today and they all played it very well. Ali was an outstanding goal keeper. Demir showed control and composure to stay back and play defender. Raphael went into goals 2nd half because he was very tired from so much running in the 1st half. Zein was fantastic running everywhere. At this age group everyone is learning to play the game and learning to play in a position. Which means everyone will have a turn in goals. Let the kids play and have fun. Support their decision. Support me as a coach, come to training on time, get to the games early. OLQP white were a tough team today. They had some very good players. Who knows how many more goals could have been scored if we had a full team.

U6 White vs Lidcombe Churches 5 - 0

Today's match was an exciting match full of energy. Our young players took to the field with enthusiasm and determination - they dominated from start to finish and they chased after every ball - giving the opposing team very less chance in the field. Our players Abdul, Akunna, Melvin, Jordan, Lazarus, Zahid showcased impressive teamwork at the game today playing with just enough players to field a team, with no substitutes available.

Thankyou to Henny(U6 Red Coach) for helping us in the game today.

We played against parramatta today, Charbel, Brodie and Samy played a great defensive game with some amazing saves from Jayden at the goal. With half the team off this week unfortunately we lost 8-0 A big thank you to our borrowed player Adam for helping us out again. Better luck next week boys

Winners are grinners! Our team photo this week says it all. On Saturday the rain stopped and the sun came out for our match against Greystanes FC Red. We knew we were in for a tough match, facing the top-of-the-ladder team who have been undefeated so far this season. Our team really stepped up to the challenge and it was such an exciting game to watch. Felix found the back of the net in the first half, boosting our confidence. Sohail saved some tricky goals and then scored a hat-trick after swapping positions. Joshua, Christian, Zaydin and Sam managed to put pressure on our opposition in midfield. Zoe and Jessica ensured that the opposition remained scoreless in the second half, directing the ball away from our goal. Akram was in attacking mode and drove the ball up the field. Hamza saw an opportunity and scored in the second half. Yusef and Seb showed great determination. Each week our players improve their skills and are making instinctive game plays. Well done team!

U9 vs Inter Parramatta 2 - 3

Another close loss. Jacob scored both goals. Milan played excellently in defence and probably stopped at least 3 potential goals. Well done to Orlando who has stepped up and played both as a forward and as a midfielder. Some great saves by George in goals and Neal P also had a turn in goals in the second half and made some impressive saves. It was great to see Nathan and Nicholas put in strong efforts in the midfield to keep the opposition working. Unfortunately we seem to have regressed a bit in terms of challenging for the ball, tackling and maintaining positions. A lot of the gains we made in U8s in these areas seem to have fallen by the wayside but we will continue to work hard and hopefully see some results go our way.

Unfortunately a second loss for the day. Jacob scored the one goal and both George and Neal covered goals again with some impressive saves. Neal S played well in defence and Srijan was fearless in challenging the opposition as a defender and had no issue with committing to tackles. It could have ended in a draw but there were a few opportunities where we were unable to complete a good sequence of play. On the bright side we are not getting flogged but there are some fundamental areas we need to work along with awaiting the return of two key players.

9 Girls vs Inter Parramatta 3 - 1

Another great win for U9 girls! At the beginning of the first half, Zoe started us strong with her great defence skills, not giving the opponents a chance to get the ball. Our player of the match, Florence, showcased her amazing kicking skills that she practiced at training, creating many opportunities for our strikers. Amellia played well in goal keeper, making use the space well and running up at any opportunity. Once again, Jessica showed her amazing skills, scoring a total of two goals by the end of match. She had the opportunity to play goal-keeper during the second half in which she also played very well. Jacinta was constantly on the go. She showed everyone her great defence, not to mention that amazing kick to Jessica in the first half. Tisha showed great teamwork throughout the whole match, running towards to the ball at any chance to help her team. During the second half, Talei was unstoppable. Her defence was amazing when it came to putting pressure on our opponents. She gave it her absolute best, getting very close to scoring multiple goals. Hijira played exceptionally well throughout the second half, also running to score numerous times but fell short. For her first match of the season, Achol played amazing. She wasn't scared to run towards the ball and get it off our opponents. Overall, very proud of our U9 girls for showing great determination and teamwork.

Great game today with all the boys rotating and having fun playing in different positions. Paul once again scored our first goal for the game. Ali showed his improvement from last season chasing and fighting hard to clear the ball. Issah, our newest member of the team, did a fantastic job as keeper saving several goals in 2nd half.

Finally, the goal post did not get in the way with Josh scoring his first goal for the season from outside of the box. Goal scorers: Aidan Lu 1, George Catanguai 1, Josh Azar 1, Obaida Oqielat 1, Paul Song 1

We are improving each week and it's really nice to see. Maroun scored an absolute screamer and it looked like we would bounce back from last week, however the goals we concede from goal kicks are a big problem. We need to work on finding a pass without the other team intercepting it and getting an easy goal. Without a definite goalie it's a challenge to adapt however Danyal did very well today, I was quite impressed. Shiven did some good dribbling down the field, he just needs to find a pass, and Jaden continues to impress with his defence and passing work. Good job boys.

The threat of bad weather held off and we were able to play and what a game the girls played! The McCredie girls' are great at playing their positions and communicating together. Once again their opponents made it hard with so many around the ball at once, but u11 girls are catching on how to kick to the sides for space. They all had standout moments through the game. Didn't take too long for Marita to get the first goal of the game, quickly followed by Nelofar who assisted others with goals yet still got some herself despite a persistent opponent often falling in front of her. Aariya able to play between defence & mid simultaneously with her usual grace. Cici, although unwell, did a great job and assisted a few goals and Claire had a great time filling in from defence, mid and trying out a few goals too going from our goal all the way to Inters, chasing down her own kicks! The start of the second half mcredie had a free kick which Izzy took, sending the ball over Inters heads into the top bins from outside the box. Our sweetheart Julie going shoulder to shoulder for a few meters holding her own and retaining the ball for a nice play over the halfway line, giggling and enjoying the challenge. Olivia stepped away from the goal momentarily and made a run back before inter made it to goals, she was able to block the ball and catch the rebound, keeping a clean sheet for u11s!! Go Olivia! Today's captain Batoul along with our pocket rocket Hajira running down the Inter striker and keeping the ball away from goal with a fantastic run and showcasing great team work between them. A trifecta of Hat Tricks for Izzy, Nelofar and Marita, as well as a lovely final goal from Elizabeth! Goal scorers didn't work alone, the entire team helped get these goals in and they all played really well.

Walking into the game with confidence and a full team, we were able to dominate with first half with a 2-0 lead with Ismail scoring 1 and an own goal due to great pressure from our attackers. Second half with a fresh pair of legs, the boys let down their defensive side but were able to hold onto the 2-1 lead with boys like Isaiah and Gabriel holding our defence and mid well. U12 Red vs Greystanes FC White 3 - 0

U12 boys demonstrated remarkable resilience and skill in their second match of the day (an hour apart from the first one), despite evident fatigue in the second half of second game. Despite this challenge, they emerged victorious in both matches. Noteworthy performances were seen from our defensive line, Albarra and Ismail who showcased exceptional abilities. However, the team's success was largely attributed to their collective effort, characterized by consistent passing, powerful kicks and strong defensive manoeuvres. The opponent had several opportunities to score but couldn't thanks to the wonderful defence by our boys. Overall, it was a testament to their teamwork and determination.

Thankfully the rain held off and it was a great day to play. The confidence from last week's big win carried over to this week and the team started strong. The passes found our players and gaps started to appear in GFC's defence. Jacob L opened with a solid goal and before half time Muhammad chipped over the keeper to score. Johnny stayed strong during the game as goal keeper. Second half frustration crept into our game after some calls against us but the team finally settled and Muhammad and Julian sealed the win. The connection and trust is continuing to grow within the team which is great to see. A huge congratulations to all of our players today on a solid game.

Always a tough opponent OLQP. Both teams played very well so this is why it's always a nail biter. Great passing in the first half which led us to an easy first goal. We stayed on top in the second half and our defenders had to fight extra hard as they tried to equalise. Eventually they scored to tie at 1 all. A free kick to our team in the final minutes saw Julian score an unstoppable winning goal. Player of the match: Ameer Khan

U14 Girls

vs Inter Parramatta White

2 - 2

The team played Inter Parramatta white today and the game was a vast contrast to last week's game against the other side Inter Parramatta has in the competition. This was a tougher game but the girls prevailed and came away with a point considering the team was 0-2 at half time. Ella was fantastic in goals making some great saves and keeping us in the game. Great to see Mona passing the ball and putting a great through ball for Ellie to score one of her two goals. The fullbacks Annie, Gabriella and Saffron defended well and in the second half they were impenetrable. Aya, Savannah and Makayla played in the midfield positions and it was pleasing to see the girls help the forwards Mona and Ellie. With no reserves today the girls dug deep but unfortunately could not get a winning goal and take all three points. Very proud of your efforts today.

We played really well the entire game pressuring their defence and midfield and poaching the ball off them. We created multiple chances but failed to convert most whereas they had less and converted more. If we learn to punish teams by putting the ball in the back of the net, we will obtain more points and climb the ladder very soon. Man of the match - Seb - saving a pen and looking very solid in goals. Aaron was also brilliant on the defensive end.

U14 Red vs Kings Old Boys 4 - 4

A late Kick Off saw the KOBFC score after only 8 mins with 9 Players. They followed it up with a 2nd goal & REDS found themselves 2 -0 down. A break by Big Ali saw him slot one past their goalkeeper followed by his 2nd one to level the scores 2 -2 by Half time. 2nd half saw us change Goal keepers & Kings O/B put 1 straight past Brandon. REDS kicked off & managed to get the ball up front to see Big Ali put another 1 in to level the scores 3 -3 & get another hattrick! With only 8 men now, Kings O/B got a break down the right hand side of the field..an awkward tackle saw REDS Stop, but the King O/B ran on to score a 1 on 1 against our Goal Keeper with 3 minutes to go..!! It wasn't over yet so REDS kicked off getting to about 30 metres out from the goal line & was awarded a free kick for a foul. Big Ali placed the ball, took the free kick, reaching about 4 feet in the air & the Kings O/B defender tried to save the ball with his foot but ended up going into the back of the net. With only 20 secs on the clock, they kicked off & the whistle was blown. It was a good & hard fought result for REDS..Memories of last year's exciting Semi -final before the penalty shootout! We left Everley Park & headed straight over to Tait Park, Smithfield to play Babylon FC for a 3pm Kick off. Babylon came out hard & fast from the start with many long passes & some unorthodox tackles. They dominated the 1st half putting 5 goals past our Goal keeper Luke, who eventually succumbed to an injury & had to come off & be replaced. REDS couldn't seem to find traction even though they managed to get into the box on several occasions & hit the woodwork, as in our earlier game with Kings O/B @Everley Park. Ghadir had some work to do in goals in the 2nd half but managed to keep the Babylon FC scoreless. Bilal had 2 headers & was unlucky not to sneak the 2nd one inside the far post off a Big Ali corner. With 5 mins to go, Big Ali took a Free kick from the right hand side of the park from some 35 metres out to put the ball over the Goal Keeper's head & in the back of the net. Babylon FC have greatly improved from last season & GMUSC REDS will need to vastly improve in the 2nd Round! Player of match - Bilal Yehye Encouragement - Mohammed Rasuli

11 individuals are a rubbish team and we showed that in the first half. Everyone just wanting to score and chase individual milestones got us entering halftime in a narrow 2-1 lead. All of a sudden, we decided to play as a team, a pass first time and then piled on the goals making it a comfortable match to be a part of. How good was Ravinesh today?! He took control of the midfield immediately and held his grip on the position for the entire 90 minutes. This is how to do it guys, the example is right in front of you. Up front where we have been tentative in recent weeks, we were clinical and ruthless. Deng carving them up on the left only to set Mahdi and Antonio up – and today they didn't miss! Some great goals and a great comeback after last week. Goal scorers – Antonio Khattar 4, Mahdi Jaffari 3, Deng Aguok 1

PL Red Firsts vs Wentworthville Uniting 5 - 0

This comp is stronger than we have played previously but today reminded us of the steps we are taking to be better. Last time we played Wenty we won a tight grand final last year. Today we took control and dominated with Deng continuing where he left after reserve grade, Zaid winning everything, Sandro controlling midfield and our backs solid, led by Ryan. But it was Alex who they feared (after a great strike in last year's grandfinal) and this spurred him on. What a display! And the 3rd goal to complete his hat trick was even better than last year's GF goal. What a cracker! The improved discipline has been notable over the past fortnight and we should all take note of this. We have still got some cards, but they have been for desperate tackles not stupid amateur hour bravado or talk. There is a huge difference, and it is paying dividends.

PL White Reserves vs Inter Parramatta 4 - 4

Approached the football game with a focus on keeping it simple and getting back to basics. We had some real positive moments and some decent control but were punished with a few clinical finishes from our opposition. After a rally at half time we found ourselves at a cross roads where we decided to band together and work 1 goal at a time until we can claw back a result. After a great solo run Peter wins us a pen which Wil slots and totally rattles our opposition. After 25 minutes of consistent pressure- again - they score clinically. 5 shots, 4 goals for them. But we didn't crumble at the circumstance and got 3 goals back and a top finish by Wil from 30 yards out to share a point. Better today from the boys and something to build off. Onto the next.

Goal scorers: Wil Wark 2, James Rosandi 1, Willem Booker 1

PL White Firsts vs Inter Parramatta 2 - 0

With our opposition frustrated from the previous game we knew we had to take advantage and focus on our game. After a first half where we were probably the better side, we needed to focus on a) communication and b) end product. We broke the deadlock at the 50 min mark through a set piece and fought hard for the 2nd til near the end. My analysis though was that we were the better squad and Inter were never really in the game outside of a moment or two. With stand out performances across the park a note for Mick and Jono who exemplified what is necessary for us to own these matches - composure, work ethic, always offering and body on the line. Well done lads. Next please.

RAIN – WHAT TO DO

It's raining, it's Saturday!! Is the game on??

The decision to close and open grounds is in the hands of the local council

It is made on the basis of the condition of the ground. It is not made based on the weather.

That means that sometimes it is sunny but the ground is closed (because it is still wet from previous rain) or it is raining but the ground is open.

Your manager will know if the game is on, give them a call. Very rarely is a decision made before Friday evening. If I have not contacted your manager, the game is on, even if it is raining!

*Most often games will still be on so **do not just stay at home**, you will be letting your child's team down!!!*

It's raining and it's training tonight!! Is training on??

If the ground is closed you cannot train, *even if it's not raining!!* Parents and players call the manager or coach.

Granville Park is in Cumberland Council – wet weather line **8757 9025**

On The Ball

Guildford McCredie USC (is an activity of Holroyd Uniting Church.)

Gather your sponsors for the 2024 Lapathon!

LAPATHON

Sponsorship form

Wednesday 8th May, 2024

Name	Telephone number	Amount per lap or the sponsor may choose to donate a total amount.	Total donation
Total amount collected			

It is expected that players will complete not more than 30 laps

**On WEDNESDAY 8th May all teams will meet at Granville Park at 5.45 and run from 6pm to 7pm.
(There will be no Tuesday, Wednesday or Friday training this week)**

During the night all players will receive lollies and drinks and a BBQ will operate. **This is our only significant fundraiser and it is expected that all players will participate and seek sponsorship prior to the night.** This is how we are able to maintain the lowest fees in the district.

Players not attending will not be eligible for special awards at the end of the season.
