 Great effort today. Zain's awesome header off a well taken corner from Ali was the goal of the match. Special mention to Raphael netting his first goal from an unselfish pass from Moses. Demir was awesome in defence coming forward to help up front at the right time to score. A big thankyou to Raphael and Ewan for being our goal keepers today. 2 things to mention: stop taking the ball off our own team and pass it.

Today's game commenced with kids showing their dedication and determination. Game kicked off with 6 players in the field with no subs. Right from the kick off our team seized control over the game. Our players Abdul, Akunna, Melvin, Lazarus, Jordan and Ruben showcased a dominant game securing a well derived victory for us. We extend our gratitude to our Parent Coach Lionel for his help today as our coach Rafael was away for his own game & also thanks to the parents who came to support our game!

On Saturday it was our turn to play two games. First up we played OLQP Silver at Everley Park. Weather conditions were windy, but we still managed to dominate. Sohail opened up the scoring when we got a free kick. He proceeded with another goal after that. Our next goal scoring opportunity came when Akram took a corner kick. Jessica positioned herself nicely for the kick and then passed it to Hamza. Hamza scored to make it 3-0. Zaydin then ran the ball up the field and scored our fourth goal of the game. Akram finished off the game with a fifth goal, securing the win for us. Our team are getting better at passing and working together, which helped with the win today. Our goal keepers barely had to touch the ball, thanks to our strong defensive efforts.

U8 vs Lidcombe Churches 1 - 0

On Saturday we played Lidcombe at Phillips Park. For most of our players, this was the second game of the day. However, both Zoe and Jessica also played another game in between. Not that you could tell, as both girls gave this game their all, helping to keep Lidcombe scoreless. It was a tough match but Sam scored a goal early on, off a cross from Sohail. The team persisted, unsure if that would be enough to get us the win. More attempts at scoring became lessons learnt about the offside rule. Luckily, our one goal was enough for the win. We are set to verse Lidcombe again next week. Hopefully we can take what we learnt from this game and apply it next week, for another victory.

U9 vs OLQP Falcons Red 10 – 0

A fantastic win! It was great to see the team blow out the cobwebs and get the first win of the season. Today saw the return of Thomas after a few weeks off. We have a very strong attacking trio with Jacob, Neal P and Thomas pressing hard and keeping the ball in the penalty box. Five goals by Jacob, two by Neal, two by Thomas and one by Arshan took us into double digits by the end of the match. Wonderful defending by Srijan, Nathan, Neil S and Milan who have proven to be very solid defensive line. We also have discovered a highly capable goalkeeper in Srijan which has given George the opportunity to get some time in defence and the midfield. However, both George and Srijan had a quiet day in goals. General improvements in play all round by the team. Some good passing, energetic tackling and aggressive ball chasing was great to see especially by Pierre, Orlando and Nicholas.

9 Girls vs **OLQP Falcons Blue** 7 - 2

A rollercoaster of a match this Saturday. Despite the rainy weather and a bit of a floppy start, the girls carried on their winning streak, with a total score of 7-2. Many opportunities for the girls to score within the first half but unfortunately fell short. It wasn't until the second half that the girls started to make a comeback and showcased their skills. Achol and Tisha played well as a goalkeeper, learning new skills and putting themselves out there. Amazing defence from Zoe and Amellia. Zoe's strong kicks in the second half gave our midfielders many opportunities to set up goals. Eva played exceptionally well throughout the game, never giving up and ran for the ball at any opportunity. Talei, Jacinta and Jessica played amazing, showcasing their awesome teamwork, resulting in scoring multiple goals. Despite missing some goals, the girls got back up and tried again. The highlight of the match was Florence continuing to kick the ball whilst on the ground from being knocked over, her determination doesn't go unnoticed. A massive shoutout to the dads as well, giving their best support and helpful advice! Big thank you to them! Overall, the girls should be very proud of their win today!

U10 Red vs **OLQP Falcons Red** 9 - 0

We knew we were the stronger team in this match so heading into this game the focus was on practising our passes and preparing for our catch up match in the afternoon which was the one we have been waiting for all season. But first things first, we shook off the rust because of no training for 2 weeks and last week's wash out. Great to see the boy's distribution in goal scorers. Then we were ready for Game 2.

U10 Red vs **Greystanes FC Black** 1 - 0

This was the match we were eagerly waiting for, against Greystanes Black who last season upset the minor premiers to win the comp. Our 1st game for this season was scheduled against the Blacks but it was washed out which was a welcome to us as we wanted the boys to warm up with a few games in hand before going head to head with them. Our next game against them was once again unfortunately washed out because of the rain. Although it sprinkled today and the wind threatened to blow everything away and despite the very light drizzle of rain, it was finally happening. The boys went in feeling they had nothing to lose and everything to gain. There were many beautiful plays and chances for goals, with little opportunity for our opponents showing we were the stronger team. Every week our coach reminds the boys to play to each other's feet and not make haste kicks towards goal from outside of the box but today was different. Josh, our usual offender, took a spectacular strike at the ball from way outside of the box which flew over everyone's head, including the keepers, and straight into the back of the net. This happened in the 1st half of the game but with our strong defensive and offensive line up and Animesh in goals it was a good first challenge for us.

Goal scorer: Joshua Azar 1

U10 White vs **Kings Old Boys** 0 - 3

It started off intense and stayed intense with the old boys scoring the first goal in the first minute. Gabby and John did great job on goal keeping, and Isaac, Peter and George kept an awesome defence. Roshav and Hanna kept the opposing team busy chasing them. Emmanuel and Charbel were doing an awesome job. Elijah and Thomas ran for their lives today. Player of the match: John

U10 Black

vs

Babylon Chaldean

1 - 0

To say I'm proud would be an understatement! Credit to all of the boys today, showing some solid improvement each week. We got our first win thanks to a brilliant penalty kick from Samuel. Just watching from the sidelines was both stressful and exciting and I'm sure all the parents can agree with the amount of screaming that went on from the sideline. Some great passes going from defence to the midfield/strikers who then had some great runs made all the difference. Good job boys!!!

Windy and cold day for soccer. The first 10 min were tough for the boys as the wind was pushing the ball back as it was blowing towards our goal hence whenever the ball was kicked it was not moving. The boys realised that and they started passing the ball with simple passes instead of trying the long crosses and that worked well, after the first goal the boys go the spirits up and there was no stopping them, they played well and when the second half came they used the wind to their advantage and pushed harder. By the end of it all the team won 5-0.

Our first game against Babylon started strong when in the first few minutes Jacob L found the net from a free kick. Our attack did not stop and soon after Julian scored our second. The second half started to turn a little scrappy and saw the score level at 2 all. After some tough calls, the team found the motivation and both Julian and Owliya scored two quick goals a few mins before full time.

We knew playing two matches today would not be easy but the team gave it their best for both matches. The second game against our comp leaders was always going to be hard and our tiredness started to show but the determination didn't stop. Our defensive line gave it all shutting down their speedy strikers. Our attack created some opportunities and in second half a penalty saw Muhammed find the net after the first shot rebounded. A great lesson in never stop chasing the ball. A few other lessons from today are to not let calls or other players actions deter us from our end goal - we just need to stay focussed on our game. So proud of everyone today.

U13 vs Wentworthville Uniting 15 - 0

We won as expected against a new team. Our kids showed good passing and teamwork to pile on the goals. Players got a little excited in goal scoring and forgot their game play. But after a little reminder, they reset at half time and had a great match that gave them plenty of practice. Player of the match: Julian Azar

Rain and wind added an element of challenge to the game. Scored a great first top corner goal and tried very hard for the remainder to the match to defend and keep it a win. Unfortunately an unlucky call gave the opposition a goal and saw us end with a draw. We'll get the win next time! Playing the top team two weeks ago and working out how to ruffle their feathers by pressing their defenders with the ball, we thought we would try the same strategy against the number two team. It absolutely worked, we were unbelievable and worked really hard to steal the ball off our opponents and attacked for the majority of the first half. We earned our goal through a Stefan header before unluckily conceding the same at the other end through a headed deflection. 1-1 at halftime but we were awesome. The second half was much of the same desire to win the ball. Unfortunately with ten to go, we concede off a scrappy corner and then a lobbed shot and the final result was 1-3. We are so close and are competing with the top teams. Today was heartbreaking. Man of the match - Aaron, incredible defensive work in the midfield.

Persistence is key. Even when chances are being created but not going in, the most important thing is keeping our heads up and trying again. For a while it seemed like nothing would go in as we had many chances throughout the game. 1-0 at halftime and only scoring two more in the last five minutes shows that we have to keep playing until the full time whistle to ensure the best result.

Goal scorers - Yonathon Kiflom 2, Stefan Rusu 1

U15 vs Toongabbie Demons 4 – 3

Another hard-fought comeback: After going down 2-0 in the first 15 minutes, our defenders and midfielders had to dig deep. We went into halftime trailing 2-1. When we returned, we equalized, then fell behind 3-2. From that point, it was all Guildford McCredie. We controlled the game, communicated well, and secured a 4-3 victory.

Raahauge Cup Grey vs McCredie Black 3 - 2

No ref assigned to start the game but thank you to the RC Black player for offering to referee the match. Team still needs to play their assigned positions and communicate on the field. Though they all put in a good effort today, better passing in the second half and won their first game!

Goal scorers: Mohamad Afioni 2, Zuhair Najafi 1

Raahauge Cup Black vs McCredie Grey 2 - 3

The boys got complacent in the first half and ended the first half at only 1-1 with the wind. The second half was up and down and after conceding two, they played a great last 25 minutes to nearly get it back at the death. Plenty of opportunities. But with a few major moments not going our way, the game ended 3-2 in their favour. Well done to the other Guildford McCredie team.

Goal scorers: Ayush Sapkota 1, Dave Basnet 1

PL Red Reserves vs McCredie White 1 - 3

Today really showed how much improvement we have made. Last season this team really struggled to compete, but a few personnel changes, a year of maturity and a pretty solid structural development have seen us today compete with the best performed team in the comp in recent seasons. We should be very proud. JP at the back controlled a very solid defensive line of Max, Josh, Marchilino and Dylan, whilst Ravinesh controlled our midfield, earning praise from our opponents. An injury to Mahdi hurt our attack and this is where we need to continue our development. We certainly should have scored more than 1. Welcome to our new team members Michael, Max and Marchilino. PL Red Firsts vs McCredie White 0 – 3

It is hard to describe this game played between two teams of friends who have trained together for 3 seasons but never actually played each other. Whilst the Reds played well and competed hard, it is hard as the coach to not be frustrated by some parts of our performance. The Whites controlled the play but we expected that. Possession is important in football, but ultimately it is goals that count. Had we taken the chances that presented we could have really pressured our opponents. Remember it was 0-1 at half time and 0-2 with 40 seconds to go when tired defence conceded the penalty. A goal or two from us would have changed the white's structure and maybe forced changes from them, providing opportunities for us. JP was awesome again today, making a few really important saves keeping us in it. Aaran too has really shone this year out wide, Hamid toiled hard in midfield and our defensive line of Ryan, Max, Chris and Jayden really stood strong. Michael and Max in their first day for McCredie backed up from reserves with an outstanding display of heart. This is how to impress a coach.

How could we be better? Turn up. 3 players didn't arrive for reserves and 2 for firsts. This hurts and is unacceptable. When we are on the field – be disciplined for 90 minutes. More unnecessary yellow cards, by the same usual suspects (this will bite when suspensions start to kick in) and sloppy tackles. Players playing firsts – get there early. The whites were there all afternoon, supporting their reserve grade team mates on the field and under the pergola. They not only helped their reserves win with goals (two reserve grade goals were scored by first graders), but they saw the conditions, they read their opponents and they were ready at 3.15. Our guys were still in the changeroom or walking from the carpark. The Whites win comps, if we want to, they have shown us how.

It's raining, it's Saturday!! Is the game on??

The decision to close and open grounds is in the hands of the local council

It is made on the basis of the condition of the ground. It is not made based on the weather.

That means that sometimes it is sunny but the ground is closed (because it is still wet from previous rain) or it is raining but the ground is open.

Your manager will know if the game is on, give them a call. Very rarely is a decision made before Friday evening. If I have not contacted your manager, the game is on, even if it is raining!

*Most often games will still be on so **do not just stay at home**, you will be letting your child's team down!!!*

It's raining and it's training tonight!! Is training on??

If the ground is closed you cannot train, *even if it's not raining!!* Parents and players call the manager or coach.

Granville Park is in Cumberland Council – wet weather line **8757 9025**
